Greetings

There is a long documented history of these establishments ignoring city regulations and neighborhood concerns. City Attorney Zilavy , MPD Caption Zanders, Zoning Directory Tucker, and others can attest to this statement dating back to 2021. Now here we are again. I ask the committee to please condition all aspects of any approval you may consider with easily enforceable regulations. The neighborhood's main concerns are volume control, stage placement, and crowd control/clearing. I also ask that you consider the inescapable disruption in and around our homes over 50 times during the spring, summer, and fall based on the latest zoning change. Because of previous behavior, we do not trust these establishments to have any regard whatsoever for the above-mentioned concerns of our neighborhood residents. Thank you

Agenda items 82547, 82548, 82549

These establishments are asking for outdoor, amplified music 2 nights a week May-October 4 pm-9 pm. There is a long and documented history of this owner not working with the neighbors when noise is too loud, crowds are too rowdy, and not shutting down in the timeframe outlined. I am not in favor of allowing this bad behavior to continue or to allow disruption to my work and home life 6 months out of the year. I hope you will consider the many past calls to the police and the involvement of city officials and use these to vote down this request. If you must move forward please for everyone's understanding and compliance, write out the specific noise control (decibels), crowd control, and clear out-time so that there is no "misunderstanding" by this establishment and the city and police can enforce the rules you outline.

I am a close neighbor who is significantly impacted by this outdoor music.

This establishment has a history of having its customers taunt those who speak out against them so please, I ask that you respect my anonymity and black out any identifiable details.

I am not in favor of allowing this bad behavior to continue or to allow disruption to my work and home life 6 months out of the year. I hope you will consider the many past calls to the police and the involvement of city officials and use these to vote down this request. If you must move forward please for everyone's understanding and compliance, write out the specific noise control (decibels), crowd control, and clear out-time so that there is no "misunderstanding" by this establishment and the city and police can enforce the rules you outline.

I am a close neighbor who is significantly impacted by this outdoor music.

This establishment has a history of having its customers taunt those who speak out against them so please, I ask that you respect my anonymity and black out any identifiable details.

## Site Map

Madison Children's Museum Street Use Permit, 5.16.24

Yellow: street barricades, 5 -10 pm

- Access will remain open to ULI ramp and service alley, plus emergency vehicles as needed.

Blue: meter bags, 100 block N. Pinckney

- Would like to tent part of that space if possible (10 x 20 tent, leaving a lane of traffic access open)

Music at Rotary stage:

- Forward Marching Band, 6:30-7 pm (not amplified)
- Streaming music, background volume and occasional announcements, 7-8 pm.

Event details:

- Madison Children's Museum will host approximately 800 colleagues for this party, as part of the annual conference of the association of Children's Museum. This is a private event.
- Nearly all activity will take place within the MCM property (inside the building and in our fenced-in outdoor exhibit spaces, the Wonderground and the Rooftop Ramble).
- In addition to using Rotary Plaza stage for music 6:30-8 pm, we would like to use several of the bagged meter spaces on Pinckney for one outdoor activity. This will be an exhibit prototyping contest in which approx. 4 teams of 4 exhibit builders will complete a challenge constructing with materials like cardboard, duct tape, etc. We estimate that there may be 2-3 onlookers at any given time (activity will end before 8 pm)
- If possible, we would like to tent the space on Pinckney (10 x 20) to ensure that we have a rain option. However, if we are not permitted to tent the space we would still like to use it as described above.
- If possible, we would like to allow attendees to bring their alcoholic beverages to this area. No alcohol will sold. As advised by the City's licensing department, we will work with our liquor license holder to apply for a Change of Premises permit to include the parking stalls.

## NerdHaven Arcade Beer Wine Proposal

We are NerdHaven Arcade. We are a small business that has been open for the past 4 ye

We are writing this document to request approval to sell beer and wine. This opportunity to serve beer and wine would be another form of income for our arcade. The approval would also allow our arcade to grow in many different ways, such as:

- 1) Hire more staff
- 2) Financial Stability
- 3) Invest in the business

### Our Plan::

We plan to dedicate one day out of our work week to be able to sell Beer and Wine. Currently our Wedsdays and Thursdays are in need of a financial boost.

### Hire More Staff

Currently, NerdHaven Arcade is operated by only two individuals working about 16 hour days. Bringing in more staff would allow the owners to free up there time to focus on other aspects of the business

### Financial Stability

Having another source of income would be a big relief to us. This whole operation has been on the shoulders of the owners from day one.

### Invest in the Business

The secret to operating an arcade uptime of games & repairs, new titles, customer service.

### Uptime and Repairs

Currently, NerdHaven Arcade has only one technician keeping all the games in our collection running. That is 192 games total to make sure they stay operational. If we would be able to hire another tech or two to oversee repairs in the arcade, not only would we be able to

# Summary

## Business Summary

Casetta Kitchen and Counter is an Italian/American deli and restaurant that has been operating for the previous 6 years under the current ownership. The focus of this successful model is based on lunch service, particularly sandwiches, soups, and sides. It has also found success in private, evening events. Casetta has a loyal customer base who continue to visit for lunch once or multiple times a week for the sandwiches and rotating sides. Seanna Whalen and Nicholas Larke plan to buy the business of Casetta and continue the success that has been built in the last 6 years. We plan to lightly expand the offerings Casetta already offers in order to encourage new and returning guests to shop with us multiple times a week.

We will continue to target customers who are looking for a comfortable, relaxed sit down lunch, as well as those in search of sandwiches, soups, and sides to-go. All of the food will be made fresh in house with local ingredients when available. In addition, we want to provide family style take-home dinners fresh from the deli, and lunch catering to in-building businesses as well as the Madison area as a whole.

## Seanna Whalen and Nicholas Larke

The two of us, Seanna and Nick, will become the sole proprietors of Kwantsu Dudes LLC, and the aforementioned Italian Deli concept. Nick specializes in the traditional back of the house operations while Seanna will be responsible for the traditional front of the house operations, while continuing to operate as a team.

Together, we have worked at Casetta for the previous year and have learned the important details of the business in this time. Additionally, we have started our own brand, Lady Bird, which hosts weekly rotating dinners on Saturday evenings. Lady Bird has taught us how to run a small business together, and given us confidence in how to apply them to Casetta as a whole.

## Financial Plan and Key Operating Goals

Our goal for maintaining an already successful concept is to continue to provide services to the hundreds of tenants who work at our restaurant location, (222 W. Washington Ave.) as well as other working residents and living members of our neighborhood. We also want to maintain and encourage business from the numerous UW-students who live close to Casetta. Further, we will develop marketing and advertising strategies to attract more customers for both individual purchases as well as catering for larger groups not only from the surrounding office buildings and residences, but from the whole neighborhood just west of the Capitol and beyond.

Based on our in-house experience and work history,

## Business Concept

---

### General Business Outline and Goals

- Italian deli with focus on lunch, to dine in or take-out
- To-go deli items and take home dinners
- Low overhead, smaller scale that allows us to have tighter control on the product and service
- Emphasis on local, fresh and sustainable produce
- 25-30 seats, hoping to turn tables two times during lunch, while maintaining most of our business on a to-go model
- Will continue offering catering to businesses in the Madison area
- Made to order lunch, fresh that day, we will make some of our own bread, and roast meat in house
- Deli counter with an open kitchen

## Business Plan for Fusion Smoke & Spirits

Beginning July 1<sup>st</sup>, 2024, Mahen's Liquor store is being acquired by Jacob McRoberts (Fusion Smoke & Spirits, LLC). Mahen will be relinquishing his liquor license that day, and the City of Madison will grant Jacob McRoberts a new license effective July 1, 2024. Fusion Smoke and Spirits will continue with all licenses and permits that Mahen Liquor had prior. A new lease for the existing liquor store address (36 S. Bassett Street, Madison) will be acquired from Keller Real Estate (Robert Keller), coordinated by Tim Ridders (Cresa, managing partners). No remodeling or major repairs will be needed for the transition to Fusion Smoke & Spirits.

Short term goal: To maintain same level of annual sales (\$650,000) in my first year, while keeping up with payroll, expenses, and paying appropriate taxes with my accountant.

Long term goal: To modestly increase business 5% annually for 4 years with updated marketing ideas, and hiring a store manager when business loan is paid off in 4 years.

Marketing ideas: Increase store front visibility with outdoor lighted signage on the building, increase indoor displays on higher profitable brands, network with local businesses, and new website.

I look forward to this new adventure and the hard work it will take to maintain this liquor store's local presence of 30+ years. Mahen Namasivayam will remain a resource for guidance/questions after the acquisition.

### **Product**

The Company's primary product is Turkish Shish Kebabs: A Turkish kebab is a traditional dish made from seasoned meat that is typically grilled or roasted on a skewer. The meat used in Turkish kebabs can vary, but popular choices include lamb, beef, chicken, or a mixture of these meats. The meat is often marinated with a blend of spices, herbs, and sometimes yogurt to enhance its flavor and tenderness.

Once marinated, the meat is threaded onto metal or wooden skewers and cooked over an open flame, on a grill, or in a special vertical rotisserie called a "söğüş." As the meat cooks, the juices infuse the meat with rich flavor, and the outer layer develops a delicious charred crust.

In addition to the meat, Turkish kebabs often include accompaniments such as grilled vegetables, rice pilaf, or flatbread.
