

**City of Tacoma  
Tacoma Power**

**As-Needed Video Management  
System Licenses and Hardware  
RFP Specification No. PS21-0531F**

**QUESTIONS and ANSWERS**

All interested parties had the opportunity to submit questions in writing by email to Tad Carlson by 3:00 pm on May 19, 2020. The answers to the questions received are provided below and posted to the City's website at [www.TacomaPurchasing.org](http://www.TacomaPurchasing.org): Navigate to *Current Contracting Opportunities / Supplies*, and then click *Questions and Answers* for this Specification. This information IS NOT considered an addendum. Respondents should consider this information when submitting their proposals.

**Question 1:** There is a problem with what is being called out on the parts list. The list has:

- Perimeter Defender, Single License, Axis Communications Part Number 0333-606, Quantity 5
- Perimeter Defender, PTZ Auto-tracking , Single License, Axis Communications Part Number 0333-608, Quantity 5

However we have been advised by Axis that the parts should be listed as follows:

- Perimeter Defender, Single License, Axis Communications Part Number 0333-608
- Perimeter Defender, PTZ Auto-tracking , Single License, Axis Communications Part number 01725-001

Would you please confirm that the corrected numbers along with the descriptions and quantities are what you meant to request?

**Answer 1:** The correct part numbers are as indicated in the question:

- Perimeter Defender, Single License, Axis Communications Part Number 0333-608
- Perimeter Defender, PTZ Auto-tracking , Single License, Axis Communications Part number 01725-001

Please see attached updated Bid Proposal Page with corrected item numbers highlighted in red in column E.
