# AEPA IFB# 013.1 Digital Copiers & Related Equipment

## ORDERING PROCEDURES

### 1. Ordering Procedures

Orders for all AEPA Agencies and Agency's Approved Members and entities can be placed through either a Konica Minolta Branch office or a local Authorized Dealer for Konica Minolta. Please refer to the attached list to find the contact information for a location near you.

### 2. Ordering Procedures / Purchase Orders

Please include the following information on your purchase order:

Contract Number: "AEPA IFB #013.1"

Product Model / Accessories

Product Description

Quantity of item ordered

Acquisition Plan: Indicate Purchase or Lease

If purchase indicate unit price x quantity ordered = line item total.

Line items totaled = PO total

If lease indicate monthly payment and number of months

Indicate any additional items to be delivered with the copier

List Trade-ins and Lease Buyouts

Delivery address, contact name and telephone number

Leases documents must be signed.

If Purchase orders are required for purchases, they must be signed and made out to KMBS c/o the Installing Branch or Dealer information.

KMBS Order Agreement for purchases must be signed if PO are not issued.

### 3. Payment Address

For Purchase contract / Service Agreements, remit to address is per invoice.

For Lease contracts, payments of Equipment and CPC for will be made to:

**Konica Minolta Premier Finance**

Or to the local leasing company agreed to by both parties.

### 4. Payment Terms

All payments (lease / purchase) are net thirty (30) days. Cost Per Copy (CPC) payments will be made monthly in arrears.

All invoices shall contain the agency's purchase order number used to purchase or lease the equipment. Each agency will monitor invoices to verify that the cost is accurate for the equipment installed at its location. Invoices will be based on the lease and / or CPC charge stated on the purchase order.

**5. Delivery**

Delivery will be made within thirty days or sooner after receipt of order.

**6. Transportation / Delivery / Return**

FOB Destination. Return of the equipment at the end of the lease term will be done by the Branch or Dealer that originally conducted your installed. FMV leases are subject to a return fee.

**7. Inquires**

All inquires regarding shipping, billing, delivery and purchase order status must be directed to the entity you placed your order through; Konica Minolta Business Solutions branch or Authorized Konica Minolta Dealer.

**8. Lease Agreements**

Each copier ordered can be leased for 36, 48 or 60 months terms. The lease term begins on the date the copier is installed in the agency / members facility. Sixty (60) days notice of return of equipment at the end of lease is required. If a term of lesser months is required, please contact your Corporate Account Manager for details.

**9. Maintenance Service (Cost per Copy)**

Maintenance for full service and supply coverage based on a cost per copy charge can be obtained at the time of initially ordering the equipment or before equipment is installed, this should be on Advantage lease agreements to be billed with the equipment. Any service agreements after the initial installation are subject to inspections fees and standard maintenance agreements.

Normal business hours are from 8:30 am through 5:00 pm, Monday through Friday, excluding holidays.

All equipment maintenance shall be ON-SITE, unless otherwise approved by the customer. This means the repair shall occur where the equipment is located.

Preventative maintenance includes lubrication, necessary adjustments and replacement of parts. The schedule will be based on the manufacturer's suggested preventative maintenance cycle.

Response time, defined as the time interval between the problem call by the customer and the on-site arrival of the Contract Vendor's technician, shall not exceed an average of four (4) working hours within a 50 mile radius of the service center.

The Cost Per Copy (CPC) charge includes normal operating supplies, including but not limited to toners (black & color), developers, fusing rollers, fuser oil, PM kits or any item required to make the machine run. Normal operating supplies DO NOT INCLUDE paper or transparencies.

# PROJET 460 Plus

With color 3D printing capability, the ProJet 460 Plus is your solution for creating strong, accurate and realistic parts, prototypes, concept models and more. Fast output delivers more work in less time -- and you can print text labels, logos, design comments or images directly on models in a single step for greater realism.

## PROJET 660 Pro

Full-color 3D output at higher speed and affordable cost makes the ProJet 660 Pro a valuable solution for design firms, model makers, engineers, manufacturers and other applications requiring strong, accurate 3D printed parts. Operation is simple, multiple printing is fast, and you can print labels, logos, and images in color for greater realism.

# PROJET 3510 HD

With an expanded selection of plastic materials and selectable print resolutions, the ProJet 3510 HD raises the bar for accurate 3D printing of durable, high-quality parts on demand for testing your ideas, verifying form and fit, creating prototypes and tooling samples for applications in consumer product design, engineering, healthcare, education and more.

# PROJET 3510 SD

The ProJet 3510 SD provides accurate, precise 3D printing with simple operation and office-friendly design. For high-quality durable plastic parts on demand in prototyping, functional testing, form and fit verification, rapid tooling and other engineering and mechanical design applications, the ProJet 3510 SD is an ideal and affordable solution.

# KIP 7970

The KIP 7970 gives you greater speed and convenience for higher productivity in wide-format applications. A vivid 12" color multi-touch display makes operation simple on wide format printers -- and top-stacking design with four integrated media rolls will give a powerful, scalable system to fit the needs of your application.

<p>Using the Konica Minolta and Performance Matters solution, teachers or administrators can download test data from Cloud-based servers for printout at centrally located bizhub devices and scan in the test when they are complete. Performance Matters scores and grades the student assessments scanned on the bizhub and combines the results with all other relevant student data into color coded reports and dashboards. Teachers and administrators have continuous access to student performance data in real time to assess student learning and to make the best possible instructional decisions based upon student needs.</p>				<p>Please consult your local sales consultant for lease options.</p>
