What is BlueTrack?
BlueTrack allows you to use a mouse on virtually any surface, excluding clear glass and mirrored surfaces.

What does Ergonomic mean?
Ergonomic devices are optimized for comfort and promotes positive posture, reducing risk of repetitive stress injury (RSI).

What is Advanced Encryption Standard (AES*) technology?
AES is designed to help protect your information by encrypting your keystrokes.

What is for Business?
Microsoft Accessories for Business is available through qualified resellers and is an easy, cost-effective way to purchase our full line of Microsoft PC Accessories. Contact your distributor for details.
