2021-FPFO-00097	Brook, Lisa	<p>On January 31, 2018, a Manassas Air Branch helicopter equipped with a video camera, flown by Air Interdiction Agent (b)(6): (b)(7)(C) was providing aerial surveillance and security for a Congressional Delegation traveling by Special Amtrak Train from Washington, D.C. to the Greenbrier Resort in West Virginia. As the helicopter accompanied the train through Albemarle County, Virginia at approximately 11:17 a.m., the train encountered a fully loaded waste disposal truck partially on the track at the crossing with Lanetown Road in Albemarle County, Virginia. The train crashed into the back of the waste disposal truck, resulting in catastrophic injury to (b)(6) and death to Christopher Foley. The video camera on the helicopter recorded the video of the moments leading to the crash between the train and the waste disposal truck, and the crash itself. The video was introduced into evidence at the February 2019 criminal trial of the waste management truck driver. The video is relevant to the civil claims for damages and wrongful death asserted by the passengers in the waste management truck. The video is genuinely necessary to the claims of the passengers in the truck, reasonable in scope, and unavailable from other sources. We are seeking disclosure of a copy of the video recorded by the helicopter in the 10 minutes leading up to the crash, the crash itself, and up to 10 minutes following the crash.
