

**SUPPLEMENTAL TERMS & CONDITIONS to  
GSA Terms and Conditions, DLT Contract #GS-35F-267DA  
King County Contract #6043767**

This Agreement (“Agreement” or “Contract”) #6043767 is between DLT Solutions having its principal office and place of business at 2411 Dulles Corner Park Suite 800 Herndon, VA 2017, (hereinafter called “Contractor”) and King County, Washington, a political subdivision of the state of Washington (hereinafter called “County”). The County is undertaking certain activities related to acquiring Information Technology Equipment, Software, and Services and the County desires to engage the Contractor to provide work in connection with such undertakings of the County.

Now, therefore, in consideration of payments, covenants, and agreements hereinafter mentioned, to be made and performed by the parties hereto, the parties covenant and do mutually agree as follows:

I. Contractor shall provide all work described in this Agreement, which consist of the following terms and conditions and attached exhibits, each of which are made a part hereof by this reference:

- GSA Contract # GS-35F-267DA..... Exhibit A
- CAD Software Pricing..... Exhibit B
- Certificate(s) of Insurance and Policy Endorsement..... Exhibit C

II. The terms and conditions of this Agreement shall also include the **General Services Administration (GSA) Contract # GS-35F-267DA** signed and dated by the General Services Administration on [Insert date], a copy of which is attached hereto and which terms and conditions are incorporated herein by reference, except as expressly amended herein and in any Amendment or Purchase Order that do not contain conflicting provisions. Any and all reference to **the General Services Administration** shall also mean King County. The parties agree that the following terms of the **(GSA) Contract # GS-35F-267DA** are modified solely and take precedence for this Agreement as follows:

1. RETENTION OF RECORDS, AUDIT ACCESS AND PROOF OF COMPLIANCE WITH CONTRACT

A. Retention of Records.

The Contractor and its subcontractors shall maintain books, records and documents of its performance under this Contract in accordance with generally accepted accounting principles. The Contractor shall retain for six (6) years after the date of final payment under the Contract all financial information, data and records for all Work.

B. Audit Access.

The Contractor shall provide access to its facilities,, to the County, the state and/or federal agencies or officials at all reasonable times in order to monitor and evaluate the Work provided under this Contract. The County shall give reasonable notice to the Contractor of the date on which the audit shall begin.

2. AUDIT EXCEPTION

The Contractor agrees that it is financially responsible for and will repay the County all indicated amounts following an audit exception that occurs due to the negligence, intentional act and/or failure for any reason to comply with the terms of this Contract by the Contractor, its officers, employees, agents, and/or representatives. This duty to repay shall survive the expiration or termination of this Contract.

3. PUBLIC RECORDS REQUESTS

This Contract shall be considered a public document and will be available for inspection and copying by the public in accordance with the Public Records Act, chapter 42.56 RCW (the "Act").

If the Contractor considers any portion of any record provided to the County under this Contract, whether in electronic or hard copy form, to be protected under law, the Contractor shall clearly identify each such portion with words such as "CONFIDENTIAL," "PROPRIETARY" or "BUSINESS SECRET." If a request is made for disclosure of such portion, the County will determine whether the material should be made available under the Act. If the County determines that the material is subject to disclosure, the County will notify the Contractor of the request and allow the Contractor ten (10) business days to take whatever action it deems necessary to protect its interests. If the Contractor fails or neglects to take such action within said period, the County will release the portions of record(s) deemed by the County to be subject to disclosure. The County shall not be liable to the Contractor for inadvertently releasing records pursuant to a disclosure request not clearly identified by the Contractor as "CONFIDENTIAL," "PROPRIETARY" or "BUSINESS SECRET."

4. NONDISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY

A. Nondiscrimination in Employment

During performance of this Contract, the Contractor agrees that it will not discriminate against any employee or applicant for employment because of the employee or applicant's sex, race, color, marital status, national origin, religious affiliation, disability, sexual orientation, gender identity or expression or age except by minimum age and retirement provisions, unless based upon a bona fide occupational qualification.

B. Equal Employment Opportunity Efforts

The Contractor will undertake, and require all subcontractors to undertake equal employment opportunity efforts to ensure that applicants and employees are treated, without regard to their sex, race, color, marital status, national origin, religious affiliation, disability, sexual orientation, gender identity or expression or age. Equal employment opportunity efforts shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeships. The Contractor agrees to post, and to require subcontractors to post in conspicuous places available to employees and applicants for employment notices setting forth this nondiscrimination clause. In accordance with KCC 12.16.010.J, "equal employment opportunity efforts" shall mean active efforts to ensure equal opportunity in employment that is free from all forms of discrimination.

Ref: KCC 12.16.020.

C. Nondiscrimination in Subcontracting Practices

During the term of this Contract, the Contractor shall not create barriers to open and fair opportunities to participate in County contracts or to obtain or compete for contracts and subcontracts as sources of supplies, equipment, construction and services. In considering offers from and doing business with subcontractors and suppliers, the Contractor shall not discriminate against any person because of their sex, race, color, marital status, national origin, religious affiliation, disability, sexual orientation, gender identity or expression or age except by minimum age and retirement provisions, unless based upon a bona fide occupational qualification.

D. Compliance with Laws and Regulations

The Contractor and all subcontractors shall comply fully with all applicable federal, state and local laws, ordinances, executive orders and regulations that prohibit discrimination. These laws include, but are not limited to, Chapter 49.60 RCW, Titles VI and VII of the Civil Rights Act of 1964, the American with Disabilities Act, and the Restoration Act of 1987. KCC chapters 12.16, 12.17 and 12.18 are incorporated herein by reference and the requirements in these code sections shall specifically apply to this Contract. The Contractor and all subcontractors shall further comply fully with any equal opportunity requirements set forth in any federal regulations, statutes or rules included or referenced in the contract documents.

F. Small Contractors and Suppliers Policy

It is King County policy that Small Contractors and Suppliers (SCS) have equitable opportunities to participate in the performance of goods and services contracts issued by King County, and that contractors and subcontractors shall afford equal opportunity in employment while providing supplies and services for and to King County.

Inquiries and Information Regarding King County Certified SCS Firms. Direct inquiries on how to apply for SCS certification, or obtain a list of King County Certified Firms to the King County Business Development and Contract Compliance (BDCC) office by telephone at 206-263-9734. Information about becoming a King County Certified SCS Firm, as well as a Directory of King County Certified Firms is available at: <http://www.kingcounty.gov/bdcc>.

Definitions. The following definitions shall apply throughout this Section.

1. "Administrator" means the Director of Finance.
2. "Certified SCS Firm" means a business that has applied for participation in King County's Contracting Opportunities Program, and has been certified as an SCS by the King County BDCC office.
3. "Small Contractor or Supplier" or "(SCS)" means that a business and the person or persons who own and control it are in a financial condition, which puts the business at a substantial disadvantage in attempting to compete for public contracts. The relevant financial condition for eligibility under the

Contracting Opportunities Program is based on a dollar ceiling for standard business classifications that is set at fifty percent (50%) of the Federal Small Business Administration (SBA) small business size standards using the North American Industrial Classification System (NAICS), and an Owners' Personal Net Worth less than \$750K dollars.

G. Required Submittals During Work.

The Contractor shall collect, enter, submit and update the submittals listed below for itself, its subcontractors and any sub tier subcontractors and suppliers to BDCC using the Contracts and Apprenticeship Report Tracking Services (CARTS) online reporting website located at <http://www.kingcounty.gov/bdcc>. Report forms are available on the website. Assistance may be obtained by contacting BDCC staff at 206-263-9734.

1. Subcontractor List. The Contractor shall create and maintain a master list of all subcontractors on this Contract, the Contractor shall continually maintain the list of subcontractors and Suppliers.
2. Contractor Payments. The Contractor shall enter and submit the amount received from the County for itself and the amounts paid by the Contractor to all subcontractors, including Certified SCS Firms. Entries shall be entered in CARTS on a monthly basis.
3. Final Affidavits of Amounts Paid. Upon completion of the Work and as a condition precedent to final payment, the Contractor shall upload a Final Affidavit of Amounts Paid electronically using CARTS. Identify amounts paid to each firm that performed Work on this Contract.

H. Compliance with Section 504 of the Rehabilitation Act of 1973, as amended (Section 504) and the American with Disabilities Act of 1990 as amended (ADA).

Pursuant to Title II of the ADA, and Section 504, King County must not discriminate against people with disabilities in providing services, programs or activities even if those services, programs or activities are carried out by Contractors. The Contractor agrees that it shall provide all programs, services, and activities to County employees or members of the public under this Contract in the same manner as King County is obligated to under Title II of the ADA, and Section 504 and shall not deny participation of the benefits of such services, programs, or activities to people with disabilities on the basis of such disability. Failure to comply with this Section 7.1.H shall be a material breach of, and grounds for the immediate termination of, this Contract.

The Contractor agrees to provide to persons with disabilities access to programs, activities and services provided under the Contract, as required by the disability access laws as defined by KCC 12.16.

The Contractor shall not discriminate against persons with disabilities in providing the Work. In any subcontracts for the programs, activities and services under their Contract, the Contractor shall include the requirement that the subcontractor provide to persons with disabilities access to programs, activities and services provided under the Contract, as required by the disability access laws as defined by KCC 12.16; that the subcontractor shall not discriminate against persons with

disabilities in providing the Work under the Contract; and that the subcontractor shall provide that the County is a third party beneficiary to that required provision.

I. Sanctions for Violations.

Any violation of the mandatory requirements of the provisions of this Section shall be a material breach of Contract, for which the Contractor may be subject to damages, withholding payment and any other sanctions provided for by Contract and by applicable law.

5. CONFLICTS OF INTEREST AND NON-COMPETITIVE PRACTICES

A. Conflict of Interest.

By entering into this Contract to perform Work, the Contractor represents that it has no direct or indirect pecuniary or proprietary interest, and that it shall not acquire any such interest, that conflicts in any manner or degree with the Work required to be performed under this Contract. The Contractor shall not employ any Person or agent having any conflict of interest. In the event that the Contractor or its agents, employees or officers hereafter acquires such a conflict of interest, it shall immediately disclose such conflict to the County. The County shall require that the Contractor take immediate action to eliminate the conflict.

B. Contingent Fees and Gratuities.

By entering into this Contract to perform Work, the Contractor represents that:

1. No Persons except as designated by Contractor shall be employed or retained to solicit or secure this Contract with an agreement or understanding that a commission, percentage, brokerage, or contingent fee would be paid.
2. No gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Contractor or any of its officers, agents, employees or representatives, to any official, member or employee of the County or other governmental agency with a view toward securing this Contract or securing favorable treatment with respect to the awarding or amending, or the making of any determination with respect to the performance of this Contract.
3. Any Person having an existing contract with the County or seeking to obtain a contract who willfully attempts to secure preferential treatment in his or her dealings with the County by offering any valuable consideration, thing or promise, in any form to any County official or employee shall have his or her current contracts with the County canceled and shall not be able to bid on any other County contracts for a period of two (2) years.

C. Disclosure of Current and Former County Employees.

To avoid any actual or potential conflict of interest or unethical conduct:

1. County employees or former County employees are prohibited from assisting with the preparation of proposals or contracting with, influencing, advocating, advising or consulting with a third party, including Contractor, while employed by the County or within one (1) year after leaving County

employment if he/she participated in determining the Work to be done or processes to be followed while a County employee.

2. Contractor shall identify at the time of offer current or former County employees involved in the preparation of proposals or the anticipated performance of Work if awarded the Contract. Failure to identify current or former County employees involved in this Contract may result in termination of this Contract.
3. After Contract award, the Contractor is responsible for notifying the County's Project Manager of current or former County employees who may become involved in the Contract any time during the term of the Contract.

6. INDEPENDENT STATUS OF CONTRACTOR

In the performance of this Contract, the parties shall be acting in their individual, corporate or governmental capacities and not as agents, employees, partners, joint ventures, or associates of one another. The parties intend that an independent contractor relationship shall be created by this Contract. The Contractor shall be responsible for all federal and/or state tax, industrial insurance, wages, benefits, or other compensation by or on behalf of the Contractor and its employees. The Contractor shall not make any claim of right, privilege or benefit which would accrue to an employee under chapter 41.06 RCW or Title 51 RCW.

7. INDEMNIFICATION AND HOLD HARMLESS

To the maximum extent permitted by law and except to the extent caused by the negligence of the County, the Contractor shall indemnify and hold harmless the County, its officers, officials, agents and employees, from and against all suits, claims, actions, losses, costs, penalties and damages of whatsoever kind or nature arising out of, in connection with, or incident to the goods and/or Services Provided by or on behalf of the Contractor. In addition, the Contractor shall assume the defense of the County and its officers and employees in all legal or claim proceedings arising out of, in connection with, or incidental to such goods and/or Services: shall pay all defense expenses, including reasonable attorney's fees, expert fees and costs incurred by the County on account of such litigation or claims. This indemnification obligation shall include, but is not limited to, all claims against the County by an employee or former employee of the Contractor or its subcontractors, and the Contractor, by mutual negotiation, expressly waives all immunity and limitation on liability, as respects the County only, under any industrial insurance act, including Title 51 RCW, other Worker's Compensation act, disability benefit act, or other employee benefit act of any jurisdiction which would otherwise be applicable in the case of such claim. In the event that the County incurs any judgment, award and/or cost including attorney's fees arising from the provisions of this section, or to enforce the provisions of this section, any such judgment, award, fees, expenses and costs shall be recoverable from the Contractor. In the event of litigation between the parties to enforce the rights under this section, reasonable attorney fees shall be allowed to the substantially prevailing party.

Notwithstanding any provision in this Agreement to the contrary, except for injuries to persons by either party, breach of confidentiality, or exposure of confidential information, neither party shall be liable to the other party for consequential damages.

## 8. EVIDENCE AND CANCELLATION OF INSURANCE

Prior to execution of the Contract, the Contractor shall file with the County evidence of insurance and endorsements from the insurer(s) certifying to the coverage of all insurance required herein. All evidence of insurance shall be certified by a properly authorized officer, agent, general agent or qualified representative of the insurer(s) and shall certify the name of the insured, the type and amount of insurance, the location and operations to which the insurance applies, the expiration date, and the Contractor shall provide the County a notice at least thirty (30) Days prior to the effective date of any cancellation, lapse or material change in the policy.

- A. The Contractor shall, upon request of the County, deliver to the County all such policies of insurance, and all endorsements and riders, and the receipts for payment of premiums thereon.
- B. Failure to provide such insurance in a timeframe acceptable to the County shall enable the County to suspend or terminate the Contractor's Work hereunder in accordance with Contract provisions regarding "Termination for Convenience/Default/Non-appropriation." Suspension or termination of this Contract shall not relieve the Contractor from its insurance obligations hereunder.
- C. Review of the Contractor's insurance by the County shall not relieve or limit the duty of the Contractor to comply with the requirements of the Contract documents.

## 9. INSURANCE REQUIREMENTS

- A. The Contractor shall obtain and maintain the minimum insurance set forth below. By requiring such minimum insurance, the County shall not be deemed or construed to have assessed the risks that may be applicable to the Contractor under this Contract. The Contractor shall assess its own risks and, if it deems appropriate and/or prudent, maintain greater limits and/or broader coverage.
- B. Nothing contained within these insurance requirements shall be deemed to limit the Scope, application and/or limits of the coverage afforded, which coverage shall apply to each insured to the full extent provided by the terms and conditions of the policy(s). Nothing contained with this provision shall affect and/or alter the application of any other provision contained with this Contract.
- C. For All Coverages:
  - 1. Each insurance policy shall be written on an "occurrence" form; excepting insurance for professional liability/errors and omissions. Professional liability/errors and omissions when required, may be acceptable on a "claims made" form.
  - 2. If coverage is approved and purchased on a "Claims Made" basis, the Contractor warrants continuation of coverage, either through policy renewals or the purchase of an extended discovery period, if such extended coverage

is available, for not less than three (3) years from the date of completion of the Work which is the subject of this Contract.

D. Minimum Scope of Insurance.

Coverage shall be at least as broad as:

1. General Liability: Insurance Services Office form number (CG 00 01 current edition) or its commercial equivalent covering COMMERCIAL GENERAL LIABILITY.
2. Automobile Liability: Insurance Service form number (CA 00 01 current edition) or its commercial equivalent covering BUSINESS AUTO COVERAGE, symbol 1 "any auto"; or the combination of symbols 2, 8 and 9.
3. Professional Liability: Professional Liability, Errors and Omissions coverage.

In the event that services pursuant to this Contract either directly or indirectly involve or require professional Services, Professional Liability, Errors and Omissions coverage shall be provided.

4. Workers' Compensation.

Workers' Compensation coverage, as required by the Industrial Insurance Act of the State of Washington, as well as any similar coverage required for this Work by applicable federal or "Other States" State Law.

5. Employers Liability or "Stop Gap":

The protection provided by the Workers Compensation Policy Part 2 (Employers Liability) or, in states with monopolistic state funds, the protection provided by the "Stop Gap" endorsement to the General Liability policy.

10. MINIMUM LIMITS OF INSURANCE

The Contractor shall maintain limits no less than, for:

- A. General Liability: \$1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage, and for those policies with aggregate limits, a \$2,000,000 aggregate limit.
- B. Automobile Liability: \$1,000,000 combined single limit per accident for bodily injury and property damage.
- C. Professional Liability, Technology Errors and Omissions: \$3,000,000 per Claim and \$3,000,000 in the Aggregate.
- D. Workers' Compensation: Statutory requirements of the state of residency.
- E. Employers Liability Stop Gap: \$1,000,000.

11. DEDUCTIBLES AND SELF-INSURED RETENTIONS

The deductible and/or self-insured retention of the policies shall not limit or apply to the Contractor's liability to the County and shall be the sole responsibility of the Contractor.

A. Other Insurance Provisions.

The insurance policies required in this Contract are to contain, or be endorsed to contain the following provisions:

1. Liability Policies (except Workers Compensation and Professional Liability):
  - a. The County, its officers, officials, employees and agents are to be covered as additional insureds as respects liability arising out of activities performed by or on behalf of the Contractor in connection with this Contract. . Additional insured status shall include Products-Completed Operations (CG 20 10 11/85 or its equivalent).
  - b. To the extent of the Contractor's negligence, the Contractor's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees and agents. Any insurance and/or self-insurance maintained by the County, its officers, officials, employees or agents shall not contribute with the insurance or benefit the Contractor in any way.
  - c. The Contractor's insurance shall apply separately to each insured against whom a claim is made and/or lawsuit is brought, except with respect to the limits of the insurer's liability.

12. ACCEPTABILITY OF INSURERS

Unless otherwise approved by the County:

Insurance is to be placed with insurers with a Bests' rating of no less than A:VIII, or, if not rated with Bests', with minimum surpluses the equivalent of Bests' surplus size VIII.

If at any time one of the foregoing policies shall fail to meet the above stated requirements, the Contractor shall, upon notice to that effect from the County, promptly obtain a new policy, and shall submit the same to the County, with the appropriate certificates and endorsements, for approval.

13. WAIVER OF SUBROGATION

Provided the affected insurance policies permit the following waiver, without voiding coverage, Contractor waives all rights of subrogation against the County, County's consultants, or any separate Contractors, and their agents and employees for damages covered by property insurance. Such waiver shall apply to losses above and below the deductible.

14. SUBCONTRACTORS

The Contractor shall include all subcontractors as insureds under its policies, or upon request from the County, shall furnish separate certificates of insurance and policy endorsements, meeting the above insurance requirements, for its subcontractor(s). Contractor shall be responsible for subcontractors' compliance with the above insurance requirements.

15. WORK SITE SAFETY

The Contractor shall have the "right to control" and bear the sole responsibility for the job site conditions, and job site safety. The Contractor shall comply with all applicable federal, state and local safety regulations governing the job site, employees and subcontractors. The Contractor shall be responsible for the subcontractor's compliance with these provisions.

16. TERMINATION FOR NON-APPROPRIATION

A. If expected or actual funding is withdrawn, reduced or limited in any way prior to [Final Acceptance and/or Completion of the Project], the County may, upon written notice to the Contractor, terminate this Contract in whole or in part for lack of appropriation. Such termination shall be in addition to the County's rights to terminate for convenience or default. In the event of termination under this section the following shall apply:

1. Subject to subsection 2., the County will be liable only for payment in accordance with the terms of this Contract for Work performed prior to the effective date of termination;
2. Payment, if any, associated with such termination shall not exceed the appropriation for the biennium in which termination occurs; and
3. The Contractor shall be released from any obligation to provide further Work under the Contract affected by the termination.

B. Notwithstanding subsection A., funding of this Contract beyond the current biennium is conditional upon the appropriation by the County Council of sufficient funds to support the Work described in this Contract. Otherwise, the Contract shall terminate on December 31 of the current biennium.

17. REQUIREMENTS OF KING COUNTY LIVING WAGE ORDINANCE

In accordance with King County Ordinance 17909, as a condition of award for contracts for services with an initial or amended value of \$100,000 or more, the Contractor agrees that it shall pay and require all subcontractors to pay a living wage as described in the ordinance, to employees for each hour the employee performs a Measurable Amount of Work on this Contract. "Measurable Amount of Work" shall mean a definitive allocation of an employee's time that can be attributed to work performed on a specific matter, but that is not less than a total of one hour in any one week period.

Violations of this requirement may result in disqualification of the Contractor from bidding on or being awarded a County contract for up to two years; contractual remedies including, but not limited to, liquidated damages and/or termination of the Contract; remedial action as set forth in public rule; and other civil remedies and sanctions allowed by law.

18. CONTRACTOR IMPAIRMENT

King County is committed to a safe, healthy, drug-free, and alcohol-free work environment on all County property and worksites. Contractor’s employees are prohibited from reporting to or performing work on County property or worksites with the odor of alcohol present on their person, or are observed by a County employee to be consuming alcohol or controlled substances, and/or appear to be under the influence or impaired by alcohol or controlled substances. The County employee will use specific, contemporaneous and articulable observations about the Consultant’s employee’s appearance, speech, behavior, and odor when making this determination. King County will notify the Contractor of the County employee’s observations. The Contractor shall instruct their employee that they are prohibited from continuing to perform work and will safely remove the employee from the County property or worksite.

19. PURCHASING CARD (P-CARD) ACCEPTANCE

Contractor shall have the capability of accepting the County’s authorized VISA P-Card or other P-Card types as a method of payment. Price change(s) or additional fee(s) may not be assessed when accepting the P-Card as a form of payment. Prompt pay discounts shall apply to payments made by P-Cards.

IN WITNESS HEREOF, THE PARTIES HERETO HAVE CAUSED THIS SUPPLEMENT TO **General Services Administration (GSA) Contract # GS-35F-267DA** TO BE EXECUTED AND INSTITUTED ON THE DATE FIRST ABOVE WRITTEN.

**DLTPS-SA-01  
SYSTEM ADMINISTRATOR I**

*Functional Responsibility:*

System Administrator I is responsible for supporting specific tasks relating to the operations of IT systems. Under direction, the System Administrator I performs basic technical tasks relating to the upkeep, configuration, and reliable operation of system, network, storage, and cloud-based technologies. System Administrator I has junior level technical skills relating to the technologies used in the operation of the IT system.

*Minimum Education:*

Associates or specific technology certification

**DLTPS-SA-02**  
**SYSTEM ADMINISTRATOR II**

*Functional Responsibility:*

System Administrator II is responsible for maintaining specific systems within the IT environment. As required, the System Administrator II is responsible for the maintenance, configuration, upkeep, and reliable operation of his/her assigned systems, networks, storage, and cloud-based technologies. System Administrator II has mid-level technical skills relating to the technologies or scripting languages used in the operation of the IT systems.

*Minimum Education:*

Bachelors Degree

**DLTPS-SA-03**  
**SYSTEM ADMINISTRATOR III**

*Minimum Years of Experience:*

Three (3) years of experience.

*Functional Responsibility:*

System Administrator III is responsible for maintaining specific systems within the IT environment. As required, the System Administrator III is responsible for the maintenance, configuration, upkeep, and reliable operation of his/her assigned systems, networks, storage, and cloud-based technologies. System Administrator III develops standard operating procedures and runbooks for the IT systems. System Administrator III has senior-level technical skills relating to the technologies or scripting languages used in the operation of the IT systems.

*Minimum Education:*

Bachelors Degree

**DLTPS-SA-04**  
**SYSTEM ADMINISTRATOR IV**

*Minimum Years of Experience:*

Six (6) years of experience.

*Functional Responsibility:*

System Administrator IV is responsible for maintaining specific systems within the IT environment. As required, the System Administrator IV is responsible for the maintenance, configuration, upkeep, and reliable operation of his/her assigned systems, networks, storage, and cloud-based technologies. System Administrator IV develops standard operating procedures and runbooks for the IT systems. System Administrator IV has senior-level technical skills relating to the technologies or scripting languages used in the operation of the IT systems. Additionally, System Administrator IV has expert knowledge of system automation and IT operations-related technical requirements and tool selection/operation.

*Minimum Education:*

Bachelors Degree

**DLTPS-SA-05**  
**SYSTEM ADMINISTRATOR V**

*Minimum Years of Experience:*

Nine (9) years of experience.

*Functional Responsibility:*

System Administrator V is responsible for maintaining specific systems within the IT environment and may be responsible for managing system administration staff. As required, System Administrator V is responsible for the maintenance, configuration,

upkeep, and reliable operation of one or more systems, networks, storage, and cloud-based technologies. System Administrator V develops standard operating procedures and runbooks for the IT systems. System Administrator V has expert-level technical skills relating to the technologies or scripting languages used in the operation of the IT systems as well as expert knowledge of system automation and IT operations-related technical requirements and tool selection/operation.

*Minimum Education:*

Bachelor's Degree

**DLTPS-PE-01  
PROJECT ENGINEER I**

*Functional Responsibility:*

Project Engineer I (System, Application, or Software) is responsible for supporting specific tasks relating to the implementation, configuration, integration, and testing of information technology products. As required, Project Engineer I is involved in a support role to conduct the analysis and capture of requirements, contribution to the solution design, and development of the implementation plan, testing and documentation. Based on the defined tasks, Project Engineer I may also support design and development of custom software in support of the overall project. Project Engineer I has junior level skills relating to the technologies or programming languages used in the delivery of the project.

*Minimum Education:*

Associates or specific technology certification

**DLTPS-PE-02  
PROJECT ENGINEER II**

*Functional Responsibility:*

Project Engineer II (System, Application, or Software) functions as a team lead, responsible for leading tasks relating to the implementation, configuration, integration, and testing of information technology products. As required, Project Engineer II is involved in leading the analysis and capture of requirements, contribution to the solution design, and development of the implementation plan, testing and documentation. Based on the defined tasks, Project Engineer II may also lead the design and development of custom software in support of the overall project. Project Engineer II has mid-level skills relating to the technologies or programming languages used in the delivery of the project.

*Minimum Education:*

Bachelors Degree

**DLTPS-PE-03  
PROJECT ENGINEER III**

*Minimum Years of Experience:*

Three (3) years of experience.

*Functional Responsibility:*

Project Engineer III (System, Application, or Software) is responsible for managing tasks relating to the implementation, configuration, integration, and testing of information technology products. As required, Project Engineer III is involved in managing the analysis and capture of requirements, contribution to the solution design, and development of the implementation plan, testing and documentation. Based on the defined tasks, Project Engineer III may also manage the design and development of custom software in support of the overall project. Project Engineer III has senior level skills relating to the technologies or programming languages used in the delivery of the project.

*Minimum Education:*

Bachelor's Degree

**DLTPS-PE-04**

**PROJECT ENGINEER IV**

*Minimum Years of Experience:*

Five (5) years of Experience.

*Functional Responsibility:*

Project Engineer IV (System, Application, or Software) is responsible for complete oversight of specific tasks relating to the implementation, configuration, integration, and testing of information technology products. As required, Project Engineer IV is involved in the analysis and capture of requirements, contribution to the solution design, and development of the implementation plan, testing and documentation. Based on the defined tasks, Project Engineer IV is the lead principal who may also be responsible for overall design and development of custom software in support of the overall project. Project Engineer IV has expert level skills relating to the technologies or programming languages used in the delivery of the project.

*Minimum Education:*

Bachelor's Degree

**DLTPS-PE-05**

**PROJECT ENGINEER V**

*Minimum Years of Experience:*

Seven (7) years of experience.

*Functional Responsibility:*

Project Engineer V (System, Application, or Software) has executive level responsibility for multiple projects/programs relating to the implementation, configuration, integration, and testing of information technology products. As required, Project Engineer V reviews the project team's analysis and capture of requirements, contribution to the solution design, development of the implementation plan, testing and documentation. Based on the defined tasks, Project Engineer V may be the lead engineer responsible for overall design and development of custom software in support of the overall program and project(s). Project Engineer V has expert level skills relating to the technologies or programming languages used in the delivery of the project.

*Minimum Education:*

Bachelor's Degree

**DLTPS-ITA-01**

**IT ARCHITECT I**

*Minimum Years of Experience:*

Three (3) years of experience.

*Functional Responsibility:*

IT Architect I is responsible for supporting the overall design, development and deployment of an IT solution. For complex projects, the IT Architect I may be responsible for supporting a specific component of the solution architecture. IT Architect I supports the capture, analysis and synthesis of both the technical and business requirements; the development of the conceptual and detailed design of the IT solution; and overall responsibility and technical leadership of the delivery team. IT Architect I provides support during the implementation and integration phases of the project.

*Minimum Education:*

Bachelor's Degree

**DLTPS-ITA-02**

**IT ARCHITECT II**

*Minimum Years of Experience:*

Five (5) years of experience.

*Functional Responsibility:*

IT Architect II functions in a team lead role, responsible for the overall design, development and deployment of an IT solution. For complex projects, the IT Architect II may be responsible for leading the work related to a specific component of the solution architecture. IT Architect II leads the capture, analysis and synthesis of both the technical and business requirements; the development of the conceptual and detailed design of the IT solution; and overall responsibility and technical leadership of the delivery team. IT Architect II may lead the team to provide additional product specific expertise during the implementation and integration phases of the project.

*Minimum Education:*

Bachelor's Degree

**DLTPS-ITA-03**

**IT ARCHITECT III**

*Minimum Years of Experience:*

Seven (7) years of experience.

*Functional Responsibility:*

IT Architect III functions in a management role, responsible for managing the overall design, development and deployment of an IT solution. For complex projects, the IT Architect III may be responsible for managing the work related to a specific component of the solution architecture. IT Architect III manages the capture, analysis and synthesis of both the technical and business requirements; the development of the conceptual and detailed design of the IT solution; and overall responsibility and technical leadership of the delivery team. IT Architect III may manage a team to provide additional product specific expertise during the implementation and integration phases of the project.

*Minimum Education:*

Bachelor's Degree

**DLTPS-ITA-04**

**IT ARCHITECT IV**

*Minimum Years of Experience:*

Nine (9) years of experience.

*Functional Responsibility:*

IT Architect IV is responsible for complete oversight for managing the overall design, development and deployment of an IT solution. For complex projects, the IT Architect IV may have oversight for the work related to a specific component of the solution architecture. IT Architect IV oversees the capture, analysis and synthesis of both the technical and business requirements; the development of the conceptual and detailed design of the IT solution; and overall responsibility and technical leadership of the delivery team.

*Minimum Education:*

Bachelor's Degree

**DLTPS-ME-01**

**SUBJECT MATTER EXPERT I**

*Minimum Years of Experience:*

Three (3) years of experience.

*Functional Responsibility:*

Subject Matter Expert I provides expertise for at least one technology domain. Technology domains may include Cloud, Virtualization, Data Management, Big Data, System Architecture, Data Center Operations and Tooling, Cyber Security, Best

Practice development, Database Design and Development, Integration, Consolidation, Migration, IT Strategic Planning, and specific IT Products. Subject Matter Expert I may provide domain specific expertise throughout the entire lifecycle of a project, including analysis, design, planning, implementation, integration, testing, documentation, and training. Depending on the scope of the project, Subject Matter Expert I may support client requirements directly or support a technical team within a project.

*Minimum Education:*

Bachelor's Degree

**DLTPS-SME-02**

**SUBJECT MATTER EXPERT II**

*Minimum Years of Experience:*

Five (5) years of experience.

*Functional Responsibility:*

Subject Matter Expert II provides expertise for at least one technology domain. Technology domains may include Cloud, Virtualization, Data Management, Big Data, System Architecture, Data Center Operations and Tooling, Cyber Security, Best Practice development, Database Design and Development, Integration, Consolidation, Migration, IT Strategic Planning, and specific IT Products. Subject Matter Expert II leads a team that provides domain specific expertise throughout the entire lifecycle of a project, including analysis, design, planning, implementation, integration, testing, documentation, and training. Depending on the scope of the project, Subject Matter Expert II may support client requirements directly or lead a technical team within a project. Subject Matter Expert II often has additional specialized training or certifications relating to his/her domain of expertise.

*Minimum Education:*

Bachelor's Degree

**DLTPS-SME-03**

**SUBJECT MATTER EXPERT III**

*Minimum Years of Experience:*

Seven (7) years of experience.

*Functional Responsibility:*

Subject Matter Expert III provides deep level expertise for one or more technology domains. Technology domains may include Cloud, Virtualization, Data Management, Big Data, System Architecture, Data Center Operations and Tooling, Cyber Security, Best Practice development, Database Design and Development, Integration, Consolidation, Migration, IT Strategic Planning, and specific IT Products. Subject Matter Expert III manages team(s) providing domain specific expertise throughout the entire lifecycle of a project, including analysis, design, planning, implementation, integration, testing, documentation, and training. Depending on the scope of the project, Subject Matter Expert III may support client requirements directly or manage technical team(s) within a project. Subject Matter Expert III often has additional specialized training or certifications relating to his/her domain(s) of expertise.

*Minimum Education:*

Bachelor's Degree

**DLTPS-SME-04**

**SUBJECT MATTER EXPERT IV**

*Minimum Years of Experience:*

Nine (9) years of experience.

*Functional Responsibility:*

Subject Matter Expert IV provides deep level expertise for one or more technology domains. Technology domains may include Cloud, Virtualization, Data Management, Big Data, System Architecture, Data Center Operations and Tooling, Cyber Security,

Best Practice development, Database Design and Development, Integration, Consolidation, Migration, IT Strategic Planning, and specific IT Products. Subject Matter Expert IV has complete oversight for team(s) providing domain specific expertise throughout the entire lifecycle of a project, including analysis, design, planning, implementation, integration, testing, documentation, and training. Depending on the scope of the project, Subject Matter Expert IV may support client requirements directly or oversee technical team(s) within a project. Subject Matter Expert IV has additional specialized training or certifications relating to his/her domain(s) of expertise.

*Minimum Education:*

Bachelor's Degree

**DLTPS-SME-05**

**SUBJECT MATTER EXPERT V**

*Minimum Years of Experience:*

Eleven (11) years of experience.

*Functional Responsibility:*

Subject Matter Expert V provides deep level expertise for one or more technology domains. Technology domains may include Cloud, Virtualization, Data Management, Big Data, System Architecture, Data Center Operations and Tooling, Cyber Security, Best Practice development, Database Design and Development, Integration, Consolidation, Migration, IT Strategic Planning, and specific IT Products. Subject Matter Expert V has executive level oversight for multiple programs and project teams providing domain specific expertise throughout the entire lifecycle of a project, including analysis, design, planning, implementation, integration, testing, documentation, and training. Subject Matter Expert V has considerable specialized training or certifications relating to his/her domain(s) of expertise.

*Minimum Education:*

Bachelor's Degree

**DLTPS-PA-01**

**PROJECT ASSISTANT I**

*Functional Responsibility:*

Project Assistant I provides general administrative support to technical and management level personnel. Provides documentation planning and support. Tasks may include project administration, communications and scheduling, and event and human resources planning.

*Minimum Education:*

High School Diploma

**DLTPS-PM-01**

**PROJECT MANAGER**

*Minimum Years of Experience:*

Three (3) years of experience.

*Functional Responsibility:*

Project Manager I supports the monitoring of project performance against engagement milestones; managing client expectations; coordinating resources and processes to achieve engagement workplan; recommending changes to the engagement staff over the life of the project; monitoring project budgets and preparing client billings as appropriate; ensures all project documentation is maintained in accordance with consulting standards.

*Minimum Education:*

Bachelor's Degree

**DLTPS-PM-02**

**PROJECT MANAGER II**

*Minimum Years of Experience:*

Five (5) years of experience.

*Functional Responsibility:*

Project Manager II leads the monitoring of project performance against engagement milestones; managing client expectations; coordinating resources and processes to achieve engagement workplan; recommending changes to the engagement staff over the life of the project; managing project budgets and preparing client billings as appropriate; ensures all project documentation is maintained in accordance with consulting standards.

*Minimum Education:*

Bachelor's Degree

**DLTPS-PM-03**

**PROJECT MANAGER III**

*Minimum Years of Experience:*

Seven (7) years of experience.

*Functional Responsibility:*

Project Manager III manages the monitoring of project performance against engagement milestones; manages client expectations; allocates resources and processes to achieve engagement workplan; implements changes to the engagement staff over the life of the project; oversees project budgets and client billings as appropriate; and ensures all project documentation is maintained in accordance with consulting standards.

*Minimum Education:*

Bachelor's Degree

**DLTPS-CS-01**

**CONSULTANT I / STAFF CONSULTANT**

*Functional Responsibility:*

Consultant I provides program, analytical, and/or technological support in the development of requirements or the implementation of creative and innovative solutions to meet accepted requirements; conducts research and analyzes data for accuracy and relevancy; documents and analyzes results and recommends solutions. Actively leverages consulting tools and methodologies to meet project objectives and complete activities.

*Minimum Education:*

Bachelor's Degree

**DLTPS-CS-02**

**CONSULTANT II / SENIOR CONSULTANT**

*Minimum Years of Experience:*

Two (2) years of experience.

*Functional Responsibility:*

Consultant II leads a team that provides program, analytical, and/or technological support in the development of requirements or the implementation of creative and innovative solutions to meet accepted requirements; conducts research and analyzes data for accuracy and relevancy; documents and analyzes results and recommends solutions. Actively leverages consulting tools and methodologies to meet project objectives and complete activities.

*Minimum Education:*

Bachelor's Degree

**DLTPS-CS-03**

**CONSULTANT III / PRINCIPAL CONSULTANT**

*Minimum Years of Experience:*

Four (4) years of experience.

*Functional Responsibility:*

Consultant II leads a team that provides program, analytical, and/or technological support in the development of requirements or the implementation of creative and innovative solutions to meet accepted requirements; conducts research and analyzes data for accuracy and relevancy; documents and analyzes results and recommends solutions. Actively leverages consulting tools and methodologies to meet project objectives and complete activities.

*Minimum Education:*

Bachelor’s Degree

**DLTPS-CS-04**

**CONSULTANT IV / Technical Manager**

*Minimum Years of Experience:*

Six (6) years of experience.

*Functional Responsibility:*

Consultant IV has oversight for entire project staff that provides program, analytical, and/or technological support in the development of requirements or the implementation of creative and innovative solutions to meet accepted requirements; conducts research and analyzes data for accuracy and relevancy; documents and analyzes results and recommends solutions. Evaluates and, when applicable, implements new consulting tools and methodologies that can more efficiently meet project objectives and complete activities.

*Minimum Education:*

Bachelor’s Degree

**DLTPS-CS-05**

**CONSULTANT V / Sr. Technical Director**

*Minimum Years of Experience:*

Ten (10) years of experience.

*Functional Responsibility:*

Consultant V has executive level oversight for multiple projects and programs that provide program, analytical, and/or technological support in the development of requirements or the implementation of creative and innovative solutions to meet accepted requirements; conduct research and analyze data for accuracy and relevancy; document and analyze results and recommend solutions. Makes decisions regarding implementation of new consulting tools and methodologies that can more efficiently meet project objectives and complete activities.

*Minimum Education:*

Bachelor’s Degree

<b>Requirement</b>	<b>Equivalency 1: Degree Plus Additional Years of Experience</b>	<b>Equivalency 2: Total Years of Experience</b>
Associates	High School Diploma/GED + Specialized Certification	1 year related experience

Bachelors	Associates + 2 years	3 years related experience
Masters	Bachelors + 2 years	5 years related experience
Doctorate	Masters + 2 years	7 years related experience

**2. MAXIMUM ORDER\*:**

Maximum Order (All dollar amounts are exclusive of any discount for prompt payment.)

- a. The Maximum Order value for the following Special Item Numbers (SINs) is \$500,000:

- Special Item Number 132-8 - Purchase of Equipment
- Special Item Number 132-12 – Maintenance of Hardware
- Special Item Number 132-32 - Term Software Licenses
- Special Item Number 132-33 - Perpetual Software Licenses
- Special Item Number 132-34 – Maintenance of Software
- Special Item Number 132-40 – Cloud Computing Services
- Special Item Number 132-44 – CDM Tools SIN
- Special Item Number 132-50 - Training Courses
- Special Item Number 132-51 - Information Technology (IT) Professional Services
- Special Item Number 132-52 – Electronic Commerce Services

NOTE TO ORDERING ACTIVITIES: \*If the best value selection places your order over the Maximum Order identified in this catalog/pricelist, you have an opportunity to obtain a better schedule contract price. Before placing your order, contact the aforementioned contactor for a better price. The contractor may (1) offer a new price for this requirement (2) offer the lowest price available under this contract or (3) decline the order. A delivery order that exceeds the maximum order may be placed under the schedule contract in accordance with FAR 8.404.

**3. MINIMUM ORDER:**

Minimum Order: \$100.00

**4. GEOGRAPHIC COVERAGE:**

Domestic delivery is delivery within the 48 contiguous states, Alaska, Hawaii, Puerto Rico, Washington, DC, and U.S. Territories. Domestic delivery also includes a port or consolidation point, within the aforementioned areas, for orders received from overseas activities.

Overseas delivery is delivery to points outside of the 48 contiguous states, Washington, DC, Alaska, Hawaii, Puerto Rico and U.S. Territories.

Under Cooperative Purchasing authorized State and local government entities are eligible to place orders.

**5. POINT(S) OF PRODUCTION:**

All items are U.S. made end products, designated country end products, Caribbean Basin country end products, Canadian end products, or Mexican end products as defined in the Trade Agreements Act of 1979, as amended.

**6. DISCOUNT FROM LIST PRICES:**

Discounts: Prices shown are NET Prices; Basic discounts have been deducted.

Dollar Volume: none, Government Educational Institutions: Government Educational Institutions are offered the same discounts as all other Government Customers.

**7. QUANTITY DISCOUNT(S): NONE**

**8. PROMPT PAYMENT TERMS:**

**Prompt Payment: net 30 days from receipt of invoice or date of acceptance, whichever is later.**

**9. Government Purchase Cards are accepted above the micro-purchase threshold.**

Contractors are required to accept the Government purchase card for payments equal to or less than the micropurchase threshold for oral or written delivery orders. Government purchase cards will be acceptable for payment above the micropurchase threshold. In addition, bank account information for wire transfer payments will be shown on the invoice.

The following telephone number can be used by ordering agencies to obtain technical and/or ordering assistance:

1-800-262-4DLT

**10. FOREIGN ITEMS: NONE**

**11a. TIME OF DELIVERY:**

**The contractor shall deliver to destination within the number of calendar days after receipt of order (ARO), as set forth below.**

SPECIAL ITEM NUMBER	DELIVERY TIME (DAYS ARO)
132-8	30
132-32, 132-33, 132-44	30
132-40, 132-50, 132-51, 132-52	as agreed between Contractor and Government Agency

**11b. EXPEDITED DELIVERY:**

Items available for expedited delivery are noted in this price list, under this heading.

**11c. OVERNIGHT AND 2-DAY DELIVERY:**

Expedited, overnight and 2<sup>nd</sup> day delivery can be arranged on a case by case basis for an additional fee. Customers should call for pricing and product availability.

**11d. URGENT REQUIRMENTS:**

When the Federal Supply Schedule contract delivery period does not meet the bona fide urgent delivery requirements of an ordering agency, agencies are encouraged, if time permits, to contact the contractor for the purpose of obtaining accelerated delivery. The contractor shall reply to the inquiry within 3 workdays after receipt. (Telephonic replies shall be confirmed by the contractor in writing.) If the contractor offers an accelerated delivery time acceptable to the ordering agency, any order(s) placed pursuant to the agreed upon accelerated delivery time frame shall be delivered within this shorter delivery time and in accordance with all other terms and conditions of the contract.

**12. FOB POINT: FOB Destination**

**13a. ORDERING ADDRESS:**

**Contractor's Ordering Address and Payment Information:**

DLT Solutions, LLC.  
2411 Dulles Corner Park, Suite 800  
Herndon VA 20171

**13b. ORDERING PROCEDURES:**

Ordering activities shall use the ordering procedures described in Federal Acquisition Regulation 8.405-3 when placing an order or establishing a BPA for supplies or services. The ordering procedures, information on Blanket Purchase Agreements (BPA's) and a sample BPA can be found at the GSA/FSS Schedule Homepage ([fss.gsa.gov/schedules](https://fss.gsa.gov/schedules)).

**14. PAYMENT ADDRESS:**

DLT Solutions, LLC.  
2411 Dulles Corner Park, Suite 800  
Herndon VA 20171

**15. WARRANTY PROVISION:**

- a. Unless specified otherwise in this contract, the Contractor's standard commercial warranty as stated in the contract's commercial pricelist will apply to this contract.
- b. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.
- c. Limitation of Liability. Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.
- d. If inspection and repair of defective equipment under this warranty will be performed at the Contractor's plant, the address is as follows: N/A

**16. EXPORT PACKING CHARGES:**

Not Applicable

**17. TERMS AND CONDITIONS OF GOVERNMENT PURCHASE CARD ACCEPTANCE:**

Government purchase cards will be acceptable for payment above the micro-purchase threshold. In addition, bank account information for wire transfer payments will be shown on the invoice.

**18. TERMS AND CONDITIONS OF RENTAL, MAINTENANCE, AND REPAIR (IF APPLICABLE):**

The Government may purchase the equipment provided on a lease or rental basis under this contract. The Contracting Officer may exercise this option only by providing a unilateral modification to the Contractor. The effective date of the purchase will be specified in the unilateral modification and may be any time during the period of the contract, including any extensions thereto.

- (a) Except for final payment and transfer of title to the Government, the lease or rental portion of the contract becomes complete and lease or rental charges shall be discontinued on the day immediately preceding the effective date of purchase specified in the unilateral modification required in paragraph (a) of this clause.
- (b) The purchase conversion cost of the equipment shall be computed as of the effective date specified in the unilateral modification required in paragraph (a) of this clause, on the basis of the purchase price set forth in the contract, minus the total purchase option credits accumulated during the period of lease or rental, calculated by the formula contained elsewhere in this contract.
- (c) The accumulated purchase option credits available to determine the purchase conversion cost will also include any credits accrued during a period of lease or rental of the equipment under any previous Government contract if the equipment has been on continuous lease or rental. The movement of equipment from one site to another site shall be "continuous rental."

**19. TERMS AND CONDITIONS OF INSTALLATION (IF APPLICABLE):**

Installation and Maintenance, when applicable, normally are not included in the charge for leasing. The Contractor may require the ordering activity to obtain installation and maintenance services from a qualified source. The ordering activity may obtain installation and/or maintenance on the open market, from the Contractor's schedule contract, or from other sources. The ordering activity may also perform installation and/or maintenance in house, if qualified resources exist. In any event, it is the responsibility of the ordering activity to ensure that maintenance is in effect for the Lease term for all products leased.

- a. When installation and/or maintenance are ordered under this schedule to be performed by the Contractor, the payments, terms and conditions as stated in this contract apply. The rates and terms and conditions in effect at the time the order is issued shall apply during any subsequent renewal period of the lease. The maintenance rates and terms and conditions may be added to the lease payments with mutual agreement of the parties.

**20. TERMS AND CONDITIONS OF REPAIR PARTS INDICATING DATE OF PARTS PRICE LISTS AND ANY DISCOUNTS FROM LIST PRICES (IF AVAILABLE):**

The Davis-Bacon Act (40 U.S.C. 276a-276a-7) provides that contracts in excess of \$2,000 to which the United States or the District of Columbia is a party for construction, alteration, or repair (including painting and decorating) of public buildings or public works with the United States, shall contain a clause that no laborer or mechanic employed directly upon the site of the work shall received less than the prevailing wage rates as determined by the Secretary of Labor. The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds \$2,000, then the requirements of the Davis-Bacon Act applies.

The requisitioning activity issuing the task order against this contract will be responsible for proper administration and enforcement of the Federal labor standards covered by the Davis-Bacon Act. The proper Davis-Bacon wage determination will be issued by the ordering activity at the time a request for quotations is made for applicable construction classified installation, de-installation, and reinstallation services under SIN 132-8.

**21. LIST OF SERVICE AND DISTRIBUTION POINTS (IF APPLICABLE):**

Not Applicable

**22. LIST OF PARTICIPATING DEALERS (IF APPLICABLE):**

**23. PREVENTIVE MAINTENANCE (IF APPLICABLE):**

If applicable on a delivery order basis, the preventive maintenance terms and conditions will be indicated in the approved End User License Agreement or Services and License Addendum approved by GSA.

**24a. SPECIAL ATTRIBUTES SUCH AS ENVIRONMENTAL ATTRIBUTES (e.g. recycled content, energy efficiency, and/or reduced pollutants):**

Not Applicable

**24b. Section 508 Compliance for Electronic and Information Technology (EIT):**

If applicable, Section 508 compliance information on the supplies and services in this contract are available in Electronic and Information Technology (EIT) at the following:

[www.dlt.com](http://www.dlt.com)

The EIT standard can be found at: [www.Section508.gov/](http://www.Section508.gov/).

**25. DUNS NUMBER: 78-6468199**

**26. NOTIFICATION REGARDING REGISTRATION IN SYSTEM FOR AWARD MANAGEMENT (SAM) DATABASE:**

DLT is registered in System for Award Management (SAM) in lieu of FAR clause 52.204-7, Central Contractor Registration (CCR). Our information in SAM is current, accurate, and complete.

**TERMS AND CONDITIONS APPLICABLE TO PURCHASE OF GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY NEW EQUIPMENT (SPECIAL ITEM NUMBER 132-8)**

**1. MATERIAL AND WORKMANSHIP**

All equipment furnished hereunder must satisfactorily perform the function for which it is intended.

**2. ORDER**

Written orders, EDI orders (GSA Advantage! and FACNET), credit card orders, and orders placed under blanket purchase agreements (BPA) agreements shall be the basis for purchase in accordance with the provisions of this contract. If time of delivery extends beyond the expiration date of the contract, the Contractor will be obligated to meet the delivery and installation date specified in the original order.

For credit card orders and BPAs, telephone orders are permissible.

**3. TRANSPORTATION OF EQUIPMENT**

FOB DESTINATION. Prices cover equipment delivery to destination, for any location within the geographic scope of this contract.

**4. INSTALLATION AND TECHNICAL SERVICES**

a. **INSTALLATION.** When the equipment provided under this contract is not normally self-installable, the Contractor's technical personnel shall be available to the ordering activity, at the ordering activity's location, to install the equipment and to train ordering activity personnel in the use and maintenance of the equipment. The charges, if any, for such services are listed below, or in the price schedule:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

b. **INSTALLATION, DEINSTALLATION, REINSTALLATION.** The Davis-Bacon Act (40 U.S.C. 276a-276a-7) provides that contracts in excess of \$2,000 to which the United States or the District of Columbia is a party for construction, alteration, or repair (including painting and decorating) of public buildings or public works with the United States, shall contain a clause that no laborer or mechanic employed directly upon the site of the work shall receive less than the prevailing wage rates as determined by the Secretary of Labor. The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds \$2,000, then the requirements of the Davis-Bacon Act applies.

The ordering activity issuing the task order against this contract will be responsible for proper administration and enforcement of the Federal labor standards covered by the Davis-Bacon Act. The proper Davis-Bacon wage determination will be issued by the ordering activity at the time a request for quotations is made for applicable construction classified installation, deinstallation, and reinstallation services under SIN 132-8 or SIN 132-9.

- c. OPERATING AND MAINTENANCE MANUALS. The Contractor shall furnish the ordering activity with one (1) copy of all operating and maintenance manuals which are normally provided with the equipment being purchased.

**5. INSPECTION/ACCEPTANCE**

The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The ordering activity reserves the right to inspect or test any equipment that has been tendered for acceptance. The ordering activity may require repair or replacement of nonconforming equipment at no increase in contract price. The ordering activity must exercise its postacceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

**6. WARRANTY**

- a. Unless specified otherwise in this contract, the Contractor's standard commercial warranty as stated in the contract's commercial pricelist will apply to this contract.
- b. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.
- c. Limitation of Liability. Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.
- d. If inspection and repair of defective equipment under this warranty will be performed at the Contractor's plant, the address is as follows: N/A

**7. PURCHASE PRICE FOR ORDERED EQUIPMENT**

The purchase price that the ordering activity will be charged will be the ordering activity purchase price in effect at the time of order placement, or the ordering activity purchase price in effect on the installation date (or delivery date when installation is not applicable), whichever is less.

**8. RESPONSIBILITIES OF THE CONTRACTOR**

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City or otherwise) covering work of this character, and shall include all costs, if any, of such compliance in the prices quoted in this offer.

**9. TRADE-IN OF INFORMATION TECHNOLOGY EQUIPMENT**

When an ordering activity determines that Information Technology equipment will be replaced, the ordering activity shall follow the contracting policies and procedures in the Federal Acquisition Regulation (FAR), the policies and procedures regarding disposition of information technology excess personal property in the Federal Property Management Regulations (FPMR) (41 CFR 101-43.6), and the policies and procedures on exchange/sale contained in the FPMR (41 CFR part 101-46).

**TERMS AND CONDITIONS APPLICABLE TO MAINTENANCE, REPAIR SERVICE AND REPAIR PARTS/SPARE PARTS FOR GOVERNMENT-OWNED GENERAL PURPOSE COMMERCIAL INFORMATIONTECHNOLOGY EQUIPMENT, RADIO/TELEPHONE EQUIPMENT, (AFTER EXPIRATION OF GUARANTEE/WARRANTY PROVISIONS AND/OR WHEN REQUIRED SERVICE IS NOT COVERED BY GUARANTEE/WARRANTY PROVISIONS) AND FOR LEASED EQUIPMENT (SPECIAL ITEM NUMBER 132-12)**

**1. SERVICE AREAS**

- a. The maintenance and repair service rates listed herein are applicable to any ordering activity location within a 30 mile radius of the Contractor’s service points. If an additional charge is to apply because of a greater distance from the contractor’s service areas, the mileage rate or other distance factor shall be stated in paragraph 7.d and 8.d of this Special Item 132-12.
- b. When repair services cannot be performed at the ordering activity installation site, the repair services will be performed at the Contractor's plant(s) listed below:

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**2. MAINTENANCE ORDER**

- a. Agencies may use written orders, EDI orders, credit card orders, or BPAs, for ordering maintenance under this contract. The Contractor shall confirm orders within fifteen (15) calendar days from the date of receipt, except that confirmation of orders shall be considered automatic for renewals for maintenance (Special Item Number 132-12). Automatic acceptance of order renewals for maintenance service shall apply for machines which may have been discontinued from use for temporary periods of time not longer than 120 calendar days. If the order is not confirmed by the Contractor as prescribed by this paragraph, the order shall be considered to be confirmed by the Contractor.
- b. The Contractor shall honor orders for maintenance for the duration of the contract period or a lesser period of time, for the equipment shown in the pricelist. Maintenance service shall commence on a mutually agreed upon date, which will be written into the maintenance order. Maintenance orders shall not be made effective before the expiration of any applicable maintenance and parts guarantee/warranty period associated with the purchase of equipment. Orders for maintenance service shall not extend beyond the end of the contract period.
- c. Maintenance may be discontinued by the ordering activity on thirty (30) calendar days written notice, or shorter notice when agreed to by the Contractor; such notice to become effective thirty (30) calendar days from the date on the notification. However, the ordering activity may extend the original discontinuance date upon written notice to the Contractor, provided that such notice is furnished at least ten (10) calendar days prior to the original discontinuance date.
- d. Annual Funding. When annually appropriated funds are cited on a maintenance order, the period of maintenance shall automatically expire on September 30th of the contract period, or at the end of the contract period, whichever occurs first. Renewal of a maintenance order citing the new appropriation shall be required, if maintenance is to continue during any remainder of the contract period.
- e. Cross-year Funding Within Contract Period. Where an ordering activity's specific appropriation authority provides for funds in excess of a 12 month, fiscal year period, the ordering activity may place an order under this schedule contract for a period up to the expiration of the contract period, notwithstanding the intervening fiscal years.
- f. Ordering activities should notify the Contractor in writing thirty (30) calendar days prior to the expiration of maintenance service, if maintenance is to be terminated at that time. Orders for continued maintenance will be required if maintenance is to be continued during the subsequent period.

**3. REPAIR SERVICE AND REPAIR PARTS/SPARE PARTS ORDERS**

- a. Agencies may use written orders, EDI orders, credit card orders, blanket purchase agreements (BPAs), or small order procedures for ordering repair service and/or repair parts/spare parts under this contract. Orders for repair service shall not extend beyond the end of the contract period.
- b. When repair service is ordered, only one chargeable repairman shall be dispatched to perform repair service, unless the ordering activity agrees, in advance, that additional repair personnel are required to effect repairs.

**4. LOSS OR DAMAGE**

When the Contractor removes equipment to his establishment for repairs, the Contractor shall be responsible for any damage or loss, from the time the equipment is removed from the ordering activity installation, until the equipment is returned to such installation.

**5. SCOPE**

- a. The Contractor shall provide maintenance for all equipment listed herein, as requested by the ordering activity during the contract term. Repair service and repair parts/spare parts shall apply exclusively to the equipment types/models within the scope of this Information Technology Schedule.
- b. Equipment placed under maintenance service shall be in good operating condition.
  - (1) In order to determine that the equipment is in good operating condition, the equipment shall be subject to inspection by the Contractor, without charge to the ordering activity. (Government)
  - (2) Costs of any repairs performed for the purpose of placing the equipment in good operating condition shall be borne by the Contractor, if the equipment was under the Contractor's guarantee/warranty or maintenance responsibility prior to the effective date of the maintenance order.
  - (3) If the equipment was not under the Contractor's responsibility, the costs necessary to place the equipment in proper operating condition are to be borne by the ordering activity, in accordance with the provisions of Special Item Number 132-12 (or outside the scope of this contract)

**6. RESPONSIBILITIES OF THE ORDERING ACTIVITY**

- a. Ordering activity personnel shall not perform maintenance or attempt repairs to equipment while such equipment is under the purview of a maintenance order, unless agreed to by the Contractor.
- b. Subject to security regulations, the ordering activity shall permit access to the equipment which is to be maintained or repaired.
- c. If the Ordering Activity desires a factory authorized/certified service personnel then this should be clearly stated in the task or delivery order.

**7. RESPONSIBILITIES OF THE CONTRACTOR**

- a. For equipment not covered by a maintenance contract or warranty, the Contractor's repair service personnel shall complete repairs as soon as possible after notification by the ordering activity that service is required. Within the service areas, this repair service should normally be done within 4 hours after notification.
- b. If the Ordering Activity task or delivery order specifies a factory authorized/certified service personnel then the Contractor is obligated to provide such a factory authorized/certified service personnel for the equipment to be repaired or serviced, unless otherwise agreed to in advance between the Agency and the Contractor.

**8. MAINTENANCE RATE PROVISIONS**

- a. The Contractor shall bear all costs of maintenance, including labor, parts, and such other expenses as are necessary to keep the equipment in good operating condition, provided that the required repairs are not occasioned by fault or negligence of the ordering activity.
- b. REGULAR HOURS

The basic monthly rate for each make and model of equipment shall entitle the ordering activity to maintenance service during a mutually agreed upon nine (9) hour principal period of maintenance, Monday through Friday, exclusive of holidays observed at the ordering activity location.

c. AFTER HOURS

Should the ordering activity require that maintenance be performed outside of Regular Hours, charges for such maintenance, if any, will be specified in the pricelist. Periods of less than one hour will be prorated to the nearest quarter hour.

d. TRAVEL AND TRANSPORTATION

If any charge is to apply, over and above the regular maintenance rates, because of the distance between the ordering activity location and the Contractor's service area, the charge will be negotiated at the Task Order level.

e. QUANTITY DISCOUNTS

Quantity discounts from listed maintenance service rates for multiple equipment owned and/or leased by a ordering activity are indicated below: No quantity discounts apply.

**9. REPAIR SERVICE RATE PROVISIONS**

a. CHARGES. Charges for repair service will include the labor charge, computed at the rates set forth below, for the time during which repairmen are actually engaged in work, and, when applicable, the charge for travel or transportation.

b. MULTIPLE MACHINES. When repairs are ordered by a ordering activity on two or more machines located in one or more buildings within walking distance of each other, the charges will be computed from the time the repairman commences work on the first machine, until the work is completed on the last machine. The time required to go from one machine to another, or from one building to another, will be considered actual work performance, and chargeable to the ordering activity, provided the time consumed in going between machines (or buildings) is reasonable.

c. TRAVEL OR TRANSPORTATION

(1) AT THE CONTRACTOR'S SHOP

(a) When equipment is returned to the Contractor's shop for adjustments or repairs which are not covered by the guarantee/warranty provision, the cost of transportation, packing, etc., from the ordering activity location to the Contractor's plant, and return to the ordering activity location, shall be borne by the ordering activity.

(b) The ordering activity should not return defective equipment to the Contractor for adjustments and repairs or replacement without his prior consultation and instruction.

(2) AT THE ORDERING ACTIVITY LOCATION (Within Established Service Areas)

When equipment is repaired at the ordering activity location, and repair service rates are established for service areas or zones, the listed rates are applicable to any ordering activity location within such service areas or zones. No extra charge, time, or expense will be allowed for travel or transportation of repairmen or machines to or from the ordering activity office; such overhead is included in the repair service rates listed.

(3) AT THE ORDERING ACTIVITY LOCATION (Outside Established Service Areas)

(a) If repairs are to be made at the ordering activity location, and the location is outside the service area as shown in paragraph 1.a, the repair service and mileage rates negotiated per subparagraphs 1.a and 8.d will apply.

(b) When the overall travel charge computed at the above mileage rate is unreasonable (considering the time required for travel, actual and necessary transportation costs, and the allowable ordering activity per diem rate for each night the repairman is required to remain overnight at the ordering activity location), the ordering activity shall have the option of reimbursing the Contractor for actual costs, provided that the actual costs are reasonable and allowable. The Contractor shall furnish the ordering activity with a report of travel performed and related expenses incurred. The report shall include departure and arrival dates, times, and the applicable mode of travel.

**d. LABOR RATES**

(1) REGULAR HOURS

The Regular Hours repair service rates listed herein shall entitle the ordering activity to repair service during the period 8:00 a.m. to 5:00 p.m., Monday through Friday, exclusive of holidays observed at the ordering activity location. There shall be no additional charge for repair service which was requested during Regular Hours, but performed outside the Regular Hours defined above, at the convenience of the Contractor.

(2) AFTER HOURS

When the ordering activity requires that repair service be performed outside the Regular Hours defined above, except Sundays and Holidays observed at the ordering activity location, the After Hours repair service rates listed herein shall apply. The Regular Hours rates defined above shall apply when repair service is requested during Regular Hours, but performed After Hours at the convenience of the Contractor.

(3) SUNDAYS AND HOLIDAYS

When the ordering activity requires that repair service be performed on Sundays and Holidays observed at the ordering activity location, the Sundays and Holidays repair service rates listed herein shall apply. When repair service is requested to be performed during Regular Hours and/or After Hours, but is performed at the convenience of the Contractor on Sundays or Holidays observed at the ordering activity location, the Regular Hours and/or After Hours repair service rates, as applicable, shall apply.

REPAIR SERVICE RATES: N/A

**10. REPAIR PARTS/SPARE PARTS RATE PROVISIONS**

All parts, furnished as spares or as repair parts in connection with the repair of equipment, unless otherwise indicated in this pricelist, shall be new, standard parts manufactured by the equipment manufacturer. All parts shall be furnished at prices indicated in the Contractor's commercial pricelist dated N/A at a discount of N/A% from such listed prices.

**11. GUARANTEE/WARRANTY—REPAIR SERVICE AND REPAIR PARTS/SPARE PARTS**

a. REPAIR SERVICE

All repair work will be guaranteed/warranted for a period of N/A

b. REPAIR PARTS/SPARE PARTS

All parts, furnished either as spares or repairs parts will be guaranteed/warranted for a period N/A

**12. INVOICES AND PAYMENTS**

a. Maintenance Service

(1) Invoices for maintenance service shall be submitted by the Contractor on a quarterly or monthly basis, after the completion of such period. Maintenance charges must be paid in arrears (31 U.S.C. 3324). PROMPT PAYMENT DISCOUNT, IF APPLICABLE, SHALL BE SHOWN ON THE INVOICE.

(2) Payment for maintenance service of less than one month's duration shall be prorated at 1/30th of the monthly rate for each calendar day.

b. Repair Service and Repair Parts/Spare Parts

Invoices for repair service and parts shall be submitted by the Contractor as soon as possible after completion of work. Payment under blanket purchase agreements will be made quarterly or monthly, except where cash payment procedures are used. Invoices shall be submitted separately to each ordering activity office ordering services under the contract. The cost of repair parts shall be shown as a separate item on the invoice, and shall be priced in accordance with paragraph #10, above. PROMPT PAYMENT DISCOUNT, IF APPLICABLE, SHALL BE SHOWN ON THE INVOICE.

**TERMS AND CONDITIONS APPLICABLE TO TERM SOFTWARE LICENSES (SPECIAL ITEM NUMBER 132-32), PERPETUAL SOFTWARE LICENSES (SPECIAL ITEM NUMBER 132-33) AND MAINTENANCE AS A SERVICE (SPECIAL ITEM NUMBER 132-34) OF GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY SOFTWARE**

**1. INSPECTION/ACCEPTANCE**

The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The ordering activity reserves the right to inspect or test any software that has been tendered for acceptance. The ordering activity may require repair or replacement of nonconforming software at no increase in contract price. The ordering activity must exercise its postacceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the software, unless the change is due to the defect in the software.

**2. ENTERPRISE USER LICENSE AGREEMENTS REQUIREMENTS (EULA)**

DLT Link for GSA Approved Enterprise User License Agreements (EULA)

<http://www.dlt.com/contracts/gsa-approved-vendor-terms-conditions>

**3. GUARANTEE/WARRANTY**

- a. Unless specified otherwise in this contract, the Contractor's standard commercial guarantee/warranty as stated in the contract's commercial pricelist will apply to this contract.
- b. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.
- c. Limitation of Liability. Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.

**4. TECHNICAL SERVICES**

The Contractor, without additional charge to the ordering activity, shall provide a hot line technical support number 800-262-4DLT (4358) for the purpose of providing user assistance and guidance in the implementation of the software. The technical support number is available from 8AM ET to 6PM ET.

**5. SOFTWARE MAINTENANCE**

- a. Software maintenance as it is defined:

1. Software Maintenance as a Product (SIN 132-32 or SIN 132-33)

Software maintenance as a product includes the publishing of bug/defect fixes via patches and updates/upgrades in function and technology to maintain the operability and usability of the software product. It may also include other no charge support that are included in the purchase price of the product in the commercial marketplace. No charge support includes items such as user blogs, discussion forums, on-line help libraries and FAQs (Frequently Asked Questions), hosted chat rooms, and limited telephone, email and/or web-based general technical support for user's self diagnostics.

Software maintenance as a product does NOT include the creation, design, implementation, integration, etc. of a software package. These examples are considered software maintenance as a service.

Software Maintenance as a product is billed at the time of purchase.

2. Software Maintenance as a Service (SIN 132-34)

Software maintenance as a service creates, designs, implements, and/or integrates customized changes to software that solve one or more problems and is not included with the price of the software. Software maintenance as a service includes person-to-person communications regardless of the medium used to communicate: telephone support, on-line technical support, customized support, and/or technical expertise which are charged commercially. Software maintenance as a service is billed arrears in accordance with 31 U.S.C. 3324.

Software maintenance as a service is billed in arrears in accordance with 31 U.S.C. 3324.

- b. Invoices for maintenance service shall be submitted by the Contractor on a quarterly or monthly basis, after the completion of such period. Maintenance charges must be paid in arrears (31 U.S.C. 3324). PROMPT PAYMENT DISCOUNT, IF APPLICABLE, SHALL BE SHOWN ON THE INVOICE.

**6. PERIODS OF TERM LICENSES (SIN 132-32) AND MAINTENANCE (SIN 132-34)**

- a. The Contractor shall honor orders for periods for the duration of the contract period or a lesser period of time.
- b. Term licenses and/or maintenance may be discontinued by the ordering activity on thirty (30) calendar days written notice to the Contractor.
- c. Annual Funding. When annually appropriated funds are cited on an order for term licenses and/or maintenance, the period of the term licenses and/or maintenance shall automatically expire on September 30 of the contract period, or at the end of the contract period, whichever occurs first. Renewal of the term licenses and/or maintenance orders citing the new appropriation shall be required, if the term licenses and/or maintenance is to be continued during any remainder of the contract period.
- d. Cross-Year Funding Within Contract Period. Where an ordering activity's specific appropriation authority provides for funds in excess of a 12 month (fiscal year) period, the ordering activity may place an order under this schedule contract for a period up to the expiration of the contract period, notwithstanding the intervening fiscal years.
- e. Ordering activities should notify the Contractor in writing thirty (30) calendar days prior to the expiration of an order, if the term licenses and/or maintenance is to be terminated at that time. Orders for the continuation of term licenses and/or maintenance will be required if the term licenses and/or maintenance is to be continued during the subsequent period.

**7. CONVERSION FROM TERM LICENSE TO PERPETUAL LICENSE**

- a. The ordering activity may convert term licenses to perpetual licenses for any or all software at any time following acceptance of software. At the request of the ordering activity the Contractor shall furnish, within ten (10) calendar days, for each software product that is contemplated for conversion, the total amount of conversion credits which have accrued while the software was on a term license and the date of the last update or enhancement.
- b. Conversion credits which are provided shall, within the limits specified, continue to accrue from one contract period to the next, provided the software remains on a term license within the ordering activity.
- c. The term license for each software product shall be discontinued on the day immediately preceding the effective date of conversion from a term license to a perpetual license.
- d. The price the ordering activity shall pay will be the perpetual license price that prevailed at the time such software was initially ordered under a term license, or the perpetual license price prevailing at the time of conversion from a term license to a perpetual license, whichever is the less, minus an amount equal to % of all term license payments during the period that the software was under a term license within the ordering activity.

**8. TERM LICENSE CESSATION**

- a. After a software product has been on a continuous term license for a period of \_\_\_\_\_ \* months, a fully paid-up, non-exclusive, perpetual license for the software product shall automatically accrue to the ordering

activity. The period of continuous term license for automatic accrual of a fully paid-up perpetual license does not have to be achieved during a particular fiscal year; it is a written Contractor commitment which continues to be available for software that is initially ordered under this contract, until a fully paid-up perpetual license accrues to the ordering activity. However, should the term license of the software be discontinued before the specified period of the continuous term license has been satisfied, the perpetual license accrual shall be forfeited.

- b. The Contractor agrees to provide updates and maintenance service for the software after a perpetual license has accrued, at the prices and terms of Special Item Number 132-34, if the licensee elects to order such services. Title to the software shall remain with the Contractor.

**9. UTILIZATION LIMITATIONS - (SIN 132-32, SIN 132-33, AND SIN 132-34)**

- a. Software acquisition is limited to commercial computer software defined in FAR Part 2.101.
- b. When acquired by the ordering activity, commercial computer software and related documentation so legend shall be subject to the following:
  - (1) Title to and ownership of the software and documentation shall remain with the Contractor, unless otherwise specified.
  - (2) Software licenses are by site and by ordering activity. An ordering activity is defined as a cabinet level or independent ordering activity. The software may be used by any subdivision of the ordering activity (service, bureau, division, command, etc.) that has access to the site the software is placed at, even if the subdivision did not participate in the acquisition of the software. Further, the software may be used on a sharing basis where multiple agencies have joint projects that can be satisfied by the use of the software placed at one ordering activity's site. This would allow other agencies access to one ordering activity's database. For ordering activity public domain databases, user agencies and third parties may use the computer program to enter, retrieve, analyze and present data. The user ordering activity will take appropriate action by instruction, agreement, or otherwise, to protect the Contractor's proprietary property with any third parties that are permitted access to the computer programs and documentation in connection with the user ordering activity's permitted use of the computer programs and documentation. For purposes of this section, all such permitted third parties shall be deemed agents of the user ordering activity.
  - (3) Except as is provided in paragraph 8.b(2) above, the ordering activity shall not provide or otherwise make available the software or documentation, or any portion thereof, in any form, to any third party without the prior written approval of the Contractor. Third parties do not include prime Contractors, subcontractors and agents of the ordering activity who have the ordering activity's permission to use the licensed software and documentation at the facility, and who have agreed to use the licensed software and documentation only in accordance with these restrictions. This provision does not limit the right of the ordering activity to use software, documentation, or information therein, which the ordering activity may already have or obtains without restrictions.
  - (4) The ordering activity shall have the right to use the computer software and documentation with the computer for which it is acquired at any other facility to which that computer may be transferred, or in cases of Disaster Recovery, the ordering activity has the right to transfer the software to another site if the ordering activity site for which it is acquired is deemed to be unsafe for ordering activity personnel; to use the computer software and documentation with a backup computer when the primary computer is inoperative; to copy computer programs for safekeeping (archives) or backup purposes; to transfer a copy of the software to another site for purposes of benchmarking new hardware and/or software; and to modify the software and documentation or combine it with other software, provided that the unmodified portions shall remain subject to these restrictions.
  - (5) "Commercial Computer Software" may be marked with the Contractor's standard commercial restricted rights legend, but the schedule contract and schedule pricelist, including this clause, "Utilization Limitations" are the only governing terms and conditions, and shall take precedence and supersede any different or additional terms and conditions included in the standard commercial legend.

**10. SOFTWARE CONVERSIONS - (SIN 132-32 AND SIN 132-33)**

Full monetary credit will be allowed to the ordering activity when conversion from one version of the software to another is made as the result of a change in operating system, or from one computer system to another. Under a perpetual license (132-33), the purchase price of the new software shall be reduced by the amount that was paid to purchase the earlier version. Under a term license (132-32), conversion credits which accrued while the earlier version was under a term license shall carry forward and remain available as conversion credits which may be applied towards the perpetual license price of the new version.

**11. DESCRIPTIONS AND EQUIPMENT COMPATIBILITY**

The Contractor shall include, in the schedule pricelist, a complete description of each software product and a list of equipment on which the software can be used. Also, included shall be a brief, introductory explanation of the modules and documentation which are offered.

**12. RIGHT-TO-COPY PRICING**

The Contractor shall insert the discounted pricing for right-to-copy licenses.

**TERMS AND CONDITIONS APPLICABLE TO PURCHASE OF CLOUD COMPUTING SERVICES (SPECIAL ITEM NUMBER 132-40)**

**1. SCOPE**

The prices, terms and conditions stated under Special Item Number (SIN) 132-40 Cloud Computing Services apply exclusively to Cloud Computing Services within the scope of this Information Technology Schedule.

This SIN provides ordering activities with access to technical services that run in cloud environments and meet the NIST Definition of Cloud Computing Essential Characteristics. Services relating to or impinging on cloud that do not meet all NIST essential characteristics should be listed in other SINs.

The scope of this SIN is limited to cloud capabilities provided entirely as a service. Hardware, software and other artifacts supporting the physical construction of a private or other cloud are out of scope for this SIN. Currently, an Ordering Activity can procure the hardware and software needed to build on premise cloud functionality, through combining different services on other IT Schedule 70 SINs (e.g. 132-51).

Sub-categories in scope for this SIN are the three NIST Service Models: Software as a Service (SaaS), Platform as a Service (PaaS), and Infrastructure as a Service (IaaS). Offerors may optionally select a single sub-category that best fits a proposed cloud service offering. Only one sub-category may be selected per each proposed cloud service offering. Offerors may elect to submit multiple cloud service offerings, each with its own single sub-category. The selection of one of three sub-categories does not prevent Offerors from competing for orders under the other two sub-categories.

See service model guidance for advice on sub-category selection.

Sub-category selection within this SIN is optional for any individual cloud service offering, and new cloud computing technologies that do not align with the aforementioned three sub-categories may be included without a sub-category selection so long as they comply with the essential characteristics of cloud computing as outlined by NIST.

See Table 1 for a representation of the scope and sub-categories.

Table 1: Cloud Computing Services SIN

SIN Description	Sub-Categories <sup>1</sup>
<ul style="list-style-type: none"> <li>● Commercially available cloud computing services</li> <li>● Meets the National Institute for Standards and Technology (NIST) definition of Cloud Computing essential characteristics</li> <li>● Open to all deployment models (private, public, community or hybrid), vendors specify deployment models</li> </ul>	<ol style="list-style-type: none"> <li><b>1. Software as a Service (SaaS):</b> Consumer uses provider’s applications on cloud infrastructure. Does not manage/control platform or infrastructure. Limited application level configuration may be available.</li> <li><b>2. Platform as a Service (PaaS):</b> Consumer deploys applications onto cloud platform service using provider-supplied tools. Has control over deployed applications and some limited platform configuration but does not manage the platform or infrastructure.</li> <li><b>3. Infrastructure as a Service (IaaS):</b> Consumer provisions computing resources. Has control over OS, storage, platform, deployed applications and some limited infrastructure configuration, but does not manage the infrastructure.</li> </ol>

**2. DESCRIPTION OF CLOUD COMPUTING SERVICES AND PRICING**

**a. Service Description Requirements for Listing Contractors**

The description requirements below are in addition to the overall Schedule 70 evaluation criteria described in SCP-FSS-001, SCP-FSS-004 and other relevant publications.

Refer to overall Schedule 70 requirements for timelines related to description and other schedule updates, including but not limited to clauses 552.238-81 – section E and clause I-FSS-600.

Table 2 summarizes the additional Contractor-provided description requirements for services proposed under the Cloud Computing Services SIN. All mandatory description requirements must be complete, and adequate according to evaluation criteria.

In addition there is one “Optional” reporting descriptions which exists to provide convenient service selection by relevant criteria. Where provided, optional description requirements must be complete and adequate according to evaluation criteria:

- The NIST Service Model provides sub-categories for the Cloud SIN and is strongly encouraged, but not required. The Service Model based sub-categories provide this SIN with a structure to assist ordering activities in locating and comparing services of interest. Contractors may optionally select the single service model most closely corresponding to the specific service offering.
- If a sub-category is selected it will be evaluated with respect to the NIST Service Model definitions and guidelines in “Guidance for Contractors”.

Table 2: Cloud Service Description Requirements

#	Description Requirement	Reporting Type	Instructions
---	-------------------------	----------------	--------------

1	Provide a brief written description of how the proposed cloud computing services satisfies each individual essential NIST Characteristic	Mandatory	The cloud service must be capable of satisfying each of the five NIST essential Characteristics as outlined in NIST Special Publication 800-145. See ‘GUIDANCE FOR CONTRACTORS: NIST Essential Characteristics’ below in this document for detailed overall direction, as well as guidance on inheriting essential characteristics.
2	Select NIST deployment models for the cloud computing service proposed.	Mandatory	Contractors must select at least one NIST deployment model as outlined in NIST Special Publication 800- 145 describing how the proposed cloud computing service is deployed. Select multiple deployment models if the service is offered in more than one deployment model.  See ‘GUIDANCE FOR CONTRACTORS: NIST Deployment Model’ below in this document for detailed direction on how to best categorize a service for the NIST deployment models.
3	Optionally select the most appropriate NIST service model that will be the designated sub- category, or may select	Optional	Contractor may select a single NIST Service model to sub-categorize the service as outlined in NIST Special Publication 800-145. Sub-category selection is optional but recommended. See ‘GUIDANCE FOR CONTRACTORS: NIST Service Model’ below in this document for detailed direction on how to best categorize a service for the NIST IaaS, PaaS, and SaaS service models.

**b. Pricing of Cloud Computing Services**

All current pricing requirements for Schedule 70, including provision SCP-FSS-001 (Section III Price Proposal), SCP-FSS-004 (Section III Price Proposal), and clause I-FSS-600 Contract Price Lists, apply. At the current time there is no provision for reducing or eliminating standard price list posting requirements to accommodate rapid cloud price fluctuations.

In addition to standard pricing requirements, all pricing models must have the core capability to meet the NIST Essential Cloud Characteristics, particularly with respect to on-demand self-service, while allowing alternate variations at the task order level at agency discretion, pursuant to the guidance on NIST Essential Characteristics.

**3. RESPONSIBILITIES OF THE CONTRACTOR**

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character.

a. Acceptance Testing

Any required Acceptance Test Plans and Procedures shall be negotiated by the Ordering Activity at task order level. The Contractor shall perform acceptance testing of the systems for Ordering Activity approval in accordance with the approved test procedures.

b. Training

If training is provided commercially the Contractor shall provide normal commercial installation, operation, maintenance, and engineering interface training on the system. Contractor is responsible for indicating if there are separate training charges.

c. Information Assurance/Security Requirements

The contractor shall meet information assurance/security requirements in accordance with the Ordering Activity requirements at the Task Order level.

d. Related Professional Services

The Contractor is responsible for working with the Ordering Activity to identify related professional services and any other services available on other SINs that may be associated with deploying a complete cloud solution. Any additional substantial and ongoing professional services related to the offering such as integration, migration, and other cloud professional services are out of scope for this SIN.

e. Performance of Cloud Computing Services

The Contractor shall respond to Ordering Activity requirements at the Task Order level with proposed capabilities to Ordering Activity performance specifications or indicate that only standard specifications are offered. In all cases the Contractor shall clearly indicate standard service levels, performance and scale capabilities.

The Contractor shall provide appropriate cloud computing services on the date and to the extent and scope agreed to by the Contractor and the Ordering Activity.

f. Reporting

The Contractor shall respond to Ordering Activity requirements and specify general reporting capabilities available for the Ordering Activity to verify performance, cost and availability.

In accordance with commercial practices, the Contractor may furnish the Ordering Activity/user with a monthly summary Ordering Activity report.

#### 4. RESPONSIBILITIES OF THE ORDERING ACTIVITY

The Ordering Activity is responsible for indicating the cloud computing services requirements unique to the Ordering Activity. Additional requirements should not contradict existing SIN or IT Schedule 70 Terms and Conditions. Ordering Activities should include (as applicable) Terms & Conditions to address Pricing, Security, Data Ownership, Geographic Restrictions, Privacy, SLAs, etc.

Cloud services typically operate under a shared responsibility model, with some responsibilities assigned to the Cloud Service Provider (CSP), some assigned to the Ordering Activity, and others shared between the two. The distribution of responsibilities will vary between providers and across service models.

Ordering activities should engage with CSPs to fully understand and evaluate the shared responsibility model proposed. Federal Risk and Authorization Management Program (FedRAMP) documentation will be helpful regarding the security aspects of shared responsibilities, but operational aspects may require additional discussion with the provider.

##### a. Ordering Activity Information Assurance/Security Requirements Guidance

- i. The Ordering Activity is responsible for ensuring to the maximum extent practicable that each requirement issued is in compliance with the Federal Information Security Management Act (FISMA) as applicable.
- ii. The Ordering Activity shall assign a required impact level for confidentiality, integrity and availability (CIA) prior to issuing the initial statement of work.<sup>2</sup> The Contractor must be capable of meeting at least the minimum security requirements assigned against a low-impact information system in each CIA assessment area (per FIPS 200) and must detail the FISMA capabilities of the system in each of CIA assessment area.
- iii. Agency level FISMA certification, accreditation, and evaluation activities are the responsibility of the Ordering Activity. The Ordering Activity reserves the right to independently evaluate, audit, and verify the FISMA compliance for any proposed or awarded Cloud Computing Services.
- iv. The Ordering Activity has final responsibility for assessing the FedRAMP status of the service, complying with and making a risk-based decision to grant an Authorization to Operate (ATO) for the cloud computing service, and continuous monitoring. A memorandum issued by the Office of Management and Budget (OMB) on Dec 8, 2011 outlines the responsibilities of Executive departments and agencies in the context of FedRAMP compliance.<sup>3</sup>
- v. Ordering activities are responsible for determining any additional information assurance and security related requirements based on the nature of the application and relevant mandates.

**b. Deployment Model**

If a particular deployment model (Private, Public, Community, or Hybrid) is desired, Ordering Activities are responsible for identifying the desired model(s). Alternately, Ordering Activities could identify requirements and assess Contractor responses to determine the most appropriate deployment model(s).

**c. Delivery Schedule**

The Ordering Activity shall specify the delivery schedule as part of the initial requirement. The Delivery Schedule options are found in Information for Ordering Activities Applicable to All Special Item Numbers.

**d. Interoperability**

Ordering Activities are responsible for identifying interoperability requirements. Ordering Activities should clearly delineate requirements for API implementation and standards conformance.

**e. Performance of Cloud Computing Services**

The Ordering Activity should clearly indicate any custom minimum service levels, performance and scale requirements as part of the initial requirement.

**f. Reporting**

The Ordering Activity should clearly indicate any cost, performance or availability reporting as part of the initial requirement.

**g. Privacy**

The Ordering Activity should specify the privacy characteristics of their service and engage with the Contractor to determine if the cloud service is capable of meeting Ordering Activity requirements. For example, a requirement could be requiring assurance that the service is capable of safeguarding Personally Identifiable Information (PII), in accordance with NIST SP 800-1224 and OMB memos M-06-165 and M-07-166. An Ordering Activity will determine what data elements constitute PII according to OMB Policy, NIST Guidance and Ordering Activity policy.

**h. Accessibility**

The Ordering Activity should specify the accessibility characteristics of their service and engage with the Contractor to determine the cloud service is capable of meeting Ordering Activity requirements. For example, a requirement could require assurance that the service is capable of providing accessibility based on Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. 794d).

**i. Geographic Requirements**

Ordering activities are responsible for specifying any geographic requirements and engaging with the Contractor to determine that the cloud services offered have the capabilities to meet geographic requirements for all anticipated task orders. Common geographic concerns could include whether service data, processes and related artifacts can be confined on request to the United States and its territories, or the continental United States (CONUS).

**j. Data Ownership and Retrieval and Intellectual Property**

Intellectual property rights are not typically transferred in a cloud model. In general, CSPs retain ownership of the Intellectual Property (IP) underlying their services and the customer retains ownership of its intellectual property. The CSP gives the customer a license to use the cloud services for the duration of the contract without transferring rights. The government retains ownership of the IP and data they bring to the customized use of the service as spelled out in the FAR and related materials.

General considerations of data ownership and retrieval are covered under the terms of Schedule 70 and the FAR and other laws, ordinances, and regulations (Federal, State, City, or otherwise). Because of considerations arising from cloud shared responsibility models, ordering activities should engage with the Contractor to develop more cloud-specific understandings of the boundaries between data owned by the government and that owned by the cloud service provider, and the specific terms of data retrieval.

In all cases, the Ordering Activity should enter into an agreement with a clear and enforceable understanding of the boundaries between government and cloud service provider data, and the form, format and mode of delivery for each kind of data belonging to the government.

The Ordering Activity should expect that the Contractor shall transfer data to the government at the government's request at any time, and in all cases when the service or order is terminated for any reason, by means, in formats and within a scope clearly understood at the initiation of the service. Example cases that might require clarification include status and mode of delivery for:

- Configuration information created by the government and affecting the government's use of the cloud provider's service.
- Virtual machine configurations created by the government but operating on the cloud provider's service.
- Profile, configuration and other metadata used to configure SaaS application services or PaaS platform services.

The key is to determine in advance the ownership of classes of data and the means by which Government owned data can be returned to the Government.

**k. Service Location Distribution**

The Ordering Activity should determine requirements for continuity of operations and performance and engage with the Contractor to ensure that cloud services have adequate service location distribution to meet anticipated requirements. Typical concerns include ensuring that:

- Physical locations underlying the cloud are numerous enough to provide continuity of operations and geographically separate enough to avoid an anticipated single point of failure within the scope of anticipated emergency events.
- Service endpoints for the cloud are able to meet anticipated performance requirements in terms of geographic proximity to service requestors.

Note that cloud providers may address concerns in the form of minimum distance between service locations, general regions where service locations are available, etc.

**l. Related Professional Services**

Ordering activities should engage with Contractors to discuss the availability of limited assistance with initial setup, training and access to the services that may be available through this SIN.

Any additional substantial and ongoing professional services related to the offering such as integration, migration, and other cloud professional services are out of scope for this SIN. Ordering activities should consult the appropriate GSA professional services schedule.

## TERMS AND CONDITIONS APPLICABLE TO CONTINUOUS DIAGNOSTICS AND MITIGATION (CDM) TOOLS SIN 132-44

### 1. SCOPE

- a. Special Item Number (SIN) 132-44 Continuous Diagnostics and Mitigation (CDM) Tools is a solutions SIN. This SIN includes both hardware and software products and any associated services for the products to include installation, maintenance, and training.

**NOTE:** All hardware and software under SINs 132-8, 132-32, and 132-33 may remain under those SINs unless the items are specific to the CDM SIN.

- b. CDM Tools SIN products and associated services shall comply with all certifications and industry standards as specified by the ordering activity.
- c. The Contractor shall provide services at the Contractor's facility and/or at the ordering activity location, as agreed to by the Contractor and the ordering activity. The Contractor shall deliver to any location within the geographic scope of this contract.
- d. 132- 44 - Continuous Diagnostics and Mitigation Tools - SUBJECT TO COOPERATIVE PURCHASING - Includes Continuous Diagnostics and Mitigation (CDM) Approved Products List (APL) hardware and software products/tools and associated services. The full complement of CDM subcategories includes tools, associated maintenance, and other related activities such as training.
- e. The 5 subcategories CDM capabilities specified under this SIN are:
- (1) Manage "What is on the network?": Identifies the existence of hardware, software, configuration characteristics and known security vulnerabilities.
  - (2) Manage "Who is on the network?": Identifies and determines the users or systems with access authorization, authenticated permissions and granted resource rights.
  - (3) Manage "How is the network protected?": Determines the user/system actions and behavior at the network boundaries and within the computing infrastructure.
  - (4) Manage "What is happening on the network?": Prepares for events/incidents, gathers data from appropriate sources; and identifies incidents through analysis of data.
  - (5) Emerging Tools and Technology: Includes CDM cybersecurity tools and technology not in any other subcategory.

5 subcategories represent the scope of the CDM program and reflect widely exercised functional and operational scenarios that CDM is interested in identifying, monitoring and addressing from a security perspective.

To provide a holistic security approach, these capabilities adhere to the National Institute of Science and Technology (NIST) Cybersecurity Framework security functions to identify, protect, detect, respond and recover. CDM also supports and can be used in the NIST Risk Management Framework (RMF) to achieve ongoing assessment and authorization

As shown in Table 1, the 5 CDM Tools SIN subcategories cover the previous CDM BPA 15 CDM Tool Functional Areas (TFAs) and allow for future innovation.

Table 1: SIN to TFA mapping

5 SIN Subcategories	15 CDM BPA TFAs
1. Manage “What is on the network?”	<ul style="list-style-type: none"> <li>• TFA 1 – Hardware Asset Management</li> <li>• TFA 2 – Software Asset Management</li> <li>• TFA 3 – Configuration Settings Management</li> <li>• TFA 4 – Vulnerability Management</li> </ul>
2. Manage “Who is on the network?”	<ul style="list-style-type: none"> <li>• TFA 6 – Manage Trust in People Granted Access</li> <li>• TFA 7 – Manage Security-Related Behavior</li> <li>• TFA 8 – Manage Credential and Authentication</li> <li>• TFA 9 – Manage Account/Access/Manage Privileges</li> </ul>
3. Manage “How is the boundary protected?” for BOUND	<ul style="list-style-type: none"> <li>• TFA 5 – Manage Network Access Controls</li> </ul>
4. Manage “What is happening on the network?” for MNGEVT	<ul style="list-style-type: none"> <li>• TFA 10 – Prepare for Contingencies and Incidents</li> <li>• TFA 11 – Respond to Contingencies and Incidents</li> </ul>
4. Manage “What is happening on the network?” for DBS	<p style="text-align: center;">Planning</p> <ul style="list-style-type: none"> <li>• TFA 12 – Design and Build in Requirements Policy and</li> <li>• TFA 13 – Design and Build in Quality</li> </ul>
4. Manage “What is happening on the network?” for OMI	<ul style="list-style-type: none"> <li>• TFA 14 – Manage Audit Information</li> <li>• TFA 15 – Manage Operation Security</li> </ul>
5. Emerging Tools and Technologies	Future innovations

**(1) Manage “What is on the network?”**

**Focus:** The primary focus of Manage Assets is to identify “What is on the network?”; that is, to identify the existence of hardware, software, configuration characteristics and known security vulnerabilities.

Manage hardware and software baseline system inventory is based on Phase 1 Hardware Asset Management (HWAM) and Software Asset Management (SWAM) requirements that requires the discovery and identification of devices to define a baseline of inventory hardware and software assets to establish the Agency’s span of control.

Hardware and software configurations are based on Phase 1 Configuration Settings Management (CSM) requirements to ensure that hardware and software (specifically the operating system and installed applications) assets are securely configured and hardened.

Manage vulnerabilities is based on Phase 1 Vulnerability Management (VUL) requirements to identify and manage vulnerabilities in software installed on network devices to minimize exploitation of known software weaknesses.

These CDM capabilities cover verification and validation for the existence of hardware infrastructure devices; the accurate identification of approved software components; verification and validation that hardware devices have the correct security configuration settings, and system platform is hardened to reduce the platform attack surface; and the identification and management of risks presented by known software weaknesses that are subject to exploitation.

These CDM capabilities support the Cybersecurity Framework functions of: identify, protect and detect.

## (2) Manage “Who is on the network?”

**Focus:** The primary focus of Manage People is to determine “Who is on the network?”; that is, identify and determine the users or systems with authorized access.

Manage People is based on Phase 2 PRIV, CRED, TRUST and BEHAVE requirements that require the management of users/accounts as an asset to assure the appropriate individual has the right access to the right resource.

This CDM capability covers the verification and validation of allowed user privileges, issuance and management of user owned credentials, appropriate user security behavior training, trustworthiness, authenticated permissions, and management of resource access rights granted to users.

These CDM capabilities support the Cybersecurity Framework functions of: identify, protect and detect.

## (3) Manage “How is the boundary protected?”

**Focus:** The primary focus of Manage Boundary Protection is to determine “How is the boundary protected?”; that is, to determine the user/system actions and behavior at the physical/logical network boundaries and within the computing infrastructure.

“How is the boundary protected?” is based on Phase 3 BOUND requirements to defend physical and logical network boundaries and identify abnormal behavior (of networks and users) that may identify that an incident has occurred.

This CDM capability covers verification and validation of logical and physical network interfaces to reduce intrusive, malicious, and disruptive attacks; cryptographic mechanisms ensure confidentiality and integrity of data on the network; and methods to identify security incidents.

These CDM capabilities support the Cybersecurity Framework functions of: identify, protect and detect.

## (4) Manage “What is happening on the network?”

Due to the complexity to manage “What is happening on the network?”, this area is covered by three focus areas:

- a. Manage Events (MNGEVT)
- b. Operate, Monitor and Improve (OMI)
- c. Design and Build in Security (DBS)

## Manage Events

**Focus:** Manage Events is responsible for preparing for events/incidents, gathering appropriate audit data from appropriate sources, identifying incidents through analysis of data, and performing ongoing assessment.

Manage Events is based on the Phase 3 MNGEVT requirements to prepare for incidents/events (through processes, policies, and procedures), gather appropriate audit/log data from appropriate sources, and identify events/incidents (network and user abnormal behavior) through the analysis of audit/log data.

Manage Events supports the runtime collection of attributes (actual state) and continuous monitoring of the policies related to attributes for Ongoing Assessment (actual state vs. desired state) to enhance current or apply new security and privacy controls and countermeasures. The results of the Ongoing Assessment will be used as inputs to OMI Ongoing Authorization risk assessment process to determine if the level of risk remains acceptable for a given information system to support continued authorization and operation.

Ongoing Assessment is the continuous process of comparing security related attributes between the Actual State and the Desired State. This comparison is performed by the CDM Policy Decision Point (PDP). The discrepancy between Actual State and Desired state impacts the security posture of the implementation of NIST SP 800-53 controls and countermeasures. The results of the Ongoing Assessment are used to evaluate the changes in risk posture associated with the discrepancy. Ideally, the Ongoing Assessment process is fully automated with the Desired State being encoded in the CDM PDP and the Actual State being measured using CDM sensors.

This CDM capability covers verification and validation of processes, policies, and procedures supporting cybersecurity preparation, audit and log data collection, security analysis of audit/log data, incident reporting to provide forensic evidence of malicious or suspicious behavior, and ongoing assessment.

To provide a holistic security approach, this capability adheres to the Cybersecurity Framework security functions to identify, protect, detect, respond and recover CDM also supports and can be used in the NIST Risk Management Framework (RMF) to achieve ongoing assessment and authorization.

## Operate, Monitor and Improve

**Focus:** Operate, Monitor and Improve is responsible for audit data aggregation, correlation, and analysis, incident prioritization and response, and post-incident activities (e.g., information sharing).

Operate, Monitor and Improve is based on Phase 3 OMI requirements for audit data aggregation, correlation and analysis, incident prioritization and response, and post incident activities (e.g., information sharing).

Ongoing Authorization is the continuous evaluation of the change in risk level related to changes in security policies concerning static object attributes (i.e., actual state and desired state) for threat behaviors that impact the security posture. This impact to security is measured by capturing changes in existing safeguards (e.g., NIST SP 800-53 controls and countermeasures) and identification of new component weaknesses and vulnerabilities.

This CDM capability covers verification and validation of processes/procedures to aggregate, correlate, and analyze audit/log data, to prioritize incidents and associated response actions, to quickly mitigate the impact of an incidents, to take appropriate remediation actions to eliminate the impact (restore normal operations) of the same incident, to support information sharing and collaboration (both internal and external) to minimize or prevent impact of future incidents, and ongoing authorization.

To provide a holistic security approach, this capability adheres to the Cybersecurity Framework security functions to identify, protect, detect, respond and recover. CDM also supports and can be used in the NIST Risk Management Framework (RMF) to achieve ongoing assessment and authorization.

## Design and Build in Security

**Focus:** Design and Build in Security is responsible for preventing exploitable vulnerabilities from being effective in the software/system while in development or deployment. The Design and Build in Security process is focused on identifying, controlling and removing weaknesses/vulnerabilities from the software/system. Exploitable vulnerabilities may include software/system design, coding errors, software/system designs that leave a large and complex attack surface that cannot be defended, and weaknesses that can only be exploited during system/software execution.

Design and Build in Security is based on the Phase 3 DBS requirements that extend the focus of Phase 1 Software Asset Management and Vulnerability Management to achieve a level of confidence that software is free from vulnerabilities, either intentionally designed into the software or accidentally inserted at any time during its life cycle and that the software functions in the intended manner.

The U.S. government and critical infrastructure sectors are increasingly dependent on commercial products and systems, which present significant benefits including low cost, interoperability, rapid innovation, a variety of product features, and choice among competing vendors. However, with some of these benefits there is an increase in the risk of a threat event which can directly or indirectly affect the supply chain, which often go undetected, and may result in risks to the acquirer. The purpose of Supply Chain Risk Management (SCRM) is to enable the provisioning of the least vulnerable solutions to agencies, through a robust assessment of supply chain risks, communication about those risks to the agencies, and appropriate response and monitoring of those risks throughout the entire system lifespan.

This CDM capability covers verification and validation of processes/procedures to prevent and detect software vulnerabilities, to determine the provenance of system components, and to measure software assurance for built and acquired software components.

To provide a holistic security approach, this capability adheres to the Cybersecurity Framework security functions to identify, protect, detect, respond and recover to security infractions due to malicious behavior and unintentional user actions during normal operations.

## (5) Emerging Tools and Technologies

**Focus:** Innovative capabilities to cybersecurity not currently encompassed by the other capability areas.

## 2. STANDARDS COMPLIANCE

Vendor's providing offerings through the CDM Tools SIN must provide compliant products and services in accordance with the laws and standards cited applicable to specific orders and Blanket Purchase Agreements.

**3. ORDER**

- a. Written orders, EDI orders (GSA Advantage! and FACNET), credit card orders, and orders placed under blanket purchase agreements (BPA) agreements shall be the basis for purchase in accordance with the provisions of this contract. If time of delivery extends beyond the expiration date of the contract, the Contractor will be obligated to meet the delivery and installation date specified in the original order.
- b. All delivery or task orders are subject to the terms and conditions of the contract. In the event of conflict between an order and the contract, the contract will take precedence.

**4. INSPECTION/ACCEPTANCE**

The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The ordering activity reserves the right to inspect or test any product that has been tendered for acceptance. The ordering activity may require repair or replacement of nonconforming item at no increase in contract price. The ordering activity must exercise its post acceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

**5. ENTERPRISE USER LICENSE AGREEMENTS REQUIREMENTS (EULA)/COMMERCIAL SUPPLIER AGREEMENTS (CSAs)**

The Contractor shall provide all Commercial Supplier Agreements (CSAs) to include End User License Agreements (EULAs) or Terms of Service (ToS) in an editable Microsoft Office (Word) format.

**6. WARRANTY**

- a. Unless specified otherwise in this contract, the Contractor’s standard commercial guarantee/warranty as stated in the contract’s commercial pricelist will apply to this contract.

**\*\*Contractor is to insert commercial guarantee/warranty clauses that are included in the EULA/CSA.\*\***

- b. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract. If no implied warranties are given, an express warranty of at least 60 days must be given in accordance with FAR 12.404(b)(2).
- c. Limitation of Liability. Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.
- d. If inspection and repair of defective equipment under this warranty will be performed at the contractor’s plant the address is as follows:

**7. PURCHASE PRICE FOR ORDERED EQUIPMENT**

The purchase price that the ordering activity will be charged will be the ordering activity purchase price in effect at the time of order placement, or the ordering activity purchase price in effect on the installation date (or delivery date when installation is not applicable), whichever is less.

**8. TRANSPORTATION OF EQUIPMENT**

FOB DESTINATION. Prices cover equipment delivery to destination, for any location within the geographic scope of this contract.

**9. TECHNICAL SERVICES**

- a. The Contractor, without additional charge to the ordering activity, shall provide a hot line technical support number for the purpose of providing user assistance and guidance in the implementation of any software provided. The technical support number is available from \_\_\_\_\_ to \_\_\_\_\_.

**\*\*Provide telephone number and hours of operation for technical support hotline; indicate applicable time zone for the hours of operation—i.e., Eastern time, Central time, Mountain time or Pacific time.\*\***

- b. When the equipment or hardware provided under this contract is not normally self- installable, the Contractor's technical personnel shall be available to the ordering activity, at the ordering activity's location, to install the equipment and to train ordering activity personnel in the use and maintenance of the equipment. The charges, if any, for such services are listed below, or in the price schedule:

**\*\*NOTE: Contractors are to indicate in the pricelist whether the equipment is self-installable.\*\* Contractors should provide commercial practices for installation/deinstallation/reinstallation for review and possible inclusion in the contract.**

- c. The Contractor shall furnish the ordering activity with one (1) copy of all operating and maintenance manuals which are normally provided with equipment being purchased.

**10. PERFORMANCE OF SERVICES ASSOCIATED WITH PRODUCTS**

- a. The Contractor shall commence performance of services on the date agreed to by the Contractor and the ordering activity.
- b. The Contractor agrees to render services during normal working hours, unless otherwise agreed to by the Contractor and the ordering activity.
- c. The ordering activity should include the criteria for satisfactory completion of each order. Services shall be completed in a good and workmanlike manner.
- d. Any Contractor travel required in the performance of the CDM Tools SIN for a specific requirement at the order level must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all Contractor travel. Contractors cannot use GSA city pair contracts. All travel will be agreed upon with the client prior to the Contractor's travel.

**11. RESPONSIBILITIES OF THE CONTRACTOR**

- a. The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character. If the end product of an order is software, FAR 52.227-14 Rights in Data is in the schedule contract.

- b. The Contractor shall comply with contract clause (FAR 52.204-21) for the basic safeguarding of contractor information systems that process, store, or transmit Federal data received by the contract in performance of the contract. This includes contract documents and all information generated in the performance of the contract.

## 12. RESPONSIBILITIES OF THE ORDERING ACTIVITY

Subject to security regulations, the ordering activity shall permit Contractor access to all facilities necessary to perform the requisite services.

## 13. INVOICES

The Contractor, upon completion of the work ordered, shall submit invoices. FAR 52.212-4 in the contract contains terms for commercial items. Progress payments may be authorized by the ordering activity on individual orders if appropriate. Progress payments shall be based upon completion of defined milestones or interim products. Invoices shall be submitted monthly for recurring services performed during the preceding month.

## 14. CONVERSION FROM TERM LICENSE TO PERPETUAL LICENSE

- a. When a contractor commercially offers conversions of term licenses to perpetual licenses, and an ordering activity requests such a conversion, the contractor shall provide the total amount of conversion credits available for the subject software within ten (10) calendar days.
- b. When conversion credits are provided, they shall continue to accrue from one contract period to the next, provided the software has been continually licensed without interruption.
- c. The term license for each software product shall be discontinued on the day immediately preceding the effective date of conversion from a term license to a perpetual license.
- d. When conversion from term licenses to perpetual licenses is offered the price the ordering activity shall pay will be the perpetual license price that prevailed at the time such software was initially ordered under a term license, or the perpetual license price prevailing at the time of conversion from a term license to a perpetual license, whichever is the less, minus an amount equal to % of all term license payments during the period that the software was under a term license within the ordering activity.

## 15. TERM LICENSE CESSATION

- a. After a software product has been on a continuous term license for a period of \* months, a fully paid-up, non-exclusive, perpetual license for the software product shall automatically accrue to the ordering activity. The period of continuous term license for automatic accrual of a fully paid-up perpetual license does not have to be achieved during a particular fiscal year; it is a written Contractor commitment which continues to be available for software that is initially ordered under this contract, until a fully paid-up perpetual license accrues to the ordering activity. However, should the term license of the software be discontinued before the specified period of the continuous term license has been satisfied, the perpetual license accrual shall be forfeited.

**\*\*Each separately priced software product shall be individually enumerated, if different accrual periods apply for the purpose of perpetual license attainment.\*\***

- b. The Contractor agrees to provide updates and maintenance service for the software after a perpetual license has accrued, at the prices and terms, if the licensee elects to order such services. Title to the software shall remain with the Contractor.

**16. SOFTWARE CONVERSIONS**

Full monetary credit will be allowed to the ordering activity when conversion from one version of the software to another is made as the result of a change in operating system, or from one computer system to another. Under a perpetual license, the purchase price of the new software shall be reduced by the amount that was paid to purchase the earlier version. Under a term license, conversion credits which accrued while the earlier version was under a term license shall carry forward and remain available as conversion credits which may be applied towards the perpetual license price of the new version.

**17. DESCRIPTIONS AND EQUIPMENT COMPATIBILITY**

The Contractor shall include, in the schedule pricelist, a complete description of each software product and a list of equipment on which the software can be used. Also, included shall be a brief, introductory explanation of the modules and documentation which are offered.

**18. RIGHT-TO-COPY PRICING**

The Contractor shall insert the discounted pricing for right-to-copy licenses.

**19. DESCRIPTION OF PRODUCTS AND SERVICES AND PRICING**

The Contractor shall provide a description of offerings under CDM Tools SIN in the same manner as the Contractor sells to its commercial and ordering activity customers. The contractor shall provide pricing and a description with part numbers for products and the associated services that have been approved as part of the Product Qualification Requirements of the SIN. Any applicable delivery and licensing terms should be included.

**20. TOTAL SOLUTION**

- a. Labor categories/qualifications are not included in this SIN, however, ordering activities may acquire a total solution to meet a specific requirement for an order or BPA involving multiple IT Schedule 70 SINs. Contractors report the sales to GSA under the SINs the items are sold. For example, an agency may post an RFQ requesting a total solution anticipating offerings from multiple SINs, such as IT Professional Services 132-51 or Highly Adaptive Cybersecurity Services (HACS) 132-45A-D along with CDM Tools 132-44 for products and product associated services.

**\*\*NOTE TO CONTRACTORS: The information provided below contains reporting requirements for Contractors on the CDM Tools SIN. This language should NOT be printed as part of the Information Technology Schedule Pricelist but are the reporting requirements of the SIN.**

**21. CDM TOOLS SIN CONTRACT LEVEL PROGRAM REPORTING REQUIREMENT**

Contractors are required to provide quarterly reports on orders received to include ordering agency, quantity, product description, manufacturer part number, SIN and Subcategory, and price.

The quarterly report is due within 15 days after the end of each quarter. Reports shall be submitted to [schedule70cdmsin@gsa.gov](mailto:schedule70cdmsin@gsa.gov).

**TERMS AND CONDITIONS APPLICABLE TO PURCHASE OF TRAINING COURSES FOR GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY EQUIPMENT AND SOFTWARE (SPECIAL ITEM NUMBER 132-50)**

**1. SCOPE**

- a. The Contractor shall provide training courses normally available to commercial customers, which will permit ordering activity users to make full, efficient use of general purpose commercial IT products. Training is restricted to training courses for those products within the scope of this solicitation.
- b. The Contractor shall provide training at the Contractor's facility and/or at the ordering activity's location, as agreed to by the Contractor and the ordering activity.

**2. ORDER**

Written orders, EDI orders (GSA Advantage! and FACNET), credit card orders, and orders placed under blanket purchase agreements (BPAs) shall be the basis for the purchase of training courses in accordance with the terms of this contract. Orders shall include the student's name, course title, course date and time, and contracted dollar amount of the course.

**3. TIME OF DELIVERY**

The Contractor shall conduct training on the date (time, day, month, and year) agreed to by the Contractor and the ordering activity.

**4. CANCELLATION AND RESCHEDULING**

- a. The ordering activity will notify the Contractor at least seventy-two (72) hours before the scheduled training date, if a student will be unable to attend. The Contractor will then permit the ordering activity to either cancel the order or reschedule the training at no additional charge. In the event the training class is rescheduled, the ordering activity will modify its original training order to specify the time and date of the rescheduled training class.
- b. In the event the ordering activity fails to cancel or reschedule a training course within the time frame specified in paragraph a, above, the ordering activity will be liable for the contracted dollar amount of the training course. The Contractor agrees to permit the ordering activity to reschedule a student who fails to attend a training class within ninety (90) days from the original course date, at no additional charge.
- c. The ordering activity reserves the right to substitute one student for another up to the first day of class.
- d. In the event the Contractor is unable to conduct training on the date agreed to by the Contractor and the ordering activity, the Contractor must notify the ordering activity at least seventy-two (72) hours before the scheduled training date.

**5. FOLLOW-UP SUPPORT**

The Contractor agrees to provide each student with unlimited telephone support or online support for a period of one (1) year from the completion of the training course. During this period, the student may contact the Contractor's instructors for refresher assistance and answers to related course curriculum questions.

**6. PRICE FOR TRAINING**

The price that the ordering activity will be charged will be the ordering activity training price in effect at the time of order placement, or the ordering activity price in effect at the time the training course is conducted, whichever is less.

**7. INVOICES AND PAYMENT**

Invoices for training shall be submitted by the Contractor after ordering activity completion of the training course. Charges for training must be paid in arrears (31 U.S.C. 3324). PROMPT PAYMENT DISCOUNT, IF APPLICABLE, SHALL BE SHOWN ON THE INVOICE.

**8. FORMAT AND CONTENT OF TRAINING**

- a. The Contractor shall provide written materials (i.e., manuals, handbooks, texts, etc.) normally provided with course offerings. Such documentation will become the property of the student upon completion of the training class.
- b. **\*\*If applicable\*\*** For hands-on training courses, there must be a one-to-one assignment of IT equipment to students.
- c. The Contractor shall provide each student with a Certificate of Training at the completion of each training course.
- d. The Contractor shall provide the following information for each training course offered:
  - (1) The course title and a brief description of the course content, to include the course format (e.g., lecture, discussion, hands-on training);
  - (2) The length of the course;
  - (3) Mandatory and desirable prerequisites for student enrollment;
  - (4) The minimum and maximum number of students per class;
  - (5) The locations where the course is offered;
  - (6) Class schedules; and
  - (7) Price (per student, per class (if applicable)).
- e. For those courses conducted at the ordering activity's location, instructor travel charges (if applicable), including mileage and daily living expenses (e.g., per diem charges) are governed by Pub. L. 99-234 and FAR Part 31.205-46, and are reimbursable by the ordering activity on orders placed under the Multiple Award Schedule, as applicable, in effect on the date(s) the travel is performed. Contractors cannot use GSA city pair contracts. The Industrial Funding Fee does NOT apply to travel and per diem charges.
- f. For Online Training Courses, a copy of all training material must be available for electronic download by the students.

**9. "NO CHARGE" TRAINING**

The Contractor shall describe any training provided with equipment and/or software provided under this contract, free of charge, in the space provided below.

None.

**TERMS AND CONDITIONS APPLICABLE TO INFORMATION TECHNOLOGY (IT) PROFESSIONAL SERVICES (SPECIAL ITEM NUMBER 132-51)**

**1. SCOPE**

- a. The prices, terms and conditions stated under Special Item Number 132-51 Information Technology Professional Services apply exclusively to IT Professional Services within the scope of this Information Technology Schedule.
- b. The Contractor shall provide services at the Contractor's facility and/or at the ordering activity location, as agreed to by the Contractor and the ordering activity.

**2. PERFORMANCE INCENTIVES I-FSS-60 Performance Incentives (April 2000)**

- a. Performance incentives may be agreed upon between the Contractor and the ordering activity on individual fixed price orders or Blanket Purchase Agreements under this contract.
- b. The ordering activity must establish a maximum performance incentive price for these services and/or total solutions on individual orders or Blanket Purchase Agreements.
- c. Incentives should be designed to relate results achieved by the contractor to specified targets. To the maximum extent practicable, ordering activities shall consider establishing incentives where performance is

critical to the ordering activity's mission and incentives are likely to motivate the contractor. Incentives shall be based on objectively measurable tasks.

### 3. ORDER

- a. Agencies may use written orders, EDI orders, blanket purchase agreements, individual purchase orders, or task orders for ordering services under this contract. Blanket Purchase Agreements shall not extend beyond the end of the contract period; all services and delivery shall be made and the contract terms and conditions shall continue in effect until the completion of the order. Orders for tasks which extend beyond the fiscal year for which funds are available shall include FAR 52.232-19 (Deviation – May 2003) Availability of Funds for the Next Fiscal Year. The purchase order shall specify the availability of funds and the period for which funds are available.
- b. All task orders are subject to the terms and conditions of the contract. In the event of conflict between a task order and the contract, the contract will take precedence.

### 4. PERFORMANCE OF SERVICES

- a. The Contractor shall commence performance of services on the date agreed to by the Contractor and the ordering activity.
- b. The Contractor agrees to render services only during normal working hours, unless otherwise agreed to by the Contractor and the ordering activity.
- c. The ordering activity should include the criteria for satisfactory completion for each task in the Statement of Work or Delivery Order. Services shall be completed in a good and workmanlike manner.
- d. Any Contractor travel required in the performance of IT/ Services must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all Contractor travel. Contractors cannot use GSA city pair contract.

### 5. STOP-WORK ORDER (FAR 52.242-15) (AUG 1989)

- (a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either-
  - (1) Cancel the stop-work order; or
  - (2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.
- (b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if-
  - (1) The stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and

- (2) The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.
- (c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.
- (d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

**6. INSPECTION OF SERVICES**

In accordance with FAR 52.212-4 CONTRACT TERMS AND CONDITIONS--COMMERCIAL ITEMS (MAR 2009) (DEVIATION I - FEB 2007) for Firm-Fixed Price orders and FAR 52.212-4 CONTRACT TERMS AND CONDITIONS  COMMERCIAL ITEMS (MAR 2009) (ALTERNATE I   OCT 2008) (DEVIATION I – FEB 2007) applies to Time-and-Materials and Labor-Hour Contracts orders placed under this contract.

**7. RESPONSIBILITIES OF THE CONTRACTOR**

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character. If the end product of a task order is software, then FAR 52.227-14 (Dec 2007) Rights in Data – General, may apply.

**8. RESPONSIBILITIES OF THE ORDERING ACTIVITY**

Subject to security regulations, the ordering activity shall permit Contractor access to all facilities necessary to perform the requisite IT Professional Services.

**9. INDEPENDENT CONTRACTOR**

All IT/IAM Professional Services performed by the Contractor under the terms of this contract shall be as an independent Contractor, and not as an agent or employee of the ordering activity.

**10. ORGANIZATIONAL CONFLICTS OF INTEREST**

- a. Definitions.

“Contractor” means the person, firm, unincorporated association, joint venture, partnership, or corporation that is a party to this contract.

“Contractor and its affiliates” and “Contractor or its affiliates” refers to the Contractor, its chief executives, directors, officers, subsidiaries, affiliates, subcontractors at any tier, and consultants and any joint venture involving the Contractor, any entity into or with which the Contractor subsequently merges or affiliates, or any other successor or assignee of the Contractor.

An “Organizational conflict of interest” exists when the nature of the work to be performed under a proposed ordering activity contract, without some restriction on ordering activities by the Contractor and its affiliates, may either (i) result in an unfair competitive advantage to the Contractor or its affiliates or (ii) impair the Contractor’s or its affiliates’ objectivity in performing contract work.

- b. To avoid an organizational or financial conflict of interest and to avoid prejudicing the best interests of the ordering activity, ordering activities may place restrictions on the Contractors, its affiliates, chief executives, directors, subsidiaries and subcontractors at any tier when placing orders against schedule contracts. Such restrictions shall be consistent with FAR 9.505 and shall be designed to avoid, neutralize, or mitigate organizational conflicts of interest that might otherwise exist in situations related to individual orders placed against the schedule contract. Examples of situations, which may require restrictions, are provided at FAR 9.508.

**11. INVOICES**

The Contractor, upon completion of the work ordered, shall submit invoices for IT Professional Services. Progress payments may be authorized by the ordering activity on individual orders if appropriate. Progress payments shall be based upon completion of defined milestones or interim products. Invoices shall be submitted monthly for recurring services performed during the preceding month.

**12. PAYMENTS**

For firm-fixed price orders the ordering activity shall pay the Contractor, upon submission of proper invoices or vouchers, the prices stipulated in this contract for service rendered and accepted. Progress payments shall be made only when authorized by the order. For time-and-materials orders, the Payments under Time-and-Materials and Labor-Hour Contracts at FAR 52.212-4 (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to time-and-materials orders placed under this contract. For labor-hour orders, the Payment under Time-and-Materials and Labor-Hour Contracts at FAR 52.212-4 (MAR 2009) (ALTERNATE I – OCT 2008) (DEVIATION I – FEB 2007) applies to labor-hour orders placed under this contract. 52.216-31(Feb 2007) Time-and-Materials/Labor-Hour Proposal Requirements—Commercial Item Acquisition As prescribed in 16.601(e)(3), insert the following provision:

- (a) The Government contemplates award of a Time-and-Materials or Labor-Hour type of contract resulting from this solicitation.
- (b) The offeror must specify fixed hourly rates in its offer that include wages, overhead, general and administrative expenses, and profit. The offeror must specify whether the fixed hourly rate for each labor category applies to labor performed by—
  - (1) The offeror;
  - (2) Subcontractors; and/or
  - (3) Divisions, subsidiaries, or affiliates of the offeror under a common control.

**13. RESUMES**

Resumes shall be provided to the GSA Contracting Officer or the user ordering activity upon request.

**14. INCIDENTAL SUPPORT COSTS**

Incidental support costs are available outside the scope of this contract. The costs will be negotiated separately with the ordering activity in accordance with the guidelines set forth in the FAR.

**15. APPROVAL OF SUBCONTRACTS**

The ordering activity may require that the Contractor receive, from the ordering activity's Contracting Officer, written consent before placing any subcontract for furnishing any of the work called for in a task order.

**16. DESCRIPTION OF IT/IAMPROFESSIONAL SERVICES AND PRICING**

a. The Contractor shall provide a description of each type of IT/IAM Service offered under Special Item Numbers 132-51 IT/IAM Professional Services should be presented in the same manner as the Contractor sells to its commercial and other ordering activity customers. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles (labor categories) for those individuals who will perform the service should be provided.

b. Pricing for all IT/IAM Professional Services shall be in accordance with the Contractor's customary commercial practices; e.g., hourly rates, monthly rates, term rates, and/or fixed prices, minimum general experience and minimum education.

The following is an example of the manner in which the description of a commercial job title should be presented:

EXAMPLE: Commercial Job Title: System Engineer

Minimum/General Experience: Three (3) years of technical experience which applies to systems analysis and design techniques for complex computer systems. Requires competence in all phases of systems analysis techniques, concepts and methods; also requires knowledge of available hardware, system software, input/output devices, structure and management practices.

Functional Responsibility: Guides users in formulating requirements, advises alternative approaches, conducts feasibility studies.

Minimum Education: Bachelor's Degree in Computer Science

**TERMS AND CONDITIONS APPLICABLE TO  
ELECTRONIC COMMERCE AND SUBSCRIPTION SERVICES (SPECIAL IDENTIFICATION NUMBER 132-52)**

**ELECTRONIC COMMERCE & SUBSCRIPTION SERVICES (SPECIAL IDENTIFICATION NUMBER 132-52)**

**1. SCOPE**

The prices, terms and conditions stated under Special Item Number 132-52 Electronic Commerce (EC) Services apply exclusively to EC Services within the scope of this Information Technology Schedule.

**2. ELECTRONIC COMMERCE CAPACITY AND COVERAGE**

The Ordering Activity shall specify the capacity and coverage required as part of the initial requirement.

**3. INFORMATION ASSURANCE**

- a) The Ordering Activity is responsible for ensuring to the maximum extent practicable that each requirement issued is in compliance with the Federal Information Security Management Act (FISMA)
- b) The Ordering Activity shall assign an impact level (per Federal Information Processing Standards Publication 199 & 200 (FIPS 199, "*Standards for Security Categorization of Federal Information and Information Systems*") (FIPS 200, "*Minimum Security Requirements for Federal Information and Information Systems*") prior to issuing the initial statement of work. Evaluations shall consider the extent to which each proposed service accommodates the necessary security controls based upon the assigned impact level. The Contractor awarded SIN 132-52 is capable of meeting at least the minimum security requirements assigned against a low-impact information system (per FIPS 200).
- c) The Ordering Activity reserves the right to independently evaluate, audit, and verify the FISMA compliance for any proposed or awarded Electronic Commerce services. All FISMA certification, accreditation, and evaluation activities are the responsibility of the ordering activity.

**4. DELIVERY SCHEDULE.**

The Ordering Activity shall specify the delivery schedule as part of the initial requirement. The Delivery Schedule options are found in *Information for Ordering Activities Applicable to All Special Item Numbers*, paragraph 6. *Delivery Schedule*.

**5. INTEROPERABILITY.**

When an Ordering Activity requires interoperability, this requirement shall be included as part of the initial requirement. Interfaces may be identified as interoperable on the basis of participation in a sponsored program acceptable to the Ordering Activity. Any such access or interoperability with teleports/gateways and provisioning of enterprise service access will be defined in the individual requirement.

**6. ORDER**

- a. Agencies may use written orders, EDI orders, blanket purchase agreements, individual purchase orders, or task orders for ordering electronic services under this contract. Blanket Purchase Agreements shall not extend beyond the end of the contract period; all electronic services and delivery shall be made and

the contract terms and conditions shall continue in effect until the completion of the order. Orders for tasks which extend beyond the fiscal year for which funds are available shall include FAR 52.232-19 (Deviation – May 2003) Availability of Funds for the Next Fiscal Year. The purchase order shall specify the availability of funds and the period for which funds are available.

- b. All task orders are subject to the terms and conditions of the contract. In the event of conflict between a task order and the contract, the contract will take precedence.

**7. PERFORMANCE OF ELECTRONIC SERVICES**

The Contractor shall provide electronic services on the date agreed to by the Contractor and the ordering activity.

**8. RESPONSIBILITIES OF THE CONTRACTOR**

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character.

**9. RIGHTS IN DATA**

The Contractor shall comply FAR 52.227-14 RIGHTS IN DATA – GENERAL and with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character.

**10. ACCEPTANCE TESTING**

If requested by the ordering activity the Contractor shall provide acceptance test plans and procedures for ordering activity approval. The Contractor shall perform acceptance testing of the systems for ordering activity approval in accordance with the approved test procedures.

**11. WARRANTY**

The Contractor shall provide a warranty covering each Contractor-provided electronic commerce service. The minimum duration of the warranty shall be the duration of the manufacturer’s commercial warranty for the item listed below:

The warranty shall commence upon the later of the following:

- a. Activation of the user’s service
- b. Installation/delivery of the equipment

The Contractor, by repair or replacement of the defective item, shall complete all warranty services within five working days of notification of the defect. Warranty service shall be deemed complete when the user has possession of the repaired or replaced item. If the Contractor renders warranty service by replacement, the user shall return the defective item(s) to the Contractor as soon as possible but not later than ten (10) working days after notification.

**12. MANAGEMENT AND OPERATIONS PRICING**

The Contractor shall provide management and operations pricing on a uniform basis. All management and operations requirements for which pricing elements are not specified shall be provided as part of the basic services.

**13. TRAINING**

The Contractor shall provide normal commercial installation, operation, maintenance, and engineering interface training on the system.

**14. MONTHLY REPORTS**

In accordance with commercial practices, the Contractor may furnish the ordering activity/user with a monthly summary ordering activity report.

**14. ELECTRONIC COMMERCE SERVICE PLAN**

- (a) Describe the electronic service plan and eligibility requirements.

---

---

---

(b) Describe charges, if any, for additional usage guidelines.

---

---

---

(c) Describe corporate volume discounts and eligibility requirements, if any.

---

---

---
