TERMS AND CONDITIONS

E-Body Products will not be liable for any damages as a result of faulty or irresponsible use of product or methods of installation. Customers are encouraged to have professionals install panels / components where structural welding and fabrication is required. It is highly suggested that braces be placed in key positions within the vehicle prior to removing original damaged or rusted panels. This will help to prevent the auto body from being twisted or distorted. Chrysler/Dodge/Plymouth/hemi and all other trademarks are used for reference only. E-Body Products is not affiliated with Chrysler in any way.

All orders shipped to Kentucky residents are subject to a Sales Tax of 6%.

Before You Order

Remember that the right hand side of the vehicle is the passenger side, and the left hand is the driver side.

Shipping / Freight

All orders will be packaged in the most secure, efficient, and economical manner available. Special packaging requests and oversize packages may be subject to a special packaging fee. If the item being ordered is too large or too easily damaged for shipment by a parcel service (UPS Ground), it must be shipped by common carrier. Common carrier shipments "freight shipments" are classified by the shipping carrier who will use the standard NMFC standards to calculate the shipping charges within the freight class of 85-200. UPS Ground size limitations are subject to change without notice.

NOTE: CUSTOMERS CAN COMBINE TRUCK FREIGHT SHIPMENTS AND THE MAX FREIGHT WILL BE PER THE TABLE BELOW FOR YOUR AREA / ZIP CODE. (IF AN AMD & EBP TRUCK FREIGHT ITEM ARE ORDERED, THEN TWO TRUCK FREIGHT CHARGES WILL APPLY. HOWEVER, IF TWO EBP TRUCK FREIGHT ITEMS ARE ORDERED, THEN THE COMBINED TRUCK FREIGHT WILL STILL ONLY BE \$150.00. THE SAME APPLIES TO ALL AMD ORDERS WITH MULTIPLE TRUCK FREIGHT ITEMS.)

Returns

If you wish to return any part, you may do so within 30 days from the invoice date. Please call first advising why you wish to return the item(s) and we will, at our discretion, issue a Return Authorization Number. Returns will not be accepted or credited without this number. Any return made after 30 days will be subject to a 20% restocking fee. No returns after 60 days. Discontinued, obsolete, or damaged items are not returnable. All returns must come freight prepaid.

NOTE: PARTS THAT HAVE BEEN SANDED, PRIMED OR PAINTED CANNOT BE RETURNED.

Damaged Goods

Unfortunately, despite our best efforts at securely packaging your order, items occasionally get damaged in transit. All parts must be inspected at the time of delivery, regardless of the appearance of the packaging. Any damaged items must be noted on the carrier delivery receipt and immediately reported to the carrier. **Never accept damaged goods from a freight carrier; if you do, a claim cannot be made! Sometimes, UPS and Fed-Ex shipments that are left at your door without customer signature may be damaged. Any of these items require immediate (within 3 days) notification in order to make a claim with the carriers.**

Part Fit

Replacement automotive panels sometimes require body work and tweaking to fit properly. Remember, every car is different and every panel is too. E-Body Products tries to provide the highest quality level of products available on the market today. We also give advice when asked and if we know. **Let us help you today!**
