

Projector Enclosure

NEW!

Lock in the highest level of projector security with the PE1120. Its solid steel construction provides maximum security and is designed to be easily retrofitted to any mount, protecting the projector from theft and physical damage. Its wrap-around design and 'Hook-n-Hang' frame enables easy one-person installation and projector maintenance.

- Simple 3-step installation process
- Retrofittable around existing installations
- All-steel construction for durable protection
- Black or white finish to match décor
