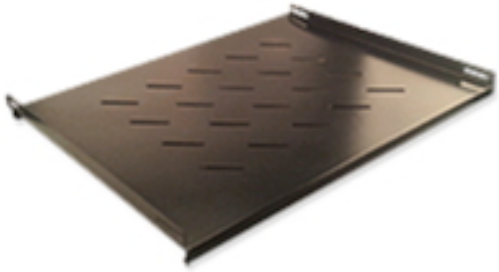
EcoNetCab Shelving

Standard 19-inch wide vented shelving



Wall Enclosures

Floor-standing Enclosures

Server Enclosures

Optimally designed shelving for the your data enclosures.

LMS Data produces a range of EcoNetCab and general accessories, made to the highest standards with assured fitment in all standard ETSI 19-inch width standard enclosures.

The new **CABSHELF-FE** range of fixed shelves offer a stable and strong base for all your non rack-mountable products such as Routers, Multiplexors, UPS, pedestal computers and Monitors. Securely fitted to your required location via a built-in slotted design, meaning you can now accurately align the shelf within your cabinet, be it wall, floor-standing telecom or server design cabinet.

All **CABSHELF-FE** shelves feature an improved 'vented' design to allow better airflow around any mounted active equipment and are finished in a robust, power-coated paint application.

specifications:

Standard ETSI, 19-inch wide fixed shelving

Slotted design for precise cabinet and enclosure deployment

Improved vented design - encourages better airflow

Robust design with up to 50kg weight support*

Powder-coated design

Available in the following depths:-

Floor and Server Enclosures	**Wall Enclosures**
CABSHELF-FE-600 (actual depth is 305mm)	**CABSHELF-EL-450**
CABSHELF-FE-800 (actual depth is 500mm)	**CABSHELF-EL-550**
CABSHELF-FE -1000 (actual depth is 700mm)	

CE FC

* actual weight maybe dependent on fixing and enclosure specifications
