25 A. Twenty-two years.

1 Q. Let me get the technician in here.  
2 Hold on a second.

3 (Off the record.)

4 BY MR. HERRON:

5 Q. I think my last question that I  
6 didn't hear an answer to was how long have you been  
7 an accountant.

8 A. Twenty-two years.

9 Q. All right. Thank you very much.  
10 It's good to see you in person. We have talked on  
11 the telephone, correct?

12 A. That's correct.

13 Q. Prior to this deposition, I have  
14 given you an indication of the questions I'm going  
15 to ask you at this deposition, correct?

16 A. Yes, you have.

17 Q. Okay. Do you perform accounting  
18 services for individuals?

19 A. Yes.

9 A. Yes.

10 Q. How long have you performed  
11 accounting services for Russ Klenet & Associates?

12 A. Thirteen years.

13 Q. Okay. Have you performed  
14 accounting services for campaigns?

15 A. Yes.

16 Q. When I say campaigns, I mean  
17 political campaigns.

18 A. Yes.

21 A. Yes.

22 Q. Her 2008 campaign?

23 A. Yes.

25 services for campaigns other than Stacy Ritter's

1 campaign?

2 A. Yes.

3 Q. Whose campaigns have you performed  
4 accounting services for?

5 A. Irene Leiberman.

6 Q. Irene Leiberman?

7 A. Yes.

8 Q. Okay. How did you get involved in  
9 providing services to Stacy Ritter's 2008 campaign?

10 A. By the instructions of Russel  
11 Klenet.

12 Q. Okay. Was this the same way that  
13 you got -- had you provided services for other Stacy  
14 Ritter campaigns?

15 A. Yes.

16 Q. Okay. Same way, Russ asked you to  
17 help?

18 A. That's correct.

19 Q. Do you recall what office she was  
20 running for in 2008?

21 A. Broward County Commissioner.

22 Q. Okay. What were your duties and  
23 responsibilities with respect to Stacy Ritter's 2008  
24 campaign?

25 A. To verify contribution expenditures

1 from the Campaign Toolbox with the bank statements.

2 Q. Okay. To verify contributions and  
3 expenditures from the Campaign Toolbox with the bank  
4 statements?

5 A. Correct.

6 Q. How did you do that? What  
7 documents did you have in front of you to do that?

8 A. Well, basically I received  
9 printouts of checks written and deposits, and then I  
10 confirmed those total deposits with the bank  
11 statements, as well as the check numbers that were  
12 issued versus the bank statements to reconcile the  
13 account.

14 Q. I want to understand what you were  
15 looking at to reconcile against the bank accounts,  
16 the bank statements. Were you looking at  
17 spreadsheets?

18 A. Yes, spreadsheets that indicated  
19 check numbers, the amount of the checks,  
20 contribution total deposits that hit the bank, and  
21 then that's how I reconciled the bank account.

22 Q. So who provided you these  
23 spreadsheets?

24 A. Alexandra Leiberman.

25 Q. Okay. Did Russ Klenet provide you

1 any of these spreadsheets or was it Alexandra?

2 A. Alexandra was the one that provided  
3 all of the information.

4 Q. Okay. Were the spreadsheets --  
5 what format were these spreadsheets in? Can you  
6 recall?

7 A. If I recall, they would be in an  
8 Excel spreadsheet or a PDF file, depending on which  
9 way she sent it to me.

10 Q. Prior to this deposition, we talked  
11 about this, and I asked you whether you were able --  
12 whether you could find any of these or could you  
13 look for them. Did you have an opportunity to try  
14 to find any of those spreadsheets?

15 A. As I mentioned to you, I had  
16 computer failure, and from my most recent backup,  
17 those documents were not there.

18 Q. The spreadsheet information that  
19 was provided to you by Ms. Leiberman, was that of  
20 contributions received by the campaign?

21 A. Yes, as well as expenditures.

22 Q. If I understand you correctly, you  
23 would take that information and then reconcile that  
24 with the bank statements, correct?

25 A. That is correct.

1 Q. Did you receive any contributions  
2 on behalf of the campaign, you personally receive  
3 any contributions on behalf of the campaign?

4 A. No.

5 Q. Did you write checks for  
6 expenditures on behalf of the campaign?

7 A. The only times I wrote checks was  
8 at the very end of the campaign when I was  
9 instructed to write all of the refund checks.

10 Q. Okay. But prior to the time of  
11 preparing the refund checks, if I heard you  
12 correctly, you didn't prepare any of the other  
13 expenditure checks of the campaign?

14 A. No.

15 Q. How did you come to undertake the  
16 responsibility of preparing the refund checks?

17 A. Once again, Russell Klenet asked me  
18 to, and I agreed to take on the responsibility.

19 Q. What process or procedure did you  
20 follow in preparing the refund checks?

21 A. I prepared basically a refund  
22 report. Then I provided that information to  
23 Alexandra and Russ Klenet for their review, and then  
24 upon their review and approval, then I went ahead  
25 and processed the actual refund checks.

1 Q. What information did you use to  
2 prepare the checks? Where did you get the names  
3 that you put on the checks, for example?

4 A. Once again, I printed out a refund  
5 report list of all of the contributions, and they  
6 gave me a list. We calculated, as well as the  
7 program calculated, the amount of refunds that each  
8 check should have got based on their contribution  
9 amount, and then upon having those numbers, the  
10 report was prepared and given to Alexandra and  
11 Russell Klenet to review and approve the refund  
12 checks to be printed.

13 Q. When you say the program calculated  
14 the amount, was that the Campaign Toolbox program  
15 that calculated it, or did you use a different  
16 program?

17 A. That is correct.

18 Q. The Campaign Toolbox program?

19 A. That is correct.

20 Q. I apologize for the compound  
21 question.

22 A. That's okay.

23 Q. When did you obtain the ability to  
24 access the Campaign Toolbox software?

25 A. That would be at the very end of

1 the campaign, at the time of calculating the reports  
2 for the refund checks.

3 Q. Okay. So when you were asked to do  
4 the refund checks, that's when you were given the  
5 ability to access the Campaign Toolbox software,  
6 correct?

7 A. That is correct.

8 Q. You did that from your offices in  
9 Tennessee?

10 A. That's correct.

11 Q. When you say the end of the  
12 campaign, I'm going to ask you some specific  
13 questions, and if you could give me yes or no, just  
14 for the record. Did you have the ability to access  
15 the Campaign Toolbox software in October of 2007?

16 A. No.

17 Q. Did you have the ability to access  
18 the Campaign Toolbox software in January of 2008?

19 A. No.

20 Q. Did you have the ability to access  
21 the Campaign Toolbox software in March of 2008?

22 A. No.

23 Q. So when you are talking about the  
24 end of the campaign, it's probably the time after  
25 Ms. Ritter is an unopposed candidate and the

1 campaign is shutting down, correct?

2 A. That's correct.

3 Q. Did you prepare the termination  
4 report for the campaign?

5 A. Yes.

6 Q. Prior to this deposition, I  
7 e-mailed you a copy of the termination report that's  
8 on the Broward County website. Do you have that  
9 with you here today?

10 A. Yes, I do.

11 Q. Okay. Have you looked at that  
12 report?

13 A. I glanced at it and I looked at it,  
14 yes.

15 Q. I'm going to go off the record one  
16 second with Mr. Lipman here to make sure we're  
17 looking at the same thing.

18 (Off the record.)

19 BY MR. HERRON:

20 Q. Is this a copy of the termination  
21 report that you prepared?

22 A. I believe it is. Like I said, I  
23 don't have the actual information that I prepared  
24 back then, but I'm sure it would be the report that  
25 I did generate.

1 Q. You prepared the termination report  
2 for the campaign, correct?

3 A. Yes.

4 Q. Okay. When you prepared it then,  
5 what did you do with it?

6 A. Basically, I glanced at it and  
7 determined -- just made sure everything that should  
8 have been there was there, and then I forwarded it  
9 over to Russell Klenet for his review to determine  
10 the accuracy of the report and waited to determine  
11 if there was any revisions that needed to be done or  
12 a final approval, and then at that point, submitting  
13 it in.

14 Q. Okay. In terms of preparing this  
15 report, what information were you provided by the  
16 campaign, for example, with respect to the  
17 contributions that were listed on the report?

18 A. The only report I was given is  
19 basically the spec sheet where I determined that,  
20 okay, they seem to be all there.

21 Q. When you say the spec sheet, we're  
22 talking about that Excel spreadsheet from  
23 Alexandra --

24 A. Yes.

25 Q. -- with information that you used

1 to prepare the contribution side, correct?

2 A. Yes. Like I say, all of this  
3 information was already entered into the Campaign  
4 Toolbox. I did not enter in the information. I  
5 just, okay, that's what was on the spreadsheet,  
6 that's what's on the report, so it was verified.  
7 Then at that point, like I said, I submitted it for  
8 approval and review.

9 Q. Okay. With respect to the  
10 expenditures that are listed on the report, in them  
11 are pro rata refund contributions. Is that correct?

12 A. That's correct.

13 Q. Those are the checks that you  
14 prepared, correct?

15 A. The checks that I prepared, based  
16 on the termination report, would be checks that were  
17 dated -- if I'm not mistaken, everything that was  
18 dated September 15th was when the refund checks were  
19 generated and possibly a couple of other checks that  
20 needed to be done for writing checks.

21 Q. I understand. The checks that are  
22 dated 9/15 are the ones you prepared?

23 A. That's correct.

24 Q. Okay. The information with respect  
25 to the other expenditures or the other checks, how

1 was that information given to you?

2 A. The best of my knowledge, that  
3 information was already inputted into the system,  
4 pending processing of payments.

5 Q. Okay. So in other words --

6 A. Or those checks were already  
7 written. I don't recall exactly what was the case  
8 prior to September 15th, when I wrote the checks.

9 Q. Okay. So it was either inputted  
10 into the system or it was on a spreadsheet that you  
11 were given, correct?

12 A. No. On this case, it would have  
13 been either a manual check had been generated and  
14 processed and it was already in Campaign Toolbox or  
15 there were items that were entered into the Campaign  
16 Toolbox pending to write checks on.

17 Q. Okay. So in other words, the  
18 expenditures, other than the refund checks, you  
19 didn't input into Campaign Toolbox, correct?

20 A. That's correct.

21 Q. Okay. I have got no further  
22 questions at this time.

23 MR. MOYE: Okay. I just have a few  
24 questions before I start my direct.

25 BY MR. MOYE:

1 Q. You stated you worked on Ms.  
2 Ritter's campaign, 2008 campaign?

3 A. Yes.

4 Q. What were the other Ritter  
5 campaigns that you worked on?

6 A. I don't recall the actual  
7 campaigns. I believe one of those was the campaign  
8 for Senate. I don't recall what the actual names  
9 previously were, but it goes back a few years back.

10 Q. Do you remember the years, by any  
11 chance, of the elections?

12 A. I do not recall. I know it  
13 probably went back to the year 2000.

14 Q. Okay. Do you remember how many  
15 campaigns it was?

16 A. I would say probably either two or  
17 three additional.

18 Q. Okay. You mentioned that you  
19 worked on Irene Leiberman's campaign?

20 A. Yes.

21 Q. How many other campaigns, other  
22 than the Ritter campaigns and Ms. Leiberman's  
23 campaign, have you worked on, political campaigns?

24 A. No other, just those two.

25 Q. Okay. How do you know Mr. Klenet?

1           A.           I know him from the time that I was  
2           contracted to work at William Ruben's office at the  
3           time that he was employed there.

4           Q.           Okay. Then you worked as -- is it  
5           correct that then you worked as Russ' personal  
6           accountant for 13 years?

7           A.           Well, yes. Basically, I worked on  
8           it. When he went on his own, that's when I took  
9           over his account.

10          Q.           Okay. Was Mr. Klenet your main  
11          point of contact --

12          A.           Yes.

13          Q.           -- for the Ritter campaign?

14          A.           Yes.

15          Q.           Did you ever deal with Ms. Ritter?

16          A.           No.

17          Q.           You mentioned you were provided  
18          printouts or spreadsheets?

19          A.           Yes.

20          Q.           Did you ever receive any of the  
21          source documents from those spreadsheets?

22          A.           No, I did not.

23          Q.           So you just had the spreadsheets  
24          that was sent to you?

25          A.           Right.

1 Q. You mentioned something about a  
2 computer failure. What kind of computer failure?

3 A. My hard drive crashed and I lost  
4 all of the information that I had in there.

5 Q. When was that?

6 A. That happened to be in 2010.

7 Q. So after the campaign?

8 A. Yes.

9 Q. What did that prevent you or what  
10 did that hamper your -- how did that hamper you  
11 dealing with this campaign, the 2008 campaign?

12 A. Well, basically, it was over, so I  
13 really didn't have any other involvement in that.  
14 So everything was basically done.

15 Q. Okay. So it didn't affect the 2008  
16 campaign?

17 A. No.

18 Q. It just affected documents that you  
19 could provide now?

20 A. Correct.

21 Q. You mentioned you created the TR  
22 report?

23 A. Yes.

24 Q. That was the only report that you  
25 prepared?

1           A.           Yes.

2           Q.           Do you know who prepared the other  
3 reports?

4           A.           The other report would have been  
5 Alex Leiberman.

6           Q.           You mentioned that you submitted  
7 the TR report, after you prepared it, for approval  
8 and review?

9           A.           That's correct.

10          Q.           Who reviewed and approved it?

11          A.           It was my understanding that  
12 Russell Klenet would have reviewed it and then would  
13 have conferred with Stacy Ritter.

14          Q.           Okay. You also mentioned that you  
15 inputted the refund checks on the TR?

16          A.           Yes. Well, the computer software  
17 would generate the report of what was anticipated,  
18 and then that would then be given to Russell Klenet  
19 to confer with Stacy Ritter to determine the  
20 accuracy, if everything seemed to be correct.

21          Q.           Okay. Once again, the refund  
22 numbers came from the spreadsheet?

23          A.           That's correct. Well, no, the  
24 refund number, the computer generated that. So it  
25 wasn't a spreadsheet given. It was a computer --

1 generated by the program. It would offset  
2 contribution amounts, expenditures, and then it  
3 would determine percentage of how much of each  
4 contribution would be given back to the  
5 contributors.

6 Q. The list that was used to determine  
7 the refund was from -- the information was already  
8 entered into previously?

9 A. Yes. I would get all of the  
10 information from all of the contributions, and the  
11 software would then pull that information out to  
12 prepare the report of all of the refund checks.

13 Q. Okay. Who instructed you to write  
14 the refund checks?

15 A. Russell Klenet.

16 Q. Okay. Once again, the list came  
17 from the software program?

18 A. That's correct.

19 Q. You mentioned that you didn't have  
20 access to Toolbox until the end of the campaign when  
21 Ms. Ritter was unopposed?

22 A. That's correct.

23 Q. How come you didn't have Toolbox  
24 access before then?

25 A. It wasn't one of my functions to

1 take care of. All of my functions were to verify  
2 given balances, given contributions, expenditures,  
3 and verification against the bank statements, just  
4 make sure that the Campaign Toolbox had the same  
5 numbers as the bank statements.

6 Q. Why were you given that duty at the  
7 end of the campaign?

8 A. Well, that duty wasn't given to me  
9 just at the end of the campaign. It was given  
10 throughout the campaign in verifying the information  
11 was correct.

12 Q. That's all the questions I have on  
13 cross.

14 MR. MOYE: I don't know if you want  
15 to -- Mr. Herron, if you want to do some  
16 redirect or if you want me to go ahead and  
17 start.

18 BY MR. HERRON:

19 Q. I have one question on redirect and  
20 my question is this. Mr. Moyer and I both asked you  
21 about how the refund checks were generated. If I  
22 understood you correctly, they were generated based  
23 on the list of contributors. Is that correct?

24 A. That's correct.

25 Q. If a contributor had given more

1 than one check, would the program have written two  
2 checks back to the contributor?

3 A. If the program did recognize it for  
4 some reason or another as being a duplicate, then it  
5 would write two checks.

6 Q. Okay. If a contribution had been  
7 returned to a contributor, it wouldn't have  
8 recognized that, because it was just looking at  
9 contributions, correct?

10 A. I am assuming that's the way the  
11 program was drawn up.

12 Q. Okay. I have got no further  
13 questions.

14 A. I'm not sure.

15 Q. I have no further questions.

16 MR. HERRON: Okay. Can we go off  
17 the record for a minute?

18 (Off the record.)

1 Q. Let me get the technician in here.  
 2 Hold on a second.  
 3 (Off the record.)  
 4 BY MR. HERRON:  
 5 Q. I think my last question that I  
 6 didn't hear an answer to was how long have you been  
 7 an accountant.  
 8 A. Twenty-two years.  
 9 Q. All right. Thank you very much.  
 10 It's good to see you in person. We have talked on  
 11 the telephone, correct?  
 12 A. That's correct.  
 13 Q. Prior to this deposition, I have  
 14 given you an indication of the questions I'm going  
 15 to ask you at this deposition, correct?  
 16 A. Yes, you have.  
 17 Q. Okay. Do you perform accounting  
 18 services for individuals?  
 19 A. Yes.  
 20 Q. Has one of your clients been Russ  
 21 Klenet?

 3 Q. Whose campaigns have you performed  
 4 accounting services for?  
 5 A. Irene Leiberman.  
 6 Q. Irene Leiberman?  
 7 A. Yes.  
 8 Q. Okay. How did you get involved in  
 9 providing services to Stacy Ritter's 2008 campaign?  
 10 A. By the instructions of Russel  
 11 Klenet.  
 12 Q. Okay. Was this the same way that  
 13 you got — had you provided services for other Stacy  
 14 Ritter campaigns?  
 15 A. Yes.  
 16 Q. Okay. Same way, Russ asked you to  
 17 help?  
 18 A. That's correct.  
 19 Q. Do you recall what office she was  
 20 running for in 2008?  
 21 A. Broward County Commissioner.  
 22 Q. Okay. What were your duties and  
 23 responsibilities with respect to Stacy Ritter's 2008  
 24 campaign?  
 25 A. To verify contribution expenditures

1 from the Campaign Toolbox with the bank statements.  
 2 Q. Okay. To verify contributions and  
 3 expenditures from the Campaign Toolbox with the bank  
 4 statements?  
 5 A. Correct.  
 6 Q. How did you do that? What  
 7 documents did you have in front of you to do that?  
 8 A. Well, basically I received  
 9 printouts of checks written and deposits, and then I  
 10 confirmed those total deposits with the bank  
 11 statements, as well as the check numbers that were  
 12 issued versus the bank statements to reconcile the  
 13 account.  
 14 Q. I want to understand what you were  
 15 looking at to reconcile against the bank accounts,  
 16 the bank statements. Were you looking at  
 17 spreadsheets?  
 18 A. Yes, spreadsheets that indicated  
 19 check numbers, the amount of the checks,  
 20 contribution total deposits that hit the bank, and  
 21 then that's how I reconciled the bank account.  
 22 Q. So who provided you these  
 23 spreadsheets?  
 24 A. Alexandra Leiberman.  
 25 Q. Okay. Did Russ Klenet provide you

1 any of these spreadsheets or was it Alexandra?  
 2 A. Alexandra was the one that provided  
 3 all of the information.  
 4 Q. Okay. Were the spreadsheets —  
 5 what format were these spreadsheets in? Can you  
 6 recall?  
 7 A. If I recall, they would be in an  
 8 Excel spreadsheet or a HDF file, depending on which  
 9 way she sent it to me.  
 10 Q. Prior to this deposition, we talked  
 11 about this, and I asked you whether you were able —  
 12 whether you could find any of these or could you  
 13 look for them. Did you have an opportunity to try  
 14 to find any of those spreadsheets?  
 15 A. As I mentioned to you, I had  
 16 computer failure, and from my most recent backup,  
 17 those documents were not there.  
 18 Q. The spreadsheet information that  
 19 was provided to you by Ms. Leiberman, was that of  
 20 contributions received by the campaign?  
 21 A. Yes, as well as expenditures.  
 22 Q. If I understand you correctly, you  
 23 would take that information and then reconcile that  
 24 with the bank statements, correct?  
 25 A. That is correct.

1 Q. Did you receive any contributions  
 2 on behalf of the campaign, you personally receive  
 3 any contributions on behalf of the campaign?  
 4 A. No.  
 5 Q. Did you write checks for  
 6 expenditures on behalf of the campaign?  
 7 A. The only times I wrote checks was  
 8 at the very end of the campaign when I was  
 9 instructed to write all of the refund checks.  
 10 Q. Okay. But prior to the time of  
 11 preparing the refund checks, if I heard you  
 12 correctly, you didn't prepare any of the other  
 13 expenditure checks of the campaign?  
 14 A. No.  
 15 Q. How did you come to undertake the  
 16 responsibility of preparing the refund checks?  
 17 A. Once again, Russell Klenet asked me  
 18 to, and I agreed to take on the responsibility.  
 19 Q. What process or procedure did you  
 20 follow in preparing the refund checks?  
 21 A. I prepared basically a refund  
 22 report. Then I provided that information to  
 23 Alexandra and Russ Klenet for their review, and then  
 24 upon their review and approval, then I went ahead  
 25 and processed the actual refund checks.

1 Q. What information did you use to  
 2 prepare the checks? Where did you get the names  
 3 that you put on the checks, for example?  
 4 A. Once again, I printed out a refund  
 5 report list of all of the contributions, and they  
 6 gave me a list. We calculated, as well as the  
 7 program calculated, the amount of refunds that each  
 8 check should have got based on their contribution  
 9 amount, and then upon having those numbers, the  
 10 report was prepared and given to Alexandra and  
 11 Russell Klenet to review and approve the refund  
 12 checks to be printed.  
 13 Q. When you say the program calculated  
 14 the amount, was that the Campaign Toolbox program  
 15 that calculated it, or did you use a different  
 16 program?  
 17 A. That is correct.  
 18 Q. The Campaign Toolbox program?  
 19 A. That is correct.  
 20 Q. I apologize for the compound  
 21 question.  
 22 A. That's okay.  
 23 Q. When did you obtain the ability to  
 24 access the Campaign Toolbox software?  
 25 A. That would be at the very end of

1 the campaign, at the time of calculating the reports  
2 for the refund checks.

3 Q. Okay. So when you were asked to do  
4 the refund checks, that's when you were given the  
5 ability to access the Campaign Toolbox software,  
6 correct?

7 A. That is correct.

8 Q. You did that from your offices in  
9 Tennessee?

10 A. That's correct.

11 Q. When you say the end of the  
12 campaign, I'm going to ask you some specific  
13 questions, and if you could give me yes or no, just  
14 for the record. Did you have the ability to access  
15 the Campaign Toolbox software in October of 2007?

16 A. No.

17 Q. Did you have the ability to access  
18 the Campaign Toolbox software in January of 2008?

19 A. No.

20 Q. Did you have the ability to access  
21 the Campaign Toolbox software in March of 2008?

22 A. No.

23 Q. So when you are talking about the  
24 end of the campaign, it's probably the time after  
25 Ms. Ritter is an unopposed candidate and the

1 Q. You prepared the termination report  
2 for the campaign, correct?

3 A. Yes.

4 Q. Okay. When you prepared it then,  
5 what did you do with it?

6 A. Basically, I glanced at it and  
7 determined — just made sure everything that should  
8 have been there was there, and then I forwarded it  
9 over to Russell Klenet for his review to determine  
10 the accuracy of the report and waited to determine  
11 if there was any revisions that needed to be done or  
12 a final approval, and then at that point, submitting  
13 it in.

14 Q. Okay. In terms of preparing this  
15 report, what information were you provided by the  
16 campaign, for example, with respect to the  
17 contributions that were listed on the report?

18 A. The only report I was given is  
19 basically the spec sheet where I determined that,  
20 okay, they seem to be all there.

21 Q. When you say the spec sheet, we're  
22 talking about that Excel spreadsheet from  
23 Alexandra —

24 A. Yes.

25 Q. — with information that you used

1 campaign is shutting down, correct?

2 A. That's correct.

3 Q. Did you prepare the termination  
4 report for the campaign?

5 A. Yes.

6 Q. Prior to this deposition, I  
7 e-mailed you a copy of the termination report that's  
8 on the Broward County website. Do you have that  
9 with you here today?

10 A. Yes, I do.

11 Q. Okay. Have you looked at that  
12 report?

13 A. I glanced at it and I looked at it,  
14 yes.

15 Q. I'm going to go off the record one  
16 second with Mr. Lipman here to make sure we're  
17 looking at the same thing.

18 (Off the record.)

19 BY MR. HERRON:

20 Q. Is this a copy of the termination  
21 report that you prepared?

22 A. I believe it is. Like I said, I  
23 don't have the actual information that I prepared  
24 back then, but I'm sure it would be the report that  
25 I did generate.

1 to prepare the contribution side, correct?

2 A. Yes. Like I say, all of this  
3 information was already entered into the Campaign  
4 Toolbox. I did not enter in the information. I  
5 just, okay, that's what was on the spreadsheet,  
6 that's what's on the report, so it was verified.  
7 Then at that point, like I said, I submitted it for  
8 approval and review.

9 Q. Okay. With respect to the  
10 expenditures that are listed on the report, in them  
11 are pro rata refund contributions. Is that correct?

12 A. That's correct.

13 Q. Those are the checks that you  
14 prepared, correct?

15 A. The checks that I prepared, based  
16 on the termination report, would be checks that were  
17 dated — if I'm not mistaken, everything that was  
18 dated September 15th was when the refund checks were  
19 generated and possibly a couple of other checks that  
20 needed to be done for writing checks.

21 Q. I understand. The checks that are  
22 dated 9/15 are the ones you prepared?

23 A. That's correct.

24 Q. Okay. The information with respect  
25 to the other expenditures or the other checks, how

1 was that information given to you?

2 A. The best of my knowledge, that  
3 information was already inputted into the system,  
4 pending processing of payments.

5 Q. Okay. So in other words —

6 A. Or those checks were already  
7 written. I don't recall exactly what was the case  
8 prior to September 15th, when I wrote the checks.

9 Q. Okay. So it was either inputted  
10 into the system or it was on a spreadsheet that you  
11 were given, correct?

12 A. No. On this case, it would have  
13 been either a manual check had been generated and  
14 processed and it was already in Campaign Toolbox or  
15 there were items that were entered into the Campaign  
16 Toolbox pending to write checks on.

17 Q. Okay. So in other words, the  
18 expenditures, other than the refund checks, you  
19 didn't input into Campaign Toolbox, correct?

20 A. That's correct.

21 Q. Okay. I have got no further  
22 questions at this time.

23 MR. MOYE: Okay. I just have a few  
24 questions before I start my direct.

25 BY MR. MOYE:

1 A. I know him from the time that I was  
2 contracted to work at William Ruben's office at the  
3 time that he was employed there.

4 Q. Okay. Then you worked as — is it  
5 correct that then you worked as Russ' personal  
6 accountant for 13 years?

7 A. Well, yes. Basically, I worked on  
8 it. When he went on his own, that's when I took  
9 over his account.

10 Q. Okay. Was Mr. Klenet your main  
11 point of contact —

12 A. Yes.

13 Q. — for the Ritter campaign?

14 A. Yes.

15 Q. Did you ever deal with Ms. Ritter?

16 A. No.

17 Q. You mentioned you were provided  
18 printouts or spreadsheets?

19 A. Yes.

20 Q. Did you ever receive any of the  
21 source documents from those spreadsheets?

22 A. No, I did not.

23 Q. So you just had the spreadsheets  
24 that was sent to you?

25 A. Right.

1 Q. You stated you worked on Ms.  
2 Ritter's campaign, 2008 campaign?

3 A. Yes.

4 Q. What were the other Ritter  
5 campaigns that you worked on?

6 A. I don't recall the actual  
7 campaigns. I believe one of those was the campaign  
8 for Senate. I don't recall what the actual names  
9 previously were, but it goes back a few years back.

10 Q. Do you remember the years, by any  
11 chance, of the elections?

12 A. I do not recall. I know it  
13 probably went back to the year 2000.

14 Q. Okay. Do you remember how many  
15 campaigns it was?

16 A. I would say probably either two or  
17 three additional.

18 Q. Okay. You mentioned that you  
19 worked on Irene Leiberman's campaign?

20 A. Yes.

21 Q. How many other campaigns, other  
22 than the Ritter campaigns and Ms. Leiberman's  
23 campaign, have you worked on, political campaigns?

24 A. No other, just those two.

25 Q. Okay. How do you know Mr. Klenet?

1 Q. You mentioned something about a  
2 computer failure. What kind of computer failure?

3 A. My hard drive crashed and I lost  
4 all of the information that I had in there.

5 Q. When was that?

6 A. That happened to be in 2010.

7 Q. So after the campaign?

8 A. Yes.

9 Q. What did that prevent you or what  
10 did that hamper you — how did that hamper you  
11 dealing with this campaign, the 2008 campaign?

12 A. Well, basically, it was over, so I  
13 really didn't have any other involvement in that.  
14 So everything was basically done.

15 Q. Okay. So it didn't affect the 2008  
16 campaign?

17 A. No.

18 Q. It just affected documents that you  
19 could provide now?

20 A. Correct.

21 Q. You mentioned you created the TR  
22 report?

23 A. Yes.

24 Q. That was the only report that you  
25 prepared?

1 A. Yes.  
 2 Q. Do you know who prepared the other  
 3 reports?  
 4 A. The other report would have been  
 5 Alex Leiberman.  
 6 Q. You mentioned that you submitted  
 7 the TR report, after you prepared it, for approval  
 8 and review?  
 9 A. That's correct.  
 10 Q. Who reviewed and approved it?  
 11 A. It was my understanding that  
 12 Russell Klenet would have reviewed it and then would  
 13 have conferred with Stacy Ritter.  
 14 Q. Okay. You also mentioned that you  
 15 inputted the refund checks on the TR?  
 16 A. Yes. Well, the computer software  
 17 would generate the report of what was anticipated,  
 18 and then that would then be given to Russell Klenet  
 19 to confer with Stacy Ritter to determine the  
 20 accuracy, if everything seemed to be correct.  
 21 Q. Okay. Once again, the refund  
 22 numbers came from the spreadsheet?  
 23 A. That's correct. Well, no, the  
 24 refund number, the computer generated that. So it  
 25 wasn't a spreadsheet given. It was a computer —

1 generated by the program. It would offset  
 2 contribution amounts, expenditures, and then it  
 3 would determine percentage of how much of each  
 4 contribution would be given back to the  
 5 contributors.  
 6 Q. The list that was used to determine  
 7 the refund was from — the information was already  
 8 entered into previously?  
 9 A. Yes. I would get all of the  
 10 information from all of the contributions, and the  
 11 software would then pull that information out to  
 12 prepare the report of all of the refund checks.  
 13 Q. Okay. Who instructed you to write  
 14 the refund checks?  
 15 A. Russell Klenet.  
 16 Q. Okay. Once again, the list came  
 17 from the software program?  
 18 A. That's correct.  
 19 Q. You mentioned that you didn't have  
 20 access to Toolbox until the end of the campaign when  
 21 Ms. Ritter was unopposed?  
 22 A. That's correct.  
 23 Q. How come you didn't have Toolbox  
 24 access before then?  
 25 A. It wasn't one of my functions to

1 take care of. All of my functions were to verify  
 2 given balances, given contributions, expenditures,  
 3 and verification against the bank statements, just  
 4 make sure that the Campaign Toolbox had the same  
 5 numbers as the bank statements.  
 6 Q. Why were you given that duty at the  
 7 end of the campaign?  
 8 A. Well, that duty wasn't given to me  
 9 just at the end of the campaign. It was given  
 10 throughout the campaign in verifying the information  
 11 was correct.  
 12 Q. That's all the questions I have on  
 13 cross.  
 14 MR. MOYE: I don't know if you want  
 15 to — Mr. Herron, if you want to do some  
 16 redirect or if you want me to go ahead and  
 17 start.  
 18 BY MR. HERRON:  
 19 Q. I have one question on redirect and  
 20 my question is this. Mr. Moyer and I both asked you  
 21 about how the refund checks were generated. If I  
 22 understood you correctly, they were generated based  
 23 on the list of contributors. Is that correct?  
 24 A. That's correct.  
 25 Q. If a contributor had given more

1 than one check, would the program have written two  
 2 checks back to the contributor?  
 3 A. If the program did recognize it for  
 4 some reason or another as being a duplicate, then it  
 5 would write two checks.  
 6 Q. Okay. If a contribution had been  
 7 returned to a contributor, it wouldn't have  
 8 recognized that, because it was just looking at  
 9 contributions, correct?  
 10 A. I am assuming that's the way the  
 11 program was drawn up.  
 12 Q. Okay. I have got no further  
 13 questions.  
 14 A. I'm not sure.  
 15 Q. I have no further questions.  
 16 MR. HERRON: Okay. Can we go off  
 17 the record for a minute?  
 18 (Off the record.)

1 WILLIAM GRANADOS,  
2 having been first duly sworn, was examined and  
3 deposed as follows:

4 EXAMINATION

5 BY MR. MOYE:

6 Q. Good morning, Mr. Granados.

7 A. Good morning.

8 Q. I'm here to take your deposition in  
9 a case that's being litigated by the Florida  
10 Election Commission. My name is Josh Moyer. I'm the  
11 attorney for the commission. Other than 15 minutes  
12 ago, have you ever been deposed?

13 A. No.

14 Q. I'm going to ask you a couple of  
15 questions or several questions today involving some  
16 matters involved in the case. The court reporter is  
17 going to take everything we say down, as in the  
18 previous deposition today. You are doing a great  
19 job of speaking verbally, not nodding your head,  
20 saying yes and no. Keep doing that, if you would.

21 A. Yes.

22 Q. The transcript may be used at the  
23 hearing, so although there's no judge sitting here  
24 today, you should testify with the same seriousness  
25 as if there was a judge.

1           A.           Yes.

2           Q.           I may ask you a question that I  
3 don't state very well. Let me know and I'll try to  
4 rephrase it. If you do not ask me to rephrase it,  
5 I'm assuming that you understood the question.

6           A.           Yes.

7           Q.           You are more than willing to  
8 take -- I'm more than willing to let you take a  
9 break, if you need a break. I may ask you to finish  
10 a question or a particular series of questions, but  
11 I don't see any reason why we can't take a break now  
12 and then.

13          A.           Yes.

14          Q.           Mr. Herron may state an objection  
15 to one of the questions I ask. Unless he instructs  
16 you not to answer it, you must still answer the  
17 question, and the judge will decide whether the  
18 objection is well taken.

19          A.           Yes.

20          Q.           Are you taking any medications that  
21 might affect your ability to recall events or answer  
22 my questions today?

23          A.           No.

24          Q.           Is there any reason you can think  
25 of as to why you will not be able to answer my

1 questions truthfully?

2 A. No.

3 Q. Mr. Granados, where do you live?

4 A. 850 Gateway Lane, Seymour,  
5 Tennessee, 37865.

6 Q. How long have you lived there?

7 A. It's going to be three and a half  
8 years.

9 Q. Can you tell me a little bit about  
10 your educational background?

11 A. I graduated through an AA.

12 Q. Where did you obtain your --

13 A. Miami Dade Community College.

14 Q. You mentioned you are currently  
15 employed. Is that correct?

16 A. Presently, no, I'm not currently  
17 employed.

18 Q. You are currently not employed?

19 A. No, not employed.

20 Q. Okay. When did you become  
21 unemployed?

22 A. It's been awhile, beginning of the  
23 year.

24 Q. Beginning of the year, okay. Does  
25 Granados Accounting Group still exist?

1 A. No.

2 Q. Granados Accounting Group was in  
3 existence during the 2008, 2009 years?

4 A. Correct.

5 Q. What was your capacity when  
6 Granados Accounting Group existed?

7 A. Just complete owner.

8 Q. Complete owner?

9 A. Complete owner shared with my wife.

10 Q. Okay. Were there any other  
11 employees other than you and your wife?

12 A. No.

13 Q. Were you the sole contact with  
14 Mr. Klenet for the Ritter campaign?

15 A. Yes.

16 Q. Did your wife ever have any  
17 contact?

18 A. No.

19 Q. Did you do anything to prepare for  
20 your deposition today?

21 A. Just reviewed the information  
22 Mr. Herron provided me.

23 Q. Okay. What did he provide you?

24 A. Just basically termination reports,  
25 an outline of the questions he was going to possibly

1 ask.

2 Q. Okay. Did you talk to anyone about  
3 the deposition other than Mr. Herron?

4 A. I just mentioned to my wife that I  
5 had to go to a deposition today.

6 Q. Okay. I know that the -- well, I'm  
7 assuming, because I saw you look through it, the  
8 document, the TR that was provided by Mr. Herron,  
9 that helped you refresh your memory --

10 A. Yes.

11 Q. -- for the deposition?

12 A. Yes.

13 Q. I do have a copy of that as well.  
14 Have you ever run for public office?

15 A. No.

16 Q. Have you ever served as a campaign  
17 treasurer for a candidate for public office?

18 A. No.

19 Q. You previously testified that you  
20 were the accountant for Ms. Ritter's 2008 campaign.  
21 Is that correct?

22 A. Yes.

23 Q. What did you do to prepare yourself  
24 to help Ms. Ritter with her campaign, specifically  
25 the 2008 campaign?

1           A.           Just what I mentioned in the past.  
2 I would, based on the reports given to me, reconcile  
3 the bank account and confirm that the numbers agreed  
4 with the Campaign Toolbox.

5           Q.           Okay. Have you read Chapter 104 of  
6 Florida statutes?

7           A.           No, I have not.

8           Q.           Have you read Chapter 106?

9           A.           No, sir.

10          Q.           Do you possess a copy of the  
11 Committee and Campaign Treasurer Handbook?

12          A.           No, I don't.

13          Q.           Issued by the state of Florida?

14          A.           No, I don't.

15          Q.           Have you ever read the handbook?

16          A.           No, sir.

17          Q.           Have you ever been a chairperson of  
18 a political action committee or anything?

19          A.           No, sir.

20          Q.           Have you ever served as treasurer?

21          A.           No, sir.

22          Q.           Did Ms. Ritter have a campaign  
23 manager?

24          A.           I'm assuming that the campaign  
25 manager would have been Russell Klenet.

1 Q. Okay. Did you ever seek assistance  
2 from Ms. Ritter regarding any questions you would  
3 have regarding the campaign?

4 A. No.

5 Q. Other than being a possible  
6 campaign manager, what was Mr. Klenet's other roles  
7 in the campaign, if any?

8 A. I don't recall any other.

9 Q. Did you ever seek assistance from  
10 Mr. Klenet regarding the campaign?

11 A. Yes.

12 Q. When would you seek assistance from  
13 him?

14 A. Just verification if something in  
15 the bank statement or in the Campaign Toolbox did  
16 not agree.

17 Q. When was the last time you spoke  
18 with Mr. Klenet?

19 A. Last time I spoke to Mr. Klenet  
20 would have been yesterday.

21 Q. Okay. What did you speak about?

22 A. Just basically the deposition.

23 Q. Okay. Did he talk to you at all  
24 about his deposition?

25 A. Briefly.

1           Q.           What did he tell you about his  
2 deposition?

3           A.           Just nothing to worry about, simple  
4 questions, tell the truth, just what you know.

5           Q.           Did he talk to you about anybody  
6 else's deposition regarding this case?

7           A.           Basically, Alex Leiberman.

8           Q.           Okay. What did he tell you about  
9 Alex Leiberman?

10          A.           Same thing, just answer truthfully  
11 and everything should be fine. It was about maybe  
12 an hour or two hour deposition.

13          Q.           Okay. Did you discuss anything  
14 with him that helped refresh your recollection about  
15 what he testified about so far?

16          A.           Not really. Everything was pretty  
17 much whatever I recalled.

18          Q.           Before yesterday, when was the last  
19 time you talked to him before that?

20          A.           Probably a week or two before when  
21 the possibility of the deposition was going to  
22 occur.

23          Q.           What did you discuss then?

24          A.           Basically the same details, that  
25 they were going to go over what happened in the

1 campaign and just answer them truthfully and it's  
2 fine, everything should be fine.

3 Q. Okay. What was Ms. Leiberman's  
4 role in Ms. Ritter's campaign?

5 A. Ms. Leiberman's role was to receive  
6 campaign contributions, input those campaign  
7 contributions into Campaign Toolbox, and then, in  
8 turn, make the physical deposit, I guess her go to  
9 the bank or courier go to the bank, make the  
10 deposits, enter expenditures, write the actual  
11 checks, and then at a given point, send me the  
12 reports.

13 Q. Okay. Was Ms. Leiberman the only  
14 one who was responsible for entering expenditures  
15 and contributions into Campaign Toolbox?

16 A. Yes.

17 Q. So everything you did relied on her  
18 entering it into Toolbox?

19 A. That's correct.

20 Q. Okay. So is it fair to say, if Ms.  
21 Leiberman did enter in something or entered  
22 something incorrectly, that's what you would go off  
23 of, what was in the Campaign Toolbox?

24 A. Yes, because I had nothing else to  
25 go by.

1 Q. Where does Ms. Leiberman work?

2 A. She works for Russell Klenet &  
3 Associates.

4 Q. Okay. When was the last time you  
5 spoke with Ms. Leiberman?

6 A. Yesterday, when I spoke to Russell  
7 Klenet.

8 Q. Did you speak to them at the same  
9 time?

10 A. Basically, I called the office, she  
11 answered the phone, and then she transferred me over  
12 to Mr. Klenet.

13 Q. Did you talk to her about anything  
14 about your deposition today?

15 A. To whom?

16 Q. To Ms. Leiberman about your  
17 deposition today.

18 A. Just basically, I just asked her  
19 how long her deposition was and she told me about an  
20 hour or two hours, and that's about it.

21 Q. Okay. Did you talk about any  
22 specifics with her about her deposition?

23 A. No, no specifics.

24 Q. Okay. Did you ever seek assistance  
25 from Mary Cooney?

1           A.           The only time I think I may have  
2 spoken with her was at the time of filing the  
3 expenditure termination report, where to send it to,  
4 how to send it. That was about it.

5           Q.           Okay. So basically just, how do  
6 you do it, how do you file it?

7           A.           How to file it, correct.

8           Q.           Nothing substantive?

9           A.           No.

10          Q.           Okay. Did you ever seek assistance  
11 from anyone else?

12          A.           No.

13          Q.           Have you spoken with anyone else  
14 from the campaign recently?

15          A.           No.

16          Q.           Just Mr. Klenet and Ms. Leiberman?

17          A.           That's correct.

18          Q.           In the last three months, how many  
19 times would you say you have talked to Mr. Klenet?

20          A.           Four to six times maybe.

21          Q.           Four to six times. What about Ms.  
22 Leiberman?

23          A.           Probably about the same.

24          Q.           During those four to six times, did  
25 either one of them say anything that helped you with

1 your deposition today?

2 A. Basically, they just told me what  
3 the deposition was going to entail and basically  
4 tell the truth and it should be fine, no issues.

5 Q. Did you talk to them about any  
6 specific issues that might come up?

7 A. No. Just basically, like I said,  
8 termination reports is one of the items they would  
9 talk about. That's about it.

10 Q. Okay. When was the last time you  
11 spoke with Ben Cooney?

12 A. Excuse me. Who?

13 Q. Do you know who Mr. Cooney is, Ben  
14 Cooney?

15 A. No, I don't.

16 Q. So I take that as a never?

17 A. It's a never.

18 Q. When was the last time you spoke  
19 with Mr. Herron?

20 A. I spoke to Mr. Herron yesterday.

21 Q. Okay. Did you talk to him about  
22 anything that helped you refresh your recollection  
23 or helped you testify today?

24 A. Just basically what we went over,  
25 details that I mentioned in the past.

1 Q. In the last three months, how many  
2 times would you say you have spoken to Mr. Herron?

3 A. Maybe three to five times.

4 Q. Okay. Did he tell you any  
5 specifics about Mr. Klenet's deposition?

6 A. Not that I recall, no.

7 Q. Did he tell you any specifics about  
8 Ms. Ritter's deposition?

9 A. Ms. who?

10 Q. Ms. Ritter.

11 A. No.

12 Q. Any specifics about Ms. Leiberman's  
13 deposition?

14 A. Just basically what I mentioned to  
15 you before.

16 Q. Okay. You testified earlier that  
17 you never made any bank deposits for Ms. Ritter's  
18 campaign?

19 A. That's correct.

20 Q. Okay. You also testified that the  
21 only checks you wrote were refunds at the end of the  
22 campaign?

23 A. That's correct, refunds and any  
24 other checks that were pending to be written.

25 Q. Okay.

1           A.           I think there was only a few other  
2 checks, maybe two or three checks or so.

3           Q.           Okay. Did you review the bank  
4 records?

5           A.           Yes.

6           Q.           You testified earlier that you  
7 would compare the spreadsheet that you received from  
8 Ms. Leiberman to the bank record from the campaign  
9 account?

10          A.           Yes.

11          Q.           What would you do if they didn't  
12 match up?

13          A.           I would then ask Alexander  
14 Leiberman to determine where the missing information  
15 was.

16          Q.           Okay. What if she was unable to  
17 help you?

18          A.           She was always able to help me,  
19 because I wasn't going to let it go.

20          Q.           Okay. I believe you testified  
21 earlier that the only campaign treasury report that  
22 you prepared was the termination report. Is that  
23 correct?

24          A.           That's correct.

25          Q.           Then Ms. Leiberman prepared the

1 other campaign treasury reports?

2 A. That's correct.

3 Q. Okay. Did you prepare any  
4 amendments to the campaign treasury reports?

5 A. Not to my knowledge, no.

6 Q. Okay. What was the campaign's  
7 procedure in keeping records that were going to be  
8 reported? You kind of went through it a little  
9 earlier.

10 A. Basically, they would appear on the  
11 actual trial report. Then they would get submitted  
12 over to Russell Klenet for his review and approval,  
13 and I guess he would confer with Stacy Ritter.

14 Q. So Ms. Leiberman would enter in the  
15 contributions or the expenditures on the report. Is  
16 that correct?

17 A. Yes.

18 Q. You would receive that, correct?

19 A. Yes.

20 Q. Then you would compare that to the  
21 bank records?

22 A. Yes.

23 Q. Then you would send it back to  
24 Mr. Klenet for approval?

25 A. Yes.

1 Q. Okay. If you noticed something  
2 didn't match up, you would ask Ms. Leiberman about  
3 that?

4 A. That's correct. When I say match  
5 up, it's basically total deposits that were entered  
6 in that made up a specific deposit. The actual  
7 details of each deposit, I had no clue.

8 Q. Okay. So you would look at just  
9 the overall deposit amount versus --

10 A. Correct. I would compare the  
11 \$1,000, \$2,500, or whatever deposits, and those were  
12 deposit slips, and then they hit the bank.

13 Q. Okay. So you didn't audit the  
14 information. Is that correct?

15 A. No. I didn't have specific  
16 information of what each deposit ticket was.

17 Q. Okay. Just the numbers match up?

18 A. Correct.

19 Q. I'm going to present the witness  
20 with Exhibit 2. This is the campaign's -- it's  
21 actually during the 2007 Q3 reporting period.  
22 However, it's misreported as the Q2. Do you  
23 recognize this document?

24 A. Not really. It's the first time I  
25 have seen it.

1 Q. Okay. This was not a report that  
2 you prepared. Is that correct?

3 A. That's correct.

4 Q. Okay. The information, however, on  
5 the contributions and expenditures would have been  
6 something you would have compared with bank  
7 statements. Is that correct?

8 A. Yes, based on the information given  
9 to me.

10 Q. Okay. I'm presenting the witness  
11 with Exhibit 6. On the top of the page, it's a  
12 check from DNC Travel Hospitality Services for \$500.  
13 Is that correct?

14 A. Yes.

15 Q. This check was deposited into the  
16 campaign account, as you can see from the second --  
17 basically the back of the check?

18 A. Yes.

19 Q. However, it was not included on the  
20 2007 Q3 report. Do you know why it was not  
21 reported?

22 A. I do not recall, sir.

23 Q. Would something that was deposited  
24 during a campaign period and not appear on the  
25 report, would that be something that you would

1 normally catch or that you would look for?

2 A. Well, if the deposit was given to  
3 me and it was on the bank statement, then the  
4 research would not continue, because it was already  
5 there. Like I said, the specifics -- I didn't get  
6 involved in the specifics, only in totals that were  
7 deposited into the campaign account.

8 Q. Okay. Who was responsible for  
9 filling out the descriptions on the campaign  
10 treasury report?

11 A. That was Alex Leiberman.

12 Q. Okay.

13 A. Because those are all entries that  
14 were entered --

15 Q. So you would just take it as face  
16 value, whatever she put on there?

17 A. Correct.

18 Q. Same thing, if -- I'll present the  
19 witness with Exhibits 3A and 3B. Once again, I  
20 believe your testimony is this is not a report that  
21 you prepared?

22 A. That is correct.

23 Q. However, you would compare the  
24 contributions and expenditures to the bank account?

25 A. Yes.

1 Q. Okay.

2 MR. HERRON: Again, I'm going to  
3 object to the form of the question. You are  
4 saying that -- I'm going to object to the  
5 form of the question.

6 MR. MOYE: Okay.

7 BY MR. MOYE:

8 Q. This is Exhibit 8. This was a  
9 check that was issued from Billing, Cochran, Heath,  
10 Lyles, Mauro & Anderson. However, it was reported  
11 as being from Mary Benton. Once again, based upon  
12 your prior testimony, you just looked at the face  
13 value that it was a \$500 check. Is that correct?

14 A. Correct.

15 Q. Okay. Exhibit 9, the first check  
16 on the first page is from Wheelabrator North  
17 Broward. The second check is from Kevin Leo on the  
18 second page. The third page is a check from  
19 International Galleria Corp. The fourth page is a  
20 check from Jetscape Services. All of these checks  
21 were deposited into Ms. Ritter's bank account.  
22 However, they were not reported on the 2007 Q4  
23 report. Do you know why they would have been in the  
24 bank account, but not on the report?

25 A. I don't recall, sir.

1           Q.           Do you know generally why something  
2 would be in the bank account but would not be on the  
3 report?

4           A.           The only thing I could think of  
5 would be that it was caught by the bank statement  
6 and then it was found and an amended report should  
7 have been filed.

8           Q.           Okay.

9           A.           That's the only thing I could think  
10 of.

11          Q.           In this case, there was an amended  
12 report and it was included on that.

13          A.           Okay.

14          Q.           Do you know how it was discovered  
15 that it was not on the original when you first  
16 looked at it, but yet you caught it for the  
17 amended --

18                       MR. HERRON:  Objection to the form  
19                       of the question.

20 BY MR. MOYE:

21          Q.           You can go ahead and answer, if you  
22 can.

23          A.           The same thing.  As a review of the  
24 bank statement, I noticed that there was a  
25 discrepancy.  I then, in turn, asked Alexandra

1 Leiberman to say, hey, we're missing something. The  
2 reports were already filed. Then she would then,  
3 okay, we found it. She entered the information in  
4 and filed the amended report.

5 Q. Okay. Did you ever review a  
6 campaign treasury report against the bank statements  
7 after the original was filed?

8 A. I don't recall.

9 Q. Okay. What was your practice in  
10 reviewing a campaign treasury report -- or sorry --  
11 the report you received from Ms. Leiberman to the  
12 bank records? What was your procedure when you  
13 would do that?

14 A. It was a long time ago, and I don't  
15 recall.

16 Q. Okay. Exhibit 10, page one. This  
17 is a check from Homes, Inc., for \$80. This was  
18 deposited into the campaign account. However, it  
19 was not reported on the 2007 Q4. Do you know why?

20 MR. HERRON: Objection to the  
21 categorization that it was a contribution.  
22 It's an expenditure.

23 MR. MOYE: Strike that. I'll  
24 rephrase that.

25 BY MR. MOYE:

1 Q. Do you know why this expenditure  
2 for \$80 was not reported?

3 A. I don't recall.

4 Q. Okay. This expenditure was also  
5 not reported on the amended Q4. Do you know why?

6 A. I don't recall.

7 Q. Do you know why it was never  
8 reported on any report?

9 A. I'm not sure. I don't recall.

10 Q. Okay. I'm going to present the  
11 witness with Exhibit 4, the 2008 Q1. Is it correct  
12 that this is also a report that you did not --

13 A. That is correct.

14 Q. -- create? However, you would have  
15 compared the expenditures and contributions to the  
16 bank records. Is that correct?

17 A. Yes, the actual report given to me.

18 Q. Correct. So you didn't receive  
19 this actual report?

20 A. No.

21 Q. What kind of spreadsheet would you  
22 receive?

23 A. It would be an Excel spreadsheet  
24 indicating date, check number, amount. Basically,  
25 that's the information I was given.

1 Q. Okay. Would that information on  
2 the spreadsheet you confirmed or you checked  
3 everything with then be re-entered into Campaign  
4 Toolbox?

5 A. That information -- I was provided  
6 that information and it would be entered into the  
7 reconciliation spreadsheet, and at the end of the  
8 given month or quarter, then it would be confirmed  
9 with the bank statements.

10 Q. Okay. So you did not receive a  
11 Campaign Toolbox spreadsheet?

12 A. No.

13 Q. I apologize. We're going to go  
14 back to Exhibit 6. We're going to be looking at  
15 pages two through six, which are contributions from  
16 Amera, different Amera corporations. These ten  
17 contributions from Amera were deposited into the  
18 account. However, they were not included on the  
19 report, 2008 Q1 report. Do you know why?

20 A. I think this might have been a case  
21 where it was missing from the bank statements and  
22 then I advised that to Alex Leiberman, and then she  
23 located it and then it was entered and an amended  
24 report should have been filed.

25 MR. HERRON: Josh, we blinked for a

1 minute. What exhibit are you on?

2 MR. MOYE: We're on 6, pages two  
3 through six.

4 MR. HERRON: Okay. Thank you.

5 MR. MOYE: The Amera contribution  
6 checks.

7 MR. HERRON: Thank you.

8 BY MR. MOYE:

9 Q. Do you know why these Amera checks  
10 were never reported?

11 A. Like I said previously, they were  
12 found, they were entered, and they should have been  
13 as an amended report. Whether or not it was sent as  
14 an amended report, I didn't have that exposure, so I  
15 don't know.

16 Q. But these are checks that you  
17 remember catching that were not on the original  
18 report?

19 A. Well, I remember that they weren't  
20 in the bank, and once we researched, they found they  
21 were. They were entered into the system, and they  
22 should have been done as an amended report.

23 Q. Okay. Do you know why they would  
24 not have been reported in an amended report?

25 A. I have no clue. That's what should

1 have happened.

2 Q. Okay. Do you know what -- what is  
3 Amera? Do you know?

4 A. I have no clue who these people  
5 are.

6 Q. Okay. On these checks, they are  
7 from the Stacy Ritter campaign, care of John  
8 Milledge. Do you know who John Milledge is?

9 A. I have no idea, sir.

10 Q. Do you know if he had a role in the  
11 campaign?

12 A. I have no clue who he is.

13 Q. Okay. I'm going to go on to  
14 Exhibit 11, and we're going to be looking at the  
15 second page. The first check is dated August 4th,  
16 2007, for \$500, and the second check is dated  
17 February 22, 2008, for \$500. Is that correct?

18 A. Yes.

19 Q. It appears, from the backs of the  
20 checks, that both of these were deposited into Ms.  
21 Ritter's campaign account?

22 A. That's correct.

23 Q. Do you know why both of these  
24 checks were accepted and deposited into the account?

25 A. I don't know. That wasn't my role

1 and function.

2 Q. Okay. If you noticed that there  
3 was an excessive contribution, is that something you  
4 would notify Ms. Leiberman about?

5 A. The only way that I would know that  
6 that may have occurred would have been at the very  
7 end of the campaign.

8 Q. Okay. Whose responsibility was it  
9 to ensure there was no excessive contributions?

10 A. Basically, Alex Leiberman would  
11 enter the expenditure, but if Mary didn't have it or  
12 Russ Klenet didn't notice that there was one, we  
13 relied upon the Campaign Toolbox to draw a red flag.

14 Q. Okay.

15 A. Stating that -- I would assume, at  
16 that point, if it stated that, a refund check should  
17 have been issued.

18 Q. Okay, but that was not your role in  
19 the campaign. Is that correct?

20 A. No.

21 Q. We're going to go to Exhibit 5.

22 MR. MOYE: Mr. Herron, did you  
23 label your exhibit?

24 MR. HERRON: I did not.

25 MR. MOYE: Did you want to?

1 MR. HERRON: Yeah. Why not? I  
2 didn't want to screw up the numbers, so I  
3 didn't pick a number.

4 MR. MOYE: Well, maybe we can do a  
5 composite Exhibit 5, since your front page  
6 is more accurate and legible than our front  
7 page of Exhibit 5.

8 MR. HERRON: This is not the same  
9 exhibit that I did. Do you see the dates?  
10 This seems to be a different cover period.

11 MR. MOYE: Okay.

12 MR. LIPMAN: Mr. Moyer, why don't  
13 you mark it as Exhibit A.

14 MR. MOYE: Okay. So the exhibit  
15 that Mr. Herron was using earlier is going  
16 to be Exhibit A, so we're all clear.

17 THE COURT REPORTER: A?

18 MR. MOYE: A, yeah. That was in  
19 your -- I think you had the copy there. If  
20 you don't mind, can she have the copy, since  
21 that's the original?

22 THE WITNESS: You're talking about  
23 the termination report?

24 MR. MOYE: Yeah, when we're done.  
25 You can use it now. Okay. I believe that

1           the only thing different between the two are  
2           just the first page. I believe the rest of  
3           it is correct or the same.

4                           (Exhibit A marked.)

5 BY MR. MOYE:

6           Q.           Exhibit 11 on the first page, I  
7 believe Mr. Herron already went over. Basically two  
8 checks for \$500 came in. One was returned. When  
9 you gave the pro rata list, it would not know that  
10 the one check was returned. Is that correct?

11           A.           That's correct.

12           Q.           Because it would see the two  
13 contributions and divvy out a pro rata proportion?

14           A.           That's correct.

15           Q.           Okay. The system, as far as you  
16 know, does not pick up on the refund?

17           A.           That is my understanding.

18           Q.           Okay. That would be the same if  
19 there was one \$500 check and that check returned?  
20 The Campaign Toolbox only looks at the contribution  
21 list?

22           A.           That is my understanding.

23           Q.           Okay.

24                           MR. MOYE: Can we go off the  
25 record?

1 (Off the record.)

2 BY MR. MOYE:

3 Q. Back on the record. We went ahead  
4 and marked Exhibit 14, Bags to Go. There's an  
5 uncollected funds stamp on it, which is clarified by  
6 Exhibit 14A. Going to Exhibit 15, Exhibit 15 is a  
7 list of expenditures that the campaign made during  
8 the TR period. All except one of these expenditures  
9 was dated September 15th, 2008. Does that appear to  
10 be correct?

11 A. Yes.

12 Q. Why weren't these expenditures  
13 reported on the termination report?

14 A. My understanding is they were.

15 Q. Okay. Go ahead and took a look and  
16 see if you see them reported on the termination  
17 report.

18 A. May I ask when this report was  
19 filed, the termination report?

20 Q. Exhibit A does not have a stamp, so  
21 I am unsure. However, Exhibit 5, which is  
22 petitioner's copy of the termination report --

23 A. These checks are not listed on the  
24 termination report?

25 Q. I do not believe so.

1           A.           Okay. The only thing I could  
2 recall that this would have happened, if the  
3 termination report was done at the very end, prior  
4 to closing the account, these checks would have not  
5 cleared and they were removed, is my understanding,  
6 that these checks may have been the checks that  
7 never cleared the bank account and they were removed  
8 to make sure we properly closed out the account with  
9 a zero balance.

10           Q.           So a check was written from the  
11 campaign account. Is that correct?

12           A.           If these checks were not reported  
13 in the campaign termination report, these checks  
14 were written out of the campaign, but they were  
15 never cashed out of the bank.

16           Q.           Okay.

17           A.           So then they would have been  
18 omitted from the report. Let me check on one of  
19 them real quick. It would be very difficult to do  
20 this. It appears the September 15, 2008  
21 expenditures start on page eight of the itemized  
22 expenditures. These expenditures are included. The  
23 JWH Harris & Company was reported on page number  
24 nine.

25           Q.           I see that.

1 A. Okay. That was reported on there.

2 Q. Yes, I do see that. Is there a  
3 reason why it would be reported, but not have a  
4 check to back it up?

5 A. Check cashing through the bank?

6 Q. A reason why it would show on the  
7 itemized expenditures page, but not have a  
8 supporting check, would there be any reason for  
9 that?

10 A. Supporting check meaning that you  
11 would have a supporting copy from the bank being  
12 cashed?

13 Q. Correct.

14 A. Yes, because these checks would  
15 have probably not cleared the bank, and then, at the  
16 end of the campaign, they would have been treated as  
17 a void check and they would not be on the final  
18 report.

19 Q. Okay. So on September 15th, the  
20 check was written?

21 A. Right.

22 Q. The pro rata check, based on the  
23 Campaign Toolbox spreadsheet?

24 A. Correct.

25 Q. I'm sorry, the Campaign Toolbox

1 termination?

2 A. Yes.

3 Q. So it would have been reported at  
4 that time?

5 A. Correct.

6 Q. It doesn't get cashed, for whatever  
7 reason?

8 A. Correct.

9 Q. Then there would be no check to  
10 support it?

11 A. That's correct.

12 Q. Okay. I apologize for the  
13 confusion. I was not trying to trick you.

14 A. That's okay.

15 Q. Here is Exhibit 16. These are bank  
16 statements from Ms. Ritter's campaign account. Is  
17 that correct?

18 A. Yes.

19 Q. Why wasn't the campaign's bank  
20 account closed by September 18, 2008?

21 A. Because I believe Russ Klenet spoke  
22 with Mary Cooney, and she said that all of these  
23 refund checks have not been cashed, that they would  
24 need to give it some time for these checks to go  
25 through for them to be cashed. That's why the

1 account wasn't closed. It would have been very  
2 simple to, in turn, not give away any of these  
3 refund checks back to the contributors, just write  
4 it out to charity, tell them to cash it out, and  
5 we're done, or go to the bank and request whatever  
6 money is in the account, have cashier's checks drawn  
7 out to the various contributors -- not to the  
8 contributors, but to the various charities -- and  
9 then the account could be closed immediately.

10 Q. Right. How are you aware of what  
11 Ms. Cooney told Mr. Klenet?

12 A. He basically spoke to me about  
13 that.

14 Q. Okay. So he told you about his  
15 conversation with Ms. Cooney?

16 A. Yes.

17 Q. When did you issue the pro rata  
18 check refund?

19 A. The pro rata checks issued on  
20 September 15th of 2008.

21 Q. Okay. So they were issued three  
22 days before the campaign was supposed to be closed?

23 A. Correct.

24 Q. Why weren't they issued earlier  
25 like during the TR period?

1           A.           Because of the fact that it was  
2 taking so much time, had different problems with the  
3 reports that were generated. They weren't correct,  
4 and we run at least three times to try to get them  
5 correct, and finally we got them to the point that  
6 they were, and that's when we wrote the checks out.

7           Q.           According to the campaign account  
8 bank statements, it appears that there was almost  
9 five months after the TR period ended when the  
10 campaign finally was zeroed out?

11          A.           Yes. I know it was awhile.

12          Q.           Okay. So you have three months to  
13 zero out the campaign account. However, it took  
14 almost eight. Is that correct?

15          A.           If that's what the records show,  
16 yes. We indicated to -- I believe Alex Leiberman  
17 prepared a letter when these went out stating please  
18 cash these immediately because the account is going  
19 to be closed. In a short period of time, if you  
20 don't cash it, you are going to lose it, something  
21 of that nature.

22          Q.           You mentioned some other options  
23 that could have been done with charity?

24          A.           Yes.

25          Q.           Whose decision was it to issue pro

1 rata checks, instead of doing money to charity.

2 A. I'm assuming that that would have  
3 been a suggestion by Russ Klenet, and then he would  
4 confer that with Stacy Ritter. I would think their  
5 logic was they gave X amount of money back. We  
6 didn't use the money. Let's give the money back to  
7 the individual contributors.

8 Q. Were you concerned at all about  
9 issuing the checks three days before the TR period  
10 was supposed to end?

11 A. I don't recall.

12 Q. I'm going to Exhibit 17. These are  
13 checks that were written after September 18th, 2008.  
14 Is that correct?

15 A. Yes.

16 Q. Why didn't the campaign file a  
17 campaign report to reflect the expenditures that  
18 occurred after the TR was due?

19 A. I am not sure.

20 Q. Was that ever discussed?

21 A. I don't recall.

22 Q. Okay. So you don't know why?

23 A. I don't know why. That may have  
24 been an internal thing that Ms. Klenet may have  
25 discussed and they were going to handle it at the

1 office. I'm not sure what occurred there.

2 Q. Okay. Do you know if the campaign  
3 is ever going to report these expenditures?

4 A. I'm sure we discussed to issue an  
5 amended report, but I think that, after noticing  
6 that these weren't the issues, that it was going to  
7 be more confusing to file an amended report than to  
8 just explain what occurred.

9 Q. Okay. It's correct that you were  
10 responsible for compiling the TR report?

11 A. Yes.

12 Q. These checks that came after the TR  
13 period, were these also your responsibility?

14 A. I don't recall whose responsibility  
15 it was.

16 Q. Okay. After you created the  
17 termination report, did you still have the  
18 responsibility of checking the bank statement with  
19 the Excel sheet?

20 A. Yes.

21 Q. When you were responsible for doing  
22 the TR report, you were still receiving -- were you  
23 still receiving the Excel spreadsheets?

24 A. Well, only up to the point where  
25 these additional checks were written. There was no

1 additional checks written, because it zeroed out the  
2 account after doing all of the pro rata refund  
3 checks.

4 Q. So Exhibits 16 and 17, would this  
5 have been something that you would have still  
6 compared?

7 A. Basically, as bank statements would  
8 roll in, I would then reconcile them up to a certain  
9 point. Then it reached to a point where none of the  
10 outstanding refund checks were coming in. Then it  
11 was determined that these additional checks were  
12 going to be written.

13 Q. Okay. I'm going to take a quick  
14 break.

15 (A break was held.)

16 BY MR. MOYE:

17 Q. I noticed earlier, and I think  
18 Mr. Herron mentioned, as well as yourself, that  
19 there was documentation Mr. Herron sent you?

20 A. Yes.

21 Q. Did that help you testify today?

22 A. Yes.

23 Q. How did it help you testify?

24 A. It helped me by reviewing the  
25 documents and trying to remember what actually

1 transpired.

2 Q. Okay. Did anything on -- I'm not  
3 referring to Exhibit A. I'm referring to the other  
4 document you were reviewing. Did anything on there  
5 compel you to go research other issues?

6 A. No.

7 Q. Okay. Did he mention any potential  
8 questions I might ask?

9 A. No.

10 Q. Any issues that might come up?

11 A. No.

12 Q. You mentioned you had a few  
13 discussions with Mr. Klenet?

14 A. Yes.

15 Q. What specifically did you discuss?

16 A. Just give me an idea of what the  
17 deposition procedure is, what was going to  
18 transpire, asking questions, and just basically  
19 answer the truth and everything should be just fine.

20 Q. Did you guys discuss anything  
21 specifically about his depo?

22 A. No, just basically the procedure,  
23 asking questions, he answered them, and that's about  
24 it.

25 Q. Okay. How long were the

1 conversations you had with Mr. Klenet?

2 A. Not very long, under five minutes.

3 Q. Each of them under five minutes?

4 A. Yes, under five minutes.

5 Q. Did you have any conversations with  
6 him that compelled you to go research anything  
7 regarding the campaign?

8 A. No.

9 Q. Did you guys discuss any reports?

10 A. Nothing that we've discussed in the  
11 past, no.

12 Q. No reports?

13 A. No.

14 Q. Did you guys discuss contributions  
15 or expenditures?

16 A. No.

17 Q. Did you guys ever discuss the Amera  
18 contributions?

19 A. Not in the conversations, but I  
20 know back when we noticed the missing contributions,  
21 yeah, we discussed it.

22 Q. I'm basically just focusing on the  
23 last three months.

24 A. No.

25 Q. If that helps you answer the

1 question.

2 A. Okay, thank you.

3 Q. Did you discuss with Mr. Klenet any  
4 potential questions that might come up?

5 A. No.

6 Q. Any potential issues that might  
7 come up?

8 A. No.

9 Q. With Ms. Leiberman, how long were  
10 those conversations?

11 A. No more than a minute or two.

12 Q. Even less than Mr. Klenet?

13 A. Yes.

14 Q. What specifically did you discuss  
15 with her?

16 A. Just the same procedure, how long  
17 did your deposition take, anything outside of the  
18 ordinary besides just the truth that will come up.

19 Q. Did either of your discussions with  
20 Klenet or Leiberman help you testify today?

21 A. No.

22 Q. Did they help refresh your  
23 recollection of any events or issues that came up?

24 A. No, because we really didn't go  
25 into details.

1           Q.           Okay. Anything else you can think  
2 of dealing with your conversations with Klenet or  
3 Leiberman?

4           A.           No, not at all.

5           Q.           Who was the treasurer for the  
6 campaign?

7           A.           My understanding is Stacy Ritter.

8           Q.           Okay. Was there a deputy  
9 treasurer?

10          A.           I'm not aware of that.

11          Q.           You are not aware if there was?

12          A.           No.

13          Q.           Okay. So to the best of your  
14 knowledge, there wasn't a campaign deputy treasurer?

15          A.           No.

16          Q.           Going back to the conversation you  
17 had with Klenet and Leiberman, why did you have, I  
18 believe you testified, four to six conversations  
19 with each of them?

20          A.           Yes, basically. With Russ Klenet,  
21 just conversations that we had basically regarding  
22 depositions and procedures and things of that  
23 nature.

24          Q.           Okay. Did you discuss the same  
25 things the four to six times that you did discuss in

1 the last six months?

2 A. Just basically, yeah, more or less.

3 Q. Did you find your discussions with  
4 Klenet and Leiberman helpful?

5 A. Just put me at ease of what to  
6 expect in a deposition.

7 Q. Okay. Today has been the first  
8 time you have been deposed?

9 A. Yes.

10 Q. Twice in one day?

11 A. Get them out of the way early.

12 MR. MOYE: I have no further  
13 questions, other than the concluding  
14 questions, Mr. Herron.

15 BY MR. MOYE:

16 Q. Mr. Granados, are there any answers  
17 to my questions that you wish to change before I  
18 close my portion of the deposition?

19 A. No, not at all.

20 Q. Is there any information I asked  
21 you about that you remember now, but you didn't  
22 recall when I asked you the question?

23 A. No.

24 Q. Is there any reason to believe that  
25 your memory will improve between now and trial, if

1 there is a trial?

2 A. No.

3 Q. Read or waive? Do you want to read  
4 or waive?

5 A. I don't know.

6 Q. You basically have the option of,  
7 if we do order a transcript, you can go ahead and  
8 read through it to make sure everything is accurate  
9 as to what you testified to, or you can waive that  
10 right. If you read, you can always waive later. If  
11 you waive, you can't go back and decide to read.

12 A. Okay. Then I'll read.

13 MR. MOYE: Is that a good  
14 explanation, Mark?

15 MR. HERRON: That's close enough,  
16 yeah. I have got a few questions.

17 BY MR. HERRON:

18 Q. Do you still have Exhibit 17  
19 nearby?

20 A. Yes, I do.

21 Q. Did you write any of these checks?

22 A. No.

23 Q. Exhibit 15, do you have that  
24 nearby?

25 A. Yes.

1           Q.           The top check is a check dated or  
2 an entry that says 7/25/08 to the Florida Democratic  
3 Party?

4           A.           Yes.

5           Q.           Do you have any knowledge with  
6 respect to that check? Did you write it?

7           A.           I did not write the check.

8           Q.           You didn't have responsibility for  
9 writing checks at that time, correct?

10          A.           That is correct.

11          Q.           Exhibit 6.

12          A.           Yes.

13          Q.           On pages two through the end are  
14 the Amera checks?

15          A.           Yes.

16          Q.           If I understood what you told  
17 Mr. Moye was, at some point in time, you had noticed  
18 that these checks were not in the bank. Is that  
19 accurate?

20          A.           That's incorrect.

21          Q.           Okay.

22          A.           I noticed that these checks were in  
23 the bank, but they were not in the campaign report.

24          Q.           When you talk about --

25          A.           At that point, I advised Alex

1 Leiberman that there's a discrepancy in the bank  
2 account versus the Campaign Toolbox reports, that  
3 these were missing. At that point, she researched.  
4 She determined what that missing deposit was, and at  
5 that point, those were entered in.

6 Q. Okay. At the point in time -- do  
7 you recall at the point in time you noticed they  
8 were missing from the report, were you looking at  
9 the Campaign Toolbox report or a spreadsheet?

10 A. A spreadsheet.

11 Q. That leads to my last question.  
12 Basically, in your responsibilities, you were not  
13 reviewing the Campaign Toolbox draft. You were  
14 reviewing spreadsheets that were sent to you by the  
15 campaign?

16 A. That's correct.

17 Q. No further questions.

18 MR. MOYE: No questions.

19 MR. HERRON: Okay. Madam Court  
20 Reporter, I told you on the break that, when  
21 we got done, I was going to order my short  
22 deposition at the front, and I would like to  
23 do so.

24 THE COURT REPORTER: Okay. Thank  
25 you.

1 WILLIAM GRANADOS,  
2 having been first duly sworn, was examined and  
3 deposed as follows:

4 EXAMINATION

5 BY MR. MOYE:

6 Q. Good morning, Mr. Granados.

7 A. Good morning.

8 Q. I'm here to take your deposition in  
9 a case that's being litigated by the Florida  
10 Election Commission. My name is Josh Moyer. I'm the  
11 attorney for the commission. Other than 15 minutes  
12 ago, have you ever been deposed?

13 A. No.

14 Q. I'm going to ask you a couple of  
15 questions or several questions today involving some  
16 matters involved in the case. The court reporter is  
17 going to take everything we say down, as in the  
18 previous deposition today. You are doing a great  
19 job of speaking verbally, not nodding your head,  
20 saying yes and no. Keep doing that, if you would.

21 A. Yes.

22 Q. The transcript may be used at the  
23 hearing, so although there's no judge sitting here  
24 today, you should testify with the same seriousness  
25 as if there was a judge.

1 questions truthfully?

2 A. No.

3 Q. Mr. Granados, where do you live?

4 A. 850 Gateway Lane, Seymour,  
5 Tennessee, 37865.

6 Q. How long have you lived there?

7 A. It's going to be three and a half  
8 years.

9 Q. Can you tell me a little bit about  
10 your educational background?

11 A. I graduated through an AA.

12 Q. Where did you obtain your —

13 A. Miami Dade Community College.

14 Q. You mentioned you are currently  
15 employed. Is that correct?

16 A. Presently, no, I'm not currently  
17 employed.

18 Q. You are currently not employed?

19 A. No, not employed.

20 Q. Okay. When did you become  
21 unemployed?

22 A. It's been awhile, beginning of the  
23 year.

24 Q. Beginning of the year, okay. Does  
25 Granados Accounting Group still exist?

1 A. Yes.

2 Q. I may ask you a question that I  
3 don't state very well. Let me know and I'll try to  
4 rephrase it. If you do not ask me to rephrase it,  
5 I'm assuming that you understood the question.

6 A. Yes.

7 Q. You are more than willing to  
8 take — I'm more than willing to let you take a  
9 break, if you need a break. I may ask you to finish  
10 a question or a particular series of questions, but  
11 I don't see any reason why we can't take a break now  
12 and then.

13 A. Yes.

14 Q. Mr. Herron may state an objection  
15 to one of the questions I ask. Unless he instructs  
16 you not to answer it, you must still answer the  
17 question, and the judge will decide whether the  
18 objection is well taken.

19 A. Yes.

20 Q. Are you taking any medications that  
21 might affect your ability to recall events or answer  
22 my questions today?

23 A. No.

24 Q. Is there any reason you can think  
25 of as to why you will not be able to answer my

1 A. No.

2 Q. Granados Accounting Group was in  
3 existence during the 2008, 2009 years?

4 A. Correct.

5 Q. What was your capacity when  
6 Granados Accounting Group existed?

7 A. Just complete owner.

8 Q. Complete owner?

9 A. Complete owner shared with my wife.

10 Q. Okay. Were there any other  
11 employees other than you and your wife?

12 A. No.

13 Q. Were you the sole contact with  
14 Mr. Klenet for the Ritter campaign?

15 A. Yes.

16 Q. Did your wife ever have any  
17 contact?

18 A. No.

19 Q. Did you do anything to prepare for  
20 your deposition today?

21 A. Just reviewed the information  
22 Mr. Herron provided me.

23 Q. Okay. What did he provide you?

24 A. Just basically termination reports,  
25 an outline of the questions he was going to possibly

1 ask.

2 Q. Okay. Did you talk to anyone about  
3 the deposition other than Mr. Herron?

4 A. I just mentioned to my wife that I  
5 had to go to a deposition today.

6 Q. Okay. I know that the — well, I'm  
7 assuming, because I saw you look through it, the  
8 document, the TR that was provided by Mr. Herron,  
9 that helped you refresh your memory —

10 A. Yes.

11 Q. — for the deposition?

12 A. Yes.

13 Q. I do have a copy of that as well.  
14 Have you ever run for public office?

15 A. No.

16 Q. Have you ever served as a campaign  
17 treasurer for a candidate for public office?

18 A. No.

19 Q. You previously testified that you  
20 were the accountant for Ms. Ritter's 2008 campaign.  
21 Is that correct?

22 A. Yes.

23 Q. What did you do to prepare yourself  
24 to help Ms. Ritter with her campaign, specifically  
25 the 2008 campaign?

1 Q. Okay. Did you ever seek assistance  
2 from Ms. Ritter regarding any questions you would  
3 have regarding the campaign?

4 A. No.

5 Q. Other than being a possible  
6 campaign manager, what was Mr. Klenet's other roles  
7 in the campaign, if any?

8 A. I don't recall any other.

9 Q. Did you ever seek assistance from  
10 Mr. Klenet regarding the campaign?

11 A. Yes.

12 Q. When would you seek assistance from  
13 him?

14 A. Just verification if something in  
15 the bank statement or in the Campaign Toolbox did  
16 not agree.

17 Q. When was the last time you spoke  
18 with Mr. Klenet?

19 A. Last time I spoke to Mr. Klenet  
20 would have been yesterday.

21 Q. Okay. What did you speak about?

22 A. Just basically the deposition.

23 Q. Okay. Did he talk to you at all  
24 about his deposition?

25 A. Briefly.

1 A. Just what I mentioned in the past.  
2 I would, based on the reports given to me, reconcile  
3 the bank account and confirm that the numbers agreed  
4 with the Campaign Toolbox.

5 Q. Okay. Have you read Chapter 104 of  
6 Florida statutes?

7 A. No, I have not.

8 Q. Have you read Chapter 106?

9 A. No, sir.

10 Q. Do you possess a copy of the  
11 Committee and Campaign Treasurer Handbook?

12 A. No, I don't.

13 Q. Issued by the state of Florida?

14 A. No, I don't.

15 Q. Have you ever read the handbook?

16 A. No, sir.

17 Q. Have you ever been a chairperson of  
18 a political action committee or anything?

19 A. No, sir.

20 Q. Have you ever served as treasurer?

21 A. No, sir.

22 Q. Did Ms. Ritter have a campaign  
23 manager?

24 A. I'm assuming that the campaign  
25 manager would have been Russell Klenet.

1 Q. What did he tell you about his  
2 deposition?

3 A. Just nothing to worry about, simple  
4 questions, tell the truth, just what you know.

5 Q. Did he talk to you about anybody  
6 else's deposition regarding this case?

7 A. Basically, Alex Leiberman.

8 Q. Okay. What did he tell you about  
9 Alex Leiberman?

10 A. Same thing, just answer truthfully  
11 and everything should be fine. It was about maybe  
12 an hour or two hour deposition.

13 Q. Okay. Did you discuss anything  
14 with him that helped refresh your recollection about  
15 what he testified about so far?

16 A. Not really. Everything was pretty  
17 much whatever I recalled.

18 Q. Before yesterday, when was the last  
19 time you talked to him before that?

20 A. Probably a week or two before when  
21 the possibility of the deposition was going to  
22 occur.

23 Q. What did you discuss then?

24 A. Basically the same details, that  
25 they were going to go over what happened in the

1 campaign and just answer them truthfully and it's  
2 fine, everything should be fine.

3 Q. Okay. What was Ms. Leiberman's  
4 role in Ms. Ritter's campaign?

5 A. Ms. Leiberman's role was to receive  
6 campaign contributions, input those campaign  
7 contributions into Campaign Toolbox, and then, in  
8 turn, make the physical deposit, I guess her go to  
9 the bank or courier go to the bank, make the  
10 deposits, enter expenditures, write the actual  
11 checks, and then at a given point, send me the  
12 reports.

13 Q. Okay. Was Ms. Leiberman the only  
14 one who was responsible for entering expenditures  
15 and contributions into Campaign Toolbox?

16 A. Yes.

17 Q. So everything you did relied on her  
18 entering it into Toolbox?

19 A. That's correct.

20 Q. Okay. So is it fair to say, if Ms.  
21 Leiberman did enter in something or entered  
22 something incorrectly, that's what you would go off  
23 of, what was in the Campaign Toolbox?

24 A. Yes, because I had nothing else to  
25 go by.

1 A. The only time I think I may have  
2 spoken with her was at the time of filing the  
3 expenditure termination report, where to send it to,  
4 how to send it. That was about it.

5 Q. Okay. So basically just, how do  
6 you do it, how do you file it?

7 A. How to file it, correct.

8 Q. Nothing substantive?

9 A. No.

10 Q. Okay. Did you ever seek assistance  
11 from anyone else?

12 A. No.

13 Q. Have you spoken with anyone else  
14 from the campaign recently?

15 A. No.

16 Q. Just Mr. Klenet and Ms. Leiberman?

17 A. That's correct.

18 Q. In the last three months, how many  
19 times would you say you have talked to Mr. Klenet?

20 A. Four to six times maybe.

21 Q. Four to six times. What about Ms.  
22 Leiberman?

23 A. Probably about the same.

24 Q. During those four to six times, did  
25 either one of them say anything that helped you with

1 Q. Where does Ms. Leiberman work?

2 A. She works for Russell Klenet &  
3 Associates.

4 Q. Okay. When was the last time you  
5 spoke with Ms. Leiberman?

6 A. Yesterday, when I spoke to Russell  
7 Klenet.

8 Q. Did you speak to them at the same  
9 time?

10 A. Basically, I called the office, she  
11 answered the phone, and then she transferred me over  
12 to Mr. Klenet.

13 Q. Did you talk to her about anything  
14 about your deposition today?

15 A. To whom?

16 Q. To Ms. Leiberman about your  
17 deposition today.

18 A. Just basically, I just asked her  
19 how long her deposition was and she told me about an  
20 hour or two hours, and that's about it.

21 Q. Okay. Did you talk about any  
22 specifics with her about her deposition?

23 A. No, no specifics.

24 Q. Okay. Did you ever seek assistance  
25 from Mary Cooney?

1 your deposition today?

2 A. Basically, they just told me what  
3 the deposition was going to entail and basically  
4 tell the truth and it should be fine, no issues.

5 Q. Did you talk to them about any  
6 specific issues that might come up?

7 A. No. Just basically, like I said,  
8 termination reports is one of the items they would  
9 talk about. That's about it.

10 Q. Okay. When was the last time you  
11 spoke with Ben Cooney?

12 A. Excuse me. Who?

13 Q. Do you know who Mr. Cooney is, Ben  
14 Cooney?

15 A. No, I don't.

16 Q. So I take that as a never?

17 A. It's a never.

18 Q. When was the last time you spoke  
19 with Mr. Herron?

20 A. I spoke to Mr. Herron yesterday.

21 Q. Okay. Did you talk to him about  
22 anything that helped you refresh your recollection  
23 or helped you testify today?

24 A. Just basically what we went over,  
25 details that I mentioned in the past.

1 Q. In the last three months, how many  
2 times would you say you have spoken to Mr. Herron?  
3 A. Maybe three to five times.  
4 Q. Okay. Did he tell you any  
5 specifics about Mr. Klenet's deposition?  
6 A. Not that I recall, no.  
7 Q. Did he tell you any specifics about  
8 Ms. Ritter's deposition?  
9 A. Ms. who?  
10 Q. Ms. Ritter.  
11 A. No.  
12 Q. Any specifics about Ms. Leiberman's  
13 deposition?  
14 A. Just basically what I mentioned to  
15 you before.  
16 Q. Okay. You testified earlier that  
17 you never made any bank deposits for Ms. Ritter's  
18 campaign?  
19 A. That's correct.  
20 Q. Okay. You also testified that the  
21 only checks you wrote were refunds at the end of the  
22 campaign?  
23 A. That's correct, refunds and any  
24 other checks that were pending to be written.  
25 Q. Okay.

1 A. I think there was only a few other  
2 checks, maybe two or three checks or so.  
3 Q. Okay. Did you review the bank  
4 records?  
5 A. Yes.  
6 Q. You testified earlier that you  
7 would compare the spreadsheet that you received from  
8 Ms. Leiberman to the bank record from the campaign  
9 account?  
10 A. Yes.  
11 Q. What would you do if they didn't  
12 match up?  
13 A. I would then ask Alexander  
14 Leiberman to determine where the missing information  
15 was.  
16 Q. Okay. What if she was unable to  
17 help you?  
18 A. She was always able to help me,  
19 because I wasn't going to let it go.  
20 Q. Okay. I believe you testified  
21 earlier that the only campaign treasury report that  
22 you prepared was the termination report. Is that  
23 correct?  
24 A. That's correct.  
25 Q. Then Ms. Leiberman prepared the

1 other campaign treasury reports?  
2 A. That's correct.  
3 Q. Okay. Did you prepare any  
4 amendments to the campaign treasury reports?  
5 A. Not to my knowledge, no.  
6 Q. Okay. What was the campaign's  
7 procedure in keeping records that were going to be  
8 reported? You kind of went through it a little  
9 earlier.  
10 A. Basically, they would appear on the  
11 actual trial report. Then they would get submitted  
12 over to Russell Klenet for his review and approval,  
13 and I guess he would confer with Stacy Ritter.  
14 Q. So Ms. Leiberman would enter in the  
15 contributions or the expenditures on the report. Is  
16 that correct?  
17 A. Yes.  
18 Q. You would receive that, correct?  
19 A. Yes.  
20 Q. Then you would compare that to the  
21 bank records?  
22 A. Yes.  
23 Q. Then you would send it back to  
24 Mr. Klenet for approval?  
25 A. Yes.

1 Q. Okay. If you noticed something  
2 didn't match up, you would ask Ms. Leiberman about  
3 that?  
4 A. That's correct. When I say match  
5 up, it's basically total deposits that were entered  
6 in that made up a specific deposit. The actual  
7 details of each deposit, I had no clue.  
8 Q. Okay. So you would look at just  
9 the overall deposit amount versus --  
10 A. Correct. I would compare the  
11 \$1,000, \$2,500, or whatever deposits, and those were  
12 deposit slips, and then they hit the bank.  
13 Q. Okay. So you didn't audit the  
14 information. Is that correct?  
15 A. No. I didn't have specific  
16 information of what each deposit ticket was.  
17 Q. Okay. Just the numbers match up?  
18 A. Correct.  
19 Q. I'm going to present the witness  
20 with Exhibit 2. This is the campaign's -- it's  
21 actually during the 2007 Q3 reporting period.  
22 However, it's misreported as the Q2. Do you  
23 recognize this document?  
24 A. Not really. It's the first time I  
25 have seen it.

1 Q. Okay. This was not a report that  
2 you prepared. Is that correct?  
3 A. That's correct.  
4 Q. Okay. The information, however, on  
5 the contributions and expenditures would have been  
6 something you would have compared with bank  
7 statements. Is that correct?  
8 A. Yes, based on the information given  
9 to me.  
10 Q. Okay. I'm presenting the witness  
11 with Exhibit 6. On the top of the page, it's a  
12 check from DNC Travel Hospitality Services for \$500.  
13 Is that correct?  
14 A. Yes.  
15 Q. This check was deposited into the  
16 campaign account, as you can see from the second —  
17 basically the back of the check?  
18 A. Yes.  
19 Q. However, it was not included on the  
20 2007 Q3 report. Do you know why it was not  
21 reported?  
22 A. I do not recall, sir.  
23 Q. Would something that was deposited  
24 during a campaign period and not appear on the  
25 report, would that be something that you would

1 Q. Okay.  
2 MR. HERRON: Again, I'm going to  
3 object to the form of the question. You are  
4 saying that — I'm going to object to the  
5 form of the question.  
6 MR. MOYE: Okay.  
7 BY MR. MOYE:  
8 Q. This is Exhibit 8. This was a  
9 check that was issued from Billings, Cochran, Heath,  
10 Lyles, Mauro & Anderson. However, it was reported  
11 as being from Mary Benton. Once again, based upon  
12 your prior testimony, you just looked at the face  
13 value that it was a \$500 check. Is that correct?  
14 A. Correct.  
15 Q. Okay. Exhibit 9, the first check  
16 on the first page is from Wheelabrator North  
17 Broward. The second check is from Kevin Leo on the  
18 second page. The third page is a check from  
19 International Galleria Corp. The fourth page is a  
20 check from Jetscape Services. All of these checks  
21 were deposited into Ms. Ritter's bank account.  
22 However, they were not reported on the 2007 Q4  
23 report. Do you know why they would have been in the  
24 bank account, but not on the report?  
25 A. I don't recall, sir.

1 normally catch or that you would look for?  
2 A. Well, if the deposit was given to  
3 me and it was on the bank statement, then the  
4 research would not continue, because it was already  
5 there. Like I said, the specifics — I didn't get  
6 involved in the specifics, only in totals that were  
7 deposited into the campaign account.  
8 Q. Okay. Who was responsible for  
9 filling out the descriptions on the campaign  
10 treasury report?  
11 A. That was Alex Leiberman.  
12 Q. Okay.  
13 A. Because those are all entries that  
14 were entered —  
15 Q. So you would just take it as face  
16 value, whatever she put on there?  
17 A. Correct.  
18 Q. Same thing, if — I'll present the  
19 witness with Exhibits 3A and 3B. Once again, I  
20 believe your testimony is this is not a report that  
21 you prepared?  
22 A. That is correct.  
23 Q. However, you would compare the  
24 contributions and expenditures to the bank account?  
25 A. Yes.

1 Q. Do you know generally why something  
2 would be in the bank account but would not be on the  
3 report?  
4 A. The only thing I could think of  
5 would be that it was caught by the bank statement  
6 and then it was found and an amended report should  
7 have been filed.  
8 Q. Okay.  
9 A. That's the only thing I could think  
10 of.  
11 Q. In this case, there was an amended  
12 report and it was included on that.  
13 A. Okay.  
14 Q. Do you know how it was discovered  
15 that it was not on the original when you first  
16 looked at it, but yet you caught it for the  
17 amended —  
18 MR. HERRON: Objection to the form  
19 of the question.  
20 BY MR. MOYE:  
21 Q. You can go ahead and answer, if you  
22 can.  
23 A. The same thing. As a review of the  
24 bank statement, I noticed that there was a  
25 discrepancy. I then, in turn, asked Alexandra

1 Leiberman to say, hey, we're missing something. The  
2 reports were already filed. Then she would then,  
3 okay, we found it. She entered the information in  
4 and filed the amended report.

5 Q. Okay. Did you ever review a  
6 campaign treasury report against the bank statements  
7 after the original was filed?

8 A. I don't recall.

9 Q. Okay. What was your practice in  
10 reviewing a campaign treasury report — or sorry —  
11 the report you received from Ms. Leiberman to the  
12 bank records? What was your procedure when you  
13 would do that?

14 A. It was a long time ago, and I don't  
15 recall.

16 Q. Okay. Exhibit 10, page one. This  
17 is a check from Hanes, Inc., for \$80. This was  
18 deposited into the campaign account. However, it  
19 was not reported on the 2007 Q4. Do you know why?

20 MR. HERRON: Objection to the  
21 categorization that it was a contribution.  
22 It's an expenditure.

23 MR. MOYE: Strike that. I'll  
24 rephrase that.

25 BY MR. MOYE:

1 Q. Okay. Would that information on  
2 the spreadsheet you confirmed or you checked  
3 everything with then be re-entered into Campaign  
4 Toolbox?

5 A. That information — I was provided  
6 that information and it would be entered into the  
7 reconciliation spreadsheet, and at the end of the  
8 given month or quarter, then it would be confirmed  
9 with the bank statements.

10 Q. Okay. So you did not receive a  
11 Campaign Toolbox spreadsheet?

12 A. No.

13 Q. I apologize. We're going to go  
14 back to Exhibit 6. We're going to be looking at  
15 pages two through six, which are contributions from  
16 Arera, different Arera corporations. These ten  
17 contributions from Arera were deposited into the  
18 account. However, they were not included on the  
19 report, 2008 Q1 report. Do you know why?

20 A. I think this might have been a case  
21 where it was missing from the bank statements and  
22 then I advised that to Alex Leiberman, and then she  
23 located it and then it was entered and an amended  
24 report should have been filed.

25 MR. HERRON: Josh, we blinked for a

1 Q. Do you know why this expenditure  
2 for \$80 was not reported?

3 A. I don't recall.

4 Q. Okay. This expenditure was also  
5 not reported on the amended Q4. Do you know why?

6 A. I don't recall.

7 Q. Do you know why it was never  
8 reported on any report?

9 A. I'm not sure. I don't recall.

10 Q. Okay. I'm going to present the  
11 witness with Exhibit 4, the 2008 Q1. Is it correct  
12 that this is also a report that you did not —

13 A. That is correct.

14 Q. — create? However, you would have  
15 compared the expenditures and contributions to the  
16 bank records. Is that correct?

17 A. Yes, the actual report given to me.

18 Q. Correct. So you didn't receive  
19 this actual report?

20 A. No.

21 Q. What kind of spreadsheet would you  
22 receive?

23 A. It would be an Excel spreadsheet  
24 indicating date, check number, amount. Basically,  
25 that's the information I was given.

1 minute. What exhibit are you on?

2 MR. MOYE: We're on 6, pages two  
3 through six.

4 MR. HERRON: Okay. Thank you.

5 MR. MOYE: The Arera contribution  
6 checks.

7 MR. HERRON: Thank you.

8 BY MR. MOYE:

9 Q. Do you know why these Arera checks  
10 were never reported?

11 A. Like I said previously, they were  
12 found, they were entered, and they should have been  
13 as an amended report. Whether or not it was sent as  
14 an amended report, I didn't have that exposure, so I  
15 don't know.

16 Q. But these are checks that you  
17 remember catching that were not on the original  
18 report?

19 A. Well, I remember that they weren't  
20 in the bank, and once we researched, they found they  
21 were. They were entered into the system, and they  
22 should have been done as an amended report.

23 Q. Okay. Do you know why they would  
24 not have been reported in an amended report?

25 A. I have no clue. That's what should

1 have happened.  
 2 Q. Okay. Do you know what — what is  
 3 Arera? Do you know?  
 4 A. I have no clue who these people  
 5 are.  
 6 Q. Okay. On these checks, they are  
 7 from the Stacy Ritter campaign, care of John  
 8 Milledge. Do you know who John Milledge is?  
 9 A. I have no idea, sir.  
 10 Q. Do you know if he had a role in the  
 11 campaign?  
 12 A. I have no clue who he is.  
 13 Q. Okay. I'm going to go on to  
 14 Exhibit 11, and we're going to be looking at the  
 15 second page. The first check is dated August 4th,  
 16 2007, for \$500, and the second check is dated  
 17 February 22, 2008, for \$500. Is that correct?  
 18 A. Yes.  
 19 Q. It appears, from the backs of the  
 20 checks, that both of these were deposited into Ms.  
 21 Ritter's campaign account?  
 22 A. That's correct.  
 23 Q. Do you know why both of these  
 24 checks were accepted and deposited into the account?  
 25 A. I don't know. That wasn't my role

1 and function.  
 2 Q. Okay. If you noticed that there  
 3 was an excessive contribution, is that something you  
 4 would notify Ms. Leiberman about?  
 5 A. The only way that I would know that  
 6 that may have occurred would have been at the very  
 7 end of the campaign.  
 8 Q. Okay. Whose responsibility was it  
 9 to ensure there was no excessive contributions?  
 10 A. Basically, Alex Leiberman would  
 11 enter the expenditure, but if Mary didn't have it or  
 12 Russ Klenet didn't notice that there was one, we  
 13 relied upon the Campaign Toolbox to draw a red flag.  
 14 Q. Okay.  
 15 A. Stating that — I would assure, at  
 16 that point, if it stated that, a refund check should  
 17 have been issued.  
 18 Q. Okay, but that was not your role in  
 19 the campaign. Is that correct?  
 20 A. No.  
 21 Q. We're going to go to Exhibit 5.  
 22 MR. MOYE: Mr. Herron, did you  
 23 label your exhibit?  
 24 MR. HERRON: I did not.  
 25 MR. MOYE: Did you want to?

1 MR. HERRON: Yeah. Why not? I  
 2 didn't want to screw up the numbers, so I  
 3 didn't pick a number.  
 4 MR. MOYE: Well, maybe we can do a  
 5 composite Exhibit 5, since your front page  
 6 is more accurate and legible than our front  
 7 page of Exhibit 5.  
 8 MR. HERRON: This is not the same  
 9 exhibit that I did. Do you see the dates?  
 10 This seems to be a different cover period.  
 11 MR. MOYE: Okay.  
 12 MR. LEBMAN: Mr. Moye, why don't  
 13 you mark it as Exhibit A.  
 14 MR. MOYE: Okay. So the exhibit  
 15 that Mr. Herron was using earlier is going  
 16 to be Exhibit A, so we're all clear.  
 17 THE COURT REPORTER: A?  
 18 MR. MOYE: A, yeah. That was in  
 19 your — I think you had the copy there. If  
 20 you don't mind, can she have the copy, since  
 21 that's the original?  
 22 THE WITNESS: You're talking about  
 23 the termination report?  
 24 MR. MOYE: Yeah, when we're done.  
 25 You can use it now. Okay. I believe that

1 the only thing different between the two are  
 2 just the first page. I believe the rest of  
 3 it is correct or the same.  
 4 (Exhibit A marked.)  
 5 BY MR. MOYE:  
 6 Q. Exhibit 11 on the first page, I  
 7 believe Mr. Herron already went over. Basically two  
 8 checks for \$500 came in. One was returned. When  
 9 you gave the pro rata list, it would not know that  
 10 the one check was returned. Is that correct?  
 11 A. That's correct.  
 12 Q. Because it would see the two  
 13 contributions and divvy out a pro rata proportion?  
 14 A. That's correct.  
 15 Q. Okay. The system, as far as you  
 16 know, does not pick up on the refund?  
 17 A. That is my understanding.  
 18 Q. Okay. That would be the same if  
 19 there was one \$500 check and that check returned?  
 20 The Campaign Toolbox only looks at the contribution  
 21 list?  
 22 A. That is my understanding.  
 23 Q. Okay.  
 24 MR. MOYE: Can we go off the  
 25 record?

1 (Off the record.)

2 BY MR. MOYE:

3 Q. Back on the record. We went ahead  
4 and marked Exhibit 14, Bags to Go. There's an  
5 uncollected funds stamp on it, which is clarified by  
6 Exhibit 14A. Going to Exhibit 15, Exhibit 15 is a  
7 list of expenditures that the campaign made during  
8 the TR period. All except one of these expenditures  
9 was dated September 15th, 2008. Does that appear to  
10 be correct?

11 A. Yes.

12 Q. Why weren't these expenditures  
13 reported on the termination report?

14 A. My understanding is they were.

15 Q. Okay. Go ahead and took a look and  
16 see if you see them reported on the termination  
17 report.

18 A. May I ask when this report was  
19 filed, the termination report?

20 Q. Exhibit A does not have a stamp, so  
21 I am unsure. However, Exhibit 5, which is  
22 petitioner's copy of the termination report —

23 A. These checks are not listed on the  
24 termination report?

25 Q. I do not believe so.

1 A. Okay. That was reported on there.

2 Q. Yes, I do see that. Is there a  
3 reason why it would be reported, but not have a  
4 check to back it up?

5 A. Check cashing through the bank?

6 Q. A reason why it would show on the  
7 itemized expenditures page, but not have a  
8 supporting check, would there be any reason for  
9 that?

10 A. Supporting check meaning that you  
11 would have a supporting copy from the bank being  
12 cashed?

13 Q. Correct.

14 A. Yes, because these checks would  
15 have probably not cleared the bank, and then, at the  
16 end of the campaign, they would have been treated as  
17 a void check and they would not be on the final  
18 report.

19 Q. Okay. So on September 15th, the  
20 check was written?

21 A. Right.

22 Q. The pro rata check, based on the  
23 Campaign Toolbox spreadsheet?

24 A. Correct.

25 Q. I'm sorry, the Campaign Toolbox

1 A. Okay. The only thing I could  
2 recall that this would have happened, if the  
3 termination report was done at the very end, prior  
4 to closing the account, these checks would have not  
5 cleared and they were removed, is my understanding,  
6 that these checks may have been the checks that  
7 never cleared the bank account and they were removed  
8 to make sure we properly closed out the account with  
9 a zero balance.

10 Q. So a check was written from the  
11 campaign account. Is that correct?

12 A. If these checks were not reported  
13 in the campaign termination report, these checks  
14 were written out of the campaign, but they were  
15 never cashed out of the bank.

16 Q. Okay.

17 A. So then they would have been  
18 omitted from the report. Let me check on one of  
19 them real quick. It would be very difficult to do  
20 this. It appears the September 15, 2008  
21 expenditures start on page eight of the itemized  
22 expenditures. These expenditures are included. The  
23 JWH Harris & Company was reported on page number  
24 nine.

25 Q. I see that.

1 termination?

2 A. Yes.

3 Q. So it would have been reported at  
4 that time?

5 A. Correct.

6 Q. It doesn't get cashed, for whatever  
7 reason?

8 A. Correct.

9 Q. Then there would be no check to  
10 support it?

11 A. That's correct.

12 Q. Okay. I apologize for the  
13 confusion. I was not trying to trick you.

14 A. That's okay.

15 Q. Here is Exhibit 16. These are bank  
16 statements from Ms. Ritter's campaign account. Is  
17 that correct?

18 A. Yes.

19 Q. Why wasn't the campaign's bank  
20 account closed by September 18, 2008?

21 A. Because I believe Russ Klenet spoke  
22 with Mary Conroy, and she said that all of these  
23 refund checks have not been cashed, that they would  
24 need to give it some time for these checks to go  
25 through for them to be cashed. That's why the

1 account wasn't closed. It would have been very  
2 simple to, in turn, not give away any of these  
3 refund checks back to the contributors, just write  
4 it out to charity, tell them to cash it out, and  
5 we're done, or go to the bank and request whatever  
6 money is in the account, have cashier's checks drawn  
7 out to the various contributors — not to the  
8 contributors, but to the various charities — and  
9 then the account could be closed immediately.

10 Q. Right. How are you aware of what  
11 Ms. Cooney told Mr. Klenet?

12 A. He basically spoke to me about  
13 that.

14 Q. Okay. So he told you about his  
15 conversation with Ms. Cooney?

16 A. Yes.

17 Q. When did you issue the pro rata  
18 check refund?

19 A. The pro rata checks issued on  
20 September 15th of 2008.

21 Q. Okay. So they were issued three  
22 days before the campaign was supposed to be closed?

23 A. Correct.

24 Q. Why weren't they issued earlier  
25 like during the TR period?

1 rata checks, instead of doing money to charity.

2 A. I'm assuming that that would have  
3 been a suggestion by Russ Klenet, and then he would  
4 confer that with Stacy Ritter. I would think their  
5 logic was they gave X amount of money back. We  
6 didn't use the money. Let's give the money back to  
7 the individual contributors.

8 Q. Were you concerned at all about  
9 issuing the checks three days before the TR period  
10 was supposed to end?

11 A. I don't recall.

12 Q. I'm going to Exhibit 17. These are  
13 checks that were written after September 18th, 2008.  
14 Is that correct?

15 A. Yes.

16 Q. Why didn't the campaign file a  
17 campaign report to reflect the expenditures that  
18 occurred after the TR was due?

19 A. I am not sure.

20 Q. Was that ever discussed?

21 A. I don't recall.

22 Q. Okay. So you don't know why?

23 A. I don't know why. That may have  
24 been an internal thing that Ms. Klenet may have  
25 discussed and they were going to handle it at the

1 A. Because of the fact that it was  
2 taking so much time, had different problems with the  
3 reports that were generated. They weren't correct,  
4 and we ran at least three times to try to get them  
5 correct, and finally we got them to the point that  
6 they were, and that's when we wrote the checks out.

7 Q. According to the campaign account  
8 bank statements, it appears that there was almost  
9 five months after the TR period ended when the  
10 campaign finally was zeroed out?

11 A. Yes. I know it was awhile.

12 Q. Okay. So you have three months to  
13 zero out the campaign account. However, it took  
14 almost eight. Is that correct?

15 A. If that's what the records show,  
16 yes. We indicated to — I believe Alex Leiberman  
17 prepared a letter when these went out stating please  
18 cash these immediately because the account is going  
19 to be closed. In a short period of time, if you  
20 don't cash it, you are going to lose it, something  
21 of that nature.

22 Q. You mentioned some other options  
23 that could have been done with charity?

24 A. Yes.

25 Q. Whose decision was it to issue pro

1 office. I'm not sure what occurred there.

2 Q. Okay. Do you know if the campaign  
3 is ever going to report these expenditures?

4 A. I'm sure we discussed to issue an  
5 amended report, but I think that, after noticing  
6 that these weren't the issues, that it was going to  
7 be more confusing to file an amended report than to  
8 just explain what occurred.

9 Q. Okay. It's correct that you were  
10 responsible for compiling the TR report?

11 A. Yes.

12 Q. These checks that came after the TR  
13 period, were these also your responsibility?

14 A. I don't recall whose responsibility  
15 it was.

16 Q. Okay. After you created the  
17 termination report, did you still have the  
18 responsibility of checking the bank statement with  
19 the Excel sheet?

20 A. Yes.

21 Q. When you were responsible for doing  
22 the TR report, you were still receiving — were you  
23 still receiving the Excel spreadsheets?

24 A. Well, only up to the point where  
25 these additional checks were written. There was no

1 additional checks written, because it zeroed out the  
2 account after doing all of the pro rata refund  
3 checks.

4 Q. So Exhibits 16 and 17, would this  
5 have been something that you would have still  
6 compared?

7 A. Basically, as bank statements would  
8 roll in, I would then reconcile them up to a certain  
9 point. Then it reached to a point where none of the  
10 outstanding refund checks were coming in. Then it  
11 was determined that these additional checks were  
12 going to be written.

13 Q. Okay. I'm going to take a quick  
14 break.

15 (A break was held.)

16 BY MR. MOYE:

17 Q. I noticed earlier, and I think  
18 Mr. Herron mentioned, as well as yourself, that  
19 there was documentation Mr. Herron sent you?

20 A. Yes.

21 Q. Did that help you testify today?

22 A. Yes.

23 Q. How did it help you testify?

24 A. It helped me by reviewing the  
25 documents and trying to remember what actually

1 conversations you had with Mr. Klenet?

2 A. Not very long, under five minutes.

3 Q. Each of them under five minutes?

4 A. Yes, under five minutes.

5 Q. Did you have any conversations with  
6 him that compelled you to go research anything  
7 regarding the campaign?

8 A. No.

9 Q. Did you guys discuss any reports?

10 A. Nothing that we've discussed in the  
11 past, no.

12 Q. No reports?

13 A. No.

14 Q. Did you guys discuss contributions  
15 or expenditures?

16 A. No.

17 Q. Did you guys ever discuss the Arera  
18 contributions?

19 A. Not in the conversations, but I  
20 know back when we noticed the missing contributions,  
21 yeah, we discussed it.

22 Q. I'm basically just focusing on the  
23 last three months.

24 A. No.

25 Q. If that helps you answer the

1 transpired.

2 Q. Okay. Did anything on — I'm not  
3 referring to Exhibit A. I'm referring to the other  
4 document you were reviewing. Did anything on there  
5 compel you to go research other issues?

6 A. No.

7 Q. Okay. Did he mention any potential  
8 questions I might ask?

9 A. No.

10 Q. Any issues that might come up?

11 A. No.

12 Q. You mentioned you had a few  
13 discussions with Mr. Klenet?

14 A. Yes.

15 Q. What specifically did you discuss?

16 A. Just give me an idea of what the  
17 deposition procedure is, what was going to  
18 transpire, asking questions, and just basically  
19 answer the truth and everything should be just fine.

20 Q. Did you guys discuss anything  
21 specifically about his depo?

22 A. No, just basically the procedure,  
23 asking questions, he answered them, and that's about  
24 it.

25 Q. Okay. How long were the

1 question.

2 A. Okay, thank you.

3 Q. Did you discuss with Mr. Klenet any  
4 potential questions that might come up?

5 A. No.

6 Q. Any potential issues that might  
7 come up?

8 A. No.

9 Q. With Ms. Leiberman, how long were  
10 those conversations?

11 A. No more than a minute or two.

12 Q. Even less than Mr. Klenet?

13 A. Yes.

14 Q. What specifically did you discuss  
15 with her?

16 A. Just the same procedure, how long  
17 did your deposition take, anything outside of the  
18 ordinary besides just the truth that will come up.

19 Q. Did either of your discussions with  
20 Klenet or Leiberman help you testify today?

21 A. No.

22 Q. Did they help refresh your  
23 recollection of any events or issues that came up?

24 A. No, because we really didn't go  
25 into details.

1 Q. Okay. Anything else you can think  
2 of dealing with your conversations with Klenet or  
3 Leiberman?  
4 A. No, not at all.  
5 Q. Who was the treasurer for the  
6 campaign?  
7 A. My understanding is Stacy Ritter.  
8 Q. Okay. Was there a deputy  
9 treasurer?  
10 A. I'm not aware of that.  
11 Q. You are not aware if there was?  
12 A. No.  
13 Q. Okay. So to the best of your  
14 knowledge, there wasn't a campaign deputy treasurer?  
15 A. No.  
16 Q. Going back to the conversation you  
17 had with Klenet and Leiberman, why did you have, I  
18 believe you testified, four to six conversations  
19 with each of them?  
20 A. Yes, basically. With Russ Klenet,  
21 just conversations that we had basically regarding  
22 depositions and procedures and things of that  
23 nature.  
24 Q. Okay. Did you discuss the same  
25 things the four to six times that you did discuss in

1 there is a trial?  
2 A. No.  
3 Q. Read or waive? Do you want to read  
4 or waive?  
5 A. I don't know.  
6 Q. You basically have the option of,  
7 if we do order a transcript, you can go ahead and  
8 read through it to make sure everything is accurate  
9 as to what you testified to, or you can waive that  
10 right. If you read, you can always waive later. If  
11 you waive, you can't go back and decide to read.  
12 A. Okay. Then I'll read.  
13 MR. MOYE: Is that a good  
14 explanation, Mark?  
15 MR. HERRON: That's close enough,  
16 yeah. I have got a few questions.  
17 BY MR. HERRON:  
18 Q. Do you still have Exhibit 17  
19 nearby?  
20 A. Yes, I do.  
21 Q. Did you write any of these checks?  
22 A. No.  
23 Q. Exhibit 15, do you have that  
24 nearby?  
25 A. Yes.

1 the last six months?  
2 A. Just basically, yeah, more or less.  
3 Q. Did you find your discussions with  
4 Klenet and Leiberman helpful?  
5 A. Just put me at ease of what to  
6 expect in a deposition.  
7 Q. Okay. Today has been the first  
8 time you have been deposed?  
9 A. Yes.  
10 Q. Twice in one day?  
11 A. Get them out of the way early.  
12 MR. MOYE: I have no further  
13 questions, other than the concluding  
14 questions, Mr. Herron.  
15 BY MR. MOYE:  
16 Q. Mr. Granados, are there any answers  
17 to my questions that you wish to change before I  
18 close my portion of the deposition?  
19 A. No, not at all.  
20 Q. Is there any information I asked  
21 you about that you remember now, but you didn't  
22 recall when I asked you the question?  
23 A. No.  
24 Q. Is there any reason to believe that  
25 your memory will improve between now and trial, if

1 Q. The top check is a check dated or  
2 an entry that says 7/25/08 to the Florida Democratic  
3 Party?  
4 A. Yes.  
5 Q. Do you have any knowledge with  
6 respect to that check? Did you write it?  
7 A. I did not write the check.  
8 Q. You didn't have responsibility for  
9 writing checks at that time, correct?  
10 A. That is correct.  
11 Q. Exhibit 6.  
12 A. Yes.  
13 Q. On pages two through the end are  
14 the Arera checks?  
15 A. Yes.  
16 Q. If I understood what you told  
17 Mr. Moyer was, at some point in time, you had noticed  
18 that these checks were not in the bank. Is that  
19 accurate?  
20 A. That's incorrect.  
21 Q. Okay.  
22 A. I noticed that these checks were in  
23 the bank, but they were not in the campaign report.  
24 Q. When you talk about —  
25 A. At that point, I advised Alex

1 Leiberman that there's a discrepancy in the bank  
2 account versus the Campaign Toolbox reports, that  
3 these were missing. At that point, she researched.  
4 She determined what that missing deposit was, and at  
5 that point, those were entered in.

6 Q. Okay. At the point in time -- do  
7 you recall at the point in time you noticed they  
8 were missing from the report, were you looking at  
9 the Campaign Toolbox report or a spreadsheet?

10 A. A spreadsheet.

11 Q. That leads to my last question.  
12 Basically, in your responsibilities, you were not  
13 reviewing the Campaign Toolbox draft. You were  
14 reviewing spreadsheets that were sent to you by the  
15 campaign?

16 A. That's correct.

17 Q. No further questions.

18 MR. MOYE: No questions.

19 MR. HERRON: Okay. Madam Court  
20 Reporter, I told you on the break that, when  
21 we got done, I was going to order my short  
22 deposition at the front, and I would like to  
23 do so.

24 THE COURT REPORTER: Okay. Thank  
25 you.

1 WILLIAM GRANADOS,  
2 having been first duly sworn, was examined and  
3 deposed as follows:

4 EXAMINATION

5 BY MR. MOYE:

6 Q. Good morning, Mr. Granados.

7 A. Good morning.

8 Q. I'm here to take your deposition in  
9 a case that's being litigated by the Florida  
10 Election Commission. My name is Josh Moye. I'm the  
11 attorney for the commission. Other than 15 minutes  
12 ago, have you ever been deposed?

13 A. No.

14 Q. I'm going to ask you a couple of  
15 questions or several questions today involving some  
16 matters involved in the case. The court reporter is  
17 going to take everything we say down, as in the  
18 previous deposition today. You are doing a great  
19 job of speaking verbally, not nodding your head,  
20 saying yes and no. Keep doing that, if you would.

21 A. Yes.

22 Q. The transcript may be used at the  
23 hearing, so although there's no judge sitting here  
24 today, you should testify with the same seriousness  
25 as if there was a judge.

1           A.           Yes.

2           Q.           I may ask you a question that I  
3 don't state very well. Let me know and I'll try to  
4 rephrase it. If you do not ask me to rephrase it,  
5 I'm assuming that you understood the question.

6           A.           Yes.

7           Q.           You are more than willing to  
8 take -- I'm more than willing to let you take a  
9 break, if you need a break. I may ask you to finish  
10 a question or a particular series of questions, but  
11 I don't see any reason why we can't take a break now  
12 and then.

13          A.           Yes.

14          Q.           Mr. Herron may state an objection  
15 to one of the questions I ask. Unless he instructs  
16 you not to answer it, you must still answer the  
17 question, and the judge will decide whether the  
18 objection is well taken.

19          A.           Yes.

20          Q.           Are you taking any medications that  
21 might affect your ability to recall events or answer  
22 my questions today?

23          A.           No.

24          Q.           Is there any reason you can think  
25 of as to why you will not be able to answer my

1 questions truthfully?

2 A. No.

3 Q. Mr. Granados, where do you live?

4 A. 850 Gateway Lane, Seymour,  
5 Tennessee, 37865.

6 Q. How long have you lived there?

7 A. It's going to be three and a half  
8 years.

9 Q. Can you tell me a little bit about  
10 your educational background?

11 A. I graduated through an AA.

12 Q. Where did you obtain your --

13 A. Miami Dade Community College.

14 Q. You mentioned you are currently  
15 employed. Is that correct?

16 A. Presently, no, I'm not currently  
17 employed.

18 Q. You are currently not employed?

19 A. No, not employed.

20 Q. Okay. When did you become  
21 unemployed?

22 A. It's been awhile, beginning of the  
23 year.

24 Q. Beginning of the year, okay. Does  
25 Granados Accounting Group still exist?

1 A. No.

2 Q. Granados Accounting Group was in  
3 existence during the 2008, 2009 years?

4 A. Correct.

5 Q. What was your capacity when  
6 Granados Accounting Group existed?

7 A. Just complete owner.

8 Q. Complete owner?

9 A. Complete owner shared with my wife.

10 Q. Okay. Were there any other  
11 employees other than you and your wife?

12 A. No.

13 Q. Were you the sole contact with  
14 Mr. Klenet for the Ritter campaign?

15 A. Yes.

16 Q. Did your wife ever have any  
17 contact?

18 A. No.

19 Q. Did you do anything to prepare for  
20 your deposition today?

21 A. Just reviewed the information  
22 Mr. Herron provided me.

23 Q. Okay. What did he provide you?

24 A. Just basically termination reports,  
25 an outline of the questions he was going to possibly

1 ask.

2 Q. Okay. Did you talk to anyone about  
3 the deposition other than Mr. Herron?

4 A. I just mentioned to my wife that I  
5 had to go to a deposition today.

6 Q. Okay. I know that the -- well, I'm  
7 assuming, because I saw you look through it, the  
8 document, the TR that was provided by Mr. Herron,  
9 that helped you refresh your memory --

10 A. Yes.

11 Q. -- for the deposition?

12 A. Yes.

13 Q. I do have a copy of that as well.  
14 Have you ever run for public office?

15 A. No.

16 Q. Have you ever served as a campaign  
17 treasurer for a candidate for public office?

18 A. No.

19 Q. You previously testified that you  
20 were the accountant for Ms. Ritter's 2008 campaign.  
21 Is that correct?

22 A. Yes.

23 Q. What did you do to prepare yourself  
24 to help Ms. Ritter with her campaign, specifically  
25 the 2008 campaign?

1           A.           Just what I mentioned in the past.  
2 I would, based on the reports given to me, reconcile  
3 the bank account and confirm that the numbers agreed  
4 with the Campaign Toolbox.

5           Q.           Okay. Have you read Chapter 104 of  
6 Florida statutes?

7           A.           No, I have not.

8           Q.           Have you read Chapter 106?

9           A.           No, sir.

10          Q.           Do you possess a copy of the  
11 Committee and Campaign Treasurer Handbook?

12          A.           No, I don't.

13          Q.           Issued by the state of Florida?

14          A.           No, I don't.

15          Q.           Have you ever read the handbook?

16          A.           No, sir.

17          Q.           Have you ever been a chairperson of  
18 a political action committee or anything?

19          A.           No, sir.

20          Q.           Have you ever served as treasurer?

21          A.           No, sir.

22          Q.           Did Ms. Ritter have a campaign  
23 manager?

24          A.           I'm assuming that the campaign  
25 manager would have been Russell Klenet.

1 Q. Okay. Did you ever seek assistance  
2 from Ms. Ritter regarding any questions you would  
3 have regarding the campaign?

4 A. No.

5 Q. Other than being a possible  
6 campaign manager, what was Mr. Klenet's other roles  
7 in the campaign, if any?

8 A. I don't recall any other.

9 Q. Did you ever seek assistance from  
10 Mr. Klenet regarding the campaign?

11 A. Yes.

12 Q. When would you seek assistance from  
13 him?

14 A. Just verification if something in  
15 the bank statement or in the Campaign Toolbox did  
16 not agree.

17 Q. When was the last time you spoke  
18 with Mr. Klenet?

19 A. Last time I spoke to Mr. Klenet  
20 would have been yesterday.

21 Q. Okay. What did you speak about?

22 A. Just basically the deposition.

23 Q. Okay. Did he talk to you at all  
24 about his deposition?

25 A. Briefly.

1 Q. What did he tell you about his  
2 deposition?

3 A. Just nothing to worry about, simple  
4 questions, tell the truth, just what you know.

5 Q. Did he talk to you about anybody  
6 else's deposition regarding this case?

7 A. Basically, Alex Leiberman.

8 Q. Okay. What did he tell you about  
9 Alex Leiberman?

10 A. Same thing, just answer truthfully  
11 and everything should be fine. It was about maybe  
12 an hour or two hour deposition.

13 Q. Okay. Did you discuss anything  
14 with him that helped refresh your recollection about  
15 what he testified about so far?

16 A. Not really. Everything was pretty  
17 much whatever I recalled.

18 Q. Before yesterday, when was the last  
19 time you talked to him before that?

20 A. Probably a week or two before when  
21 the possibility of the deposition was going to  
22 occur.

23 Q. What did you discuss then?

24 A. Basically the same details, that  
25 they were going to go over what happened in the

1 campaign and just answer them truthfully and it's  
2 fine, everything should be fine.

3 Q. Okay. What was Ms. Leiberman's  
4 role in Ms. Ritter's campaign?

5 A. Ms. Leiberman's role was to receive  
6 campaign contributions, input those campaign  
7 contributions into Campaign Toolbox, and then, in  
8 turn, make the physical deposit, I guess her go to  
9 the bank or courier go to the bank, make the  
10 deposits, enter expenditures, write the actual  
11 checks, and then at a given point, send me the  
12 reports.

13 Q. Okay. Was Ms. Leiberman the only  
14 one who was responsible for entering expenditures  
15 and contributions into Campaign Toolbox?

16 A. Yes.

17 Q. So everything you did relied on her  
18 entering it into Toolbox?

19 A. That's correct.

20 Q. Okay. So is it fair to say, if Ms.  
21 Leiberman did enter in something or entered  
22 something incorrectly, that's what you would go off  
23 of, what was in the Campaign Toolbox?

24 A. Yes, because I had nothing else to  
25 go by.

1 Q. Where does Ms. Leiberman work?

2 A. She works for Russell Klenet &  
3 Associates.

4 Q. Okay. When was the last time you  
5 spoke with Ms. Leiberman?

6 A. Yesterday, when I spoke to Russell  
7 Klenet.

8 Q. Did you speak to them at the same  
9 time?

10 A. Basically, I called the office, she  
11 answered the phone, and then she transferred me over  
12 to Mr. Klenet.

13 Q. Did you talk to her about anything  
14 about your deposition today?

15 A. To whom?

16 Q. To Ms. Leiberman about your  
17 deposition today.

18 A. Just basically, I just asked her  
19 how long her deposition was and she told me about an  
20 hour or two hours, and that's about it.

21 Q. Okay. Did you talk about any  
22 specifics with her about her deposition?

23 A. No, no specifics.

24 Q. Okay. Did you ever seek assistance  
25 from Mary Cooney?

1           A.           The only time I think I may have  
2 spoken with her was at the time of filing the  
3 expenditure termination report, where to send it to,  
4 how to send it. That was about it.

5           Q.           Okay. So basically just, how do  
6 you do it, how do you file it?

7           A.           How to file it, correct.

8           Q.           Nothing substantive?

9           A.           No.

10          Q.           Okay. Did you ever seek assistance  
11 from anyone else?

12          A.           No.

13          Q.           Have you spoken with anyone else  
14 from the campaign recently?

15          A.           No.

16          Q.           Just Mr. Klenet and Ms. Leiberman?

17          A.           That's correct.

18          Q.           In the last three months, how many  
19 times would you say you have talked to Mr. Klenet?

20          A.           Four to six times maybe.

21          Q.           Four to six times. What about Ms.  
22 Leiberman?

23          A.           Probably about the same.

24          Q.           During those four to six times, did  
25 either one of them say anything that helped you with

1 your deposition today?

2 A. Basically, they just told me what  
3 the deposition was going to entail and basically  
4 tell the truth and it should be fine, no issues.

5 Q. Did you talk to them about any  
6 specific issues that might come up?

7 A. No. Just basically, like I said,  
8 termination reports is one of the items they would  
9 talk about. That's about it.

10 Q. Okay. When was the last time you  
11 spoke with Ben Cooney?

12 A. Excuse me. Who?

13 Q. Do you know who Mr. Cooney is, Ben  
14 Cooney?

15 A. No, I don't.

16 Q. So I take that as a never?

17 A. It's a never.

18 Q. When was the last time you spoke  
19 with Mr. Herron?

20 A. I spoke to Mr. Herron yesterday.

21 Q. Okay. Did you talk to him about  
22 anything that helped you refresh your recollection  
23 or helped you testify today?

24 A. Just basically what we went over,  
25 details that I mentioned in the past.

1 Q. In the last three months, how many  
2 times would you say you have spoken to Mr. Herron?

3 A. Maybe three to five times.

4 Q. Okay. Did he tell you any  
5 specifics about Mr. Klenet's deposition?

6 A. Not that I recall, no.

7 Q. Did he tell you any specifics about  
8 Ms. Ritter's deposition?

9 A. Ms. who?

10 Q. Ms. Ritter.

11 A. No.

12 Q. Any specifics about Ms. Leiberman's  
13 deposition?

14 A. Just basically what I mentioned to  
15 you before.

16 Q. Okay. You testified earlier that  
17 you never made any bank deposits for Ms. Ritter's  
18 campaign?

19 A. That's correct.

20 Q. Okay. You also testified that the  
21 only checks you wrote were refunds at the end of the  
22 campaign?

23 A. That's correct, refunds and any  
24 other checks that were pending to be written.

25 Q. Okay.

1           A.           I think there was only a few other  
2 checks, maybe two or three checks or so.

3           Q.           Okay. Did you review the bank  
4 records?

5           A.           Yes.

6           Q.           You testified earlier that you  
7 would compare the spreadsheet that you received from  
8 Ms. Leiberman to the bank record from the campaign  
9 account?

10          A.           Yes.

11          Q.           What would you do if they didn't  
12 match up?

13          A.           I would then ask Alexander  
14 Leiberman to determine where the missing information  
15 was.

16          Q.           Okay. What if she was unable to  
17 help you?

18          A.           She was always able to help me,  
19 because I wasn't going to let it go.

20          Q.           Okay. I believe you testified  
21 earlier that the only campaign treasury report that  
22 you prepared was the termination report. Is that  
23 correct?

24          A.           That's correct.

25          Q.           Then Ms. Leiberman prepared the

1 other campaign treasury reports?

2 A. That's correct.

3 Q. Okay. Did you prepare any  
4 amendments to the campaign treasury reports?

5 A. Not to my knowledge, no.

6 Q. Okay. What was the campaign's  
7 procedure in keeping records that were going to be  
8 reported? You kind of went through it a little  
9 earlier.

10 A. Basically, they would appear on the  
11 actual trial report. Then they would get submitted  
12 over to Russell Klenet for his review and approval,  
13 and I guess he would confer with Stacy Ritter.

14 Q. So Ms. Leiberman would enter in the  
15 contributions or the expenditures on the report. Is  
16 that correct?

17 A. Yes.

18 Q. You would receive that, correct?

19 A. Yes.

20 Q. Then you would compare that to the  
21 bank records?

22 A. Yes.

23 Q. Then you would send it back to  
24 Mr. Klenet for approval?

25 A. Yes.

1 Q. Okay. If you noticed something  
2 didn't match up, you would ask Ms. Leiberman about  
3 that?

4 A. That's correct. When I say match  
5 up, it's basically total deposits that were entered  
6 in that made up a specific deposit. The actual  
7 details of each deposit, I had no clue.

8 Q. Okay. So you would look at just  
9 the overall deposit amount versus --

10 A. Correct. I would compare the  
11 \$1,000, \$2,500, or whatever deposits, and those were  
12 deposit slips, and then they hit the bank.

13 Q. Okay. So you didn't audit the  
14 information. Is that correct?

15 A. No. I didn't have specific  
16 information of what each deposit ticket was.

17 Q. Okay. Just the numbers match up?

18 A. Correct.

19 Q. I'm going to present the witness  
20 with Exhibit 2. This is the campaign's -- it's  
21 actually during the 2007 Q3 reporting period.  
22 However, it's misreported as the Q2. Do you  
23 recognize this document?

24 A. Not really. It's the first time I  
25 have seen it.

1 Q. Okay. This was not a report that  
2 you prepared. Is that correct?

3 A. That's correct.

4 Q. Okay. The information, however, on  
5 the contributions and expenditures would have been  
6 something you would have compared with bank  
7 statements. Is that correct?

8 A. Yes, based on the information given  
9 to me.

10 Q. Okay. I'm presenting the witness  
11 with Exhibit 6. On the top of the page, it's a  
12 check from DNC Travel Hospitality Services for \$500.  
13 Is that correct?

14 A. Yes.

15 Q. This check was deposited into the  
16 campaign account, as you can see from the second --  
17 basically the back of the check?

18 A. Yes.

19 Q. However, it was not included on the  
20 2007 Q3 report. Do you know why it was not  
21 reported?

22 A. I do not recall, sir.

23 Q. Would something that was deposited  
24 during a campaign period and not appear on the  
25 report, would that be something that you would

1 normally catch or that you would look for?

2 A. Well, if the deposit was given to  
3 me and it was on the bank statement, then the  
4 research would not continue, because it was already  
5 there. Like I said, the specifics -- I didn't get  
6 involved in the specifics, only in totals that were  
7 deposited into the campaign account.

8 Q. Okay. Who was responsible for  
9 filling out the descriptions on the campaign  
10 treasury report?

11 A. That was Alex Leiberman.

12 Q. Okay.

13 A. Because those are all entries that  
14 were entered --

15 Q. So you would just take it as face  
16 value, whatever she put on there?

17 A. Correct.

18 Q. Same thing, if -- I'll present the  
19 witness with Exhibits 3A and 3B. Once again, I  
20 believe your testimony is this is not a report that  
21 you prepared?

22 A. That is correct.

23 Q. However, you would compare the  
24 contributions and expenditures to the bank account?

25 A. Yes.

1 Q. Okay.

2 MR. HERRON: Again, I'm going to  
3 object to the form of the question. You are  
4 saying that -- I'm going to object to the  
5 form of the question.

6 MR. MOYE: Okay.

7 BY MR. MOYE:

8 Q. This is Exhibit 8. This was a  
9 check that was issued from Billing, Cochran, Heath,  
10 Lyles, Mauro & Anderson. However, it was reported  
11 as being from Mary Benton. Once again, based upon  
12 your prior testimony, you just looked at the face  
13 value that it was a \$500 check. Is that correct?

14 A. Correct.

15 Q. Okay. Exhibit 9, the first check  
16 on the first page is from Wheelabrator North  
17 Broward. The second check is from Kevin Leo on the  
18 second page. The third page is a check from  
19 International Galleria Corp. The fourth page is a  
20 check from Jetscape Services. All of these checks  
21 were deposited into Ms. Ritter's bank account.  
22 However, they were not reported on the 2007 Q4  
23 report. Do you know why they would have been in the  
24 bank account, but not on the report?

25 A. I don't recall, sir.

1 Q. Do you know generally why something  
2 would be in the bank account but would not be on the  
3 report?

4 A. The only thing I could think of  
5 would be that it was caught by the bank statement  
6 and then it was found and an amended report should  
7 have been filed.

8 Q. Okay.

9 A. That's the only thing I could think  
10 of.

11 Q. In this case, there was an amended  
12 report and it was included on that.

13 A. Okay.

14 Q. Do you know how it was discovered  
15 that it was not on the original when you first  
16 looked at it, but yet you caught it for the  
17 amended --

18 MR. HERRON: Objection to the form  
19 of the question.

20 BY MR. MOYE:

21 Q. You can go ahead and answer, if you  
22 can.

23 A. The same thing. As a review of the  
24 bank statement, I noticed that there was a  
25 discrepancy. I then, in turn, asked Alexandra

1 Leiberman to say, hey, we're missing something. The  
2 reports were already filed. Then she would then,  
3 okay, we found it. She entered the information in  
4 and filed the amended report.

5 Q. Okay. Did you ever review a  
6 campaign treasury report against the bank statements  
7 after the original was filed?

8 A. I don't recall.

9 Q. Okay. What was your practice in  
10 reviewing a campaign treasury report -- or sorry --  
11 the report you received from Ms. Leiberman to the  
12 bank records? What was your procedure when you  
13 would do that?

14 A. It was a long time ago, and I don't  
15 recall.

16 Q. Okay. Exhibit 10, page one. This  
17 is a check from Homes, Inc., for \$80. This was  
18 deposited into the campaign account. However, it  
19 was not reported on the 2007 Q4. Do you know why?

20 MR. HERRON: Objection to the  
21 categorization that it was a contribution.  
22 It's an expenditure.

23 MR. MOYE: Strike that. I'll  
24 rephrase that.

25 BY MR. MOYE:

1 Q. Do you know why this expenditure  
2 for \$80 was not reported?

3 A. I don't recall.

4 Q. Okay. This expenditure was also  
5 not reported on the amended Q4. Do you know why?

6 A. I don't recall.

7 Q. Do you know why it was never  
8 reported on any report?

9 A. I'm not sure. I don't recall.

10 Q. Okay. I'm going to present the  
11 witness with Exhibit 4, the 2008 Q1. Is it correct  
12 that this is also a report that you did not --

13 A. That is correct.

14 Q. -- create? However, you would have  
15 compared the expenditures and contributions to the  
16 bank records. Is that correct?

17 A. Yes, the actual report given to me.

18 Q. Correct. So you didn't receive  
19 this actual report?

20 A. No.

21 Q. What kind of spreadsheet would you  
22 receive?

23 A. It would be an Excel spreadsheet  
24 indicating date, check number, amount. Basically,  
25 that's the information I was given.

1 Q. Okay. Would that information on  
2 the spreadsheet you confirmed or you checked  
3 everything with then be re-entered into Campaign  
4 Toolbox?

5 A. That information -- I was provided  
6 that information and it would be entered into the  
7 reconciliation spreadsheet, and at the end of the  
8 given month or quarter, then it would be confirmed  
9 with the bank statements.

10 Q. Okay. So you did not receive a  
11 Campaign Toolbox spreadsheet?

12 A. No.

13 Q. I apologize. We're going to go  
14 back to Exhibit 6. We're going to be looking at  
15 pages two through six, which are contributions from  
16 Amera, different Amera corporations. These ten  
17 contributions from Amera were deposited into the  
18 account. However, they were not included on the  
19 report, 2008 Q1 report. Do you know why?

20 A. I think this might have been a case  
21 where it was missing from the bank statements and  
22 then I advised that to Alex Leiberman, and then she  
23 located it and then it was entered and an amended  
24 report should have been filed.

25 MR. HERRON: Josh, we blinked for a

1 minute. What exhibit are you on?

2 MR. MOYE: We're on 6, pages two  
3 through six.

4 MR. HERRON: Okay. Thank you.

5 MR. MOYE: The Amera contribution  
6 checks.

7 MR. HERRON: Thank you.

8 BY MR. MOYE:

9 Q. Do you know why these Amera checks  
10 were never reported?

11 A. Like I said previously, they were  
12 found, they were entered, and they should have been  
13 as an amended report. Whether or not it was sent as  
14 an amended report, I didn't have that exposure, so I  
15 don't know.

16 Q. But these are checks that you  
17 remember catching that were not on the original  
18 report?

19 A. Well, I remember that they weren't  
20 in the bank, and once we researched, they found they  
21 were. They were entered into the system, and they  
22 should have been done as an amended report.

23 Q. Okay. Do you know why they would  
24 not have been reported in an amended report?

25 A. I have no clue. That's what should

1 have happened.

2 Q. Okay. Do you know what -- what is  
3 Amera? Do you know?

4 A. I have no clue who these people  
5 are.

6 Q. Okay. On these checks, they are  
7 from the Stacy Ritter campaign, care of John  
8 Milledge. Do you know who John Milledge is?

9 A. I have no idea, sir.

10 Q. Do you know if he had a role in the  
11 campaign?

12 A. I have no clue who he is.

13 Q. Okay. I'm going to go on to  
14 Exhibit 11, and we're going to be looking at the  
15 second page. The first check is dated August 4th,  
16 2007, for \$500, and the second check is dated  
17 February 22, 2008, for \$500. Is that correct?

18 A. Yes.

19 Q. It appears, from the backs of the  
20 checks, that both of these were deposited into Ms.  
21 Ritter's campaign account?

22 A. That's correct.

23 Q. Do you know why both of these  
24 checks were accepted and deposited into the account?

25 A. I don't know. That wasn't my role

1 and function.

2 Q. Okay. If you noticed that there  
3 was an excessive contribution, is that something you  
4 would notify Ms. Leiberman about?

5 A. The only way that I would know that  
6 that may have occurred would have been at the very  
7 end of the campaign.

8 Q. Okay. Whose responsibility was it  
9 to ensure there was no excessive contributions?

10 A. Basically, Alex Leiberman would  
11 enter the expenditure, but if Mary didn't have it or  
12 Russ Klenet didn't notice that there was one, we  
13 relied upon the Campaign Toolbox to draw a red flag.

14 Q. Okay.

15 A. Stating that -- I would assume, at  
16 that point, if it stated that, a refund check should  
17 have been issued.

18 Q. Okay, but that was not your role in  
19 the campaign. Is that correct?

20 A. No.

21 Q. We're going to go to Exhibit 5.

22 MR. MOYE: Mr. Herron, did you  
23 label your exhibit?

24 MR. HERRON: I did not.

25 MR. MOYE: Did you want to?

1 MR. HERRON: Yeah. Why not? I  
2 didn't want to screw up the numbers, so I  
3 didn't pick a number.

4 MR. MOYE: Well, maybe we can do a  
5 composite Exhibit 5, since your front page  
6 is more accurate and legible than our front  
7 page of Exhibit 5.

8 MR. HERRON: This is not the same  
9 exhibit that I did. Do you see the dates?  
10 This seems to be a different cover period.

11 MR. MOYE: Okay.

12 MR. LIPMAN: Mr. Moye, why don't  
13 you mark it as Exhibit A.

14 MR. MOYE: Okay. So the exhibit  
15 that Mr. Herron was using earlier is going  
16 to be Exhibit A, so we're all clear.

17 THE COURT REPORTER: A?

18 MR. MOYE: A, yeah. That was in  
19 your -- I think you had the copy there. If  
20 you don't mind, can she have the copy, since  
21 that's the original?

22 THE WITNESS: You're talking about  
23 the termination report?

24 MR. MOYE: Yeah, when we're done.  
25 You can use it now. Okay. I believe that

1           the only thing different between the two are  
2           just the first page. I believe the rest of  
3           it is correct or the same.

4                           (Exhibit A marked.)

5 BY MR. MOYE:

6           Q.           Exhibit 11 on the first page, I  
7 believe Mr. Herron already went over. Basically two  
8 checks for \$500 came in. One was returned. When  
9 you gave the pro rata list, it would not know that  
10 the one check was returned. Is that correct?

11           A.           That's correct.

12           Q.           Because it would see the two  
13 contributions and divvy out a pro rata proportion?

14           A.           That's correct.

15           Q.           Okay. The system, as far as you  
16 know, does not pick up on the refund?

17           A.           That is my understanding.

18           Q.           Okay. That would be the same if  
19 there was one \$500 check and that check returned?  
20 The Campaign Toolbox only looks at the contribution  
21 list?

22           A.           That is my understanding.

23           Q.           Okay.

24                           MR. MOYE: Can we go off the  
25 record?

1 (Off the record.)

2 BY MR. MOYE:

3 Q. Back on the record. We went ahead  
4 and marked Exhibit 14, Bags to Go. There's an  
5 uncollected funds stamp on it, which is clarified by  
6 Exhibit 14A. Going to Exhibit 15, Exhibit 15 is a  
7 list of expenditures that the campaign made during  
8 the TR period. All except one of these expenditures  
9 was dated September 15th, 2008. Does that appear to  
10 be correct?

11 A. Yes.

12 Q. Why weren't these expenditures  
13 reported on the termination report?

14 A. My understanding is they were.

15 Q. Okay. Go ahead and took a look and  
16 see if you see them reported on the termination  
17 report.

18 A. May I ask when this report was  
19 filed, the termination report?

20 Q. Exhibit A does not have a stamp, so  
21 I am unsure. However, Exhibit 5, which is  
22 petitioner's copy of the termination report --

23 A. These checks are not listed on the  
24 termination report?

25 Q. I do not believe so.

1           A.           Okay. The only thing I could  
2 recall that this would have happened, if the  
3 termination report was done at the very end, prior  
4 to closing the account, these checks would have not  
5 cleared and they were removed, is my understanding,  
6 that these checks may have been the checks that  
7 never cleared the bank account and they were removed  
8 to make sure we properly closed out the account with  
9 a zero balance.

10           Q.           So a check was written from the  
11 campaign account. Is that correct?

12           A.           If these checks were not reported  
13 in the campaign termination report, these checks  
14 were written out of the campaign, but they were  
15 never cashed out of the bank.

16           Q.           Okay.

17           A.           So then they would have been  
18 omitted from the report. Let me check on one of  
19 them real quick. It would be very difficult to do  
20 this. It appears the September 15, 2008  
21 expenditures start on page eight of the itemized  
22 expenditures. These expenditures are included. The  
23 JWH Harris & Company was reported on page number  
24 nine.

25           Q.           I see that.

1           A.           Okay. That was reported on there.

2           Q.           Yes, I do see that. Is there a  
3 reason why it would be reported, but not have a  
4 check to back it up?

5           A.           Check cashing through the bank?

6           Q.           A reason why it would show on the  
7 itemized expenditures page, but not have a  
8 supporting check, would there be any reason for  
9 that?

10          A.           Supporting check meaning that you  
11 would have a supporting copy from the bank being  
12 cashed?

13          Q.           Correct.

14          A.           Yes, because these checks would  
15 have probably not cleared the bank, and then, at the  
16 end of the campaign, they would have been treated as  
17 a void check and they would not be on the final  
18 report.

19          Q.           Okay. So on September 15th, the  
20 check was written?

21          A.           Right.

22          Q.           The pro rata check, based on the  
23 Campaign Toolbox spreadsheet?

24          A.           Correct.

25          Q.           I'm sorry, the Campaign Toolbox

1 termination?

2 A. Yes.

3 Q. So it would have been reported at  
4 that time?

5 A. Correct.

6 Q. It doesn't get cashed, for whatever  
7 reason?

8 A. Correct.

9 Q. Then there would be no check to  
10 support it?

11 A. That's correct.

12 Q. Okay. I apologize for the  
13 confusion. I was not trying to trick you.

14 A. That's okay.

15 Q. Here is Exhibit 16. These are bank  
16 statements from Ms. Ritter's campaign account. Is  
17 that correct?

18 A. Yes.

19 Q. Why wasn't the campaign's bank  
20 account closed by September 18, 2008?

21 A. Because I believe Russ Klenet spoke  
22 with Mary Cooney, and she said that all of these  
23 refund checks have not been cashed, that they would  
24 need to give it some time for these checks to go  
25 through for them to be cashed. That's why the

1 account wasn't closed. It would have been very  
2 simple to, in turn, not give away any of these  
3 refund checks back to the contributors, just write  
4 it out to charity, tell them to cash it out, and  
5 we're done, or go to the bank and request whatever  
6 money is in the account, have cashier's checks drawn  
7 out to the various contributors -- not to the  
8 contributors, but to the various charities -- and  
9 then the account could be closed immediately.

10 Q. Right. How are you aware of what  
11 Ms. Cooney told Mr. Klenet?

12 A. He basically spoke to me about  
13 that.

14 Q. Okay. So he told you about his  
15 conversation with Ms. Cooney?

16 A. Yes.

17 Q. When did you issue the pro rata  
18 check refund?

19 A. The pro rata checks issued on  
20 September 15th of 2008.

21 Q. Okay. So they were issued three  
22 days before the campaign was supposed to be closed?

23 A. Correct.

24 Q. Why weren't they issued earlier  
25 like during the TR period?

1           A.           Because of the fact that it was  
2 taking so much time, had different problems with the  
3 reports that were generated. They weren't correct,  
4 and we run at least three times to try to get them  
5 correct, and finally we got them to the point that  
6 they were, and that's when we wrote the checks out.

7           Q.           According to the campaign account  
8 bank statements, it appears that there was almost  
9 five months after the TR period ended when the  
10 campaign finally was zeroed out?

11          A.           Yes. I know it was awhile.

12          Q.           Okay. So you have three months to  
13 zero out the campaign account. However, it took  
14 almost eight. Is that correct?

15          A.           If that's what the records show,  
16 yes. We indicated to -- I believe Alex Leiberman  
17 prepared a letter when these went out stating please  
18 cash these immediately because the account is going  
19 to be closed. In a short period of time, if you  
20 don't cash it, you are going to lose it, something  
21 of that nature.

22          Q.           You mentioned some other options  
23 that could have been done with charity?

24          A.           Yes.

25          Q.           Whose decision was it to issue pro

1 rata checks, instead of doing money to charity.

2 A. I'm assuming that that would have  
3 been a suggestion by Russ Klenet, and then he would  
4 confer that with Stacy Ritter. I would think their  
5 logic was they gave X amount of money back. We  
6 didn't use the money. Let's give the money back to  
7 the individual contributors.

8 Q. Were you concerned at all about  
9 issuing the checks three days before the TR period  
10 was supposed to end?

11 A. I don't recall.

12 Q. I'm going to Exhibit 17. These are  
13 checks that were written after September 18th, 2008.  
14 Is that correct?

15 A. Yes.

16 Q. Why didn't the campaign file a  
17 campaign report to reflect the expenditures that  
18 occurred after the TR was due?

19 A. I am not sure.

20 Q. Was that ever discussed?

21 A. I don't recall.

22 Q. Okay. So you don't know why?

23 A. I don't know why. That may have  
24 been an internal thing that Ms. Klenet may have  
25 discussed and they were going to handle it at the

1 office. I'm not sure what occurred there.

2 Q. Okay. Do you know if the campaign  
3 is ever going to report these expenditures?

4 A. I'm sure we discussed to issue an  
5 amended report, but I think that, after noticing  
6 that these weren't the issues, that it was going to  
7 be more confusing to file an amended report than to  
8 just explain what occurred.

9 Q. Okay. It's correct that you were  
10 responsible for compiling the TR report?

11 A. Yes.

12 Q. These checks that came after the TR  
13 period, were these also your responsibility?

14 A. I don't recall whose responsibility  
15 it was.

16 Q. Okay. After you created the  
17 termination report, did you still have the  
18 responsibility of checking the bank statement with  
19 the Excel sheet?

20 A. Yes.

21 Q. When you were responsible for doing  
22 the TR report, you were still receiving -- were you  
23 still receiving the Excel spreadsheets?

24 A. Well, only up to the point where  
25 these additional checks were written. There was no

1 additional checks written, because it zeroed out the  
2 account after doing all of the pro rata refund  
3 checks.

4 Q. So Exhibits 16 and 17, would this  
5 have been something that you would have still  
6 compared?

7 A. Basically, as bank statements would  
8 roll in, I would then reconcile them up to a certain  
9 point. Then it reached to a point where none of the  
10 outstanding refund checks were coming in. Then it  
11 was determined that these additional checks were  
12 going to be written.

13 Q. Okay. I'm going to take a quick  
14 break.

15 (A break was held.)

16 BY MR. MOYE:

17 Q. I noticed earlier, and I think  
18 Mr. Herron mentioned, as well as yourself, that  
19 there was documentation Mr. Herron sent you?

20 A. Yes.

21 Q. Did that help you testify today?

22 A. Yes.

23 Q. How did it help you testify?

24 A. It helped me by reviewing the  
25 documents and trying to remember what actually

1 transpired.

2 Q. Okay. Did anything on -- I'm not  
3 referring to Exhibit A. I'm referring to the other  
4 document you were reviewing. Did anything on there  
5 compel you to go research other issues?

6 A. No.

7 Q. Okay. Did he mention any potential  
8 questions I might ask?

9 A. No.

10 Q. Any issues that might come up?

11 A. No.

12 Q. You mentioned you had a few  
13 discussions with Mr. Klenet?

14 A. Yes.

15 Q. What specifically did you discuss?

16 A. Just give me an idea of what the  
17 deposition procedure is, what was going to  
18 transpire, asking questions, and just basically  
19 answer the truth and everything should be just fine.

20 Q. Did you guys discuss anything  
21 specifically about his depo?

22 A. No, just basically the procedure,  
23 asking questions, he answered them, and that's about  
24 it.

25 Q. Okay. How long were the

1 conversations you had with Mr. Klenet?

2 A. Not very long, under five minutes.

3 Q. Each of them under five minutes?

4 A. Yes, under five minutes.

5 Q. Did you have any conversations with  
6 him that compelled you to go research anything  
7 regarding the campaign?

8 A. No.

9 Q. Did you guys discuss any reports?

10 A. Nothing that we've discussed in the  
11 past, no.

12 Q. No reports?

13 A. No.

14 Q. Did you guys discuss contributions  
15 or expenditures?

16 A. No.

17 Q. Did you guys ever discuss the Amera  
18 contributions?

19 A. Not in the conversations, but I  
20 know back when we noticed the missing contributions,  
21 yeah, we discussed it.

22 Q. I'm basically just focusing on the  
23 last three months.

24 A. No.

25 Q. If that helps you answer the

1 question.

2 A. Okay, thank you.

3 Q. Did you discuss with Mr. Klenet any  
4 potential questions that might come up?

5 A. No.

6 Q. Any potential issues that might  
7 come up?

8 A. No.

9 Q. With Ms. Leiberman, how long were  
10 those conversations?

11 A. No more than a minute or two.

12 Q. Even less than Mr. Klenet?

13 A. Yes.

14 Q. What specifically did you discuss  
15 with her?

16 A. Just the same procedure, how long  
17 did your deposition take, anything outside of the  
18 ordinary besides just the truth that will come up.

19 Q. Did either of your discussions with  
20 Klenet or Leiberman help you testify today?

21 A. No.

22 Q. Did they help refresh your  
23 recollection of any events or issues that came up?

24 A. No, because we really didn't go  
25 into details.

1 Q. Okay. Anything else you can think  
2 of dealing with your conversations with Klenet or  
3 Leiberman?

4 A. No, not at all.

5 Q. Who was the treasurer for the  
6 campaign?

7 A. My understanding is Stacy Ritter.

8 Q. Okay. Was there a deputy  
9 treasurer?

10 A. I'm not aware of that.

11 Q. You are not aware if there was?

12 A. No.

13 Q. Okay. So to the best of your  
14 knowledge, there wasn't a campaign deputy treasurer?

15 A. No.

16 Q. Going back to the conversation you  
17 had with Klenet and Leiberman, why did you have, I  
18 believe you testified, four to six conversations  
19 with each of them?

20 A. Yes, basically. With Russ Klenet,  
21 just conversations that we had basically regarding  
22 depositions and procedures and things of that  
23 nature.

24 Q. Okay. Did you discuss the same  
25 things the four to six times that you did discuss in

1 the last six months?

2 A. Just basically, yeah, more or less.

3 Q. Did you find your discussions with  
4 Klenet and Leiberman helpful?

5 A. Just put me at ease of what to  
6 expect in a deposition.

7 Q. Okay. Today has been the first  
8 time you have been deposed?

9 A. Yes.

10 Q. Twice in one day?

11 A. Get them out of the way early.

12 MR. MOYE: I have no further  
13 questions, other than the concluding  
14 questions, Mr. Herron.

15 BY MR. MOYE:

16 Q. Mr. Granados, are there any answers  
17 to my questions that you wish to change before I  
18 close my portion of the deposition?

19 A. No, not at all.

20 Q. Is there any information I asked  
21 you about that you remember now, but you didn't  
22 recall when I asked you the question?

23 A. No.

24 Q. Is there any reason to believe that  
25 your memory will improve between now and trial, if

1 there is a trial?

2 A. No.

3 Q. Read or waive? Do you want to read  
4 or waive?

5 A. I don't know.

6 Q. You basically have the option of,  
7 if we do order a transcript, you can go ahead and  
8 read through it to make sure everything is accurate  
9 as to what you testified to, or you can waive that  
10 right. If you read, you can always waive later. If  
11 you waive, you can't go back and decide to read.

12 A. Okay. Then I'll read.

13 MR. MOYE: Is that a good  
14 explanation, Mark?

15 MR. HERRON: That's close enough,  
16 yeah. I have got a few questions.

17 BY MR. HERRON:

18 Q. Do you still have Exhibit 17  
19 nearby?

20 A. Yes, I do.

21 Q. Did you write any of these checks?

22 A. No.

23 Q. Exhibit 15, do you have that  
24 nearby?

25 A. Yes.

1 Q. The top check is a check dated or  
2 an entry that says 7/25/08 to the Florida Democratic  
3 Party?

4 A. Yes.

5 Q. Do you have any knowledge with  
6 respect to that check? Did you write it?

7 A. I did not write the check.

8 Q. You didn't have responsibility for  
9 writing checks at that time, correct?

10 A. That is correct.

11 Q. Exhibit 6.

12 A. Yes.

13 Q. On pages two through the end are  
14 the Amera checks?

15 A. Yes.

16 Q. If I understood what you told  
17 Mr. Moyer was, at some point in time, you had noticed  
18 that these checks were not in the bank. Is that  
19 accurate?

20 A. That's incorrect.

21 Q. Okay.

22 A. I noticed that these checks were in  
23 the bank, but they were not in the campaign report.

24 Q. When you talk about --

25 A. At that point, I advised Alex

1 Leiberman that there's a discrepancy in the bank  
2 account versus the Campaign Toolbox reports, that  
3 these were missing. At that point, she researched.  
4 She determined what that missing deposit was, and at  
5 that point, those were entered in.

6 Q. Okay. At the point in time -- do  
7 you recall at the point in time you noticed they  
8 were missing from the report, were you looking at  
9 the Campaign Toolbox report or a spreadsheet?

10 A. A spreadsheet.

11 Q. That leads to my last question.  
12 Basically, in your responsibilities, you were not  
13 reviewing the Campaign Toolbox draft. You were  
14 reviewing spreadsheets that were sent to you by the  
15 campaign?

16 A. That's correct.

17 Q. No further questions.

18 MR. MOYE: No questions.

19 MR. HERRON: Okay. Madam Court  
20 Reporter, I told you on the break that, when  
21 we got done, I was going to order my short  
22 deposition at the front, and I would like to  
23 do so.

24 THE COURT REPORTER: Okay. Thank  
25 you.
