

BigTouch

The giant all-in-one touch PC that demands an audience

BigTouch

BigTouch combines the fun of a tablet with the productivity of a PC in a giant, fast, and fluid touch experience for your classroom or other shared work space.

Key Features

- Incredibly sharp 4K or 1080p resolution
- Powered by Windows 10 Pro
- Available with ultra-responsive capacitive touch
- Run all your Windows apps, even the older ones, in touch mode
- Highly customizable for your needs and your PC applications
- Intel Core i7 processor and fast solid state hard drive
- Wireless mouse and keyboard included

The Power of a PC at Your Fingertips

Maximize the touch experience on a large scale by adding the power of a PC with the InFocus BigTouch.

- Multi-touch display with intuitive Windows gestures to interact with your content
- Personalize the Start screen with tiles that connect to a person, app, website, folder or whatever else is important to you
- Familiar Windows desktop that you've used before
- Use your apps, get more apps in the Windows Store, and arrange them all the way you want
- Multi-task by snapping two apps side-by-side
- Enhanced features to easily connect to your networks, access files in the cloud, encrypt data, and more

The Tablet Experience...Magnified

Tablets are fun. Touch is intuitive. The InFocus BigTouch employs a beautiful display that allows that enjoyable experience, and your content, to be seen and shared.

- Brilliant 4K or 1080p HD displays show off your content with incredible brightness, color and clarity
- Multi-touch screen delivers exceptionally accurate touches, swipes and gestures
- Windows gestures such as tap, slide, swipe, pinch, and rotate can be used to get a global view of everything on the screen and slide back and forth to find what you're looking for
- Wireless keyboard and mouse also included to easily control the display from your seat

Introducing the INF5512AG

The 55-inch INF5512AG incorporates all the performance and flexibility of BigTouch, plus great expanded features:

- Total Touch Control™ to change source and setting on screen
- Built-in Annotation Tool for all video sources
- Built-in Screen Capture for all video sources
- Built-in Wireless Casting to view your devices
- Anti-glare display comes standard

Bring Your Display to Life with 4K

BigTouch now offers 4K resolution in several panel sizes for an incredibly sharp, vivid picture. Boost the impact of your content and make every meeting or presentation more engaging, informative, and memorable with 4K.

- More pixels mean more detail and depth for amazingly life-like images
- Enhanced color rendering
- Presenters benefit from crisp, clear images up close
- Audiences enjoy vibrant, detailed images, even from the back of a conference room

Whiteboard Like a Pro

Add our optional BigNote whiteboarding app to turn your BigTouch into the best digital whiteboard available.

- Wide assortment of pens, colors and shapes
- Whiteboard on up to 10 square feet of space
- Annotate on screen and save the changes
- BigNote files are cross-compatible with Mondopad's whiteboard app

How Would You Use Your BigTouch?

The form factor of BigTouch combined with the user experience and flexibility of a Windows PC means its use is only limited by your imagination.

Education

Higher education and primary and secondary schools can benefit from BigTouch in administrative offices or in the classroom. Its bright, engaging display keeps students' attention and Windows 8 is intuitive and familiar for students, staff and IT.

- In classrooms for giving and preparing lessons
- Access and display content from the web and the cloud
- In administrative offices as a shared PC
- Flexible and secure for IT to manage

Medical

The high definition display and ease of use of BigTouch make it a great fit for hospitals, clinics, labs, and administrative offices.

- In waiting rooms for education and/or self service
- For accessing and analyzing information, such as imaging
- For patient education, such as explaining imaging, video, and other patient care info
- At nursing stations as a shared PC

Hospitality

Hotel lobbies can greatly benefit from BigTouch to help their guests help themselves.

- Learn about the hotel's amenities
- Browse maps of the hotel and of the surrounding area
- View hotel restaurant menus and make reservations
- Find fun things to do at the hotel and in the area
