HDMI Easy Pull Cable, HD 1080p, Digital Video with Audio (M/M), 25 ft

#### Description

Tripp Lite's 25-foot (7.6-meter) HDMI Easy Pull Monitor Cable w/ Connectors makes running long video cables a snap. The pull-apart design allows the cable to run through conduit or other tight areas that a HDMI connector wouldn't fit through. Diameter of the circular DIN end is only 7/8 inch. Circular Easy Pull connector is threaded to ensure maximum security once the cable is reattached. Double shielding (foil and braid) provides maximum EMI/RFI protection. Both HDMI male ends are molded and have integral strain relief to provide long life. UL20276 Digital Video Cable supports 1080p. In most applications, a signal booster (B122-000-60) will need to be used with this cable to ensure a signal strong enough for your display.
