NOTICE OF FILING COUNTERCLAIM IN CONDEMNATION

Plaintiff Columbia Gas Transmission, LLC (“Columbia”), pursuant to 7(h) of the Natural Gas Act, 15 U.S.C. § 717f(h), and Federal Rule of Civil Procedure 71.1, hereby notifies you that it has filed a Counterclaim in Condemnation in the above-captioned case, pending in the United States District Court for the Southern District of Ohio, requesting that the subject property be condemned and an easement granted to Columbia, and to award you just compensation for the taking. The requested easements are necessitated by Columbia’s operation of the Benton,

Brinker, Crawford, Guernsey, Holmes, Lorain, Lucas, Medina, Pavonia, Wayne, Weaver or Wellington Storage Fields, FERC-certificated natural gas storage reservoirs.

Details as to the location and description of the land, estate, interest, or rights proposed to be condemned and acquired, and the particular nature of the project, fully appear in the Complaint in Condemnation filed in this case and the exhibits attached thereto.

PLEASE TAKE FURTHER NOTICE that Columbia intends to apply to the Court to ascertain just compensation for the subject property to be taken upon or after the expiration of twenty-one (21) days from the date of this Notice.

PLEASE TAKE FURTHER NOTICE that Columbia intends to apply to the Court for a right of entry upon the property to be condemned for the purpose of constructing its works and improvements thereon prior to the determination of just compensation upon or after the expiration of twenty-one (21) days from the date of this Notice.

PLEASE TAKE FURTHER NOTICE that your answer and grounds of defense to the Complaint in Condemnation, setting forth any objection or defense to the taking or damaging of the property, to the application for a right of entry, or to the jurisdiction of the Court to hear the case, and your election to proceed with the appointment of Commissioners or the empanelment of a jury for the determination of such just compensation, is required to be filed, in writing, within twenty-one (21) days from the service of this Notice. Your answer must identify the property in which you claim an interest, state the nature and extent of that interest, and state all your objections and defenses to the taking. Objections and defenses not presented are waived. Send your answer to the United States District Court, Southern District of Ohio, Joseph P. Kinneary United States Court House at 85 Marconi Boulevard, Columbus, Ohio 43215, and to Columbia's counsel at one of the addresses listed below.

PLEASE TAKE FURTHER NOTICE that your failure to serve an answer constitutes consent to the taking and to the Court's authority to proceed with the action and fix the compensation.

PLEASE TAKE FURTHER NOTICE that if you choose not to serve an answer, you may file a notice of appearance that designates the property in which you claim an interest. After you do that, you will receive a notice of any proceedings that affect you. Whether or not you have previously appeared or answered, you may present evidence at a trial to determine compensation for the property and share in the overall award.
