Subpart 246.3—Contract Clauses

246.370 Material inspection and receiving report.

(a) Use the clause at 252.246–7000, Material Inspection and Receiving Report, in solicitations and contracts when there will be separate and distinct deliverables, even if the deliverables are not separately priced.

(b) When contract administration is retained by the contracting office, the clause at 252.246–7000, Material Inspection and Receiving Report, is not required for—

(1) Contracts awarded using simplified acquisition procedures;

(2) Negotiated subsistence contracts;

(3) Contracts for fresh milk and related fresh dairy products;

(4) Contracts for which the deliverable is a scientific or technical report;

(5) Research and development contracts not requiring the delivery of separately priced end items;

(6) Base, post, camp, or station contracts;

(7) Contracts in overseas areas when the preparation and distribution of the DD Form 250, Material Inspection and Receiving Report, by the contractor would not be practicable. In these cases, arrange for the contractor to provide the information necessary for the contracting office to prepare the DD Form 250;

(8) Contracts for services when hardware is not acquired as an item in the contract; and

(9) Indefinite delivery type contracts placed by central contracting offices which authorize only base, post, camp, or station activities to issue orders.

246.371 Notification of potential safety issues.

(a) Use the clause at 252.246–7003, Notification of Potential Safety Issues, in solicitations and contracts, including solicitations and contracts using FAR part 12 procedures for the acquisition

48 CFR Ch. 2 (10–1–13 Edition)

of commercial items, for the acquisition of—

(1) Repairable or consumable parts identified as critical safety items;

(2) Systems and subsystems, assemblies, and subassemblies integral to a system; or

(3) Repair, maintenance, logistics support, or overhaul services for systems and subsystems, assemblies, subassemblies, and parts integral to a system.

(b) Follow the procedures at PGI 246.371 for the handling of notifications received under the clause at 252.246–7003.

Subpart 246.4—Government Contract Quality Assurance

246.401 General.

The requirement for a quality assurance surveillance plan shall be addressed and documented in the contract file for each contract except for those awarded using simplified acquisition procedures. For contracts for services, the contracting officer should prepare a quality assurance surveillance plan to facilitate assessment of contractor performance, see 237.172. For contracts for supplies, the contracting officer should address the need for a quality assurance surveillance plan.

[75 FR 22706, Apr. 30, 2010]

246.402 Government contract quality assurance at source.

Do not require Government contract quality assurance at source for contracts or delivery orders valued below \$300,000, unless—

(1) Mandated by DoD regulation;

(2) Required by a memorandum of agreement between the acquiring department or agency and the contract administration agency; or

(3) The contracting officer determines that—

(i) Contract technical requirements are significant (*e.g.*, the technical requirements include drawings, test procedures, or performance requirements);

(ii) The product being acquired—

(A) Has critical characteristics;
