

ROAD GLIDE® HANDLEBAR – 55800379 (GLOSS BLACK)

ROAD GLIDE® HANDLEBAR – BLACK

ROAD GLIDE® HANDLEBAR

Come over to the dark side. This gloss black 1.25" handlebar features the same shape, rise and pull back dimensions as the Original Equipment bar, so no additional cables or lines are required.

55800379 Gloss Black.

Fits '15-later FLTRX, FLTRXS, and FLTRU (Except CVO™ models.)

NOTE: Installation of handlebars and risers may require a change in clutch cables or lines, throttle cables, or brake lines for some models. Harley-Davidson Motor Company cannot test and make specific fitment recommendations concerning every possible mirror and handlebar combination. Therefore, after installing new mirrors, handlebars, or control cables/lines and before operating the motorcycle, check to ensure that all controls are fully functional and that the mirrors provide the operator a clear view to the rear. Handlebar height is regulated in many areas. Check local laws before installation.
