Care & Maintenance

Comfortext and Acrylic, Comfortext, Polyester Blends and Sensation

Comfortext stripes and solid patterns are open weave fabrics constructed of thermal bonded vinyl coated polyester threads. These fabrics offer strength and durability, easy cleanability, and quick drying times. UV stabilizers and mildew inhibitors are added to minimize the effects of prolonged outdoor exposure.

Acrylic, Comfortext, Polyester Blends incorporate acrylic threads to produce an intricate pattern with all the above advantages, plus they offer a softer feel and more color intensity.

Cleaning instructions: Address stains promptly. Use warm water with a mixture of strong liquid detergent and chlorine bleach (one cup to three gallons of water). Always rinse thoroughly. Pat to remove excess water and allow to air dry.

Acrylics, Acrylic Blends and Olefin Blends

This category includes solid colors, stripes, and standard jacquard patterns. By using solution-dyed threads, which are then woven into a pattern, the results are the look and the feel of fine indoor fabrics that are recommended for outdoor and indoor use. UV stabilizers and a protective coating are applied to produce a fabric that is very durable. Another advantage is the easy cleanability.

Cleaning instructions: Address stains promptly. Add ½ cup of chlorine bleach per three gallons of mild soap solution. Always rinse thoroughly. Pat to remove excess water and allow to air dry.

Acrylic Prints and Polyester Prints

Printed fabrics offer an infinite variety of color and pattern options. The design is printed on the base cloth of either 100% acrylic or 100% polyester. We specify only the highest quality UV stable inks. Printed fabrics are recommended for outdoor and indoor use but must be cared for more vigilantly. The use of a breathable furniture cover on printed fabrics will help reduce fading and extend the life of your fabric.

Cleaning instructions: Address stains promptly. Use a solution of lukewarm dishwashing liquid. Sponge thoroughly with clear water. Pat to remove excess water and allow to air dry. Do not use harsh cleaners or bleach on printed fabrics.

Consumer Limited 15-year Warranty

Homecrest Outdoor Living's consumer warranty applies to Homecrest products used in a residential setting only. All warranty periods are based on the original purchaser's date of purchase, and are not transferable. Our warranties apply only to products shipped from the factory after January 1, 2008 (product codes ending in -08 or later). A copy of the original sales receipt and the product code must be submitted with all warranty claims (photos may also be required).

What Our Warranty Covers

15 years: Aluminum and steel frames are covered from structural failures for 15 years from date of purchase. If the frame fails during 15 years under normal usage, and is not the result of abuse or an "act of nature", Homecrest Outdoor Living will repair or replace the frame at the manufacturer's discretion. If replacement is required, and your original frame is no longer manufactured, we will replace it with a similar product. Homecrest Outdoor Living will pay the warranty freight the first year in the Continental U.S. Return of product will not be accepted without prior approval.

5 years: The warranty on painted frame surfaces covers against peeling, flaking or blistering for a period of 5 years. If the painted surface peels, flakes, or blisters and the furniture has been maintained per the recommended care and maintenance instructions, Homecrest Outdoor Living will repair or replace the frame at the manufacturer's discretion. If replacement is required, and your original product is no longer manufactured, we will replace with a similar product. Homecrest Outdoor Living will pay the warranty freight the first year in the Continental U.S. Return of product will not be accepted without prior approval.

3 years: Solid surface tabletops (excluding glass & acrylic) are warranted against structural failures, finish cracks, and blisters for 3 years when used in a residential setting. Failure to properly maintain the tabletop, or store it properly during inclement weather, will void the warranty. If the tabletop (other than glass or acrylic) fails, or the finish cracks or blisters during the warranty period, we will repair, refinish or replace the top. Homecrest Outdoor Living will pay the warranty freight the first year in the Continental U.S. Return of product will not be accepted without prior approval.

Vinyl strapping is warranted for 3 years from discoloration or breakage. In the unlikely event that the strap significantly discolors or breaks, Homecrest Outdoor Living will supply replacement strap (installation labor not included).

Glider bearing hangers are warranted for 3 years against failure. In the unlikely event a bearing hanger fails, Homecrest Outdoor Living will supply a replacement hanger (installation labor not included).

2 years: The fabrics used on our cushions, slings, umbrellas, pneumatic gas cylinder and area rugs are warranted for 2 years against tearing, discoloration or fading when maintained per the recommended care and maintenance instructions. In the event replacement is required, Homecrest Outdoor Living will replace the cushion, sling or umbrella canopy with the same, if available, or comparable fabric based on manufacturers discretion (installation labor not included). Homecrest Outdoor Living will pay the warranty freight the first year in the Continental U.S. Return of product will not be accepted without prior approval.

1 year: The warranty of the finish on coiled steel spring rocker mechanisms, plastic parts, flex plates, glides, swivel inserts, metal umbrellas, cord and umbrella base and artwork is for 1 year from the date of purchase when maintained per the recommended care and maintenance instructions. Homecrest Outdoor Living will repair or replace the frame at the manufacturer's discretion. If replacement is required, and your original product is no longer available, we will replace with a similar product. Crystal fire burners (24" Round and 12"x24") are warranted to be free from defects in material and workmanship for a period of one year from the date of purchase. The warranty is limited to the replacement or repair of defective components or workmanship. If replacement is required, and your original product is no longer available, we will replace it with a similar product (with limited lifetime on steel parts).
