

RESIDENT MILITARY EDUCATION YES LIST FOR PROMOTION POINT STATUS ONLY

Four promotion points per week (defined as 40 training hours).

As of **20 November 2023** – HRC JR ENL Promotion Branch (502) 613-9013

Policy: AR 600-8-19, Paragraph 3-17, Subparagraph b (1),

Dated 26 October 2023, Effective 26 November 2023

NOTES:

1) The traditional YES/NO List will no longer contain courses marked NO for promotion points. IPPS-A query tables only render courses marked YES for promotion points. If a course in question is NOT on this list, that means it is marked NO within IPPS-A database fields.

2) Resident Military Training – These are courses that Soldiers must be registered for through ATRRS, physically sit in a classroom, and upon completion, be on the Soldier's ATRRS transcript. The resident course that the Soldier attended must match this Yes list and verified through the ATRRS transcript. Computer Based (online) training courses cannot be selected in the system of record under resident military training.

3) In accordance with (IAW) AR 600-8-19, Paragraph 3-17, Subparagraph b (1), the **DA Form 87** (Certificate of Training) will **NOT** be used as a source document when updating military **RESIDENT** training within the system of record. Unit S1s should not be updating courses manually Soldiers should get with their S3 and have them contact ATRRS. ATRRS should be transferring all data listed in their ATRRS record which will update Soldier's IPPS-A training record.

4) IAW MILPER Message 15-264, effective 01 January 2016 promotion points will no longer be awarded for Soldier training courses (AKA – Troop Schools) in AR 350-1. Soldiers previously awarded Soldier training course promotion points will retain 10 points per course until promoted to SGT or SSG (*i.e. once used and promoted to SGT – cannot be used again for promotion to SSG*); provided the course reflected **ON** Soldiers legacy PPW and legacy eMILPO record on or **before** 02 December 2015. Those 17 Troop School courses will NOT be listed within this list. The 17 Troop School courses are cited in the footnotes below and within MILPER Message 13-212, dated 09 August 2013.
