## BIDDERS NOTES

### Bidder's notes from pricing pages:

- (1) Blue Bird will provide a Leece/Neville 280 AMP Brushless alternator
- (2) For Blue Bird straight floor buses, the option price listed INCLUDES the option of air ride rear suspension and low profile tires.
- (3) Blue Bird's option for air disc brakes does NOT require the additional cost for an air ride rear suspension. They can be used independently.
- (4) In some cases, a rear underseat heater may be limited to 50K BTU due to seat size. Rear wall mounted heater is available in the additional options section.
- (5) Type C buses with gas, LPG or CNG Roush engines will be combined with the Ford 6R140 transmission. These engines and transmissions are covered by a 5 Year, Unlimited Mileage warranty.
- (6) Type A, C and D electric buses are not compatible with underseat heaters and non-electric air conditioning systems. Specific options for these electric powertrains are listed in the additional sections.

### Warranty Credit Option: Please note that warranty credit option still offers the following base coverages at no charge for Type C&D:

- (3) Reduced warranty still provides 7 YR Unlimited Mileage Transmission Warranty (2500PTS), 5 YR/100,000 Mile Cummins warranty, 5 YR paint warranty (adhesion) 5 YR/100,000 Mile chassis frame, body shell, school bus seat/barrier frame defects in structural integrity, 4 YR/50,000 Miles coverage on front and rear axle assemblies  
2 YR coverage on school bus passenger and driver windows, 2 YR coverage on paint gloss and color retention, 2 YR/24,000 Mile coverage on suspension and driveshaft  
All other items not listed subject to 12 Months / 12,000 Mile coverage. Ford Gas/LPG/CNG Engines/Transmission provide 5 YR Unlimited Mileage warranty as STD.

### Yellows MSI Software by Yellows Tech, Digital Monthly School Inspections

DOE compliant, digital MSI (Monthly Safety Inspections) using mobile app and Web.  
Inspectors easily perform, manage and print MSI paper Form-IF 2017.

Includes unlimited calendar, repair assignments, digitized Form IF 2017, mobile inspection app, search and print capabilities.

1-100 buses, \$5 month/per bus  
101-200 buses, \$4 month/per bus  
201-300 buses, \$3 month/per bus  
301-500 buses, \$2 month/per bus  
501 + buses, \$1 month/per bus

## BIDDERS NOTES

### **B7b: IMMI Child Safety Seat**

IMMI ICS seating options will reduce seating capacity in some configurations due to seat spacing and ISO latch spacing requirements.

### **B18: Underseat Rear Heater Option**

Heater's location and size (40,000 BTU rear wall mount) may be only possible location for the rear heater.

### **B21: Driver's Seat with Integrated Seat Belt**

This may reduce the passenger capacity due to spacing requirements.

### **C4: 100 Gallon Fuel Tank**

May require option C10 (Air Ride Suspension) on some Type C configurations. 100 gallon tank may affect availability of pass thru luggage on some rear engine models. Please consult dealer. Only available on 65-77 passenger units.

**Cummins EXC Warranty includes complete engine coverage including EGR components and turbo injectors**

BIDDERS NOTES	
MFSAB All	Base MFSAB Prices include single color white body paint and do not include 3 point belts. All MFSAB sizes and configurations require the purchase of 3 point seat belt seat options in quantities, sizes and brand matching the purchasers desired seat plan. MFSAB capacities may differ from Base "School Bus" offerings due to the requirement for 3 point belts. Purchasers are encouraged to consult with Sun State Bus centers for body plans, and quotes specific to the purchasers requirements.
Seating Options	Purchasers choosing any non-standard seating options are encouraged to contact Sun State Bus Centers to confirm compatibility. Combinations of seat type and arrangements that conflict with FMVSS or Florida Specifications will not be built. Pricing for various seat types per seat and for barriers, and KO windows has been provided to give purchasers maximum flexibility in ordering non-standard seating arrangements.
Straight Floor Option	Straight Floor Option on Type C 29-77 capacities includes Air ride rear suspension and low-pro tires.
Luggage Compartments	Compatibility and availability of luggage boxes is determined by how the vehicle is to be equipped (A/C, fuel tanks, track seating etc.) Purchasers are encouraged to contact Sun State Bus Centers to confirm compatibility prior to issuing a purchase order.
Rear Under Seat Heater	Some configurations and body plans necessitate use of a rear wall mounted heater. Purchasers are encouraged to contact Sun State Bus Centers to confirm compatibility prior to issuing a purchase order.
Spare Disc Wheel	Availability of this option is limited to one per bus purchased.
Track Seating Seats	Availability of track seating seats is limited to the quantity of seats that can be mounted in the unit ordered.
100 Gal Fuel Tank	For pricing larger fuel tanks for Gas and Propane see additional options. Selection of 100 Gal fuel tank may limit availability and compatibility of other optional equipment. Purchasers are encouraged to contact Sun State Bus Centers to confirm compatibility prior to issuing a purchase order.
Wheelchair Lift Buses	Purchasers are encouraged to contact Sun State Bus Centers to confirm wheelchair position placements and seating arrangements are compatible with other optional equipment to be ordered and provide desired seated and wheelchair capacities prior to issuing a purchase order.
A/C	Purchasers are encouraged to contact Sun State Bus Centers to confirm selected system is compatible with other optional equipment or optional A/C equipment. Propane and Gas powered units require the purchase of Propane/Gas engine effects where applicable.
Warranty	Option for "12 Month/12,000 Only" warranty reduces the warranty coverage to the Manufacturers base standard.
Ricon Lift	Availability of Ricon Lifts remains to be determined. Pricing applies upon availability.
