

INSPIRED SOLUTION FOR INSPIRED YOUNG MINDS

iiyama

VIDEO Bringing interactive to the classroom with iiyama

TRANSFORM THE CLASSROOM EXPERIENCE BY ENGAGING STUDENTS WITH INTERACTIVE CONTENT. **UNLEASH THEIR CREATIVITY WITH IIYAMA LFD TOUCHSCREENS.**

KEY FEATURES

Picture performance

Professional high-end panels deliver supreme rich colour clarity and are made for long time use.

Touchscreen

Infra Red Touch technology guarantees accurate, smooth and stable Interaction with multiple touch points.

Warranty

iiyama offer a 5 year on site swap out warranty free of charge. An upgrade to a de/re-install warranty is also available.

CONSISTENT EVOLUTION OF HIGH QUALITY PRODUCTS

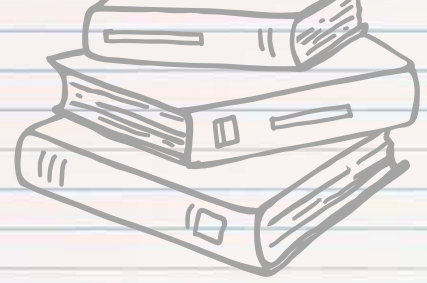

iiyama's success has been achieved by the consistent evolution of high quality product and by bringing them to market at an accessible price.

From day one, the emphasis was not along standard lines of mass production, but rather to apply the human element at all stages of the manufacturing process.

This philosophy is still central to everything that iiyama creates and their research and development is based on the concept of creating people friendly product. New products will not be introduced to market unless iiyama are certain that they offer a real benefit to the user and match their famous price / performance ratio.
