BRANCH INFORMATION

www.kanevet.com

Vision: To become the leading provider of products and services to our customers in the Canadian animal health market.

Mission: To develop a long-term, successful, strategic relationship with our customers and our vendor partners.

Values: Service to our customers is our primary duty and the most vital component to our partnered success.

Established in 1969 by Dan and Cassy Kane, Kane Veterinary Supplies is a Canadian wholesale distributor and manufactures agent. Kane provides excellence in distribution of the highest quality, cutting edge, value-laden products to the veterinary, pet, agricultural and equine markets across Canada.

Today, Kane has two full-service branches – Edmonton, Alberta and Cambridge, Ontario. Day-to-day inventory consists of over 12,000 items including vet supplies and pharmaceuticals, pet food and toys, animal ID products, and pest control items.

“A large part of our success is due to our diverse product selection – we offer items for the entire animal spectrum,” says Director of Canadian Operations, Steve Olsson. “This diversity is also displayed as a strength in our experienced staff members.”

In October 2007, Kane Veterinary Supplies Ltd. joined the Animal Health International, Inc. family group of companies (who in 2015 joined Patterson Companies Inc.).

Terms:

Terms are COD until approved by the Credit Department. Once approved, accounts are Net 30 days from the date of invoice.

All accounts with a past due balance of 31 days or more will be charged a late fee of 2% per month. All accounts, which have balances past due by 45 days or more, shall have their credit privileges suspended or revoked and orders will not be processed until the past due balance is paid in full. We reserve the right to remove any discounts if accounts go past due.

NSF cheques will be assessed a \$25.00 service charge. NSF cheques must be replaced immediately and prior to the release of any new orders with a certified cheque, bank draft or money order which includes the \$25.00 service charge.

Payments can be made by debit, company cheque and/or cash. Personal cheques are not accepted. Credit cards are accepted but may incur additional processing fees. Credit cards may only be used for accounts with current status.

It is to your advantage as well as ours to keep your credit account current.

Ordering:

Orders can be faxed, phoned or e-mailed.

Please provide the KVS item code number when placing orders.

All pick up orders must be placed a minimum of 4 hours prior to the expected pick up time, and must be picked up before 4:30pm. Our minimum order is \$25.00.

All orders are subject to GST/PST/HST where applicable. All published pricing is subject to change without notice.

Prepaid Requirements:

In order to obtain prepaid shipping/deliveries on orders shipped to one destination, orders not including taxes must reach our minimum requirements.

With Pet Food:

- The Greater Edmonton, Greater Calgary and Red Deer area: \$1200.00
- British Columbia, Alberta, Saskatchewan, Manitoba and Western Ontario: \$1500.00
- Ontario: \$1000.00
- Quebec: \$850.00
- Maritimes: \$1000.00

Excluding Pet Food:

- Ontario: \$750.00
- Quebec: \$600.00
- Maritimes: \$800.00

Frozen Fish Food: All areas except Edmonton: \$650

Orders may include a combination of pet food and accessories to meet the requirements.

Additional freight surcharges may apply to large or weight sensitive items.

Shipping / Deliveries:

All freight policies are subject to change without notice.

After shipments have been accepted by the carrier they become the property of the consignee. Therefore, any problems with the shipment (i.e. damaged or lost merchandise) should be directed towards the carrier within 48 hours. It is very important to count and inspect each piece of your shipment before you sign the transport company's Bill of Lading. It is the only way to ensure the carriers responsibility.

All claims of Kane shortages must be reported within 48 hours of receipt of goods.

Returned Goods Policy:

You must have the authorization of Kane Veterinary Supplies to return goods prior to shipment or to dispose of damaged product. Please contact our returns department for a return authorization number.

Please enclose a copy of your original invoice with the product you are returning. An itemized list of product(s) being returned and a brief description of why the product is being returned must accompany all returns.

Any product returned for warranty work must have a copy of the bill of sale and a copy of the original invoice.

A minimum 15% recovery fee will be applied to all returns that are sent back due to customer error or out of season products.

Please ship all product returns back prepaid unless Kane's error.

No Credit will be allowed on the following products:

- Products unfit for resale due to improper storage, fire or flood damage, breakage, defacement
- Products with price stickers
- Products with broken seals
- Products sold with mention of "No Return"
- Non-dated merchandise over 1 year old
- Discontinued products
- Products manufactured/supplied on special order to customer's specification, except in the case of a manufacturing defect
- Expired or damaged product
- Short dated product (6 months or less) may be returned at a significant restock. For more information, call our returns department

Note:

Not all products are stocked or available in all locations.

Clam Chowda Sticks

At Polkadog, we're obsessed with quality and sustainability. We're always looking for innovative ways to create new treats that are good for your pet and good for the planet. That means sourcing raw materials conscientiously from good people doing good work in our own backyard.

Clams are one of the most sustainable protein sources in the ocean. They're high in Omega fatty acids, low in calories, and filter the water they live in to feed. Low impact and delicious. A perfect steward for the earth, and a perfect recipe for a Polkadog creation.

Polkadog was founded for a one-eyed rescue dog named Pearl. We wanted to make the best treats we could for a great dog that definitely deserved it. We think your dog deserves it, too.

Cod Skins - Tube

At Polkadog Bakery, we're all about locally-sourced, made-in-the-usa, limited ingredient natural dog treats. Our super duper Cod Skins are no exception. The Cod we use to make these crunchy sticks is caught in season by local fishermen in Alaska. We hand-roll and slowly dehydrate each skin in our Boston kitchen to create this savory, healthy treat

Lucky Duck - Bits

One of our regular customers once told us that a visit to Polkadog was like finding the pot of gold at the end of the rainbow. We couldn't agree more.

But rather than gold, the pot at the end of our rainbow would be overflowing with all manner of delicious Polkadog treats.

Handmade daily in our Fish Pier kitchen with locally sourced US duck liver and natural potato flour, nothing says decadence quite like these crunchy, grain-free nuggets.

Perfectly sized for training on the go, these precious gems are a veritable bowl of unicorns and rainbows.

Polkadog was founded for a one-eyed rescue dog named Pearl. We wanted to make the best treats we could for a great dog that definitely deserved it. We think your dog deserves it, too• Ducks Raised on U.S. Farms

Beef Tripe

Beef Tripe is a high in protein and low in fat treat suitable for any dog's healthy diet. Our Green Tripe is the stomach lining of a cow which means it has plenty of healthy and all natural digestive enzymes and probiotics. This makes it a great treat for pups with sensitive tummies. Tripe is also great for soothing outdoor allergies and its crunch promotes dental health as your pup can gnaw on them and this helps the scraping down of plaque on teeth. WAG Tripe is grain free and single ingredient which aligns with a pup's physiology.

Kangaroo Bone

By the age of 3, up to 80% of dogs develop some degree of dental disease - most commonly tartar buildup. Dental disease destroys the tissue and bone structures in your pup's mouth. The marrow in Bones is mainly composed of calcium and phosphorous to aid their bone structure. Additionally, by gnawing on a Bone for 30 minutes a day, your dog is able to scrape away tartar buildup on their teeth by nearly 70%. Kangaroo Bones provide a great bone and meat mix; with Kangaroo meat being one of the leanest meats on the market! As Kangaroo is a unique protein, it has many hypoallergenic properties that are excellent for pups with allergies to Beef or Chicken. Kangaroo is low fat and great for the heart, so it only makes sense that Roo Bones are the way to go!

Scruffs

Balmoral Trunk Bed

The Scruffs Balmoral collection is covered with a distinctive tartan, produced from a very durable 600-denier Oxford fabric. This hardwearing fabric is used on the outside of the beds for greater support and durability. The sleep area of each bed is lined with a super-soft plush fabric providing a snug, comfy environment for your dog to dose. The beds are trimmed with faux leather piping and finished with a Scruffs logo. Suitable for most family cars, the trunk bed is an ideal travel accessory. The ribbed sleep area provides comfort for your dog while protecting your trunk from dirt and odor. To use, place the bed on the floor of your vehicle. Before your dog gets in, unroll the beds cover over your car bumper to protect your dogs' legs as they get into the car. Then, simply roll the cover up to form the fourth side of the bed. When the bed is not in use the cover can be stretched across the top of the bed to cover the sleep area, allowing shopping etc. to be stowed without getting dirty.

Tuffy toys are the most durable dog toys on the market! With up to 4 layers of material, our toys are bonded and sewn together for added durability. Most dog toys have just one seam to hold the toy together. Tuffy toys can have up to 7 rows of stitching. Most Tuffy toys include an additional piece of black trim which protects the outside seam and makes the toy even stronger. Our toys are built to last, but keep in mind that no toy is "indestructible". Tuffy toys are designed to be used for interactive play and are not chew toys. Please be a responsible dog owner and only allow your dog to play with the toy under supervision. Do not allow your pet to ingest any portion of the toy. We strive to make our toys the strongest and safest on the market. As loving dog owners, we only want the best toys for our dogs and yours! Tuffy Mega Toys are extremely durable, soft dog toys made with up to 7 layers of material on the inside. RoboBone Electronic Treat Dispenser

The JW® RoboBone™ is the ultimate motorized dog chase toy! Stuff the wheels full of your dog's favorite treat, kibble or snack, turn on the toy and watch it randomly travel, distributing treats along the way. Your dog will soon learn to follow the RoboBone's in pursuit of snack treats or kibble and watch it go. RoboBone's intelligent design allows it to move freely without getting stopped or stuck. RoboBone is pre-programmed to chase and run from your pet for three minutes and then go into sleep mode until your pet wakes it up with a nudge. Once it wakes, it will resume a new two-minute randomized motion cycle to distribute more treats. Designed to work on all indoor floor surfaces including carpet, tile, and wood. Made from durable non-toxic plastic materials that securely house the electronics in the toy. RoboBone uses 4 AAA batteries (not included) and is recommended for dogs up to 50 pounds. The RoboBone can be kept clean by wiping the surface with a clean, damp cloth and allow to air dry completely before your next play session. As with all dog toys, we the recommend supervised use of this toy.

Integricare (Western Canada Only)

Tri-Acta for Dogs

An effective, easy-to-give-powder that is mixed in the pet's food each day.

Integricare designed TRI-ACTA to provide pet owners with a proactive strategy to assist in creating a healthy joint environment by combining glucosamine and chondroitin in forms demonstrated to be active with MSM.

TRI-ACTA has a synergistic effect that enhances the synthesis of new cartilage, muscle tissue and ligaments. The synthesis of new cartilage treats the cartilage matrix at the cellular level and allows the body to heal itself.

TRI-ACTA is used in the treatment of age-related soreness, degenerative joint disease, arthritis, and ailments associated with hip dysplasia, injury, or surgery. It is also recommended as a preventative approach to maintain optimal joint health.

Ultra Paws

Doggie Socks - Oakley

The Ultra Paws new Oakley Doggie Socks combines functional comfort with a bold design. Ultra Paws Doggie Socks are designed for indoor paw protection and provide traction on slippery surfaces. The wide, double-layer cuff holds the sock in place and the generous silicone swirl grip on the sole provides traction. Socks may also be used inside of dog boots for increased warmth. Simply open the cuff wide and slide your dog's paw into the sock. Make sure your dog's nails are trimmed short prior to using. Oakley design features orange cuff, gold and red center and black toe with silk screen logo. Four socks per set. Machine wash, cold water, low heat to dry.

Ultra Paws Safety Vest

This Safety Vest is ideal for day or night time use. It's bright orange by day and reflective by night with reflective trim and swirl. Dense, breathable mesh on the back promotes air movement. The vest secures with plastic quick snaps at the neck and belly. It is designed to fit half to three-quarters of the dog's back to allow ease of movement. D-rings on both sides can be used to add a clip-on light (purchased separately). Material: Nylon solid fabric with polyester mesh on the back. Plastic quick snaps. Reflective trim and swirl decal. Ultra Care: Close the naps and machine wash in cold water, air dry.
