For over 25 years Eiko set the standard in offering a high quality and dependable lamp at a reasonable price. The company has grown due to its focus on quality. As a member of the American National Standard Institute, Eiko lamps meet the specifications set by ANSI. Eiko maintains testing facilities in both our Illinois and Kansas locations to check on lamp construction, dimensions and average life. Eiko's commitment to quality goes beyond the product. As an ISO certified company, we strive to improve every aspect of our business to provide our customers with great product **selection**, **solutions** to their needs, and **simplicity** in doing business.
