KINGSPORT CITY SCHOOLS
FISCAL YEAR 2017-2018
BUDGET AMENDMENT NUMBER THREE

CAPITAL PROJECTS FUND

DOBYNS-BENNETT TRACK PROJECT

In November 2017 the Board of Education approved funding for resurfacing the D-B track in the amount of \$925,000. This amount was based on an estimate received from the architect/engineer for the project. Bids were opened on January 25, 2018. There were three bids received. Baseline Sports submitted the lowest bid. The base bid was \$866,932. There were three alternates. Alternate one is to replace the fence along the front stretch of the track. Baseline's bid for that work is \$33,450. Alternate two is for 2 new long jump pits. Baseline's bid for that work is \$31,000. Alternate three is to place the track material in part of the infield, which would allow for 2 high jump pits. Baseline's bid for that work is \$149,380. It is recommended that we accept alternates one and two, but not alternate three.

The revised current estimate for the total project cost is \$1,010,000. This includes the following:

Base Bid	\$ 866,932
Alternate One	33,450
Alternate Two	31,000
Architect Fees	21,610
Contingency - 6%	55,883
Miscellaneous	<u>1,125</u>
Total	<u>\$1,010,000</u>

With current funding established at \$925,000, an additional \$85,000 will need to be identified and transferred to this project. We will need to use funds from the General Purpose School Fund Unreserved Fund Balance to make up this difference. At June 30, 2017 the Unreserved Fund Balance was \$5,428,233.

It is recommended that the Board approve a motion to transfer \$85,000 from the General Purpose School Fund Unreserved Fund Balance to the Dobyns-Bennett Track project.

Date: February 1, 2018
Re: Dump Truck – Tandem Axle - Purchase Recommendation

This will confirm our review and recommendation to purchase the low compliant bid of the following vendor for use by the Stormwater Department. We are recommending that the trade offering of be accepted for unit #1605. The pricing is \$113,083 for the new unit plus the Option A: Snow Plow (Myers Plow System at \$6,725) less the \$15,000 trade in for a final price of \$104,808.

<u>Item</u>	<u>Quantity</u>	<u>Description</u>	<u>Award to Vendor</u>	<u>Fuel Economy</u>
1	1	2019 Kenworth T370 Rogers Body	Worldwide Equipment	2 City/ 6 Hwy

Low Compliant Bidder

The bidder was the low compliant bidder in all major aspects of the minimum specification requirements for the Tandem Axle Dump Truck(s) specified, which includes a Rogers dump body and Myers snow plow option. The \$83 lower bid offering of Goodpasture Motors was non-compliant to the minimum engine torque rating required in the specifications. The minimum specification was 330HP @ 1,050 lb/ft torque in which Goodpasture only offered only a 1,000 lb/ft. Goodpasture Motors did offer a larger engine to meet the minimum specifications for an additional \$1,800. Due to the load hauling requirements of the tandem axle dump truck, the minimum horsepower and torque rating is required.

This unit is being replaced by the use department.

Delivery and Compliance to Specifications expectations have been added to insure prompt delivery of any vehicle or piece of equipment purchased by the City of Kingsport. Failure of the awarded vendor to deliver on time or correct pre acceptance inspection deficiencies within the allotted time results in a monetary penalty assessed on a daily basis. This process will insure the departments receive their replacement units in a timely manner. Specified time allotted for delivery is 90 -120 days after notification with 15 days to correct inspection deficiencies after delivery inspection and a \$50 dollar a day penalty assessed for non-compliance.

The bid offerings were reviewed with the Water/Wastewater Systems Manager, Chad Austin, who is agreement with this recommendation. A confirming email of agreement is attached.

Fuel Economy Improvement

00%

No fuel economy improvements would be realized since the replacement unit is similar to the current unit being operated.

Subject: Dump Truck recommendation

Steve,

Per our conversation and review of the bid documents, I recommend that we accept the bid from Worldwide Equipment as the lowest, compliant bidder.

Although Goodpasture's bid was lower by \$83, the exception to the specified torque rating is a concern as we haul a payload in the bed and pull equipment at the same time. Engine power is of the utmost importance in these vehicles to properly use them. Goodpasture's bid included in their exception an engine that would meet the specifications with an added cost of \$1,800. Worldwide upgraded the engine to take care of the specified torque rating.

The exceptions taken by Worldwide Equipment do not raise any concerns with the use of the vehicle.

If you have any further questions, please let me know.

AGENDA ACTION FORM

Acquisition of Portion of Property and Temporary Construction Easements for the Indian Trail Drive Extension Project

To: Board of Mayor and Aldermen
From: Jeff Fleming, City Manager *JF*

Action Form No.: AF-29-2018
Work Session: February 19, 2018
First Reading: N/A

Final Adoption: February 20, 2018

Presentation By: R. McReynolds

Recommendation:
Approve the Resolution.

Executive Summary:

The Indian Trail Drive Extension Project is currently in the Final Utility/ROW phase. John Speropulos and Source One Development, GP, the property owners of the warehouse at the end of Ryder Drive, had reached out to staff a couple of months ago and asked that we move forward with any purchases as soon as possible. The reason for this request was that the current tenant was ending their lease and the owners were going to be in the situation that they were on notice that the city had plans to purchase and build a road through the warehouse. Mr. Speropulos knew that it would be very difficult to find a month-to-month tenant for this type of space. Therefore, an appraisal of the acquisition was prepared in accordance with the City of Kingsport's Real Property Acquisition Policies & Procedures. The portion of property needed for the road project appraised for \$450,000.00 and the temporary easements appraised for \$6,754.00. The owners of the property are willing to sell the property and easements to the city for the appraised values. A copy of the Purchase Agreement is contained in the attached resolution.

This project will be funded under #GP1615.

FOR AND IN CONSIDERATION of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, including specifically, without limitation, the receipt and sufficiency of which are hereby acknowledged, and in consideration of the mutual covenants contained herein, the parties

hereby agree as follows:

1. **SALE.** Seller agrees to sell, convey, assign, transfer and deliver to Buyer, and Buyer agrees to purchase, acquire and take from Seller, subject to the terms and conditions of this Agreement a portion of that real property situate, lying and located at 1828 Ryder Drive and being further identified as tax map 047P; group B; parcel 007.00, more particularly described on Exhibit A attached hereto and hereby made a part hereof, together with all improvements and fixtures situated thereon, if any, and also together with all hereditaments and appurtenances thereunto belonging or in any way appertaining (the "Real Property").

2. **PURCHASE PRICE.**

(a) **Amount.** The purchase price to be paid by Buyer to Seller for the Real Property shall be Four Hundred Fifty Thousand and No/100 Dollars (\$450,000.00) (the "Purchase Price").

(b) **Terms of Payment.** Subject to the adjustment provided for herein the Purchase Price, less the prorated property taxes as of the date of closing, shall be paid by Buyer to Seller in cash or certified funds payable to Seller on the Closing Date.

3. **CLOSING.** The closing shall occur on or before May 21, 2018, (the "Closing Date"), at a time and location mutually agreed upon by the parties or, upon failure of the parties to agree, at a time and place specified by the Buyer (the "Closing"). 4. **SURVEY.** Immediately upon the execution of this Agreement, Buyer shall, at Buyer's cost, cause a survey and surveyor's certificate, in form sufficient to remove the survey exception from the title insurance binder as more specifically provided in Section 5 hereof, to be prepared on the Real Property by a licensed surveyor acceptable to Buyer. The survey shall be made in accordance with the Minimum Standard Detail Requirements for ALTA/ACSM Land Title surveys for a Class A survey. Such survey shall show the total area of the Real Property in square feet, easements, if any, location of adjoining streets and rights of way, building setback lines, and such other details as may be required by Buyer. Once prepared, the survey description will replace Exhibit A and will become a part of this Agreement identified as Exhibit A-1, and such survey description shall be insurable (and shall be insured) by the title insurance company. If the survey (i) is for good cause not acceptable to Buyer's title insurance company; or (ii) shows the dimensions of the Real Property to be other than as set forth on Exhibit A; or (iii) shows any materially adverse conditions or matters affecting the Real Property which are not approved by Buyer, then Buyer, within twenty (20) days from receipt of such survey, shall notify Seller in writing of Buyer's objections to the survey and Seller shall thereupon have twenty (20) days to remove or cure such objections to the satisfaction of the Buyer and the title company. If Seller fails to satisfy such objections with the time specified, Buyer shall have the right to (i) terminate this Agreement; (ii) extend the time period for removing or curing any objectionable item by written notice to Sellers; or (iii) close this purchase and sale without reduction in the Purchase Price.

5. **TITLE INSURANCE.** Buyer, at its expense, shall secure an owner's title insurance commitment to issue a title insurance policy insuring Buyer's fee simple interest in the Real Property to the extent of the Purchase Price. The title insurance commitment will be issued by a reputable title insurance company chosen by Buyer and will contain exceptions only for real estate taxes and assessments for the current year which are not yet due and payable, and any other exceptions Buyer may approve in writing. If the commitment contains other exceptions, not acceptable to Buyer, then Buyer shall so notify Seller of such exceptions within twenty (20) days of Buyer's receipt of the commitment, and Seller shall have twenty (20) days from receipt of the Buyer's objections, to resolve such exceptions to the satisfaction of the Buyer. If Seller is unable to cure or resolve such exceptions to Buyer's satisfaction within the time specified, Buyer shall have the right to terminate this Agreement, extend the cure period, or proceed to close this Agreement. In the event Buyer elects to terminate this Agreement pursuant to this Section 5, then this Agreement shall be cancelled and thereafter neither Seller nor Buyer shall have any continuing obligation to each other under this Agreement.

6. **DEED AND TITLE.**

(a) Seller hereby agrees to convey to Buyer a good and marketable fee simple title to the Real Property, without exceptions, except as expressly provided herein, by a good and valid warranty deed, in statutory form, suitable for recordation. Title to the Real Property shall not be subject to any easements, encumbrances or other exceptions which Buyer, in its sole discretion, deems

unacceptable.

(b) In the event, as of the Closing Date, Seller is unable to convey marketable title to the Real Property due to defects in Seller's title, or Seller is unable to convey title due to exceptions Buyer finds unacceptable, then Closing shall be postponed for a reasonable period of time not to exceed 30 days until Seller shall remove said title defects or exceptions. If Seller is unable to cure such title defects or exceptions within said 30 days, this Agreement shall be null and void and there shall be no further obligations between the parties. If Buyer shall waive such title defects or exceptions by so notifying the Seller in writing, or if Seller shall have cured such defects or exceptions, as provided herein, the obligations of the parties hereunder shall not be affected by reason thereof, there shall be no abatement or reduction of the Purchase Price, and this transaction shall be consummated in accordance with the terms and provisions of this Agreement, except that such title defects or exceptions that are waived by Buyer, if any, shall be set forth as exceptions in the deed.

7. FEASIBILITY STUDY AND INSPECTIONS. Each party, in its own discretion, shall determine that the property it is acquiring pursuant to this Agreement is suitable for the use for which it is being obtained. Each party shall each have the right, at its own expense, to conduct an inspection, environmental study or audit, a professional wetland delineation, professional floodplain analysis, grading and soil tests, feasibility and engineering studies, compaction and support studies, and any other inspections and/or tests that such party may deem necessary or advisable (hereinafter collectively the "Study") of the property it is acquiring for a period of sixty (60) days (hereinafter "Feasibility Period") after the Effective Date. The party conducting the Study and its agents, employees, contractors and representatives shall have at all reasonable times right of access to such property and shall be entitled to enter upon the property during the Feasibility Period in order to conduct the Study. AGENDA ACTION FORM

Enter Agreement with Regions Bank Authorizing the Purchase of the Building Located at 415 Broad Street and at 251 New Street; and a Lease Agreement Allowing Regions Bank to Occupy a Portion of the Building Located at 415 Broad Street for a Defined Time

To: Board of Mayor and Aldermen
From: Jeff Fleming, City Manager

Action Form No.: AF-28-2018
Work Session: February 19, 2018
First Reading: N/A

Final Adoption: February 20, 2018
Staff Work By: Ryan McReynolds
Presentation By: Ryan McReynolds

Recommendation:

Approve the Resolution.

Executive Summary:

The proposed action moves the City of Kingsport forward with a final solution for the court system currently located within City Hall, a much improved customer experience, improved organizational synergy through collaboration and cost avoidance through building consolidation. Past studies have provided solutions for the courtrooms starting at \$5,000,000. The proposed action consolidates all court activities to the second floor of the Justice Center while providing room for the County offices that serve Kingsport for a much lower cost. Customer accessibility and safety are greatly increased by this proposed action both at the proposed city hall and the new courts facilities. Interaction between city departments and divisions within the Administrative group will greatly improve through the proposed action. And finally, future cost associated with building maintenance, reprogramming, meeting ADA requirements are avoided by the proposed action.

The action being considered will authorize the Mayor to:

- Enter into a purchase agreement with Regions Bank for the 74,427 square foot building located at 415 Broad Street for \$2,700,000 and the property at 251 West New Street for \$120,000.00 for a total purchase price of \$2,820,000.00

The City of Kingsport has used Nextsite, LLC for consulting research, data, market analysis and marketing to national retailers and tenants since 2017. Some examples include: Southeastern Deal Making – Atlanta, Gulf South Idea Exchange, Carolinas Idea Exchange and the ICSC National Conference. A copy of a recent marketing brochure that is used in one-on-one meetings with retail representatives is attached. Nextsite leverages the talents of our team and strategic partners to provide the most robust research, market analytics, commercial development analysis and retail recruitment services. Their combination of mobile user data, on-demand reporting and outreach is unique in its availability to municipal clients. A consistent point of contact for follow up at these events is essential to attracting national tenants.

MEMORANDUM

FROM: Lynn Tully, Development Services Director
DATE: February 14, 2018
RE: Sole Source Approval for Nextsite, LLC

As you are aware, the City of Kingsport has used the services of Nextsite, LLC under their previous name of R360 since early 2017. Much of their work is conducted behind the scenes with local developers, national recruiters, and national marketing efforts. As you know, having a consistent point of contact and proactive agent in these settings is essential. Since beginning our relationship with Nextsite we have been represented at more than a dozen different deal making conferences with up-to-date market and retail reporting research. They have worked directly with several of our local developers for target retailers and continue to provide marketing information for our area and specific site opportunities. They not only use ESRI Business analyst but are the single integration of mobile user data for retail research in the industry available to municipal clients.

City Code Section 2-599 permits the City Manager to enter in to a one source contract when it is determined to be in the best interest of the City of Kingsport. It is my opinion that this agreement with Nextsite, LLC warrants such based on the combination of data and marketing outreach provided by the company and our current relationship with national retail and restaurant representatives through their efforts.

If you are in agreement with this recommendation I would ask that you sign below in order to have documentation in the file. Should you have any questions please feel free to contact me

SECTION 3. THE CONTRACT PRICE. The City shall pay, in current fund, the Contractor for the performance of this Contract on the basis of the unit price cost per unit, as set forth in SECTION 1 above, and as set out and stipulated in the bid or proposal of said Contract, and the total cost of ONE MILLION THREE HUNDRED THOUSAND DOLLARS AND NO CENTS (\$1,300,000.00) is an estimated total cost, based upon the number of units required for the performance of this Contract and in the event there is any variation in the units actually required in the performance of this Contract, and the estimate made above, then the unit price shall in all things control, so that the total estimated cost of ONE MILLION THREE HUNDRED THOUSAND DOLLARS AND NO CENTS (\$1,300,000.00) is subject to being increased in the event the units required for this Contract are greater than that estimated, and is subject to being decreased in the event said units are less than that estimated; which said payment, based upon the unit costs mentioned above, shall be full compensation for all materials and supplies furnished, and all labor done by the Contractor under and pursuant to this

Agreement, and said sum shall also pay for all losses or damages of the Contractor arising out of the nature of the work, and for any and all expenses incurred in consequence of the work under this Contract, and for the well and faithful performance of said Contract.

Notwithstanding any other language to the contrary in the Agreement, the following terms shall be controlling:

1. This Agreement shall terminate at the end of the contract year, February 28, 2019. Additional annual term(s), each of which said term shall expire at the end of the then current contract year, shall be at the sole option of the City of Kingsport. If not renewed, for reason of Funding Out (which means school has insufficient funds to pay at June 30), School shall have no obligation to pay any additional costs and School shall surrender all rights and interest in any asset(s) which are not fully owned by School to Company. Except for the Maintenance Component and charges based upon the usage of the Equipment, the balance of the monthly payment owed by the School shall be consistent during the term(s) of the Agreement.

2. The Agreement shall be governed by the laws of the State of Tennessee. Any action brought in law or in equity to enforce any provision of the entire Agreement shall be filed in the appropriate state court in Sullivan County, Tennessee.

3. In any action to enforce this Agreement, the prevailing party shall be entitled to recover its costs and expenses, including reasonable attorney's fees.

MEMORANDUM

TO: KCS Board of Education/Board of Mayor and Alderman

FROM: Jennifer Walker, KCS SNS Supervisor for School Nutrition Services

DATE: 02/02/2018

RE: Renew Gordon Food Services contract for an additional year

Recommendation: Approve renewal agreement to extend Gordon Food Services contract for one year

Kingsport City entered into an agreement with Gordon Food Services beginning March 1, 2017 thru February 28, 2018. In the agreement, KCS School Nutrition Services administers a contract for Grocery Items and Beverages to maintain a continual supply of items for the Kingsport City Schools. The agreement includes an option to renew the contract for up to three additional years in one year increments, providing pricing and quality of services are acceptable to the City of Kingsport. 2018 Prices submitted required cost justification for 9 items that increased in price exorbitantly. Gordon's bid department reached out to the vendors and documentation was provided giving admissible reasons for price elevation, i.e. Hurricane Harvey and plant closures in China while environmental measures are taken to reduce plant emissions. This is the final renewal year in our bid contract and KCS SNS recommends renewing this agreement for an additional year from March 1, 2018 – February 28, 2019 for the same not to exceed amount of \$1,300,000.00.

All expenditures from this contract are fully funded by the School Nutrition Services budget. School Nutrition Services is a self-supporting department within Kingsport City Schools. We receive funding from federal reimbursements, state funding and revenue generated by meal fees, a la carte items sold and catering.
