HP LaserJet 3015 All-in-One

+hp

With HP's most affordable and compact LaserJet all-in-one, the HP LaserJet 3015, printing, faxing, copying and color scanning are easy and dependable

Economical performer

- **Quick, clean and cost-effective.** The HP LaserJet 3015 All-in-One delivers up to 15-pages-per-minute (ppm) performance and versatility at an impressive price— including printing, faxing, copying and color scanning.

- **Send faxes fast, too.** The rapid-fire V.34 fax modem (up to 33.6 Kbps) enables quick processing combined with two RJ-11 ports for connecting options, 120 speed dials and 110 group dials.

- **Minimize downtime.** Improve productivity with a 7,000-page-per-month duty cycle and 2,000-page print cartridge.

- **Highly accurate scanning.** Readiris PRO Text Recognition Software ensures greater accuracy when scanning text.

- **Plenty of memory for big jobs.** The HP LaserJet 3015 All-in-One comes with 32 MB of RAM to easily handle complex jobs plus an additional 2 MB memory dedicated to storing important fax documents.

Compact design

- **Small footprint for easy placement.** Designed to save precious office space, the HP LaserJet 3015 All-in-One wields powerful performance in an intuitive, space-saving, sheet-fed design.

Easy to use

- **Simple to set up, use, manage and maintain.** This radically simple all-in-one combines a simplified user interface, HP Toolbox software for easy interaction, and easy-to-replace supplies.

- **Paper handling has never been easier.** The 150-sheet front-loading input tray makes it easy to add paper while reducing user intervention. The 10-sheet priority feed slot lets you easily feed envelopes, postcards, letterhead and a variety of other media without having to change paper in the main paper tray. And a 30-sheet automatic document feeder enables unattended copying, scanning and faxing (single or multi-sheet input).

- **A snap to connect and install.** Both USB and parallel ports are provided.

- **A breeze to configure and monitor.** HP Toolbox software makes configuration easy and allows the user to quickly check operation status and troubleshoot.

- **Compatible with your environment.** The HP LaserJet 3015 All-in-One is compatible with Windows 98, Me, 2000, XP-32 and XP-64 (print only) for a seamless fit.

Powerful versatility with a small footprint and an even smaller TCO.

Size counts in today's office
With its unique space-saving design, the HP LaserJet 3015 All-in-One packs lots of power inside a small device that fits easily in crowded offices. That makes it ideal for single users or small work teams of two or three in small- to medium-sized businesses or even larger enterprises.

High-speed performance
Efficient and dependable, the HP LaserJet 3015 prints and copies up to 15 pages per minute and prints out the first page in just 10 seconds (first-copy-out in 15 seconds), thanks to instant-on technology.

Easy does it
The HP LaserJet 3015's radically simple design takes the hassle out of everyday office printing, copying, scanning and faxing. Its simple user interface is easy for even first-time users to operate and, unlike competing products, practically eliminates the hassle and downtime of misfeeds. And its 2,000-page print cartridge is one piece, making it significantly more reliable and easier to replace than competing multi-part print cartridges.

Built to serve
The HP LaserJet 3015's large capacity makes paper handling easier than ever before. A 150-sheet front-loading input tray reduces user intervention while a 10-sheet priority feed provides additional flexibility and convenience for feeding a variety of media types and sizes, including envelopes. There's also a 30-sheet automatic document feeder for unattended copying, scanning and faxing. Overall productivity is also enhanced by a 7,000-page-per-month duty cycle.

Extraordinary versatility
This exciting new all-in-one conveniently supports a variety of imaging needs, including printing, faxing, copying and color scanning. It also comes with USB and parallel ports for easy connection and installation. And in addition to scanning multiple pages automatically, it can print on a wide variety of paper formats, including letter and legal.

Unexcelled reliability
Backed by HP's reputation for reliable, easy-to-use products, the compact and affordable HP LaserJet 3015 All-in-One incorporates a wealth of valuable advancements, including time-tested HP LaserJet technology, HP's unique print cartridge technology, and a state-of-the-art toner formula that is without peer. Designed together to work together, these technologies make the HP LaserJet 3015 an extraordinarily reliable, efficient, and easy-to-use performer.
