LabelWorks LW-1000P

This label maker allows you to create and print labels easily, as you can print from your computer or directly from an iOS or Android device. Featuring fast 35mm/sec print speeds, multiple connectivity options and a top-loading tape feed, this professional label maker will be great addition to your workplace.

Widest range of connectivity

You can print from your computer, or download the free Epson iLabel app[1] to create and print labels from your iOS or Android device. You can also connect to the LW-1000P without the need for a router, thanks to the wireless device-to-device connectivity – perfect for use with your smart device or if a LAN is unavailable. It can also be used over the LAN as it has Ethernet and Wi-Fi connectivity too.
