- All purchases must be made through Lenovo Authorised Distributors
- Pricing is subject to approval by Distributor & Lenovo and ALL pricing is subject to change at Lenovo discretion.
- All pricing is based as a discount off RRP Ex GST and excludes existing Promotions and bundles
- All pricing quoted is exclusive of GST & Freight
- Standard price protection applies to CURRENT distributor inventory.
- Standard price protection does not apply to subsequent reduction in published web.
- No returns.
- This offer is not combinable with any other promotion.
- This offer is not available for new or existing special bids.
- This offer is only for demo and internal use only.
- This offer is limited to 2 x Server models (must be differing servers from a different Product Family) , 1 x Storage product and 1 x Networking product from the list of products provided below, per distributor.
- All Options, Licenses, PC pricing are not included in this program.
- Channel rebates and relational discounts do not apply.
- Products ordered under this Program must be ordered separately i.e. not to be included with normal trading stock orders
- Orders must clearly identify TAP50 purchase
- Lenovo products purchased under this Program must be used for demonstration purposes only and is not to be resold in an unused condition or in a used condition on or before 90 days from purchase.
- This program can be altered or ended by Lenovo at any time, at Lenovo's discretion.

\*\* Indirect Business Partner who place orders on Distributors will have to specify the business case number and part numbers on a SEPARATE purchase order and state the orders are applied to the Technology Access Program 50. In turn, the distributor must attach a copy of the order from the reseller when placing the order with Lenovo.

\*\* Lenovo's Sales Team will monitor the Technology Access Program to ensure that Business Partners are complying with all Terms and Conditions. If a BP is found breaching these T&Cs, they will be invoiced at their standard buy price for the demo equipment, and this program will no longer be available to them.
