EDITORIAL

First, a correction to the caption for the MV-22B in the April issue - the serial was 168296/YR-14 and not 162296/YR-15 as stated in the magazine!

Another excellent month for reports and photos received - please keep them coming for the rest of the coming display season! The big difference for 2014 over 2013 is that the displays are back on the scene again in the USA.

If you want to send in photos for possible publication can you please send them as JPEGs to me at brianmap@btinternet.com - the preferred size for the JPEG is 24 x16cm at 300dpi (or larger). If you wish to send prints or slides in for consideration these should be sent to Brian Pickering at the editorial address above.

As ever, if you would like to see a free copy of @MAR (our other well illustrated PDF magazine - only available via the internet) then please send an email requesting a copy to brianmap@btinternet.com. The subscription for @MAR for 2014 is £20 and you can subscribe at www.mar.co.uk

COVER PHOTOGRAPH: This B-52H was taken on the East Ramp at Barksdale AFB's Defenders of Liberty show on April 26th - it is 60-0037/BD from the 340th WPS of the 57th Wg and has "340 WPS" on the fin (John Wigzell)

Closing date for the June issue is 08.06.14

BRITISH REVIEW

I start this month with the sad news of the loss of five men when their Lynx AH.9A helicopter crashed in Kandahar Province, Afghanistan on 26th April 2014. Four of the personnel were based at Odiham with 657 Sqn; the fifth was a member of the Army Reserve. My condolences go to all the family of those people that were lost.

The temporary grounding of the Air Cadet Glider fleet took place just before the Easter break. This was due an error in the paperwork for the aircraft which was found during the auditing process and nothing to do with the aircraft themselves.

It has been confirmed that Waddington runways will close mid September 2014 and will not reopen until November 2015.

...Mick Boulanger (Military movements is history, now and for our future)

48 FW News

Correction to last month - the final F-15 departing to Lithuania on the 6th was F-15D 84-0019!

Two F-15s returned from Robins AFB on the 30th as **Retro98/99.**

Two of the thirteen **493 FS** F-15Cs deployed to Siauliai IAP on Baltic Air Policing duties returned on the 7th as **Grim11/12** with the remaining eleven returning on the 1st May as **Grim21-25** and **Reaper11-16**.

Known serials for the aircraft sent are -

84-0015 84-0019 84-0027 86-0159 86-0165 86-0166 86-0174 86-0175 86-0176 86-0182 F-15D

It would appear that two of the **492 FS** F-15Es that departed for Al Dhafra on the 1st may not have made the whole trip, diverting into Sigonella en route. They both arrived back at Lakenheath via Aviano on the 10th as **Mazda65/66**. Aircraft involved were 97-0222 and 91-0327.

Two F-15Es subsequently departed for Al Dhafra AB in the UAE on the 17th as **Mazda55/56** under **Coronet East 038A**.

The new **56 RQS** HH-60G 91-26353 was noted on April 10th still coded "FT"
