Enterprise-grade
UC tools for your workforce

Logitech, a world leader in products that connect people to the digital experiences they care about, offers a range of brilliantly designed UC tools that are so intuitive, people actually love to use them. Tools designed for real people.

Professional webcams and the ConferenceCams bring true-to-life HD-quality video to collaboration. USB headsets and the Speakerphone P710e deliver DSP and DECT enterprise-grade audio with user-centric features. A revolutionary UC keyboard combo provides UC audio and video controls at the user's fingertips.

Logitech helps businesses unleash productivity and UC collaboration - from the desktop to the conference room - with tools that adapt to the way people work and not the other way around.
