General Information

NON LIABILITY CLAUSE: the auctioneers nor any of their servants, will be responsible for any injury or damage to persons or property, however caused. The attention of vendors and exhibitors is drawn to the need to take great care of stock and equipment. Although security personnel are employed and every effort is made to protect property, the organisers take no responsibility for any loss.

IMPORTANT NOTICE TO VENDORS

All cattle must be accompanied by the relevant movement document and the relevant signed passport.

All sheep must be accompanied by the relevant movement documentation and all MV Accredited Sheep must be accompanied by an official MV certificate. All paperwork to be handed into the auctioneers on arrival at the market.

CONDITIONS OF SALE

All stock will be sold subject to the Auctioneers General Conditions of Sale, printed in this catalogue. Sheep will be sold subject to the Conditions of Sale for Breeding Sheep as approved by the British Association of Livestock Auctioneers and the National Farmers Union of England and Wales. Cattle will be sold subject to the Special Terms and Conditions of Sale recommended by the National Cattle Breeders Association. No animal may be sold privately prior to the sale but must pass through the sale ring. The sale of substitute animals is NOT PERMITTED.

Animals which fail to reach the 'reserve price' may be sold by private treaty after the auction. Full commission will be charged on all such transactions which MUST BE conducted through the auctioneer.

SETTLEMENT: Settlement in full for stock purchased is due to the auctioneers immediately at the close of sale. Prospective purchasers, who are not known to the auctioneer, are asked to provide details of their ability to pay before bidding.

CLEARANCE OF STOCK: No animal shall be removed from the sale premises without an official PASS obtainable only from the auctioneers upon settlement or application, and such pass MUST be presented to the auctioneers before loading.

Neither the Rare Breeds Survival Trust nor the auctioneer accepts responsibility for stock after it has passed through the auction ring. Whilst the auctioneers will endeavour to assist in the correct trucking of sold animals, purchasers are reminded that all risks in respect of such animals pass to them at the fall of the hammer. Purchasers are entirely responsible for any costs or expenses which may arise due to the wrongful or incorrect locating, trucking or removal of stock, and they shall be liable for all costs of returning such stock to its proper destination.

All livestock entries must be identifiable by ear tag, brand or tattoo which must correspond with the catalogue entry. Any animal not so identifiable will be REJECTED from the sale. **Under no circumstances will substitute animals be allowed into the sale.**

INSPECTION: All entries will be inspected for general health, soundness and freedom from defects. Certain breed societies may appoint officials to inspect entries for breed type and/or genetic or other defects or deformities. In all cases the right is reserved to reject any animal which does not conform to the accepted standards and the decision of the Inspector(s) is final. Animals so rejected must be removed from the sale area forthwith, at the vendor's expense and will not be permitted to be sold.

BUYERS PREMIUM: A buyer's premium of 5% plus VAT will be added to the purchaser's account.

COMMISSION: Cattle, sheep and pigs will be sold in pounds and the auctioneers will charge a commission of 5% on the sale price realised. Poultry and Waterfowl will be sold in pounds sterling (£'s) and the auctioneers will charge a commission of 10% on the sale price realised with a minimum commission of £1 per lot.

In the event of any animal(s) or bird(s) failing to reach the minimum Selling Price, Upset Price or Reserve Price (if any) fixed by the vendor, half commission will be charged on the said price.

This sale is licensed and authorised by the appropriate local authority and by DEFRA and will be organised and conducted strictly in accordance with the regulations and special requirements of those bodies.

All stock is to be removed from the sale premises on the day of sale, unless prior arrangement is made with the auctioneers.

A limited amount of straw bedding will be provided by the auctioneers free of charge. Additional straw may be purchased, if required. Poultry/Waterfowl cages will be provided with wood shavings. All vendors must provide their own feedstuffs and drinking utensils.

7. Breeders are responsible for the registration of all entries in the Society's Flock Book. There will be no refund of the registration if the animal is unsold and subsequently butchered.
8. Vendors should notify reserve prices to the Auctioneers prior to the commencement of the sale. Animals for which no notification has been given will be presumed for sale without reserve. The upset price for ram lambs is 50gns.
9. Certificates of Pedigree for all sheep shall be available for collection from the Auctioneers at the end of the sale.
10. All NSP certificates to be collected from the vendors, not the Auctioneers or the Society office.

Additional Guidelines re Substitutions:

- i) Substitutions are strictly only allowed to replace animals that have been taken ill, are injured, or have died.
- ii) The Secretary must be notified as soon as possible. The pedigree certificate of the substitute must be forwarded to the office if time allows, or handed to the Secretary on the morning of the sale.
- iii) The breeder can self certify ill health of the sheep or provide photographic evidence of the animal's injury but the Society retains the right to insist on a veterinary certificate where deemed appropriate.
- iv) In the event of the death of an animal, the breeder must provide a copy of the certificate of disposal or other appropriate evidence to the Secretary as soon as is practicably possible.
- v) A sheep may be substituted for an original entry provided that any substitution is a sheep in the same class.

- vi) The substitute must be clearly marked with a yellow dot at the base of the neck, at least one inch in diameter.
- vii) The substitute's pen must be clearly marked and include details of the animal's dam, sire, grand dam and grand sire clearly available for potential purchasers to see.
- xiii) The Auctioneers must be informed of the change so that a clear announcement can be made when the substitute animal enters the sale ring.

Additional Information:

BIO-SECURITY.

Intending purchasers are requested to have livestock vehicles cleansed and disinfected and have waterproofs and wellington boots when coming into contact with livestock.

MOVEMENT LICENSES

Market Holding Number: 08/067/8019

All licenses will be collected by stewards at the entrance to the market. No vehicles will be allowed in until this requirement has been met.

No sheep will be allowed to depart from the market without a license from the auctioneers office.

REFRESHMENTS

Refreshments will be available.

Information for Vendors

- **Vendors must ensure that sheep are correctly identified in accordance with DEFRA and RFBS regulations. Ear tag numbers MUST match the details listed in the catalogue and on the animal's pedigree certificate. Incorrect tagging WILL result in sheep being rejected by the inspectors.**
- Sheep must be presented at the market for inspection by the Society's approved inspectors between 7.00am - 8.40am on the morning of the Sale.
- Inspectors will assess whether the sheep offered for sale are fit for purpose, free from disease and that they are correctly tagged.
- Any animal found by the inspectors to have a visibly short tail (Animal Welfare Regulations 2008), will be rejected.
- Animals rejected by the inspectors may not be offered for sale and must be penned as directed by the stewards. They will be marked with a red dot at the base of the neck.
- Vendors are asked to make every effort to arrive as early as possible.
- All sheep must be adequately marked with their lot number (preferably with a paint mark) before they are presented for inspection.
- Sheep **MUST** be penned by 9.00am

- It is the responsibility of the vendor to supply any additional information on the pens of individual entries.
