CONDITIONS OF SALE

All stock will be sold subject to the Auctioneers General Conditions of Sale, printed in this catalogue. Sheep will be sold subject to the Conditions of Sale for Breeding Sheep as approved by the British Association of Livestock Auctioneers and the National Farmers Union of England and Wales. Cattle will be sold subject to the Special Terms and Conditions of Sale recommended by the National Cattle Breeders Association. No animal may be sold privately prior to the sale but must pass through the sale ring. The sale of substitute animals is NOT PERMITTED.

Animals which fail to reach the 'reserve price' may be sold by private treaty after the auction. Full commission will be charged on all such transactions which **MUST BE** conducted through the auctioneer.

SETTLEMENT: Settlement in full for stock purchased is due to the auctioneers immediately at the close of sale. Prospective purchasers, who are not known to the auctioneer, are asked to provide details of their ability to pay before bidding.

CLEARANCE OF STOCK: No animal shall be removed from the sale premises without an official PASS obtainable only from the auctioneers upon settlement or application, and such pass **MUST** be presented to the auctioneers before loading.

Neither the Rare Breeds Survival Trust nor the auctioneer accepts responsibility for stock after it has passed through the auction ring. Whilst the auctioneers will endeavour to assist in the correct trucking of sold animals, purchasers are reminded that all risks in respect of such animals pass to them at the fall of the hammer. Purchasers are entirely responsible for any costs or expenses which may arise due to the wrongful or incorrect locating, trucking or removal of stock, and they shall be liable for all costs of returning such stock to its proper destination.

All livestock entries must be identifiable by ear tag, brand or tattoo which must correspond with the catalogue entry. Any animal not so identifiable will be **REJECTED** from the sale. **Under no circumstances will substitute animals be allowed into the sale.**

INSPECTION: All entries will be inspected for general health, soundness and freedom from defects. Certain breed societies may appoint officials to inspect entries for breed type and/or genetic or other defects or deformities. In all cases the right is reserved to reject any animal which does not conform to the accepted standards and the decision of the Inspector(s) is final. Animals so rejected must be removed from the sale area forthwith, at the vendor's expense and will not be permitted to be sold.

BUYERS PREMIUM: A buyer's premium of 5% plus VAT will be added to the purchaser's account.

COMMISSION: Cattle, sheep and pigs will be sold in pounds and the auctioneers will charge a commission of 5% on the sale price realised. Poultry and Waterfowl will be sold in pounds sterling (£'s) and the auctioneers will charge a commission of 10% on the sale price realised with a minimum commission of £1 per lot.

In the event of any animal(s) or bird(s) failing to reach the minimum Selling Price, Upset Price or Reserve Price (if any) fixed by the vendor, half commission will be charged on the said price.

This sale is licensed and authorised by the appropriate local authority and by DEFRA and will be organised and conducted strictly in accordance with the regulations and special requirements of those bodies.

All stock is to be removed from the sale premises on the day of sale, unless prior arrangement is made with the auctioneers.

A limited amount of straw bedding will be provided by the auctioneers free of charge. Additional straw may be purchased, if required. Poultry/Waterfowl cages will be provided with wood shavings. All vendors must provide their own feedstuffs and drinking utensils.

WHY BUY A DEXTER:

- Dexter cattle are a compact and hardy breed given adequate shelter will stay out all year round
- Being truly dual purpose they are equally good at producing milk and beef
- Dexter beef is traditionally matured with excellent eating quality as recently seen on TV. Small, fine grained, well marbled joints are perfect for today's consumer.
- On a small scale enterprise two Dexters can be kept for the cost of a larger animal—thus ensuring fresh milk and beef all year round.
- Dexters make excellent mothers calving easily they will breed regularly for 14 years and more. Dexters can adapt to extreme climatic conditions and have been exported to all corners of the world.

REASONS FOR BUYING AT THIS SALE:

- More choice than buying privately
- Independently inspected for breed standard by Border Dexter Group inspectors
- Inspectors will be available to offer advice to new purchasers
- Pre-sale viewing available by appointment

Additional Guidelines re Substitutions:

- i) Substitutions are strictly only allowed to replace animals that have been taken ill, are injured, or have died.
- ii) The Secretary must be notified as soon as possible. The pedigree certificate of the substitute must be forwarded to the office if time allows, or handed to the Secretary on the morning of the sale.
- iii) The breeder can self certify ill health of the sheep or provide photographic evidence of the animal's injury but the Society retains the right to insist on a veterinary certificate where deemed appropriate.
- iv) In the event of the death of an animal, the breeder must provide a copy of the certificate of disposal or other appropriate evidence to the Secretary as soon as is practicably possible.
- v) A sheep may be substituted for an original entry provided that any substitution is a sheep in the same class.
- vi) The substitute must be clearly marked with a yellow dot at the base of the neck, at least one inch in diameter.
- vii) The substitute's pen must be clearly marked and include details of the animal's dam, sire, grand dam and grand sire clearly available for potential purchasers to see.
- xiii) The Auctioneers must be informed of the change so that a clear announcement can be made when the substitute animal enters the sale ring.

Vendors and purchasers must comply with current DEFRA regulations for Animal Movements in force at the time of the Sale.

All licenses will be collected by stewards at the entrance to the market. No vehicles will be allowed in until this requirement has been met.

No sheep will be allowed to depart from the market without a license from the auctioneers office.

REFRESHMENTS Refreshments will be available.

Important Information for Vendors SHEEP MUST BE PENNED BY 8.30AM

- **Sheep must be in their allotted pens by 8.30am. Inspections will be carried out by the Society's approved inspectors before 9.00am on the morning of the Sale. Animals not penned by this time will not be inspected, so cannot be offered for sale. Inspectors also reserve the right to refuse to inspect animals not clearly marked with their lot numbers.**
- In endorsing your sheep for sale, the RFBS must be confident that they are fit for purpose and correctly marked. Before being offered for sale, **ALL** sheep will be inspected to ensure that they fulfil **ALL** of the following criteria:
 1. They are correctly tagged or tattooed in accordance with DEFRA **and** RFBS regulations. Ear tag numbers **MUST** match the details listed in the catalogue and on the animal's pedigree certificate.
 2. They are fit for the purpose of breeding i.e. Their teeth are correctly positioned, Rams have 2 evenly sized testicles, females have an udder free from lumps and that all sheep are free from disease and in a good bodily condition.
 3. They are legibly marked with their catalogue Lot number (preferably with a paint mark)
 4. The length of the tail must comply with the DEFRA animal welfare regulations 2008.
- Entries that are deemed by the society inspectors to have not met all of these criteria will be omitted from the sale. These sheep will be marked with a red dot at the base of the neck and will be kept apart from those sheep offered for sale.
- Vendors are asked to make every effort to arrive as early as possible. Stewards will be in the market to assist you from 7.00am
- The decisions made by the Society Inspectors must be respected and will, in almost every case, be upheld. However in the event of an animal being rejected the vendor may appeal against the decision. The decision of the Appeals Committee is final.
- Substitute entries must be marked with a yellow dot at the base of the neck
- It is the responsibility of the vendor to supply any additional information on the pens of individual entries.
- Vendors who wish to place reserves on lots offered for sale must lodge them with the auctioneers office before the auction begins.
- It is the responsibility of vendors to ensure that they have adequate public liability insurance.
- Vendors are advised to bring plenty of bedding for the pens -wood shavings/chippings only (NO straw).

The sale will begin at approximately 1pm. Strict catalogue order.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
11. You have a right to know how we will use the information you have provided to us. We may share the information with other members of our group and may make this information available to relevant media groups and other interested parties on request. We and other members of the group may contact you by telephone, e-mail, post or fax to inform you of products or services available.
