<p>LDOE is gathering and analyzing data submitted by the LEAs utilizing the Frequently Asked Questions American Rescue Plan Elementary and Secondary School Emergency Relief (ESSER) Program Maintenance of Equity Requirements that was provided to demonstrate compliance. For LEAs that are unable to demonstrate compliance, LDOE will continue to work with these LEAs to make the necessary budget adjustments that will bring them into compliance. LDOE will review the LEA's distribution of state and local funds to ensure the LEA is maintaining equity in its high-poverty schools. The LDOE will then determine compliance by January 30, 2023 and will require non-compliant LEAs to provide a description of the adjustments the LEA will make to be in compliance by March 17, 2023. If any LEAs remain noncompliant, LDOE will be required to take one or more of the actions permitted by Title 2 of the Code of Federal Regulations §200.339–Remedies for noncompliance.</p>
