

**MINUTES OF THE MISSISSIPPI ENVIRONMENTAL
QUALITY PERMIT BOARD
HELD IN JACKSON, MISSISSIPPI, ON TUESDAY, JANUARY 12, 2016**

The Mississippi Environmental Quality Permit Board held a meeting in the Commission Hearing Room of the Department of Environmental Quality, located at 515 East Amite Street, on Tuesday, January 12, 2016. David Snodgrass called the meeting to order at 9:00 a.m. with the following members and designated representatives present:

David Snodgrass, Chair
 Michael Bograd, Vice Chair
 Jim Hoffmann for Kay Whittington
 Jim Lipe for Cindy Hyde-Smith
 Jan Boyd for Jamie Miller
 Charles Shultis for Leslie Royals
 Dennis Riecke for Sam Polles

Roy Furrh, General Counsel for MDEQ, was present as legal counsel. On motion by Michael Bograd and seconded by Jim Lipe, the minutes of the December 8, 2015, meeting were approved.

REPORT OF STAFF PERMIT ACTIONS/CERTIFICATIONS

Staff reported to the Permit Board that staff had taken action on various permits since the December 8, 2015, Permit Board Meeting pursuant to the regulations delegating this authority to the Executive Director and the Executive Director's delegation of this authority to the staff in accord with those regulations. The Permit Board voted to note and record in its minutes the reports of permit actions/certifications by staff since the December 8, 2015, Permit Board Meeting. [Jim Hoffmann abstained from voting on all Land and Water Resources permits and Michael Bograd abstained on all of the Office of Geology permits.]

**THE PERMIT BOARD CONSIDERED THE FOLLOWING
OFFICE OF POLLUTION CONTROL MATTERS:**

Construction Building Materials Branch

**OFP Match Worx Shooting Facility,
Issuance of Coverage under
Large Construction Storm Water General Permit,
Leake County, MSR 107027**

Michael Griffith of MDEQ's Environmental Permits Division presented the OFP Match Worx LLC's application for issuance of coverage under the Large Construction Storm Water General Permit MSR107027. On October 23, 2015, a petition was received by MDEQ from concerned citizens related to the proposed gun range being near a church and school buses that drive by the area. Visitors present opposing the permit were Annie Coleman from the community of Ofahoma (along with a few other citizens from the area) expressing that the community was not notified of a public hearing concerning this permit and there was no opportunity provided for community engagement. Ms. Coleman requested a public hearing. Harry Wilson, Chief of the Environmental Permits Division with MDEQ, was present and responded that because this is a general permit under large construction storm water there are no state or federal laws or regulations which require public notice for this coverage under the General Permit. On behalf of OFP Match Worx, visitors present were John Stewart, Betty Ruth Fox and Matthew Graham. Ms. Fox stated to the Permit Board that First Choice Safety was hired as a consultant and took immediate action to come into compliance with every request from MDEQ. Ms. Fox also indicated regarding Ms. Coleman's concerns that all shooting at this range is to the South and shooting lanes have twelve foot berms to protect the safety of citizens.

On motion by David Snodgrass and seconded by Jim Lipe, the Permit Board voted to accept the staff's recommendation for issuance of coverage to OFP Match Worx LLC under the Storm Water General Permit.

Solid Waste Management and Mining Branch

**Unified Waste Systems, LLC, Starlanding Rubbish Disposal Facility, Reissuance of
Solid Waste Permit #SW0170020518, DeSoto County**

Mr. Harry Wilson, Chief of MDEQ's Environmental Permits Division, advised the Permit Board that Unified Waste Systems, LLC, Starlanding Rubbish Disposal Facility requested reissuance of its individual Solid Waste Management Permit #SW0170020518. The permit would allow for the continued disposal of Class 1 rubbish. Mr. Wilson advised the Permit Board that a Public Hearing was held on November 5, 2015, at the Lake Cormorant High School. Mr. Wilson advised that members of the Permit Board had been provided a copy of the hearing transcript and a copy of staff's responses to comments received at the public hearing. Mr. Wilson stated many of the hearing comments were related to two issues. First, there were a number of comments regarding the permit term. Specifically, the permit would be issued for a 10-year term, but local zoning approval for the site is set to expire before permit expiration. Second, there were comments regarding an underground fire at the site. Mr. Wilson advised the Permit Board that MDEQ revised the draft permit to add a provision allowing the Permit Board to modify or revoke the permit if the DeSoto County Board of Supervisors did not vote to extend local zoning approval to allow continued operation of the site.

Mr. Rory Reardon, a concerned citizen, addressed the Permit Board and made several remarks asking that the Permit Board limit the 10-year proposed permit term to the date local approval for the site would expire (July 7, 2019). Mr. Reardon also discussed an underground fire at the site which MDEQ inspectors have periodically detected by odor and smoke. Mr. Reardon asked the Permit Board delay its decision for one month to allow DeSoto County residents to discuss the revised draft permit. Mr. Reardon suggested a one month delay could avoid the residents filing an evidentiary hearing request should the Permit Board vote to issue the permit.

Mr. John Corlew, an attorney representing Unified Waste stated that DeSoto County issued a conditional use permit for the site. He stated that his client had built a private road and had done some landscaping at the site as requested by the county. Mr. Corlew stated that his client has met every local requirement and every request from the county to insure the site complies with local zoning requirements. Mr. Corlew objected to Mr. Reardon's request that the Permit Board delay its vote.

Mr. Roy Furrh, General Counsel for MDEQ mentioned that the original public notice for the proposed reissuance was not clear so MDEQ went back to public notice and held a public hearing which had been requested by concerned citizens.

Mr. Furrh also stated that he conferred with Mr. Tony Novak, the attorney for the DeSoto County Board of Supervisors, and they agreed that Unified Waste will have to comply with all state and local terms and conditions.

On motion by Jim Lipe and seconded by Jan Boyd, the Permit Board voted to reissue the solid waste permit to Unified Waste Systems, LLC.

**Pierce Construction and Contract Hauling, Inc., Tucker Mine,
Modification of Mining Storm Water Coverage (MSR322500)
and Surface Mining Permit Application (A1927), Monroe County, Mississippi**

James Matheny with MDEQ's Office of Geology presented to the Permit Board Applications for a Surface Mining Permit (A1927) and a Surface Mining Storm Water Permit (MSR322500) submitted by Pierce Construction and Contract Hauling ("Pierce Construction") which is located on the west side of Stovall Bottom Road, Hamilton, Mississippi, in the southern part of Monroe County.

Mr. Matheny informed the Permit Board that on August 25, 2015, the Office of Geology received a Notice of Exempt Operations from Pierce Construction and that on September 28, 2015; the Office of Geology received a Surface Mining Permit Application (A1927) from Pierce Construction. The original four acre exemption will be included within the proposed twenty-three acre surface mine.

Mr. Matheny informed the Permit Board that MDEQ held a public hearing on December 17, 2015, at the Hamilton Community Center to hear concerns from citizens who live near the proposed mine. MDEQ sent a copy of the hearing transcript and a response document prepared by MDEQ staff in advance of the Permit Board meeting.

Mr. Matheny informed the Permit Board that there is one existing permitted surface mine within three miles of the Hamilton Community. The proposed Pierce Construction permit would be the second permitted mine. Mr. Matheny further stated that there are three exempt surface mines within three miles of Hamilton. Mr. Matheny informed the Permit Board that citizens expressed concerns that the mine would increase truck traffic on Stovall Bottom Road and surrounding roads. Mr. Matheny stated that these were concerns within the purview of the Monroe County Board of Supervisors and not the Permit Board.

Citizens were also concerned that the proposed surface mine would ultimately become a landfill. Mr. Matheny stated that MDEQ had not received an application for a landfill at this location.

Mr. Matheny also informed the Permit Board that MDEQ has heard several concerns about ongoing and potential future activities at the Tronox facility which is in close proximity to the proposed Pierce Construction surface mine. MDEQ recommended that the local community continue to express their concerns with Tronox management, with the Monroe County Board of Supervisors, and through the community advisory panel. Mr. Matheny stated that MDEQ staff would collaborate with the Office of Community Engagement staff for future Tronox permitting matters to foster effective communication between MDEQ and the community and to invite public participation.

Chairperson David Snodgrass asked if there were any visitors who wished to comment regarding these permit applications. No one responded.

On motion by Dennis Riecke and seconded by Jan Boyd, the Permit Board voted to accept the staff's recommendation to issue the following Surface Mining Permit and Modification of Mining Storm Water Coverage to Pierce Construction. (Michael Bograd abstained)

Pierce Construction and Contract Hauling, Inc., Tucker Mine

Surface Mining Permit Application	Monroe County	A1927
Modification of Mining Storm Water Coverage	Monroe County	MSR322500

OTHER BUSINESS

Mr. Roy Furrh informed the Permit Board that the Ethics Commission requires each Permit Board Member to file a Statement of Economic Interest annually which will be due by May 1, 2016, and that he will send an email reminder. Each member will also need to sign the EPA ethics form which is also required to be executed annually.

David Snodgrass confirmed the next Regular Meeting will be held on February 9, 2016.

MEETING ADJOURNED

There being no further business to come before the Permit Board, David Snodgrass adjourned the meeting.

DATED at Jackson, Mississippi, this the 12th day of January, 2016.

GARY C. RIKARD
EXECUTIVE DIRECTOR

DAVID SNODGRASS
PERMIT BOARD CHAIRMAN

MISSISSIPPI STATE DEPARTMENT OF HEALTH

January 11, 2016

Roy Furrh, Legal Counsel

Jackson, Mississippi 39225-2261

Dear Mr. Furrh:

Re: MDEQ Permit Board Substitution

Charles Shultis, Compliance Director for the Bureau of Public Water Supply, will be present for the January 12, 2016, Permit Board meeting in my place. He is familiar with the proceedings and with the materials for this particular meeting.

If you have any questions or concerns, please contact me at 601-576-7690.

Sincerely,

A handwritten signature in blue ink that reads "Leslie Royals".

Leslie Royals, P.E., BCEE, Director
Office of Environmental Health
