# Simple, reliable and affordable

## Easy To Use

Even if it's your first camera, it's simple to operate. The button layout is uncomplicated and Auto Mode optimises all the settings for a perfect shot every time.

## 16 MP CCD image sensor

With 16 megapixels and a highly-efficient image sensor, you'll always get crisp images with clear detail – ideal for making photo enlargements of your favourite shots.

## 5x NIKKOR optical zoom lens

Capture fun facial expressions and get close to all the action at events and celebrations with the 5x optical zoom that helps you adjust to any shooting situation.

## HD movie recording

Movies bring memories to life – film yours in HD (720p) at the touch of a button, so you're always ready when the magic begins. Never miss a memorable moment again!
