GEORGE the Third, by the Grace of GOD, of
*Great-Britain, France and Ireland, King, De-
fender of the Faith, and so forth.*

To all to whom these presents shall come, Greeting :

WHEREAS our loving subjects, *John Watts, William Smith, Robert R. Livingston, Whitehead Hicks, William Livingston, Goldsbrow Banyar and Samuel Jones*, of our city of *New-York*, Esquires; *Peter Van Brugh Livingston*, and *Peter Keteltas*, of our said city of *New-York*, merchants; *Walter Rutherford*, and *David Glarkson*, of our said city of *New-York*, gentlemen; and *Samuel Bard*, of our said city of *New-York*, physician,—by their humble petition presented unto our trusty and well-beloved *William Tryon*, Esq; our captain-general and governor in chief in and over our province of *New-York*, and the territories depending thereon in *America*, chancellor and vice-admiral of the same; and read in our council for our said province on the eighth day of *September* last past; did set forth, That sundry persons conceiving a public library would be useful as well as ornamental to our said city of *New-York*, did, in the year of our Lord one thousand seven hundred and fifty-four, set on foot a subscription in order to promote the design of erecting one in our said city, and did thereby promise to pay FIVE POUNDS *New-York* currency, each, on the first day of *May*, in the said year of our Lord one thousand seven hundred and fifty-four; and TEN SHILLINGS yearly, each, on every first day of *May* for ever thereafter, to twelve trustees, to be chosen by the majority of the subscribers, or their assigns, annually, out of the number of subscribers thereto, or their assigns: For which purpose the said subscribers did thereby agree to meet constantly on the last *Tuesday* in *April* in every year, at the Exchange, in *Broad-street*, in our said city of *New-York*, between the hours of eleven and twelve: Which trustees, or the majority of them, were thereby empowered to dispose of the said money, in purchasing such books as they should think proper from time to time, and in procuring a house or room to deposit them in; to appoint a librarian, and allow

him a proper salary for his care and attendance of the said library; to regulate the terms on which the books belonging to the said library should be lent, and to do every thing they should judge necessary to erect, preserve, ornament and improve the said library. That the monies subscribed as aforesaid, amounting to *Six Hundred Pounds*, current money of *New-York*, together with so much of the annual payments as could be collected, had been applied, according to the terms of the said subscription: By which means the said library was become very considerable, but would increase much faster, and might be made of greater publick utility if a corporation should be formed for that purpose. And therefore the petitioners, being the present trustees of the said library, humbly prayed our letters patent, forming a corporation for the purposes aforesaid. Now, we taking into our royal consideration the beneficial tendency of such an institution within our said city, are graciously pleased to grant the said humble request of our said loving subjects. KNOW YE THEREFORE, That we of our especial grace, certain knowledge and meer motion, have willed, given, granted, ordained, constituted and appointed, and by these presents, do will, give, grant, ordain, constitute and appoint, That the said *John Watts, William Smith, Robert R.
