OHIO CRIME VICTIM  
REPARATION PROGRAM REPORT

Ohio Crime Victims Reparations Program Report (REPORT 2) Report 2 covers all of fiscal years 1979 and 1980, and the first six months of fiscal year 1981. It contains statistical data from July 1, 1978 through December 31, 1980. Report 2 overlaps with Report 1 data in that both reports contain fiscal year 1979 data. Report 1 contains data for the first six months of fiscal year 1979, i.e., July 1, 1978 through December 31, 1978, while Report 2 contains data for entire fiscal year 1979, i.e., July 1, 1978 through June 30, 1979.

OHIO CRIME VICTIM  
REPARATION PROGRAM REPORT

This report on the Ohio crime victim reparations (compensation) program covers the period from on July 1, 1978 through December 31, 1980. (The information presented in the report is organized by fiscal year. Because the last report covered fiscal years 1977, 1978 and the first half of fiscal year 1979, this report covers all of fiscal year 1979, fiscal year 1980, and the first half of fiscal year 1981.)

This report is a presentation of the information required by R.C. 2743.69. The information is divided into two types of statistical data about the reparation program and appears on tables similar to those used in the last report. Table A, "Reparations Claims Data", summarizes the activity of the claims themselves. Table B, "Reparations Special Account Data", summarizes expenditures made from the reparations special account. Appendix I lists awards and denials and specifies the amount of each award. Appendix II lists by source and amount the money that has been deposited in the special account during calendar years 1978, 1979 and 1980. Note, as indicated on Table A, that "the amount asked in each claim" is unavailable because claimants do not ask for specific monetary relief. For the same reason, "the average size of claims" is also unavailable.

Further background information about the reparations program can be found in the initial report. Additional copies of that report and this report are available upon request. The one significant legislative change not covered by the initial report is Am. Sub. H.B. 238 of the 113th General Assembly which requires the distribution of notice/information cards to victims by both law enforcement officers and prosecuting authorities.

## APPENDIX I

Appendix I is a chronological listing of the decisions announced by the Court of Claims from January, 1979 through December 1980.

It must be noted that the addition of all of the awards listed in Appendix F will not yield an accurate overall program total of awards paid because, inter alia, some of the awards have been appealed, some have been modified or reversed, some have been refused, some have been complicated by the death of the applicant, etc. Overall program totals of awards journalized may be obtained from Table A and overall totals of awards actually paid may be obtained from Table B in the text.
