46" diagonal 16:9 pull-up screen

---

- **46" diagonal 16:9 pull-up screen**
- **Easy to use portable design**
- **One button operation**
- **Lightweight aluminium case**

This innovative super portable 46" pull-up screen features a lightweight aluminium case design weighing only 2.8kg.

It provides a perfect solution for table-top presentations. Great for meetings on the go and ideal for photographers, designers and artists to showcase work on a larger screen compared to a laptop or tablet.

Also great for use while travelling - team up with a portable projector for an outdoor movie night while camping.
