
Epson Stylus Pro 4450

DATASHEET

For POS and CAD printing where speed, reliability and high quality colour are essential, our advanced Epson Stylus Pro 4450 is the ideal solution with a desktop footprint. We give you the flexibility to achieve consistent and professional results for anything from precision line drawings to vibrant colour presentations on a wide range of media - up to A2+ and even 1.5mm thick board. The Epson Stylus Pro 4450 is easy to use, has a robust desktop design and will reduce your printing costs with its impressive low cost of ownership.

KEY FEATURES

- Consistent, professional quality from Epson Micro Piezo™ print technology
- Vivid, consistent colour with Epson UltraChrome™ 4-colour ink set
- Experience large format A2+ printing in a convenient desktop size
- Flexible media capability with an automatic or manual sheet feed and roll feed
- Gives you lightfast images in excess of 75 years
