WorkCentre® 4150 multifunction

Introducing your new multifunction printer

The WorkCentre 4150 multifunction meets the challenges of today's non-stop business world. We started with the basic requirement of every office: powerful printing capabilities. Then we added an array of tools to create a reliable and convenient multifunction that is ready to handle the needs of your busy workgroup.

Get more done, day in and day out

Replace your current printer with the WorkCentre 4150 and see how much more you can do with this multifunction's best-in-class features.

- Get a solution designed exactly for your business, all the way up to a full-fledged multifunction that can print, copy, fax and scan to email.
- Each function is fully integrated and can be accessed while other jobs are running. Enjoy worry-free, reliable operation.
- Easily integrate the WorkCentre 4150 into your existing printer environment, or replace single-function machines with one convenient multifunction device. That's a lot of productivity in a small footprint.
- Call on unrivalled service and support, including service professionals who are linked to the engineers who designed your product. Fuji Xerox is there for you every step of the way.

Multifunction power at the right price

As the multifunction experts, Fuji Xerox can help you streamline the way you work with a value-packed device that's competitively priced.

- Save money by choosing just the functions you need now. Upgrade as your business grows.
- Increase productivity and decrease costs by getting one device that does the work of several single-function machines.
- Standard automatic two-sided printing and copying – and even faxing – saves time as well as money.

- PRINT
- COPY
- SCAN
- EMAIL
- FAX

Flexible choices

Choose the WorkCentre 4150 in the exact configuration to meet your needs.

WorkCentre 4150 Black & White Multifunction Laser Printer

Fuji Xerox feature advantages

Manage your print queue right from the touch-screen. Move important jobs to the top of the list for maximum efficiency.

The fax feature can relay incoming faxes to email and other fax machines.

Touch-screen operation is easy to learn, easy to navigate, and consistent with all Fuji Xerox multifunction systems.

Time-saving "Auto" features make correct selections for you, ensuring high-quality output.

Process ID documents quickly and efficiently with ID Card Copy.

A new world of convenience

Give your workgroup a centrally located device that boosts productivity.

- The space-saving design means all capabilities can fit comfortably in your workgroup. Add up to three additional paper trays and build a floor-standing device that is easily accessible to everyone in your office.
- Installation and network configuration are easy – a couple of clicks and you're up and running.
- The large touch-screen interface can be understood at a glance. Most operations are a touch away.
- Manage your machine and access device and job status and accounting information from your desktop using the CentreWare IS embedded web server.
- Add a finisher to the desktop or floor-standing model that will collate and staple up to 50-sheet documents for more efficiency and convenience.

Must-have tools to match the job
The WorkCentre 4150 offers a line-up of special features so useful you'll wonder how you lived without them.

- **ID Card Copy:** Use the innovative ID Card Copy feature to copy both sides of an ID document or check onto one side of a sheet of paper – without having to run the paper through a second time.
- **Fax Forward to Email:** Route incoming faxes to your email for easy archiving or to access while you're out of the office.
- **Secure Print:** Prints confidential documents only after you've entered a password at the device.

- 1 Money-saving and fast automatic two-sided printing is standard
- 2 50-sheet duplex automatic document feeder scans two-sided documents
- 3 100-sheet bypass tray handles heavier papers up to 200 gsm
- 4 Standard 500 sheet paper tray feeds custom sizes up to 279mm x 356mm.
- 5 One, two or three additional paper trays boost capacity to as much as 2,100 sheets
- 6 Use the handy Finisher to collate and staple sets of up to 50 pages
