

DYMO

Catalogue 2012

Outwit the routine.

Imagine how much more you could accomplish with a little extra help and a little more time, every single day. DYMO® products can give you both. Whether you work in an office, at home or in an industrial workplace, DYMO® has what you need to get organised and complete everyday tasks – in less time and with less effort than they take now.

How clever is that?

Office	4
Home	34
Industrial	42
Compare	50

Save time. Save money. And every so often, save the day.

DYMO® office products make it easy to do more with less – and to work minor miracles that can make a big difference to your business.

Print any label you need in seconds, without the hassle of sheet labels.

Accomplish more with advanced labelling at your computer or on the go.

Build a database of business contacts, without typing a word.

DYMO

Office

Office Labelling Solutions

Mail. Send. Organise. Impress. Save.

If there's a label that can help your business run more smoothly you can print it with DYMO® labelling products. They're quick, easy to use and good for business. Thanks to DYMO® LabelManager™ label maker you can name and identify documentation, filing trays, computer media, and more with eye-catching labels. CD/DVD cases, files and other articles that quickly pile up can be colour-coded to show what kind of material they contain or confidentiality status.

DYMO® LabelWriter™ label printers never needs ink or toner. Label, mail, and file smarter with proprietary DYMO Label™ v.8 Software, which enables you to create and print address, shipping, file folder and barcode labels, plus name badges and more – all without the extra work and hassles of printing sheet labels on a standard desktop printer.

Address your mail

Print clear, accurate, professional address labels, and the postage* that goes with them at speeds up to 71 labels a minute**.

Label your media

Put away your marker – label CDs, DVDs and other media with neat, easy-to-read, professional looking labels.

Manage visitors

Impress visitors and enforce security with personalised name badges – including your company logo.

Organise your files and archives

Find any file more quickly with black-and-white labels for file folders, hanging folders, filing cabinets and drawers.

Quickly label anything

Standard D1 Labels are perfect for most labelling and organising jobs – files, binders, storage areas and more.

LABELS

Label hard-to-label surfaces

Flexible High Performance D1 Labels feature a permanent adhesive that stays put on curved, textured or uneven surfaces.

LABELS

Label permanently

Permanent High-Performance D1 Labels combine permanent adhesive with scratch and water-resistance – for labels that stay in place and remain legible.

LabelManager™ Series

Organise any workspace or storage area in minutes.

DYMO® LabelManager™ electronic label makers are packed with features inspired by consumers: touch screen editing, large screen with print preview and easy-to-use interfaces, quick access buttons and more. In addition, selected LabelManager™ models run on a rechargeable battery pack that eliminates the inconvenience, expense and waste of alkaline batteries. Choose the LabelManager™ that's right for you – and see just how quickly and easily you can organise the busiest desk, filing cabinet, cupboard or room.

LabelManager™ 500TS

Touch Screen Label Maker with PC or Mac® Connection

The first standalone office touch screen label maker from DYMO®.

- Large, full-colour touch screen – a DYMO® first! Just tap to create, edit and format labels with ease
- Speed text entry on the computer-style keyboard with country-specific layout
- Eliminate the hassle of manual cutting with an automatic label cutter
- Customise your labels with 10 fonts, 25 font sizes, 32 text styles, 5 boxes and 100s of built-in symbols and clip-art images
- Prints crystal clear graphics, barcodes and logos at 300 dpi resolution
- Connect to your PC or Mac** and use DYMO Label™ Software to customise your label with fonts or graphics - even download them for editing and printing on the go
- Share without losing your settings – new user profiles let you store, settings and data for up to 5 different users
- Store over 500 labels on your machine
- Label fast – prints twice as fast as other DYMO® label makers
- Avoid the cost and waste of disposable batteries with the rechargeable battery pack
- Uses DYMO® D1 labels in 6 mm, 9 mm, 12 mm, 19 mm, and 24 mm widths

* Compatible with Microsoft® Windows® XP, Windows Vista®, Windows® 7 or Mac OS® v10.4 or later

LabelWriter™ 450 Series

LabelWriter™ Software

DYMO Label™ v.8 Software for PC and Mac®

Get great labelling results with a lot less work

Included with every LabelWriter™ 450 label printer, DYMO Label™ v.8 software simplifies every labelling job – whether you print one label or hundreds.

- DYMO Label™ v.8 software: Create and print your favourite layouts from your PC or Mac®
- Multi-application: Create labels directly from Microsoft® Word, Outlook®, Excel® and CardScan®, without retyping your text
- Built-in address book: Print labels straight from your contact list or from your Outlook® or Mac® Address Book
- QuickPrint widget: Print a single label quickly and easily
- Choose from more than 100 pre-designed, customisable label templates
- Add logos, graphics, shapes and more to your labels

System requirements for all LabelWriter™ label printers

PC: Windows® XP, Windows Vista®, or Windows® 7

Mac®: OS® 10.4 or later

USB port, 50MB of hard disk space, and CD-ROM drive

Print your Postage Online (available in UK only)

- Print your stamps online with your DYMO® LabelWriter™ without leaving your desk
- Visit www.royalmail.com/smeprintpostage and print your stamps in just a few seconds

LabelWriter™ Print Server

Network Adapter for DYMO® LabelWriter™ Label printers

- Connects everyone on your shared computer network to any of the LabelWriter™ 400 or 450 series label printers
- Simple installation: Connect the Print Server to your LabelWriter™ printer (USB) and the network (Ethernet) and you can share all the benefits and features you already enjoy with everyone in your office
- Software available in English, French, German, Dutch and Italian

DYMO® LabelWriter™ Labels

DYMO® LabelWriter™ Labels use a direct thermal printing process – so you never need to bother with messy, expensive ink or toner cartridges. And because they're packaged in rolls, you can print one label or hundreds with ease – no sheet label jams, no layout hassle and no waste.

Label Types:

- Permanent white paper labels: Ideal for most labelling jobs
- Removable white paper labels: For non-permanent labelling – leave no residue when removed
- Permanent transparent plastic labels: Allow the surface being labelled to show through – give the appearance of printing directly onto the surface
- Non-Adhesive cards: Appointment cards or name badges for usage in combination with badge holders or badge clips

= Permanent

= Removable

= Non-Adhesive

Contact Management

Record every contact. Seize every opportunity.

With the CardScan® Contact Management System, acquiring contact data is as easy as scanning a business card – or dragging and dropping text from e-mails, web pages and other online documents. The award-winning CardScan® technology enters the data into the correct fields in a digital contact file. Build an invaluable business contact database without typing a word. Use the CardScan® Contact Management Software, bundled with the system, to quickly find and categorise contacts, generate bulk mail shots or e-mail shots and much more.

CardScan® Executive

Advanced Contact Management System for PC and Mac®*

Capture, organise and manage your contacts faster than ever.

Turn contacts into opportunities! Just scan your business cards and the CardScan® software automatically enters the data into the appropriate fields to create an indispensable digital address book.

- Includes a fast and accurate color-capable business card scanner with the NEW CardScan® v9 contact management software
- Scan contact data directly from business cards, or drag and drop contact data from emails, web pages and documents
- NEW Microsoft Outlook® Add-in – Scan business cards directly into your Outlook® Contacts file (Windows® only)
- NEW Save As feature – Save any CardScan® file in .csv (spreadsheet) or .vcf (VCard) format
- Edit, sort, search, categorise and de-duplicate contacts faster and easier than ever
- Generate a map of any contact's address with one click
- Print labels for contacts with one click with your DYMO® LabelWriter™ 400 or LabelWriter™ 450 series label printer (sold separately)
- Synchronise seamlessly with Outlook®, Outlook® Express, Palm®, Windows Mobile®, Windows® Contacts, Act!™ Standard and Premium for Workgroups, and Lotus Notes® (Windows®) or Mac® Address Book (Mac®)

* Mac® only available in English

DYMO® Digital Postal and Shipping Scales

DYMO® offers a full range of scales for all of your mailing and shipping needs. From our compact digital mailing scales to the highest-capacity digital USB scale, we have the right product to match your mailing and shipping needs. The accurate and digital DYMO® postal scales will save you trips to the Post Office or mailroom – and keep you from spending more than you need to spend on postage. And with the portable shipping scales you'll save time, money – and just maybe your back as they allow you to carry the scale to heavy packages, not vice-versa.

DYMO® M1 or M2

Digital Postal Scales

Save time and money – weigh envelopes and small packages at your desk

- Weigh letters and packages up to 1 or 2 kg
- Save trips to the Post Office or mailroom
- Determine accurate weight for postage – never buy more postage than necessary
- Compact (18.5 cm L x 16.1 cm W x 4.4 cm H) size fits on any desk, stores in most desk drawers
- LCD screen displays weight in easy-to-read, digital format – in kg/g (0 kg 000 g) or lbs/oz (0 lb 00.0 oz)
- "Hold" feature locks weight display for ten seconds after item is removed – convenient when large package or envelope blocks view of display
- Tare function – weigh items in a container minus weight of container
- Automatic shut-off when the scale is not in use – conserves battery power
- 15 cm x 15 cm weighing platform
- Operates on 3 AAA batteries (not included)

Spend more time enjoying life.

Organise your attic, cellar and everything in between.

Everyone in your family will find things sooner and misplace them less often – which means you'll spend less time looking for your bits and pieces, leaving more time to do what you'd rather be doing.

DYMO

Home

Organise your home. Make life easier.

Keep any room, cupboard, cabinet or shelf neat and tidy. Clearly identify clothes, books, tools and any other items you value. Put instructions, notes and reminders away safely for easy reference. Then enjoy the extra time – and peace of mind – that comes with running a tidy and well-organised home.

Organise any storage space in minutes

Label shelves, drawers, cabinets, closets – a place for everything and everything in its place.

Take the stress out of cooking

Identify spices and other ingredients with plastic labels that are easy to read and easy to keep clean.

Label your electronics

Metallic labels are great for accessories, electronics and colour coding projects.

Mark your property as yours

Make clothing easier to identify and harder to lose with machine-washable, iron-on fabric labels.

Junior EM

Home Embossing Label Maker

Helps children and students keep organised

Junior is the perfect tool (or gift) for children who want to label their toys, books, school supplies, etc.

- Easy to load – just insert label cassette in slot
- Embosses 42 different characters including special symbols
- Last character embossed is always visible – reduces label waste
- Cuts labels with easy-to-peel tabs
- Uses 9 mm wide 3D labels
- Large knob for easy turn-and-click character selection
- No batteries needed

DYMO® 3D Embossing Labels

DYMO® 3D plastic embossing labels stick to any smooth, clean surface and are resistant to water, corrosion, abrasion and most chemicals. Whether you use them indoors or outdoors, you can count on them to last – and to stay in place.

Tab Cut

DYMO embossing machines are equipped with a tab cut for easy removal of the plastic label liner

Water resistant

Withstands water, oils, greases and most milder solvents

UV resistant

Withstands exposure to sunlight without fading or peeling

Leave any job looking better than you found it.

Designed based on input from professional installers, DYMO® industrial labellers and labels are tough, affordable and long-lasting. They're loaded with convenient features that speed up your productivity – and help you save time and money every day.

DYMO[®]

Industrial

Industrial Labelling Solutions

Complete your work with professionalism and pride

No matter what industry you work in, DYMO® Industrial products give your installation work a clean, professional look that enhances your reputation. Our label printers and labels make it easier than ever to get results that meet industry standards – as well as yours. All our products stand up to the toughest conditions your industry can dish out.

Wire / Cable wraps

Advanced wrap function automatically selects the right label and text size, based on the wire gauge or cable diameter.

Panels & Blocks

Instantly format and serialise labels for patch panels, terminal blocks and modular components.

Flags & Vertical Labels

With a press of a button, align text vertically for easy-to-read flags and other relevant applications.

Fixed-Length Labels

Fixed-length key automatically centres and prints fixed-length labels to your requirements.

Library of Terms

Spend less time typing – select and print 150+ terms from a built-in library.

Symbols

Symbol key provides fast access to common datacomm, electrical, pro AV and security symbols, including ohms, earth, phone, data and fax.

HOT KEYS

Industrial Series

Rhino™ 4200

All-Purpose Labelling Tool

Rhino™ 5200

Advanced Labelling Tool

The compact, easy to use, time-saving labelling tool for on-the-go pros

With its familiar QWERTY / QWERTZ / AZERTY keyboard, one-touch "Hot Key" shortcuts and other time-saving features, the DYMO® Rhino™ 4200 gets labelling jobs done fast – and done right.

- Familiar computer-style QWERTY / QWERTZ / AZERTY keyboard for fast and easy text entry
- Patented "Hot Keys" provide shortcuts for creating and formatting wire/cable wraps, flags, Code 39 and Code 128 bar codes, fixed-length, general and module labels
- Print 6 mm, 9 mm, 12 mm and 19 mm wide industrial-strength labels in a variety of materials and colours – PLUS print directly on heat-shrink tubes
- "Favorites" key provides single-key access to your most commonly used labels, symbols and terms
- Avoid repeated steps with the "Custom" key – customize and save settings for individual label formats
- Pre-programmed library with 150 symbols and terms for security, electrical, pro A/V and facilities management
- Integrated rubber bumpers help prevent damage from accidental drops and falls
- Large back-lit display is easy to read, even in dimly-lit work areas
- Auto save/auto power-off – extend battery life without losing current work
- Runs on 6 AA batteries (not included) – also compatible with quick-charging lithium-ion battery (sold as an accessory)
- Package includes Rhino™ 4200 printer, 12 mm white vinyl tape, quick reference guide, requires 6 "AA" batteries – (not included)

Go for the portable, affordable label printer that builds your reputation

Show off your work with Rhino™ 5200 from DYMO® Industrial – the label printer for datacomm, electrical, audio/visual, security, MRO, construction and broadcast professional.

- Meets all ANSI, TIA/EIA-606-A labelling standards
- DYMO® exclusive "Hot Keys" automatically size, space and format labels for wires and cables, terminal blocks, patch panels, vertical and fixed-length applications
- Pre-programmed symbol library puts industry symbols, punctuation, currency and fractions at your fingertips
- Integrated, slip-resistant rubber grip/bumper protects unit against damage from accidental falls, rough working conditions
- Integral lanyard loop provides option for hands-free portability
- Large two-line-display – backlit for poorly lit locations
- Prints Code 39 and Code 128 barcodes on 19 mm labels
- Uses Rhino™ easy-peel labels with industrial-strength adhesives, available in five materials
- Runs on 6 AA batteries (not included) – or an optional quick-charging alkaline batteries to reduce overall AA battery waste and expense
- Automatic shut-off maximises battery life
- Package includes Rhino™ 5200, 1 x 19mm white flexible nylon tape, quick reference guide, requires 6 "AA" batteries – (not included)

Why Register?

2 + 1 Year Warranty

All DYMO® LabelWriter™, LabelManager™, CardScan®, Scales and LetraTag™ are covered by a two-year warranty. However, if you register your DYMO® product on www.dymo.com, you will be entitled to an extra year's warranty (extra year warranty not valid for Shipping Scales S50, S100, S180, LetraTag™).

1 + 1 Year Warranty

All Rhino™ Industrial label makers are covered by a one-year warranty. However, if you register your DYMO® product on www.dymo.com, you will be entitled to an extra year's warranty.

As a registered user you will receive:

- Technical support
- After-sales service in accordance with the warranty conditions that apply to your product
- Automatic notification of software upgrades
- Helpful hints and tips
- Special offers and new product announcements
- A certificate will be sent to you to confirm the extended warranty period for the product
