JROTC/ROTC Patches

Step 1: TIOH Drawing for School Patches

All JROTC/SROTC are to place orders with a TIOH drawing only. If you do not have a patch drawn, you must make a request with TIOH to have one made. To request a drawing for your school's patch, contact Karen Wilson at TIOH for more information. Phone: (703) 806-4971 or Email: karen.d.wilson.civ@mail.mil.

If for some reason you are unable to get in touch with Karen Wilson at TIOH, please contact us here at The Supply Room and we will request the drawing for you. Phone: (800) 458-5180 Email: info@supplyroom.com

Step 2: Patch Quote

Once the drawing has been acquired, this must be submitted to The Supply Room in order for a price quote to be given.

Step 2: Order and Production

Once quote is approved, an order will be placed and your patch will be submitted for production. (Since a drawing is required, a proof will not be required).
