a. We are a reseller of Goods and do not warrant the Goods ourselves. Instead We will pass through to You the benefit of any warranty from the manufacturer or copyright owner that is still in effect for the Goods that You purchase. Such warranty is offered by Us subject to the terms and conditions and limitations of the relevant warranty from the manufacturer or copyright owner. In the event that You should have a warranty claim that is within the relevant warranty terms for Your Goods then You should kindly contact Us so that it may be the first point of contact for warranty service for You.

b. The above warranty is in lieu of all implied and express warranties, conditions and/or representations which are excluded to the fullest extent possible. Save in respect of claims for death or personal injury arising from Our negligence, in no event will We be liable for any damages arising from lost profits, loss of anticipated savings, nor for any damages that are an indirect or secondary consequence of any act or omission of Us whether such damages were foreseeable or actually foreseen. c. Your Statutory Rights as a consumer are not affected.

### 12. Limitation of Liability

IMPORTANT PLEASE READ THIS CLAUSE CAREFULLY Because the potential losses which You might suffer as a result of any breach of contract by Us are more readily ascertainable by You and because such losses could be wholly disproportionate to the contract Price and to enable Us to keep the contract Price as low as reasonably possible, You agree that We limit our liability in accordance with the following provisions.

a. We shall not be liable for any consequential or indirect loss suffered by You including without limitation, loss of profits, loss of anticipated savings, loss of loss of Goods, damage to Your property or personal injury that is not attributable to Our negligence, whether this loss arises from breach of express or implied duty in contract or tort or in any other way (including loss arising from Our negligence). b. Our total liability shall not exceed the value of the Goods as set out in Our Invoice for the Goods that are the subject of the claim (or where payment is by Business Charge Cards the Price as agreed with You). After acceptance of the relevant Goods We shall have the option of refunding the relevant Goods Price to the Buyer or of replacing the Goods which should be accepted by the Buyer in substitution for any rights in respect of the replaced Goods.

c. We do not limit Our liability for death or personal injury caused by Our negligence.

d. We do not limit or exclude Our liability for Our fraudulent misrepresentation.

e. Your Statutory Rights as a consumer are not affected.

### 13. Termination

a. In addition to all other remedies We may have against You for breach of contract, We may terminate any contract with You upon written notice delivered to You and may suspend delivery or service in the whole or part and may take repossession of Goods and demand any security payment on account as We may require if:-

- any amount due to Us is outstanding in excess of agreed credit terms;
- You do not comply with the terms of any contract or with any precondition demanded by Us;
- You fail to take delivery of Goods from Us;
- You are bankrupt or insolvent or You enter into any composition with Your creditors or if You are the subject of a winding up resolution or petition or receive notice of intended bankruptcy proceedings or fail to provide satisfactory credit references to Us if required to do so;
- the right to suspend also specifically applies to the right to suspend services such as support to Goods sold to the Buyer. c. Upon the happening of any of the above-mentioned events We shall be entitled to a lien upon any of Your Goods in Our possession.

### 14. Miscellaneous

Notices should be sent to Us at the address set out above. We will send notices to You at Your address or, at Our option, the delivery address where this is different. We may send notices to You electronically or by fax where You provide an e-mail address or fax number.

We shall have no liability for failing to deliver any Goods that You may have Ordered or for any delay in doing so if the failure is caused by any event or circumstance beyond Our reasonable control including, without limitation, strikes, lock-outs or any other industrial disputes, non-availability of supplies, flood, fire, explosion or accident, or sudden hikes in exchange rates or the purchase price of Goods.

These terms and conditions, together with Our current Prices, Invoice, your delivery details, contact details and Our web site's Legal Notices and terms and conditions and the manufacturers or copyright owners terms and conditions, set out the whole of our agreement relating to the supply of Goods to You by Us. Nothing said by any sales person or representative or included as a general description in a web site, catalogue or brochure should be understood as a variation of these terms and conditions or as a representation about the nature or quality of any Goods offered for sale by Us. Save for fraud or fraudulent misrepresentation by Us, We shall have no liability for any such representation being untrue or misleading.

If we accept Your Offer and a dispute between the parties arises, the laws of England and Wales and its Courts shall have exclusive jurisdiction to determine such disputes.
