

## Overview

The HPE 1/8 G2 Tape Autoloader provides a cost-effective, easy-to-install, unattended backup that is ideal for an entry-level or remote office automated backup solution. The HP 1/8 G2 autoloader combines incredible storage density and tape library features into a compact 1U form factor. Capable of up to 24 TB of compressed capacity in only a 1U form factor, the autoloader is well equipped to offer room for uncertain data growth.

### Quick Specs

Figure 1 shows the appearance of AK377B.

Table 1 shows the Quick Specs.

|                                       |                                       |
