CONFIRMING THE COMMISSIONERS' REPORT AND ASSESSMENT IN THE MATTER OF OPENING AND EXTENDING "B" STREET IN THE CITY OF SAN DIEGO, CALIFORNIA, FROM THE WEST LINE OF THE "SWITZER TRACT" EASTERLY A DISTANCE OF 183.31 FEET.

WHEREAS, J. A. Dickenson, Thomas Smallcombe and P. W. Morse, Commissioners heretofore appointed by this Common Council to assess the benefits and damages, and to have the general supervision of the work and improvement of opening and extending "B" street in the City of San Diego, California, from the west line of the "Switzer Tract" easterly a distance of 183.31 feet, under and by virtue of resolutions with respect to the said work and improvement heretofore adopted by this Common Council, and each of the said Commissioners having duly qualified as such, and given bond as required by law, and they, the said Commissioners, having made their assessment of benefits and damages in the matter of opening and extending said "B" street as aforesaid, and having made a written report thereof to this Common Council and accompanied their said report with a plat of the assessment district, showing the land taken or to be taken for the aforesaid work or improvement and the lands assessed, showing the relative location of each district, block, lot or portion of lot and its dimensions, so far as the said Commissioners could reasonably ascertain the same. Each block and lot or portion of lot taken or assessed being designated and described in said plat by an appropriate number.

AND, WHEREAS, said Commissioners did, on the 17th day of August, 1908, file said report, accompanied by said plat, in the office of the Clerk of the Common Council of the City of San Diego, aforesaid.

AND WHEREAS, said Clerk did give notice of said filing by the publication of such notice for ten days, commencing with the 22nd day of August, 1908, and continuing each day thereafter to and including the 31st day of August, 1908, in the "San Diego Union and Daily Bee", a newspaper published daily and circulated daily, in said City of San Diego, and being the newspaper in said City heretofore designated by this Common Council as the

newspaper in which all official advertising of the City of San Diego shall be done.

AND WHEREAS, such notice did require all persons interested to show cause, if any, before this Common Council on or before the 5th day of October, 1908, why such report should not be confirmed,

AND WHEREAS, no objection or objections has or have been made herein, or filed with the said Clerk in this matter, or to said report, plat, or assessment, or any or either of them.

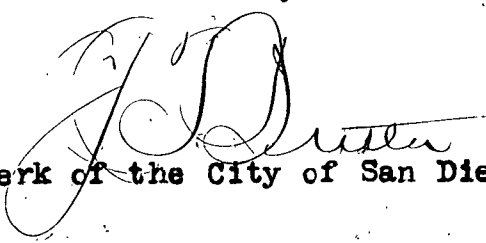

AND WHEREAS, this is the first meeting of said Common Council after the day fixed in said notice, or order to show cause, published by the said Clerk as aforesaid as the day on or before which ^{such} objections should be filed.

AND WHEREAS, this Common Council has and does now examine and duly consider aforesaid report, assessment and plat, and does now proceed to pass upon same.

NOW, THEREFORE, BE IT RESOLVED, by the said Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, as follows, to-wit:

That said report, assessment and plat be, and the whole thereof, is hereby confirmed in all respects as done and made by said Commissioners, and filed herein with said Clerk, and the same is hereby adopted by this Common Council as the report of said Commissioners, and as the assessment and plat in the matter of the opening and extending of said "B" street between the points thereon hereinbefore mentioned.

I hereby certify that the above and foregoing is a full, true and correct copy of Resolution No. 4532, of the Resolutions of the City of San Diego, California, as adopted by the Common Council of the said City on the 12th day of October, 1908.

RESOLUTION NO. 4534.

ADOPTING THE REPORT OF THE COMMISSIONERS OF THE ASSESSMENT OF BENEFITS
AND DAMAGES FOR THE CHANGING OF GRADE OF "A" STREET IN THE
CITY OF SAN DIEGO, CALIFORNIA, BETWEEN THE EAST LINE
OF BEAN STREET AND A POINT 240 FEET EAST OF THE
EAST LINE OF TWENTY-NINTH STREET.

WHEREAS, John F. Forward, A. F. Crowell and J. C. Brockway, the Commissioners appointed by law to assess the benefits and damages incident to the proposed change of grade of A street, between the east line of Bean street and a point 240 feet east of Twenty-ninth street, did on the 3rd day of September, 1908, file with the Clerk of the Common Council of the City of San Diego, California, their written report of the assessment of the benefits and damages, arising from the change of grade of said A street, between said points, and

WHEREAS, it appears from said report that the owners of certain property fronting on said A street between said points thereon hereinabove stated, affected by the change of grade therein contemplated filed with said Common Council their petitions, in writing, in all respects as required by law and in the time allowed by law, claiming damages to their said property by reason of said proposed change of grade, and

WHEREAS, it further appears from said report that said commissioners having duly qualified as such commissioners as required by law, did proceed to view said lots, pieces or parcels of land, for which damages were claimed by the owners thereof, and

WHEREAS, it further appears from said report that after making a personal examination of each of said pieces of property in the opinion of said commissioners, there were no damages to said properties or either or any of them in excess of the benefits by reason of said proposed change of grade; and

WHEREAS, this Common Council, did, on the 14th day of September, 1908, duly adopt Resolution No. 4466, wherein and whereby said Common Council did fix Friday, the 9th day of October, 1908, as the day, on or before which, all persons interested should show cause, if any they had, why such report of said Commissioners should not be confirmed by said Common Council, and

WHEREAS, the City Clerk of the City of San Diego, he being ex-officio Clerk of the Common Council of said City, did, on the 17th day of September, 1908, pursuant to law and said Resolution No. 4466, duly publish according to law, notice that the Commissioners appointed by law to assess the benefits and damages occasioned by the proposed change of grade of A street, in the City of San Diego, California, between the points thereon hereinbefore stated, had duly filed their report in writing on the 3rd day of September, 1908, in the office of the said City Clerk, requiring all persons interested therein to show cause, if any they had, on or before said 9th day of October, 1908, why said report should not be confirmed and approved by said Common Council, and

WHEREAS, no objections to the said report have been made or filed with the Clerk of said Common Council, and no cause has been shown why said report and assessment should not be confirmed before this Common Council, and

WHEREAS, the said assessment in all things conforms to law, and

WHEREAS, the said Commissioners have in all things pertaining to their duties as such commissioners complied with the law, and

WHEREAS, this Common Council finds that said assessment is just and equitable and was made as required by law, THEREFORE,

BE IT RESOLVED, By the Common Council of the City of San Diego, that said written

report and assessment of said Commissioners for the benefits and damages incident to the proposed change of grade of A street in said City of San Diego, between the east line of Bean street and a point 240 feet east of Twenty-ninth street, be and the same is hereby approved and confirmed and adopted by this Common Council as thereport of the assessment of the benefits and damages incident thereto.

I hereby certify that the above and foregoing is a full, true and correct copy of Resolution No. 4534, of the Resolutions of the City of San Diego, California, as adopted by the Common Council of the said City on the 12th day of October, 1908.

OF INTENTION TO GRADE UNION STREET IN THE CITY OF SAN DIEGO, CALIFORNIA,
FROM THE NORTH LINE OF IVY STREET TO THE NORTH LINE OF
LAUREL STREET.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, to order the following street work to be done in said City, to-wit:

That Union street in the City of San Diego, California, including the sidewalks thereof, from the north line of Ivy street to the north line of Laurel street, including all intersections of streets between said points and the sidewalks of such intersections (excepting such portions of the said Union street and the said intersections of streets, between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting the intersection of Kalmia street with Union street, which intersection has been ordered graded), be graded to the official grade thereof according to the specifications therefor contained in Ordinance No. 2061 of the Ordinances of the said City of San Diego, entitled, "An Ordinance Providing Specifications for the grading of Streets in the City of San Diego, California", approved on the 6th day of June, 1905.

Also, that as a part of said work, there be constructed upon said Union street, between the points thereon hereinbefore mentioned, the following culverts, to-wit:

A 12 inch cement pipe culvert across said Union street between Juniper and Kalmia streets, together with its appertaining structures as shown by the plans, drawings and specifications therefor hereinafter referred to.

Said culvert with its appurtenances is to be located at the place on said street shown by and constructed of the materials provided by, and in the manner and in all respects according to the plans, drawings and specifications therefor, contained in that certain document on file in the office of the Clerk of said City of San Diego, and endorsed as follows, to-wit: "Document No. 25210 Filed Oct 5-1908 J. T. Butler, City Clerk, Specifica-

tions for Pipe Culvert Union street between Juniper & Kalmia sts", and copies of which plans drawings and specifications are on file in the office of the City Engineer of said City, and the said plans, drawings and specifications are hereby approved and adopted as the plans drawings and specifications for the construction of said culvert and its appertaining structures as shown thereby; and by reference thereto, said plans, drawings and specifications are incorporated herein and made a part hereof.

That the contractor or contractors to whom a contract shall be awarded for doing said work shall supply the deficiency of earth and material necessary for the performance thereof.

All of said work to be done under the direction and to the satisfaction of the Superintendent of Streets of said City, and the materials used shall be to the satisfaction of said Superintendent of Streets.

That the San Diego Union and Daily Bee a daily newspaper published and circulated and of general circulation in the said City of San Diego, be and it is hereby designated as the newspaper in which this Resolution of Intention shall be published for two days, and the notice of the passage thereof shall be published for six days in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be and he is hereby directed to post this Resolution of Intention conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall thereupon cause to be conspicuously posted along the line of the said contemplated work above described, notices of the passage of this resolution, in the manner and in the form required by law and shall also cause a notice similar in substance to be published for six days in said daily newspaper in the manner required by law.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 12th day of October, 1908, by the following vote, to-wit:

OF INTENTION TO CHANGE THE GRADE OF "K" STREET IN THE CITY OF SAN DIEGO,
CALIFORNIA, FROM THE EAST LINE OF TWENTY-SEVENTH STREET TO THE
WEST LINE OF TWENTY-NINTH STREET AND OF STREETS INTERSECTING
SAID "K" STREET BETWEEN SAID POINTS.

WHEREAS, the owners of a majority of the property affected by the hereinafter proposed changes of grades of the streets hereinafter mentioned in the City of San Diego, California, have petitioned the Common Council of the said City of San Diego to change the grades thereof at the points thereon hereinafter mentioned, and,

WHEREAS, the said Common Council hereby finds that said petition contains the names of the owners of a majority of the property to be affected by the said proposed changes of grades, and that it is for the public benefit to make said proposed changes of grades and to establish the grades of said streets as hereinafter set forth; NOW, THEREFORE,

BE IT RESOLVED that it is the intention of the Common Council of the City of San Diego, California, to change and establish the grades of said streets as follows, to-wit:

At the southeast corner of the intersection of K street and Twenty-seventh street the grade elevation to remain at 101.0 feet;

At the northeast corner of the intersection of K street with Twenty-seventh street the grade elevation to remain at 103.00 feet.

At the northwest corner of the intersection of K street and Langley street, change the grade elevation from 98.0 feet to 97.0 feet;

At the northeast corner of the intersection of K street and Langley street, the grade elevation to remain at 96.0 feet;

At a point on the south line of K street where said south line of K street is intersected by the west line of Langley street, if said west line of Langley street were produced southerly, the grade elevation to remain at 95.0 feet;

At a point on the south line of K street where said south line of K street is intersected by the east line of Langley street if said east line of Langley street were produced in a southerly direction, change the grade elevation from 93.0 feet to 94.0 feet;

At the northwest corner of the intersection of K street with Twenty-eighth street change the grade elevation from 83.0 feet to 86.0 feet;

At the northeast corner of the intersection of K street with Twenty-eighth street, change the grade elevation from 83.0 feet to 86.0 feet;

At the southwest corner of the intersection of K street with Twenty-eighth street, change the grade elevation from 82.0 feet to 85.0 feet;

At the southeast corner of the intersection of K street with Twenty-eighth street, change the grade elevation from 82.0 feet to 85.0 feet;

At the northwest corner of the intersection of K street with Hoitt street the grade elevation to remain at 85.0 feet;

At the northeast corner of the intersection of K street with Hoitt street, change the grade elevation from 85.0 feet to 84.0 feet;

At a point on the south line of K street where said south line of K street is intersected by the west line of Hoitt street, if said west line of Hoitt street were produced in a southerly direction, the grade elevation to remain at 84.0 feet.

At a point on the south line of K street where said south line of K street is intersected by the east line of Hoitt street, if said east line of Hoitt street were produced in a southerly direction, change the grade elevation from 84.0 feet to 83.0 feet;

At the northwest corner of the intersection of K street with Twenty-ninth street the grade elevation to remain at 81.0 feet;

At the southwest corner of the intersection of K street with Twenty-ninth street the grade elevation to remain at 80.5 feet.

And the grade of said K street, between the points thereon hereinbefore mentioned shall have a uniform ascent and descent and the center line of said K street shall have an average elevation of the opposite curb grades.

As to each street intersecting said K street between the east line of Twenty-seventh street and the west line of Twenty-ninth street, the grade thereof, between each point common to both said K street and such intersecting street and the next grade point now established upon such intersecting street and not common both to such intersecting street and said K street, shall have a uniform ascent and descent, and the center line of such intersecting street between the said grade points thereof shall have an average elevation of the opposite curb grades.

All said grade elevations to be above the datum line of levels as fixed by Ordinance No. 3 of the ordinances of the said City of San Diego, entitled, "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, State of California, and Providing for the Manner of Establishing Grades by Ordinance", approved on the 30th day of June, 1886.

And the district to be benefited by said changes of grades and assessed for the damages, costs and expenses thereof is hereby described and declared to be all that real property situate in the City of San Diego, County of San Diego, State of California, included within the exterior boundary lines described, as follows, to-wit:

Beginning at a point on the south line of "I" street, where the south line of I street is intersected with the east line of 27th street, running thence along the south line of I street to the west line of 29th street; thence south along the west line of 29th street to the north line of L street; thence west along the north line of L street to the east line of 27th street; thence north along the east line of 27th street to the place of beginning, excepting therefrom all public streets, roads, alleys, avenues and highways.

The City Clerk of said City is hereby directed to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit: The San Diego Union and Daily Bee a daily newspaper published and circulated and of general circulation in said City, in every regular issue of said newspaper for said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said City is hereby ordered and directed, within five days after the first publication of this Resolution, to cause to be conspicuously posted, in the manner and form required by law, within the district herein above designated as the district to be benefited by the proposed change of grade, notice of the passage of this Resolution.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 12th day of October, 1908, by the following vote, to-wit:

CONFIRMING THE ASSESSMENT FOR THE GRADING OF LINCOLN AVENUE FROM PARK BOULEVARD TO THE WEST END OF LINCOLN AVENUE.

of the owners

WHEREAS, certain of the property assessed for the work and improvement of grading Lincoln Avenue in the City of San Diego, from Park Boulevard to the west end of said Lincoln Avenue, heretofore filed with the Clerk of this Council, their protest against the assessment levied and assessed by the Superintendent of Streets of said City for said work and improvement upon the lots and lands within the district heretofore fixed as the district of lands to be assessed for said work and improvement and have appealed from said assessment to this Council, and asked that said assessment be revised upon the ground that the same is unfair, unjust and not equitable.

AND WHEREAS, notice that said appeal would be heard upon the 16th day of September 1908, was duly published for five days as required by law, and has been duly given to all

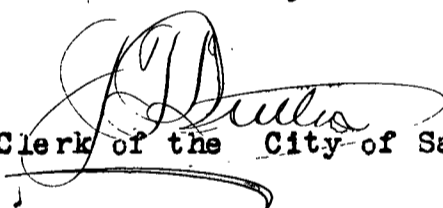

persons interested in said assessment.

AND WHEREAS, the said appeal coming on regularly to be heard on the 16th day of September, 1908, this Council did then proceed to hear the same and continue the hearing thereof, and has from time to time since then continued the hearing thereof, to this time.

AND, WHEREAS, this Council has heard the said appeal and the objections of said property owners and appellants to the said assessment, and all the arguments and considered all the evidence offered by all the parties interested in the said assessment for the said work and improvement done upon the said street, and has examined and duly considered the assessment and each of the several assessments upon the several lots and pieces of land as stated and set forth in the said assessment for said work made by said Superintendent of Streets as aforesaid, and the plat and diagram of the district of the lands assessed therefor and attached to said assessment, and having heard and duly considered the same, and being fully advised in the premises;

NOW, THEREFORE, BE IT RESOLVED, BY THE COMMON COUNCIL OF THE CITY OF SAN DIEGO, a municipal corporation in the State of California, that the said assessment made by the Superintendent of Streets of said City for the work and improvement upon said Lincoln avenue from Park Boulevard, to the west end of said Lincoln Avenue as aforesaid, be, and the same is hereby confirmed in all particulars as the same was by said Superintendent of Streets made and assessed.

I hereby certify that the above and foregoing is a full, true and correct copy of Resolution No. 4553, of the Resolutions of the City of San Diego, California, as adopted by the Common Council of the said City on the 19th day of October, 1908.

BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

That whereas all the property owners liable for assessment for grading National Avenue from the west line of 31st street to the east line of 40th street in the City of San Diego, have made their written request to John Engebretsen, the contractor, who has contracted to do the said work, to conform the same to the grade of said National Avenue from said west line of 31st street to the east line of 40th street, as shown by the blue lines on the profile sheet and map of said street now on file in the office of the City Engineer and also shown by the copy of said profile sheet or map annexed to said petition.

And whereas said petition has been placed on file in the office of the City Clerk .

And whereas the City Engineer reports that the departure from the official grade shown by the blue lines on such profile sheet, as requested by said petition of the property owners, would be for the public benefit.

And whereas said John Engebretson has filed his written consent to accede to the said petition of said property owners and to conform said work substantially to the grade shown by the blue lines on said profile sheet; but desires the consent of the Common Council to the said petition of the property owners and to the setting by the City Engineer of his grade stakes for said work accordingly; and when said work is done in accordance therewith to the issuance by the said City Engineer of his certificate and estimate accordingly and to the acceptance by the Street Superintendent of said work when so done and to the issuance of his assessment and warrant in accordance therewith.

NOW THEREFORE, the said petition of said property owners so filed is hereby approved; and the said City Engineer is authorized to set his grade stakes for said work according to the blue lines on said profile map on file in his office and when the work is completed accordingly, to issue his certificate and make his estimates in accordance therewith; and the Street Superintendent is authorized and directed to accept said work as in full performance of said contract and to issue his assessment and warrant accordingly.

OF INTENTION TO ORDER THE ERECTION AND MAINTENANCE OF ORNAMENTAL
IRON POSTS TO CARRY CLUSTERS OF INCANDESCENT LIGHTS ON "D" STREET
IN THE CITY OF SAN DIEGO, CALIFORNIA, FROM THE EAST LINE OF CALI-
FORNIA STREET TO THE WEST LINE OF EIGHTH STREET FOR LIGHTING "D"
STREET.

BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

That it is the intention of the Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, to order the following street work and improvement to be done to-wit:

To erect upon the sidewalks of "D" street, on both sides thereof along the curb line of said sidewalk from the east line of California street to the west line of Eighth street in the City of San Diego, California, ornamental iron posts to carry clusters of incandescent electric lights for the lighting of said D street between the points thereon hereinbefore mentioned, and to provide for the cost and maintenance thereof and the furnishing of electric current for lighting the same for a period of two years from the completion of said work and the acceptance thereof by the Board of Public Works of said city.

Said work or improvement shall be done in all respects according to and at the places shown by and of the materials provided by the plans, drawings and specifications therefor to be hereafter prepared and furnished to this Common Council as hereinafter provided for.

That the district of lands to be affected and benefited by said work and improvement and to be assessed to pay the costs and expenses thereof is included within the following exterior boundaries, to-wit:

Beginning at a point where the south line of D street intersects the west line of Eighth street, running thence along the west line of Eighth street in a southerly direction 50 feet; thence westerly on a line parallel to and distant 50 feet south of the south line of D street to the east line of California street; thence northerly along the east line of California street to a point 50 feet north of the north line of D street; thence easterly on a line parallel to and distant 50 feet north of the north line of D street to the west line of Third street; thence in a southeasterly direction across Third street to a point on the east line of Third street 50 feet north of the intersection of the said east line of Third street with the north line of D street; thence in an easterly direction on a line parallel to and distant 50 feet north of the north line of D street to the west line of Eighth street; thence south along the west line of Eighth street to the point or place of beginning, excepting therefrom all public streets, roads, avenues, alleys and highways.

And be it further resolved that the proposed work or improvement herein contemplated, is hereby referred to the Board of Public Works of the City of San Diego, California, and said Board is hereby directed to make and file with the Clerk of the City Council of said City of San Diego, its report in writing presenting the following:

1. Plans and specifications for the work required in order to make said improvement.
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith.
3. A diagram showing the exterior boundaries of the district hereinabove

described as the district to be affected and benefited by said work or improvement and to be assessed to pay the costs and expenses thereof and also the boundaries and dimensions of the respective subdivisions of land within said district each of which subdivisions shall be given a separate number in red ink upon said diagram.

4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivision respectively from said improvements. Said assessment shall refer to such subdivisions upon such diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, or otherwise designating them as unknown.

All of said work to be done in accordance with the plans and specifications here inbefore provided for and under the supervision and to the satisfaction of the said Board of Public Works of said city.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 26th day of October, 1908, by the following vote, to-wit:

OF INTENTION TO CHANGE THE GRADE AT THE INTERSECTION OF FIRST AND "B" STREETS IN THE CITY OF SAN DIEGO, CALIFORNIA.

WHEREAS, the owners of a majority of the property affected by the hereinafter proposed changes of grades of the streets hereafter mentioned in the City of San Diego, California, have petitioned the Common Council of the said City of San Diego to change the grades thereof at the points thereon hereinafter mentioned; and,

WHEREAS, the said Common Council hereby finds that said petition contains the names of the owners of a majority of the property to be affected by the said proposed changes of grades, and that it is for the public benefit to make said proposed changes of grades and to establish the grades of said streets as hereinafter set forth;

NOW, THEREFORE,

BE IT RESOLVED, By the Common Council of the City of San Diego, California, to change and establish the grades of said streets as follows, to-wit:

At the northwest corner of the intersection of "B" and First streets, change the grade elevation from 37.00 feet to 37.70 feet; at the northeast corner thereof, change the grade elevation from 38.00 feet to 38.70 feet;

At the southeast corner of the intersection of "B" and Front Streets, the grade elevation to remain at 35.5 feet; at the northeast corner of the intersection thereof, the grade elevation to remain at 36.5 feet;

At the northwest corner of the intersection of "B" and Second streets, the grade

elevation to remain at 41 feet; at the southwest corner thereof the grade elevation to remain at 40.5 feet;

At a point on the west line of First street, 32.5 feet north of the northwest corner of the intersection of First and "B" streets, the grade elevation to remain at 38.19 feet;

At a point on the east line of First street 32.5 feet north of the northeast corner of the intersection of First and "B" streets, the grade elevation to remain at 39.08 feet;

At the southwest corner of the intersection of "B" and First streets, the grade elevation to remain at 37.00 feet; at the southeast corner thereof the grade elevation to remain at 37.50 feet;

And the grade of said streets shall have a uniform ascent and descent and the center line of said street shall have an average elevation of the opposite curb grades.

All of said grade elevations to be above the datum line of levels as fixed by Ordinance No.3, of the ordinances of the said City of San Diego, entitled, "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, State of California and Providing for the Manner of Establishing Grades by Ordinance", approved on the 30th day of June, 1886.

And the district to be benefited by said changes of grades and assessed for the damages, costs and expenses thereof, is hereby described and declared to be all that real property situate in the City of San Diego, County of San Diego, State of California, included within the exterior boundary lines described as follows, to-wit:

OF INTENTION TO SIDEWALK AND CURB FIFTH STREET IN THE CITY OF SAN DIEGO, CALIFORNIA, FROM THE SOUTH LINE OF WASHINGTON STREET TO THE NORTH LINE OF UNIVERSITY AVENUE.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, to order the following street work to be done in said city, to-wit:

That Fifth street in the City of San Diego, California, on both sides thereof from the south line of Washington street to the north line of University avenue, including both sides of all intersections of streets between said points (excepting where already sidewalked with concrete at the time of the adoption of this Resolution of Intention and also excepting such portions of the said Fifth street and the said intersections of streets between said points required by law to be kept in order or repair by any person or company having railroad tracks thereon) be sidewalked with concrete, the base or foundation of which shall be three inches in thickness and composed of one part by volume, of Portland Cement, two parts of sand and four parts of gravel, according to the specifications therefor contained in Ordinance No. 1140, of the Ordinances of the said city of San Diego, entitled, "An Ordinance Prescribing Specifications for Sidewalking and Curbing in the City of San Diego, California", approved on the 17th day of June, 1902, now on file in the office of the Clerk of the said City of San Diego.

Also that the said Fifth street on both sides thereof, from the south line of Washington street to the north line of University avenue, including both sides of all intersections of streets between said points (excepting where already curbed with concrete or natural stone at the time of the adoption of this Resolution of Intention and also excepting such portions of the said Fifth street and the said intersections of streets between said points required by law to be kept in order or repair by any person or company having railroad tracks thereon) be curbed with concrete according to the specifications therefor contained in said Ordinance No. 1140.

that the San Diego Union and Daily Bee, a daily newspaper published and circu-

lated, and of general circulation, in the said City of San Diego, be and it is hereby designated as the newspaper in which this Resolution of Intention shall be published for two days, and the notice of the passage thereof shall be published for six days in the manner and by the persons required by law.

That the Clerk of the said City of San Diego be and he is hereby directed to post this Resolution of Intention conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall thereupon cause to be conspicuously posted along the line of the said contemplated work, above described, notices of the passage of this resolution, in the manner and in the form required by law and shall also cause a notice similar in substance to be published for six days in said daily newspaper in the manner required by law.

RESOLUTION NO. 4594.

OF INTENTION TO CHANGE THE GRADE OF SEVENTEENTH STREET BETWEEN
THE SOUTH LINE OF "D" STREET AND A POINT 53 FEET NORTH OF THE
NORTH LINE OF "F" STREET, IN THE CITY OF SAN DIEGO, CALIFORNIA.

WHEREAS, the owners of a majority of the property affected by the hereinafter proposed changes of grades of the streets hereinafter mentioned in the City of San Diego, California, have petitioned the Common Council of the said City of San Diego, to change the grades thereof at the points thereon hereinafter mentioned, and,

WHEREAS, the said Common Council hereby finds that said petition contains the names of the owners of a majority of the property to be affected by the said proposed changes of grades, and that it is for the public benefit to make said proposed changes of grades and to establish the grades of said streets as hereinafter set forth; NOW, THEREFORE,

BE IT RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to change and establish the grades of said streets as follows, to-wit

At the southwest corner of the intersection of D street and Seventeenth street, the grade elevation to remain at 64.0 feet;

At the southeast corner of the intersection of D and Seventeenth streets, the grade elevation to remain at 66.5 feet;

At a point on the west line of Seventeenth street, 150 feet south of the south line of D street, establish the grade elevation at 87.0 feet;

At a point on the east line of Seventeenth street, 150 feet south of the south line of D street, establish the grade elevation at 88.00 feet;

At the intersection of the west line of Seventeenth street with the north line of E street, establish the grade elevation at 97.5 feet;

At the intersection of the east line of Seventeenth street with the north line of E street, establish the grade elevation at 97.5 feet;

At the intersection of the west line of Seventeenth street with the south line of E street, establish the grade elevation at 97.5 feet;

At the intersection of the east line of Seventeenth street with the south line of E street, establish the grade elevation at 97.5 feet;

For the accomodation of a stairway on Seventeenth street leading from the north line of F street to a point 53 feet north of the north line of F street, establish the following grade elevations on Seventeenth street:

At a point on the west line of Seventeenth street, 53 feet north of the north line of F street, establish the grade elevation at 90.12 feet;

At a point on the east line of Seventeenth street, 53 feet north of the north line of F street, establish the grade elevation at 90.12 feet;

And the grade of said Seventeenth street between the points hereinbefore mentioned, shall have an uniform ascent and descent, and the center line of said Seventeenth street shall have an average elevation of the opposite curb grades.

All of said grade elevations to be above the datum line of levels as fixed by Ordinance No.3, of the Ordinances of the City of San Diego, entitled, "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, State of California, and Providing for the Manner of Establishing Grades by Ordinance", approved on the 30th day of June, 1886.

And the district to be benefited by said changes of grades and assessed for the damages, costs and expenses thereof is hereby described and declared to be all that real property situate in the City of San Diego, County of San Diego, State of California, included within the exterior boundary lines described as follows, to-wit:

Commencing at a point on the south line of "D" street, 100 feet westerly from the southwest corner of the intersection of 17th and "D" streets; running thence south to a point on the north line of "F" street 100 feet west of the northwest corner of the intersection of 17th & "F" streets; thence easterly along the north line of "F" street to a point 100 feet east of the northeast corner of the intersection of 17th & "F" streets; thence north to a point on the south line of "D" street, 100 feet east of the southeast corner of the intersection of 17th street and "D" street; thence west along the south line of "D" street to the point of beginning, excepting therefrom all public streets, avenues, roads, alleys and highways.

The City Clerk of said city is hereby directed to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said city are usually printed and published, to-wit: The San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in said city, in every regular issue of said newspaper for said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said city is hereby ordered and directed, with in five days after the first publication of this Resolution, to cause to be conspicuously posted, in the manner and form required by law, within the district hereinabove designated as the district to be benefited by the proposed change of grade, notice of the passage of this Resolution.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 9th day of November, 1908, by the following vote, to-wit:

RESOLUTION NO. 4616.

OF INTENTION TO CHANGE THE GRADE OF CAVE STREET IN THE CITY OF
SAN DIEGO, CALIFORNIA, AT ITS INTERSECTION WITH PROSPECT STREET.

WHEREAS, the owners of a majority of the property affected by the hereinafter proposed changes of grades, of the streets hereinafter mentioned, in the City of San Diego, California, have petitioned the Common Council of the said City of San Diego, to change the grades thereof at the points thereon hereinafter mentioned; and,

WHEREAS, the said Common Council hereby finds that said petition contains the names of the owners of a majority of the property to be affected by the said proposed changes of grades, and that it is for the public benefit to make said proposed changes of grades and to establish the grades of said streets as hereinafter set forth; NOW, THEREFORE:

BE IT RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to change and establish the grades of said streets as follows, to-wit:

At the intersection of the northeast line of prospect street with the northwest line of Cave street, the grade elevation to remain at 111.00 feet;

At a point in Prospect street distant in a southerly direction 50 feet from the southeast corner of Block 59, 70.5 feet in a northwesterly direction from the southwest corner of Block 48, the grade elevation to remain at 112.05 feet;

At a point in Prospect street between the northwest corner of Block No.48, and the northeast corner of Block 51, and 30 feet from the northwest corner of Block 48, the grade elevation to remain at 114.60 feet; the line between the last described point and this point should be a curved line.

In an easterly direction 0.7 feet from the intersection of the northeast line of Prospect street with the northwest line of Cave street, the grade elevation to remain at 96.50 feet;

At a point in Prospect street, distant in a southerly direction 50 feet from the last named point, the grade elevation to remain at 101.50 feet;

At a point in Prospect street, between the southwest corner of Block No.48, and the northeast corner of Block No.51, distant 29, 30 feet from the southwest corner of

Block 48, the grade elevation to remain at 108.70 feet. The line between the last described point and this point should be a curved line.

At the intersection of the northeast line of Prospect street with the southeast line of Cave street, the grade elevation to remain at 107.50 feet;

At a point on the northwest line of said Cave street, 70 feet northeasterly from the intersection of the northwest line of said Cave street with the easterly line of Prospect street, change the grade elevation from 89.50 feet to 86.60 feet;

At a point on the northwest line of Cave street, 47 feet northeasterly from the last named point, establish the grade elevation at 80.00 feet;

At a point on the northwest line of Cave street, 80 feet northeasterly from the last named point, the grade elevation to remain at 72.00 feet;

At a point on the southeasterly line of said Cave street, distant in a northeasterly direction 77 feet from the intersection of the southeast line of said Cave street with the division line between lots numbered 1 and 27 in Block No. 48 of said La Jolla Park, change the grade elevation from 84.0 feet to 81.0 feet;

At a point on the southeast line of Cave street, 20 feet northeasterly from the last named point, change the grade elevation from 82.0 feet to 78.60 feet;

At a point on the southeast line of Cave street, 5 feet northeasterly from the last named point, change the grade elevation from 81.80 feet to 78.00 feet;

And the grade of said Cave street between the points thereon hereinbefore mentioned shall have a uniform ascent and descent, and the center line of said Cave street shall have an average elevation of the opposite curb grades.

All of said grade elevations to be above the datum line of levels as fixed by Ordinance No. 3, of the ordinances of said City of San Diego, entitled, "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, State of California, and providing for the Manner of Establishing Grades by Ordinance", approved on the 30th day of June, 1886.

And the district to be benefited by said changes of grades and assessed for the damages, costs and expenses thereof, is hereby described and declared to be all that real property situated in the City of San Diego, County of San Diego, State of California, included within the exterior boundary lines described as follows, to-wit:

Beginning at the southerly corner of Lot 34, Block 59, La Jolla park; thence in a northwesterly direction along the southwesterly line of said Lot 34, to the westerly corner of said Lot 34; thence in an easterly direction along the division line between lots 33 and 34, of said Block 59, to the southeasterly line of said Block 59; thence in a southeasterly direction to a point on the northwesterly line of Lot 27, Block 48, La Jolla Park, said point being distant and 100 feet northeasterly from the westerly corner of said Lot 27; thence in a northerly, easterly and southerly direction along the boundary line of said Lot 27, to the easterly corner of said Lot 27; thence in a southwesterly direction along the division line between Lots 26 and 27 and Lots 1 and 2 of said Block 48 to the southwesterly line of said Block 48; thence northwesterly along the southwesterly line of Lot 1, Block 48, to the westerly corner of said Lot 1; thence northwesterly to the point or place of beginning, excepting therefrom all public streets, roads, alleys, avenues and highways.

All of said Lots and Blocks in said La Jolla Park are according to the official map of said La Jolla park on file in the office of the County Recorder of San Diego County

The City Clerk of said City is hereby directed to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit: THE SAN DIEGO

UNION AND DAILY BEE, a daily newspaper published and circulated and of general circulation in said City, in every regular issue of said newspaper for said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said City is hereby ordered and directed, within five days after the first publication of this Resolution, to cause to be conspicuously posted, in the manner and form required by law, within the district hereinabove designated as the district to be benefited by the proposed change of grade, notice of the passage of this resolution.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 16th day of November, 1908, by the following vote, to-wit:

OF INTENTION TO CHANGE THE GRADE OF LAMONT STREET IN PACIFIC BEACH, IN THE CITY OF SAN DIEGO, CALIFORNIA, FROM THE NORTH LINE OF GARNET STREET TO THE SOUTH LINE OF DIAMOND STREET.

WHEREAS, the owners of a majority of the property affected by the hereinafter proposed changes of grades of the streets hereinafter mentioned in the City of San Diego, California, have petitioned the Common Council of the said City of San Diego, to change the grades thereof at the points thereon hereinafter mentioned; and,

WHEREAS, THE said Common Council hereby finds that said petition contains the names of the owners of a majority of the property to be affected by the said proposed changes of grades, and that it is for the public benefit to make said proposed changes of grades and to establish the grades of said streets as hereinafter set forth; NOW, THEREFORE,

BE IT RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to change and establish the grades of said streets as follows, to-wit:

At the northwest corner of the intersection of Lamont street with Garnet street, change the grade elevation from 69.0 feet to 67.0 feet;

At a point on the west line of Lamont street 80 feet west of the southeast corner of the intersection of Lamont and Feldspar streets, the grade elevation to remain at 85 feet;

At a point on the west line of Lamont street 80 feet west of the northeast corner of the intersection of Lamont street with Feldspar street, the grade elevation to remain at 88 feet;

At the southwest corner of the intersection of Lamont street with Emerald street, change the grade elevation from 101.0 feet to 99.0 feet;

At the northwest corner of the intersection of Lamont street with Emerald street, change the grade elevation from 102.0 feet to 100.0 feet;

At the southwest corner of the intersection of Lamont street with Diamond street, the grade elevation to remain at 106.0 feet;

At the northeast corner of the intersection of Lamont and Garnet streets, change the grade elevation from 69.0 feet to 67 feet;

At the southeast corner of the intersection of Lamont street and Feldspar street, the grade elevation to remain at 85.0 feet;

At the northeast corner of the intersection of Lamont street with Feldspar street, the grade elevation to remain at 88.0 feet;

At the southeast corner of the intersection of Lamont street with Emerald street, the grade elevation to remain at 99.0 feet;

At the northeast corner of the intersection of Lamont street and Emerald street, the grade elevation to remain at 100.0 feet;

At the southeast corner of the intersection of Lamont street with Diamond street, the grade elevation to remain at 105.0 feet;

And the grade of said Lamont street between the points thereon hereinbefore mentioned, shall have a uniform ascent and descent, and the center line of said Lamont street shall have an average elevation of the opposite curb grades.

As to each street intersecting said Lamont street between the north line of Garnet street and the south line of Diamond street, the grade thereof between said point common to both said Lamont street and such intersecting street and the next grade point now established upon such intersecting street and not common to both said intersecting street and said Lamont street, shall have a uniform ascent and descent, and the center line of such intersecting street, between the said grade points thereof, shall have an average elevation of the opposite curb grades.

All of said grade elevations to be above the datum line of levels as fixed by Ordinance No.3, of the ordinances of the City of San Diego, entitled, "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, State of California, and Providing for the Manner of Establishing Grades by Ordinance", approved on the 30th day of June, 1886.

And the district to be benefited by said changes of grades and assessed for the damages, costs and expenses thereof, is hereby described and declared to be all that real property situate in the City of San Diego, County of San Diego, State of California, included within the exterior boundary lines described as follows, to-wit:

: Beginning at a point on the north line of Garnet street distant 400 feet west of the northwest corner of the intersection of Garnet street with Lamont street; running thence north on a line parallel to and distant 400 feet west of the west line of Lamont street to the south line of Diamond street; thence east along the south line of Diamond street to the west line of Morrell street; thence south along the west line of Morrell street to the north line of Garnet street; thence west along the north line of Garnet street to the point of beginning, excepting therefrom all public streets, roads, avenues, alleys and highways.

The City Clerk of said City is hereby directed to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said city are usually printed and published, to-wit: The San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in said City, in every regular issue of said newspaper for said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said City is hereby ordered and directed, within five days after the first publication of this Resolution, to cause to be conspicuously posted, in the manner and form required by law, within the district hereinabove designated as the district to be benefited by the proposed change of grade, notice of the passage of this resolution.

OF INTENTION TO ORDER THE ERECTION AND MAINTENANCE OF ORNAMENTAL IRON POSTS CARRYING CLUSTERS OF INCANDESCENT LIGHTS, ON FIFTH STREET, IN THE CITY OF SAN DIEGO, FROM THE SOUTH LINE OF B STREET TO THE NORTH LINE OF C STREET FOR LIGHTING FIFTH STREET.

BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

That it is the intention of the Common Council of the City of San Diego, a municipal corporation in the County of San Diego, and State of California, to order the following street work and improvement to be done, to-wit:

To erect upon the sidewalk of Fifth street, on both sides thereof, along the curb line of said sidewalk from the south line of B street to the north line of C street in said City of San Diego, California, ornamental iron posts carrying clusters of incandescent electric lights for the lighting of said Fifth street between the points thereon hereinbefore mentioned and to provide for the cost and maintenance thereof and the furnishing of electric current for lighting the same for a period of two years from the completion of said work and the acceptance thereof by the Board of Public Works of said City.

Said work or improvement shall be done in all respects according to, and at the places shown by, and of the materials provided by the plans, drawings and specifications therefor to be hereinafter prepared and furnished to this Common Council as hereinafter provided for.

That the district of lands to be affected and benefited by said work and improvement and to be assessed to pay the costs and expenses thereof, is included within the following exterior boundaries, to-wit:

Beginning at a point on the south line of B street one hundred (100) feet distant from the intersection of said south line of B street with the east line of Fifth street in the City of San Diego, California, running thence in a southerly direction on a line parallel to and distant one hundred (100) feet from the east line of Fifth street to the north line of C street; thence westerly along the north line of C street to a point thereon distant one hundred (100) feet west of the intersection of the north line of C street with the north line of Fifth street; thence northerly on a line parallel to and distant one hundred (100) feet from the west line of Fifth street to the south line of B street; thence easterly along the south line of B street to point of beginning, excepting therefrom all public streets, alleys, avenues and highways.

AND BE IT FURTHER RESOLVED, that the proposed work or improvement herein contemplated is hereby referred to the Board of Public Works of the City of San Diego, California, and said Board is hereby directed to make and file with the Clerk of the City Council of said City of San Diego, its report in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvement;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith.
3. A diagram showing the exterior boundaries of the district hereinabove described as the district to be affected and benefited by said work or improvement and to be assessed to pay the costs and expenses thereof, and also the boundaries and dimensions of the respective subdivisions of land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.
4. A proposed assessment of the total amount of costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the

estimated benefits to be received by such subdivisions, respectively from said improvement. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof and shall show the names of the owners if known, or otherwise designating them as unknown.

All of said work to be done in accordance with the plans and specifications hereinbefore provided for and under the supervision and to the satisfaction of the said Board of Public Works of said City.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 14th day of December, 1908, by the following vote, to-wit:

RESOLVED, that it is the intention of the Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, to order the following street work to be done in said City, to-wit:

That Maryland street in the City of San Diego, California, including the sidewalks thereof, from the south line of Pueblo Lot No. 1111 to the northeast line of Lincoln Avenue, including all intersections of streets between said points and the sidewalks of such intersections (excepting such portions of the said Maryland street and the said intersections of streets, between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon) be graded to the official grade thereof according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of the said City of San Diego, entitled "An Ordinance Prescribing Specifications for the Grading of Streets in the City of San Diego, California", approved on the 1st day of December, 1908.

Also that as a part of said work there be constructed upon said Maryland street between the points hereinbefore mentioned, the following culverts and catch-basins:

- (a) One 24 inch pipe cement culvert and two catch-basins with their appurtenances across said Maryland street, between Van Buren Avenue and Tyler Avenue.
- (b) One 6 inch cement pipe culvert across said Maryland street, between Meade Avenue and Van Buren Avenue.
- (c) One 6 inch cement pipe culvert across said Maryland street between said Van Buren Avenue and Arnold Place, together with their appertaining structures as shown by the

plans, drawings and specifications therefor hereinafter referred to.

Each of said culverts and catch-basins with its appurtenances is to be located at the place on said street shown by, and constructed of the materials provided by and in the manner and in all respects according to the plans, drawings and specifications therefor contained in that certain document on file in the office of the Clerk of said City of San Diego and endorsed as follows; to-wit: "Document No. 25417 filed Aug 10 1908 J. T. Butler City Clerk By Allen H. Wright, Deputy Communication from City Engineer, Plans and Specifications cement and pipe culverts, catch-basins etc., grading Maryland Street".

Also as a part of said work there be constructed upon said Maryland street between the points thereon hereinbefore mentioned the following corrugated galvanized iron culverts, to-wit:

(a) Two corrugated galvanized iron culverts at the intersection of Maryland street with Madison Avenue.

(b) Two corrugated galvanized iron culverts at the intersection of Maryland street with Oklahoma Street.

(c) Two corrugated galvanized iron culverts at the intersection of Maryland street and Monroe street.

(d) Two corrugated galvanized iron culverts at the intersection of Meade Avenue and Arch. street.

(e) One corrugated galvanized iron culvert at the intersection of Maryland street and Van Buren Avenue.

(f) Two corrugated galvanized iron culverts at the intersection of Maryland street and Arnold Place.

(g) Two corrugated galvanized iron culverts at the intersection of Maryland street and Tyler Avenue.

(h) One corrugated galvanized iron culvert at the intersection of Maryland street and Buchanan Avenue; together with the appertaining structures as shown by the plans drawings and specifications therefor hereinafter referred to.

Each of said culverts with its appurtenances is to be located at the place on said street as shown by, and constructed of the materials provided by, and in the manner and in all respects according to the plans, drawings and specifications therefor contained in that certain document on file in the office of the Clerk of said City of San Diego, endorsed as follow, to-wit: "Document No. 24516, Filed Aug 10, 1908. J. T. Butler, City Clerk By Allen H. RESOLUTION NO. 4735.

OF INTENTION TO CHANGE THE GRADE OF E STREET IN THE CITY OF SAN DIEGO, CALIFORNIA, FROM THE EAST LINE OF ARTIC STREET TO THE WEST LINE OF INDIA STREET.

WHEREAS, the owners of a majority of the property affected by the hereinafter proposed changes of grades of the streets hereinafter mentioned in the City of San Diego, California, have petitioned the Common Council of the said City of San Diego to change the grades thereof at the points thereon hereinafter mentioned; and,

WHEREAS, the said Common Council hereby finds that said petition contains the names of the owners of a majority of the property to be affected by the said proposed changes of grades and that it is for the public benefit to make said proposed changes of grades and to establish the grades of said streets as hereinafter set forth, NOW, THEREFORE,

BE IT RESOLVED that it is the intention of the Common Council of the City of San Diego, California, to change and establish the grades of said streets as follows, to-wit:

At a point on the north curb line of E street, 90 feet west of the west line of India street, the grade elevation to remain at 8.6 feet;

At a point on the north curb line of E street, 100 feet west of the west line of India street, change the grade elevation from 8.5 feet to 8.9 feet;

At a point on the north curb line of E street, 150 feet west of the west line of India street, change the grade elevation from 8.0 feet to 8.9 feet;

At the northeast corner of the intersection of E street with Artic street, change the grade elevation from 7.5 feet to 8.5 feet;

At a point on the south curb line of E street, 90 feet west of the west line of India street, the grade elevation to remain at 8.33 feet;

At a point on the south curb line of E street, 100 feet west of the west line of India street, change the grade elevation from 8.25 feet to 8.6 feet;

At a point on the south curb line of E street, 150 feet west of the west line of India street, change the grade elevation from 7.88 feet to 8.6 feet;

At the southeast corner of the intersection of E street with Artic street, change the grade elevation from 7.5 feet to 8.0 feet;

And the grade of said E street between the points thereon hereinbefore mentioned shall have a uniform ascent and descent and the center line of said E street shall have an average elevation of the opposite curb grades.

As to each street intersecting said E street between the east line of Artic street and the west line of India street, the grade thereof, between each point common to both said E street and such intersecting street and the next grade point now established upon such intersecting street and not common both to such intersecting street and said E street shall have a uniform ascent and descent and the center line of such intersecting street between the said grade points thereof shall have an average elevation of the opposite curb grades.

All of said grade elevations to be above the datum line of levels as fixed by Ordinance No.3, of the ordinances of the said City of San Diego, entitled, "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, State of California and Providing for the Manner of Establishing Grades by Ordinance", approved on the 30th day of June, 1886.

And the district to be benefited by said changes of grades and assessed for the damages, costs and expenses thereof is hereby described and declared to be all that real property situate in the City of San Diego, County of San Diego, State of California, included within the exterior boundary lines described as follows, to-wit:

Beginning at a point on the north line of E street, 100 feet west of the west line of India street; running thence north at right angles 50 feet; thence west at right angles to the east line of India street; thence south along the east line of India street to a point 50 feet south of the south line of E street; thence at right angles east to a point 100 feet east of the east line of India street thence at right angles north to the point of beginning, excepting therefrom all public streets, roads, alleys, avenues and highways.

The City Clerk of said City is hereby directed to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit: The San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in said City, in every regular issue of said newspaper for said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent ^{of Streets} of said City is hereby ordered and directed, within five days after the first publication of this Resolution, to cause to be conspicuously posted in the manner and form required by law, within the district herein above designated as the district to be benefited by the proposed change of grade, notice of the passage of this Resolution.

OF INTENTION TO CHANGE THE GRADE OF FRONT STREET, IN THE CITY OF
SAN DIEGO, CALIFORNIA, FROM THE SOUTH LINE OF "I" STREET TO THE
NORTH LINE OF "J" STREET.

WHEREAS, the owners of a majority of the property affected by the hereinafter proposed changes of grades of the streets hereinafter mentioned, in the City of San Diego, California, have petitioned the Common Council of the said City of San Diego to change the grades thereof at the points thereon hereinafter mentioned; and,

WHEREAS, the said Common Council hereby finds that said petition contains the names of the owners of a majority of the property to be affected by the said proposed changes of grades, and that it is for the public benefit to make said proposed changes of grades and to establish the grades of said streets as hereinafter set forth; NOW, THEREFORE,

BE IT RESOLVED, that it is the intention of the Common Council of the City of San Diego, California to change and establish the grades of said streets as follows, to-wit:

At a point on the west curb line of Front street, 85 feet south of the south line of I street, the grade elevation to remain at 4.0 feet;

At a point on the west curb line of Front street, 225 feet south of the south line of I street, change the grade elevation from 2.37 feet to 3.8 feet;

At a point on the west curb line of Front street, 50 feet north of the north line of J street, the grade elevation to remain at 2.08 feet;

At a point on the east curb line of Front street, 135 feet south of the south line of I street, the grade elevation to remain at 3.7 feet;

At a point on the east curb line of Front street, 204 feet south of the south line of I street, change the grade elevation from 2.78 feet to 3.6 feet;

At a point on the east curb line of Front street, 264 feet south of the south line of I street, change the grade elevation from 1.98 feet to 3.5 feet;

At the northeast corner of the intersection of Front street with J street, the grade elevation to remain at 1.5 feet;

And the grade of said Front street between the points thereon hereinbefore mentioned, shall have a uniform ascent and descent and the center line of said Front street shall have an average elevation of the opposite curb grades.

All of said grade elevations to be above the datum line of levels as fixed by Ordinance No.3, of the ordinances of the said City of San Diego, entitled, "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, State of California, and providing for the Manner of Establishing Grades by Ordinance", approved on the 30th day of June, 1886.

And the district to be benefited by said changes of grades and assessed for the damages, costs and expenses thereof is hereby described and declared to be all that real property situate in the City of San Diego, County of San Diego, State of California, included within the exterior boundary lines described as follows, to-wit:

OF INTENTION TO CHANGE THE GRADE OF TENTH STREET, FROM THE SOUTH LINE OF ASH STREET TO THE SOUTH LINE OF "B" STREET AND OF STREETS INTERSECTING THEREWITH BETWEEN SAID POINTS.

WHEREAS, the owners of a majority of the property affected by the hereinafter proposed changes of grades of the streets hereinafter mentioned, in the City of San Diego California, have petitioned the Common Council of the said City of San Diego to change the grades thereof at the points thereon hereinafter mentioned; and,

WHEREAS, the said Common Council hereby finds that said petition contains the names of the owners of a majority of the property to be affected by the said proposed changes of grades, and that it is for the public benefit to make said proposed changes of grades and to establish the grades of said streets as hereinafter set forth, NOW, THEREFORE,

BE IT RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to change and establish the grades of said streets as follows, to-wit:

At the southwest corner of the intersection of Tenth street with Ash street, the grade elevation to remain at 80.00 feet; at the southeast corner thereof, the grade elevation to remain at 78.00 feet;

At a point on the west line of Tenth street, 150 feet south of the southwest corner of the intersection of Tenth street with Ash street, change the grade elevation from 73.50 feet to 77.50 feet;

At a point on the east line of Tenth street, 150 feet south of the southeast corner of the intersection of Tenth street with Ash street, change the grade elevation from 73.50 feet to 76.50 feet;

At the northwest corner of the intersection of Tenth street with A street, change the grade elevation from 73.00 feet to 75.00 feet; at the northeast corner thereof, change the grade elevation from 73.00 feet to 75.00 feet; at the southwest corner thereof, change the grade elevation from 72.50 feet to 74.50 feet; at the southeast corner thereof, change the grade elevation from 73.00 feet to 75.00 feet;

At the northwest corner of the intersection of Tenth street with B street, change the grade elevation from 71.00 feet to 72.00 feet; at the northeast corner thereof, change the grade elevation from 72.50 feet to 73.50 feet;

At a point on the north line of A street, 50 feet west of the northwest corner of the intersection of A street with Tenth street, the grade elevation to remain at 76.25 feet;

At a point on the north line of A street, 50 feet east of the northeast corner of the intersection of A street with Tenth street, the grade elevation to remain at 75.87 feet;

At a point on the south line of A street, 50 feet west of the southwest corner of the intersection of Tenth street with A street, the grade elevation to remain at 75.12 feet;

At a point on the south line of A street, 50 feet east of the southeast corner of the intersection of Tenth street with A street, the grade elevation to remain at 75.87 feet;

And the grade of said Tenth street between the points hereinbefore mentioned, shall have a uniform ascent and descent, and the center line of said Tenth street shall have an average elevation of the opposite curb grades.

As to each street intersecting said Tenth street between the south line of Ash street and the north line of B street, the grade thereof between each point common to both said Tenth street and such intersecting street and the next grade point now established upon such intersecting street and not common to both said intersecting street and the said Tenth street, shall have a uniform ascent and descent, and the center line of such intersecting street, between the said grade points thereof, shall have an average elevation of the opposite curb grades.

All of said grade elevations to be above the datum line of levels as fixed by Ordinance No.3, of the ordinances of the City of San Diego, entitled, "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, State of California, and Providing for the Manner of Establishing Grades by Ordinance", approved on the 30th day of June, 1886.

OF INTENTION TO PAVE THIRD STREET, IN THE CITY OF SAN DIEGO, CALIFORNIA, FROM THE NORTH LINE OF "B" STREET TO THE SOUTH LINE OF "J" STREET, WITH ASPHALT MACADAM WEARING SURFACE ON A CONCRETE BASE AND TO CONSTRUCT CULVERTS THEREON AND SIDEWALKS AND CURBS THEREON.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, to order the following street work to be done in said City, to-wit:

That the roadway of Third street from the north line of B street to the south line of J street, in the City of San Diego, California, including the entire width of said roadway from curb line to curb line and including the roadway of all streets intersecting said Third street between the north line of B street and the south line of J street from curb line to curb line of said intersecting roadways and along the said intersecting roadways from east line Third street to the west line of Third street, (excepting such portions of the said Third street and the said intersections of streets therewith between said points required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting the intersections of said Third street with C street, D street, G street and H street) be paved with asphalt macadam wearing surface on a concrete base, according to the drawings and cross-sections therefore hereinafter more particularly identified and according to the specifications and explanatory notes therefor accompanying said drawings and cross-sections, and according to the specifications contained in Ordinance No. 3241, of the ordinances of said City, entitled, "An Ordinance Providing Specifications for Paving Streets in the City of San Diego, California, with concrete base and asphalt Macadam Wearing Surface", approved April 13th, 1908.

Provided, however, that as to those parts of said Third street and said intersections of streets therewith to be occupied by the culverts hereinafter provided for, the concrete base of said pavement shall terminate where it joins said culverts as shown by the drawings for said culverts, which drawings are hereinafter more particularly identified, and the asphalt surface of said pavement shall be continued over said culverts and beyond the curb lines of said Third street and of said intersections of streets therewith to the extent as shown by, and in the manner and all in accordance with the said drawings for said culverts.

Also, that there be constructed upon said Third street, between said north line of B street and said south line of J street and upon the intersections of streets therewith, between said points, all the culverts with their appurtenances shown by the drawings for culverts hereinafter more particularly identified to be located on said Third street between the points thereon hereinbefore mentioned, and on said intersections of streets therewith, each of said culverts with its appurtenances is to be located at the place where it is by said drawings shown to be located, and together with its appurtenances be constructed of the materials, and of the size and shape, and in all respects according to, and in the manner required by said drawings, including the typical drawings for culverts hereinafter more particularly identified, and in accordance with the general specifications and explanatory notes for culverts and their appurtenances accompanying said drawings, and in accordance with the ordinance referred to in the general specifications accompanying said drawings, to-wit: Ordinance No. 3241, hereinbefore more particularly identified, as said ordinance is modified by said specifications accompanying said drawings (excepting that such portions of said culverts, or of any of them, or of their appurtenances located in that portion of said Third street or said intersections of streets required by law to be kept in order or repair by any person or company having railroad tracks thereon, shall not be constructed by authority of this Resolution or included as a part of the work to be done hereunder).

The aforesaid drawings and cross-sections, with the specifications and explanatory notes accompanying the same for said pavings, and aforesaid drawings and typical drawings with the general specifications and explanatory notes accompanying the same, for said culverts and their appurtenances, are contained in that certain document on file in the office of the Clerk of said city, endorsed as follows, to-wit: "Document No. 26387 Filed Jan 18 1909 J.T. Butler City Clerk By Allen H. Wright Deputy Communication from City Engineer

Plans and Specifications for Reinforced Concrete Culverts in Paving 3rd St., from B to J", and copies of the same are on file in the office of the Engineer of said City, and all the drawings, cross-sections and typical drawings, with the specifications and explanatory notes accompanying the same and contained in said Document No.26387, are hereby approved and adopted as the drawings, cross-sections and specifications to be followed in connection with the other specifications hereinreferred to in the construction of said culverts and their appertaining structures as shown thereby in the paving of said Third street and said intersections of streets therewith, and by reference thereto, all said drawings, cross-sections, typical drawings and specifications and explanatory notes accompanying the same, contained in said Document No.26387, and said Ordinance No.3241, are incorporated herein and made a part hereof, and said work shall include the grading and preparing the road bed, trenching for culverts and all other things required by said Ordinance No.3241, and shown by the contents of said Document No.26387, to be necessary for the construction of said culverts and their appurtenances and the laying of said pavement in accordance therewith.

Also, that said Third street, on both sides thereof, from the said north line of B street to the said south line of J street, including both sides of all intersections of streets between said points, (excepting where already curbed with concrete or natural stone, and also excepting such portions of the said Third street and the said intersections of streets therewith between said points required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting the intersections of the said Third street with C street, D street, G street and H street), be curbed with concrete according to the specifications therefor contained in Ordinance No.1140, of the ordinances of said City of San Diego, entitled, "An Ordinance Prescribing Specifications for Sidewalking and Curbing in the City of San Diego, California", approved on the 17th day of June, 1902.

Also, that as a part of said work there be torn out and re-constructed, the following sidewalks and curbs on said Third street between the points thereon hereinabove stated, to-wit:

(a) About 12 feet of the curb and the return at the northeast corner of the intersection of Third street with B street;

(b) Sidewalk and curb in front of Lot K, Block 15, Horton Addition, situated on the west side of Third street between B street and C street;

(c) That much of the sidewalk and curb at the southwest corner of Third street at and the Plaza that is above official grade of said Third street;

(d) The sidewalk in front of Lot 1, Block 41, Horton's Addition, situated on the west side of Third street between D and E streets.

All of said sidewalks and curbs to be laid to the official grade of said street and in accordance with the specifications for sidwalking and curbing contained in said Ordinance No.1140.

That the contractor or contractors to whom a contract shall be awarded for doing said work, shall take and remove from the said Third street and the said intersections of streets therewith all surplus dirt and materials which may result from the doing of said work, including everything brought upon said Third street and said intersections of streets by said contractor or contractors and not incorporated into the work done upon said Third street and said intersections of streets therewith.

That all of said work shall be done under the direction and to the satisfaction of the Superintendent of Streets of said City and the materials used shall be to the satisfaction of said Superintendent of Streets.

That the San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in the said City of San Diego, be and it is hereby designated as the newspaper in which this Resolution of Intention shall be published for two days, and the notice of the passage thereof shall be published for six days in the manner and by the persons required by law.

That the Clerk of the said City of San Diego, be and he is hereby directed to post this Resolution of Intention conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

WHEREAS, on the 24th day of December, 1908, the owners of certain property within the district of lands to be assessed for the grading of Rosecrans street in the City of San Diego, California, from the northeasterly line of Zouch street to the northeasterly line of Pueblo Lot No.209, filed their appeal with the Clerk of the said City from the assessment of the Superintendent of Streets for grading said street between said points, in all respects as provided by law and within the time provided by law; and,

WHEREAS, thereafter said Common Council in open session, on the 4th day of January 1909, set the hearing of said appeals for the 18th day of January, 1909, at the hour of

8.30 o'clock, P.M.; and,

WHEREAS, notice of the time and place for the hearing of said appeals was duly given by the Clerk of said Common Council as required by law; and,

WHEREAS, the hearing of said appeals was thereafter duly continued from time to time until the 8th day of February, 1909, at the hour of 8.30 o'clock, P.M., and,

WHEREAS, on said 8th day of February, 1909, said Common Council did proceed to hear said appeals and said Common Council having heard the arguments both for and against said appeals, and said Common Council having duly considered said appeals and the evidence introduced in support thereof, and it satisfactorily appearing to said Common Council therefrom that said assessment so levied by said Superintendent of Streets on the 24th day of November, 1908, was not an assessment upon each and all of the lots, pieces and parcels of land within said district according to the benefits received by said lots, pieces and parcels of land respectively, NOW, THEREFORE,

BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

That the appeals of property owners from the assessment of the Superintendent of Streets of the City of San Diego, California, for the grading of Rosecrans in said City from the northeasterly line of Zouch street to the northeasterly line of Pueblo Lot No.209, issued by said Superintendent of Streets on the 24th day of November, 1908, be and the same is hereby allowed and said Common Council does hereby order that said assessment be set aside and the said Superintendent of Streets is hereby directed to issue a new assessment for the grading of said street between said points thereon hereinabove mentioned in accordance with the directions of this Common Council to be hereafter made.

WHEREAS, heretofore on the 8th day of February, A.D. 1909, at a regular meeting of this Common Council a resolution was duly and regularly passed sustaining an appeal from and setting aside the assessment heretofore made by the Superintendent of Streets for the grading of Rosecrans street, between the northeasterly line of Zouch street and the north easterly line of Pueblo Lot No.209, in the City of San Diego, California; and,

WHEREAS, it is found on further investigation that at the time of taking such action setting aside said assessment, this Common Council was misinformed as to some of the facts pertaining to said assessment and not fully advised as to others; and,

WHEREAS, this Common Council is now of the opinion, and finds that in said assessment heretofore made by the Superintendent of Streets the cost of the work was apportioned to and assessed against and upon the several lots, portions of lots and subdivisions of land in the assessment district equally in proportion to the benefits received from said work, NOW, THEREFORE,

BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

That the Superintendent of Streets of the City of San Diego, be and he is hereby instructed to prepare a new assessment, warrant and diagram for the work of grading Rosecrans street in said City between the northeasterly line of Zouch street and the northeasterly line of Pueblo Lot No.209, and that in such new assessment the cost of

said work be apportioned to and assessed against and upon each lot, piece and parcel of land in said assessment district equally in proportion to the benefits received by such lot, piece and parcel of land from and by reason of said work and in accordance with and a duplicate of the said assessment of same heretofore made by said Superintendent of Streets.

ORDERING THE WORK OF GRADING UNION STREET IN THE CITY OF SAN DIEGO,
CALIFORNIA, FROM THE NORTH LINE OF IVY
STREET TO THE NORTH LINE
OF LAUREL STREET.

RESOLVED, by the Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, that the public interest and convenience of said City require that the street work hereinafter described be done, and therefore the said Common Council hereby orders the following street work to be done in said City, to-wit:

That Union street in the City of San Diego, California, including the sidewalks thereof, from the north line of Ivy street to the north line of Laurel street,

including all intersections of streets between said points and the sidewalks of such intersections (excepting such portions of the said Union street and the said intersections of streets, between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting the intersection of Kalmia street with Union street, which intersection has been ordered graded), be graded to the official grade thereof according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of the said City of San Diego, entitled, "An Ordinance Prescribing Specifications for the Grading of Streets in the City of San Diego, California", approved on the 1st day of December, 1908.

Also that as a part of said work, there be constructed upon said Union street, between the points thereon hereinbefore mentioned the following culverts, to-wit:

A 12 inch cement pipe culvert across said Union Street between Juniper and Kalmia streets, together with its appertaining structures as shown by the plans, drawings and specifications therefor hereinafter referred to.

Said Culvert with its appurtenances is to be located at the place on said street shown by and constructed of the materials provided by, and in the manner and in all respects according to the plans, drawings and specifications therefor contained in that certain document on file in the office of the Clerk of said City of San Diego, and endorsed as follows, to-wit: "Document No. 25210, Filed Oct 5-1908, J. T. Butler, City Clerk, Specifications for pipe culvert Union street between Juniper & Kalmia sts". and copies of which plans, drawings and specifications are on file in the office of the City Engineer of said City, and the said plans, drawings and specifications are hereby approved and adopted as the plans, drawings and specifications for the construction of said culvert and its appertaining structures as shown thereby; and by reference thereto, said plans, drawings and specifications are incorporated herein and made a part hereof.

That the contractor or contractors to whom a contract shall be awarded for doing said work shall supply the deficiency of earth and material necessary for the performance thereof.

All of said work to be done under the direction and to the satisfaction of the Superintendent of Streets of said City and the materials used shall be to the satisfaction of said Superintendent of Streets.

The San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in said City of San Diego is hereby designated as the newspaper in which this resolution Ordering Work and the notice of said work inviting sealed proposals for doing the same, shall be published in the manner and form, and by the persons required by law.

The Clerk of the said City of San Diego is hereby directed to post conspicuously for five days on or near the chamber door of the said Common Council in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work, and said Clerk is hereby directed to publish for two days, in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work, and referring to the specifications posted or on file, in the said newspaper, designated as aforesaid for that purpose. Said notice shall require either a certified check or bond, as prescribed by law, for an amount not less than ten per cent. of the aggregate of the proposal.

Said Clerk of the said City of San Diego is also hereby directed to publish this Resolution ordering work, for two days, in the manner required by law, in said newspaper hereinbefore designated for that purpose.

WHEREAS, John Engebretson and Olof Nelson, on the 16th day of February, 1909, filed in the office of the City Clerk of the said City of San Diego, an appeal from the assessment, warrant and diagram in the matter of paving "H" street, in the City of San Diego California, from the west line of Fourth street to the west line of Atlantic street, dated on the 9th day of February, 1909, upon the following grounds:-

1. They object to the correctness of said diagram in that it does not show the proper line of the mean high tide of San Diego Bay.
2. They object to the ~~correctness of said assessment~~ for the reason that ~~said assessment does not conform to the district plan of assessment provided by laws,~~ owned by
3. They object to the legality of said assessment for the reason that the strip of land to the south side of "H" street between California and Atlantic streets, owned by them has not been assessed in accordance with the benefits received by the same as required by law in the assessment of land under the district plan.
4. They object to the legality and correctness of said assessment as a whole on the Ground that the same is not made as provided by law; and

WHEREAS, the said John Engebretson and Olof Nelson have waived and withdrawn their first ground of appeal and objection to said assessment, warrant and diagram, which is as follows:

"They object to the correctness of said diagram in that it does not shown the proper line of the mean high tide of San Diego Bay" and

WHEREAS, said appeal was duly and regularly set for hearing by said Common Council of said City of San Diego, in all respects as required by law, on the 17th day of February, 1909, and has been thereafter regularly continued until this time; and

WHEREAS, the Common Council of said City of San Diego has heard said appeal and the evidence and testimony in relation thereto, both documentary and oral, and after duly considering the same; hereby finds and determines, that said grounds of appeal numbered 2, 3 and 4 should be, and they are hereby sustained; and,

WHEREAS, Margaret MacGregor, as administratrix with the will annexed of the estate of Victor Eugene Mauger, deceased, did, on the 17th day of February, 1909, file in the office of the City Clerk of said City of San Diego, an appeal from the said assessment, warrant and diagram, in the said matter of paving "H" street, dated on the 9th day of February, 1909, on the following ground:

That upon the assessment for the costs and expenses of paving "H" street in said City of San Diego, County of San Diego, State of California, from the west line of Fourth street to the west line of Atlantic street in said City, given and made by the Street Superintendent of said City on the 9th day of February, 1909, said portion of said Lot 38 in said Block 18 of said New San Diego, is not segregated from the residue of said lot. Nor is the portion of the assessment upon said entire lot due from the said portion thereof forming a part of the estate of said deceased in said assessment ascertained; and

WHEREAS, said appeal of the said Margaret MacGregor, as such administratrix, was duly and regularly set for hearing, in all respects as required by law, on the 17th day of February, 1909, and notice of said hearing duly given by publication by the City Clerk of said City in all respects, as required by law; and

WHEREAS, said appeal came on regularly for hearing on the said 1st day of March, 1909, and has been duly and regularly continued for hearing to this time, and evidence and testimony, both oral and documentary having been introduced and heard before said Common Council, said Common Council hereby finds and determines that said appeal should be sustained.

And the Barber Asphalt Paving Company having filed an appeal on the 8th day of March, 1909, in the office of the City Clerk of said City of San Diego from said assessment, warrant and diagram, and the same having been duly set for hearing by order of said Common Council, for the 15th day of March, 1909, and notice by publication having been duly given of said hearing of said appeal, in all respects as required by law, and the same having come on regularly for hearing at this time, and oral and documentary evidence having been introduced and the same having been taken under consideration by said Common Council, it hereby finds and determines:-

That said appeal of the said Barber Asphalt Paving Company, be, and the same is hereby denied.

BE IT FURTHER RESOLVED and ordered that the Superintendent of Streets of the said City of San Diego, be and he is hereby instructed and directed to make and issue a new warrant, assessment, and diagram to conform to the decisions of this Common Council as follows:-

1. That portions of lots within the assessment district as shown by the Resolution of Intention and Resolution Ordering Work which are owned by different persons, shall be assessed in severalty, when the fact is made to appear to the said Street Superintendent that the divided portions of lots are owned by different persons.

2. That all lots and portions of lots fronting upon said "H" street within said district, shall be treated as having the same relative location to the work, and shall be assessed at a uniform rate per square foot in proportion of the area thereof.

3. That all lots and portions of lots on the second tier of lots or portions of lots or portions of lots from each side of said "H" street shall be treated as having the same relative location to the work and shall be assessed at a uniform rate per square foot in proportion to the area thereof; and are put in another and different class from that fixed in the preceding paragraph. 2.

4. That all lots and portions of lots on the third tier of lots, or portions of lots on each side of said "H" street, shall be treated as having the same relative location to the work and shall be assessed at a uniform rate per square foot in proportion to the area thereof; and they are put in another and different class from that fixed in the preceding paragraphs 2 and 3.

5. That all property within said district to be assessed in proportion to the benefits received from said improvement according to the area thereof, observing the foregoing classification above applicable.

Provided, however, that no assessment shall be levied upon any streets, highways or alleys.

I hereby certify that the above and foregoing is a full, true and correct copy of Resolution No. 4860, of the Resolutions of the City of San Diego, California, as adopted by the Common Council of the said City on the 15th day of March, 1909.

WHEREAS, in the year 1907, the owners of the Hillcrest Tract, in the City of San Diego, California, petitioned the Board of Public Works of said City to have the City Engineer authorized to prepare plans and specifications for sewers in the Hillcrest Tract, from the north line of Lewis street to University Avenue, to be located in the alleys, or such other place as the City Engineer should determine, between Third and Fourth streets, Fourth and Fifth street, and between Second and Third streets, which petition was there-

after forwarded to the Common Council of said City on the 17th day of January, 1907, with the recommendation from the said Board of Public Works that the Common Council authorize and direct the City Engineer to prepare plans and specifications for the said system of sewers in the Hillcrest Tract; and

WHEREAS, thereafter, the Common Council of said City, on the 4th day of February, 1907, authorized and directed the City Engineer to prepare plans and specifications for the construction of the said system of sewers, and thereafter the City Engineer prepared said plans and specifications for said system of sewers, which plans and specifications were on the 28th day of May, 1909, approved by said Board of Public Works, and thereafter referred to the Common Council of said City for consideration and approval; and

WHEREAS, thereafter, on the 3rd day of June, 1907, the Common Council, by resolution No. 3357, on file in the City Clerk's office of said City, granted authority to the Hillcrest Company to construct, under the supervision of said Board of Public Works, according to the said plans and specifications therefor on file in the office of the Board of Public Works of said City, endorsed, "Plans and Specifications for the Construction of a sewer system in Hillcrest in the City of San Diego, California, adopted May 28th, 1907, Board of Public Works. By F.H. Dixon, Secretary", at the cost and expense of said Hillcrest Company, a portion of said sewer system, being the line of sewer commencing in Hillcrest drive, and along said Hillcrest drive across Washington street and thence along Fifth street and through Block One of the Hillcrest Tract, to a connection with the sewer then constructed in University Avenue, and reserved the right to the said City of San Diego to purchase said sewer at any time after it should have been constructed, by payment to the Hillcrest Company, its successors or assigns, the actual cost of said sewer, or the portion thereof which the said City might elect to purchase; and

WHEREAS, thereafter the Board of Public Works of said City authorized and directed the City Engineer of said City to set grade stakes for the Hillcrest Company for the location of the entire sewer system, according to said plans and specifications; and

WHEREAS, thereafter, the entire sewer system was constructed by the Hillcrest Company, pursuant to said plans and specifications and under the direct supervision of an inspector appointed by the Board of Public Works of said City, and the City Engineer of said City, and according to the grade elevations established by the City Engineer, and when the said work was completed, the entire sewer system, as so constructed, was approved and accepted by the Board of Public Works of said City, and the City Engineer of said City; and

WHEREAS, the expense of doing said work amounts to the sum of \$8,339.31 and,

WHEREAS, it is the intention and desire of the Common Council of the said City of San Diego, to acquire said sewer system as so constructed, and to reimburse the said Hillcrest Company, therefor, as soon as it has available funds for that purpose;

NOW, THEREFORE, BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

That the said City of San Diego acquire the said entire sewer system, as so constructed by the Hillcrest Company, according to said plans and specifications, as soon as the said City of San Diego has available funds for that purpose, either to be paid for out of the surplus of the bond issues of said City of San Diego in the year, 1909, or, to be paid for by an appropriation to be made for that purpose in the tax levy for the year 1909, if the finances of the City will warrant the Common Council in so doing; PROVIDED, that no other indebtedness of a similar character shall take precedence or precede the payment for said sewer system.

I hereby certify that the above and foregoing is a full, true and correct copy of Resolution No. 4862, of the Resolutions of the City of San Diego, California, as adopted by the Common Council of the said City on the 15th day of March, 1909.

RESOLUTION NO. 4874.

OF INTENTION TO CHANGE THE GRADE OF NINTH STREET, IN THE CITY OF SAN DIEGO, CALIFORNIA, FROM THE SOUTH LINE OF "M" STREET TO THE SOUTH LINE OF PUEBLO LOT 1156, AND OF STREET INTERSECTING THEREWITH, BETWEEN SAID POINTS.

WHEREAS, the owners of a majority of the property affected by the hereinafter proposed changes of grades of the streets hereinafter mentioned in the City of San Diego, California, have petitioned the Common Council of the said City of San Diego, to change the grades thereof at the points thereon hereinafter mentioned; and

WHEREAS, the said Common Council hereby finds that said petition contains the names of the owners of a majority of the property to be affected by the said proposed changes of grades, and that it is for the public benefit to make said proposed changes of grades and to establish the grades of said streets as hereinafter set forth; NOW,

THEREFORE, BE, IT RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to change and establish the grades of said streets as follows, to-wit:

At a point on the west curb line of Ninth street, 75 feet north of the north line of N street, the grade elevation to remain at 3.0 feet;

At a point on the east curb line of Ninth street, 50 feet north of the north line of N street, the grade elevation to remain at 2.75 feet;

At the northwest corner of the intersection of Ninth street with N street, change the grade elevation from 2.5 feet to 3.0 feet;

At the northeast corner of the intersection of Ninth street with N street, change the grade elevation from 2.5 feet to 3.0 feet;

At the southwest corner of the intersection of Ninth street with N street, change the grade elevation from 2.0 feet to 3.0 feet;

At the southeast corner of the intersection of Ninth street with N street, change the grade elevation from 2.0 feet to 3.0 feet;

At a point on the west curb line of Ninth street, 30 feet south of the south line of N street change the grade elevation from 1.90 feet to 3.0 feet;

At a point on the east curb line of Ninth street, 80 feet south of the south line of N street, change the grade elevation from 1.71 feet to 3.0 feet;

At a point on the west curb line of Ninth street, 35 feet south of the south line of N street, the grade elevation to remain at 1.87 feet;

At the intersection of the east curb line of Ninth street with the south line of Pueblo Lot 1156, the grade elevation to remain at 1.5 feet;

And the grade of said Ninth street, between the points thereon hereinbefore mentioned shall have a uniform ascent and descent, and the center line of said Ninth street shall have an average elevation of the opposite curb grades.

As to each street intersecting said Ninth street between the south line of M street and the south line of Pueblo Lot 1156, the grade thereof, between each point common to both said N street and such intersecting street and the next grade point now established upon such intersecting street, and not common to both such intersecting street and said Ninth street, shall have a uniform ascent and descent and the center line of such intersecting street between the said grade points thereof shall have an average elevation of the

opposite curb grades.

All of said grade elevations to be above the datum line of levels as fixed by Ordinance No. 3 of the ordinances of the said City of San Diego, entitled, "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, State of California, and Providing for the Manner of Establishing Grades by Ordinance", approved on the 30th day of June, 1886.

And the district to be benefited by said changes of grades and assessed for the damages, costs and expenses thereof, is hereby described and declared to be all that real property situate in the City of San Diego, County of San Diego, State of California, included within the exterior boundary lines described as follows, to-wit:

Beginning at the intersection of the northeasterly line of the right of way of the San Diego and Arizona Railway Company with the west line of 7th street; thence south along the west line of 7th street to the southwesterly line of said right of way; thence in a southeasterly direction along said southwesterly line of said right of way to the south line of Pueblo Lot 1156; thence east along the south line of Pueblo Lot 1156 to the northeasterly line of said right of way; thence in a northwesterly direction along said northeasterly line of said right of way, to the point of beginning, excepting therefrom all public streets, roads, alleys, avenues and highways.

The City Clerk of said City is hereby directed to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit: The San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in said City, in every regular issue of said newspaper for said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said City is hereby ordered and directed, within five days after the first publication of this Resolution, to cause to be conspicuously posted, in the manner and form required by law, within the district herein above designated as the district to be benefited by the proposed change of grade, notice of the passage of this Resolution.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 15th day of March, 1909, by the following vote, to-wit:

BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

That the petition of ^DDuncan, McArthur, the owner of certain property in Superba Heights, in the City of San Diego, California, to do the grading hereinafter more particularly described is granted, and the said Duncan^D McArthur is hereby authorized to grade Superba street, between the east line of 38th street and the west line of 39th street, at his own expense, in front of the aforesaid lots abutting thereon in the City of San Diego, California, to the full width of said streets, including the sidewalks between the points hereinabove mentioned, to the official grade thereof, according to the specifications prescribed by Ordinance No. 3510 of the Ordinances of said City entitled, "An Ordinance Prescribing Specifications for the Grading of Streets in the City of San Diego, California", approved on the 1st day of December, 1908.

All of said work to be done under the supervision and to the satisfaction of the Superintendent of Streets of said City of San Diego to be completed six months from the date of the passage of this resolution, and that thereafter no one shall, under or by virtue of this resolution, have authority to do any grading upon said streets.

That the surplus dirt and material which may result from the doing of said grading shall be removed and deposited at such places on the streets of said City as the Street Superintendent thereof shall hereafter designate.

Provided, further, that as a condition precedent to the taking effect of the permission hereby granted, and before doing any grading upon said streets, the aforesaid Duncan D. McArthur shall execute and file with the Clerk of said City a bond (or shall require the contractor or contractors to whom he may award a contract for doing said work to file with the Clerk of said City such bond) the same to be in an amount to be fixed by the Mayor of said City and payable to the said City or its assigns, and signed by two good and sufficient sureties, to be approved by said Mayor, and conditioned that the work to be done upon said streets, including the removal of the surplus dirt and material and deposit of the same as herein provided shall be completed within six months from the date of the passage of this Resolutions and that the same shall be done according to the manner and in all respects as hereinbefore provided; and that upon violation of the condition of said bond, or of any of them, the Board of Public Works of said City shall be authorized to let a contract for the completion of the unfinished portion of said work, and upon the completion thereof the said City, its successors or assigns shall recover all damages, costs and expenses incurred by the completion thereof and the advertising and awarding of the contract to complete the same, not exceeding the amount fixed in said bond as the penalty thereof.

I hereby certify that the above and foregoing is a full, true and correct copy of Resolution No. 4898, of the Resolutions of the City of San Diego, California, as adopted by the Common Council of the said City on the 29th day of March, 1909.

RESOLUTION NO. 4899.

GRANTING PERMISSION TO GRADE RAVINA STREET IN LA JOLLA PARK AT PRIVATE
CONTRACT.

BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

That the petition of W. S. Bridgeman, the owner of Lots one and Two, in Block 14 of La Jolla Park, to do the grading hereinafter more particularly described is granted and said W. S. Bridgeman is hereby authorized to grade Ravina street along Block 14, at his own expense in front of the aforesaid lots abutting thereon in the City of San Diego, California to the full width of said Ravina street, and including the sidewalks thereof between the points hereinbefore mentioned, to the official grade thereof, according to the specifications prescribed by Ordinance No. 3510 of the ordinances of said City entitled, "An Ordinance Prescribing Specifications for the Grading of Streets in the City of San Diego, California", approved on the 1st day of December, 1908.

All of said work to be done under the supervision and to the satisfaction of the Superintendent of Streets of said City of San Diego and to be completed within 3 months from the date of the passage of this resolution, and that thereafter no one shall, under or by virtue of this resolution, have authority to do any grading upon said street.

That the surplus dirt and material which may result from the doing of said grading shall be removed from said street and may at the option of said W. S. Bridgeman be deposited upon the lots and portions of lots owned by him fronting thereon.

Provided, further, that as a condition precedent to the taking effect of the permission hereby granted, and before doing any grading upon said Ravina street, the aforesaid W. S. Bridgeman shall execute and file with the Clerk of said City a bond (or shall require the contractor or contractors to whom he may award a contract for doing said work to file with the Clerk of said City such bond) the same to be in an amount to be fixed by the Mayor of said City and payable to the said City or its assigns and signed by two good and sufficient sureties, to be approved by said Mayor, and conditioned that the work to be done upon said Ravina street, including the removal of the surplus dirt and the deposit of the same as herein provided, shall be completed within three months from the date of the passage of this resolution, and that the same shall be done according to the manner and in all respects as hereinbefore provided; and that upon violation of the condition of said bond, or of any of them, the Board of Public Works of said City shall be authorized to let a contract for the completion of the unfinished portion of said work, and upon the completion thereof the said City, its successors or assigns shall recover all damages, costs and expenses incurred by the completion thereof and the advertising and awarding of the contract to complete the same, not exceeding the amount fixed in said bond as the penalty thereof.

I hereby certify that the above and foregoing is a full, true and correct copy of Resolution No. 4899, of the Resolutions of the City of San Diego, California, as adopted by the Common Council of the said City on the 29th day of March, 1909.

OF INTENTION TO PAVE "D" STREET IN THE CITY OF SAN DIEGO, CALIFORNIA,

FROM THE EAST LINE OF CALIFORNIA STREET TO THE WEST LINE OF

ATLANTIC STREET, AND TO CONSTRUCT CULVERTS THEREON

AND TO CONSTRUCT CONCRETE SIDEWALKS AND CURBS THEREON:

ALL BETWEEN THE POINTS HEREINBEFORE

MENTIONED.

RESOLVED, that it is the intention of the Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, to order the following street work to be done in said City, to-wit:

That the roadway of "D" street from the east line of California street to the west line of Atlantic street, in the City of San Diego, California, including the entire width of said roadway from curb line to curb line and including the roadways of all streets intersecting said "D" street between the east line of California street and the west line of Atlantic street from curb line to curb line of said intersecting roadways and along the said intersecting roadways from the north line of "D" street to the south line of "D" street, (excepting such portions of the said "D" street and the said intersections of streets therewith between said points required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting the intersection of ^{said} "D" street with Atlantic street), be paved with asphalt macadam wearing surface on a concrete base, according to the drawings and cross-sections therefor hereinafter more particularly identified and according to the specifications and explanatory notes therefor accompanying said drawings and cross-sections, and according to the specifications contained in Ordinance No.

3241 of the ordinances of said City, entitled, "An Ordinance Providing Specifications for Paving Streets in the City of San Diego, California, with Concrete Base and Asphalt Macadam Wearing Surface", approved April 13th, 1908.

Provided, however, that as to those parts of said "D" street and said intersections of streets therewith to be occupied by the culverts hereinafter provided for, the concrete base of said pavement shall terminate where it joins said culverts as shown by the drawings for said culverts, which drawings are hereinafter more particularly identified, and the asphalt surface of said pavement shall be continued over said culverts and beyond the curb lines of said "D" street and of said intersections of streets therewith to the extent as shown by, and in the manner and all in accordance with, the said drawings for said culverts.

Also, that there be constructed on said "D" street between said East line of California street and said west line of Atlantic street and upon the intersections of streets therewith between said points, all the culverts and catch basins with their appurtenances shown by the drawings for culverts hereinafter more particularly identified to be located on said "D" street, between the points thereon hereinbefore mentioned, and on said intersections of streets therewith, each of said culverts with its appurtenances to be located at the place where it is by said drawings shown to be located, and together with its appurtenances, be constructed of the materials, and of the size and shape, and in all respects according to, and in the manner required by said drawings, including the typical drawings for culverts hereinafter more particularly identified, and in accordance with the general specifications and explanatory notes for culverts and their appurtenances accompanying said drawings, and in accordance with the ordinance referred to in the general specifications accompanying said drawings, to-wit: Ordinance No. 3241, hereinbefore more particularly identified, as said Ordinance is modified by said specifications accompanying said drawings (excepting that such portions of said culverts and catch basins, or of any of them or of their appurtenances, located in that portion of said "D" street or said intersections of streets required by law to be kept in order or repair by any person or company having railroad tracks thereon, shall not be constructed by authority of this resolution or included as a part of the work to be done hereunder).

The aforesaid drawings and cross-sections, with the specifications and explanatory notes accompanying the same, for said paving, the aforesaid drawings and typical drawings, with the general specifications and explanatory notes accompanying the same, for said culverts and catch basins and their appurtenances, are contained in that certain document on file in the office of the Clerk of said City endorsed, as follows, to-wit: "Document No. 22853 Filed Apr 22, 1908 J. T. Butler, City Clerk, By Allen H. Wright, Deputy, Communication for City Engineer, Plans and Specifications, Culverts, Paving D street, California to Atlantic", and copies of the same are on file in the office of the Engineer of said City; and all the drawings, cross-sections and typical drawings, with the specifications and explanatory notes accompanying the same and contained in said Document No. 22853, are hereby approved and adopted as the drawings, cross-sections and specifications to be followed in connection with the other specifications herein referred to in the construction of said culverts and their appertaining structures as shown thereby in the paving of said "D" street and said intersections of streets therewith, and by reference thereto, all said drawings, cross-sections, typical drawings and specifications and explanatory notes accompanying the same, contained in said Document No. 22853 and said Ordinance No. 3241, are in-

incorporated herein and made a part hereof, and said work shall include grading and preparing the road bed trenching for culverts and all other things required by said Ordinance No. 3241 and shown by the contents of said Document No. 22853 to be necessary for the construction of said culverts and their appurtenances and the laying of said pavement in accordance therewith. Also, that said "D" street, on both sides thereof, from the said east line of California street to said west line of Atlantic street, including both sides of all intersections of streets between said points (excepting where already curbed with concrete or natural stone, and also excepting such portions of said street and the said intersections of streets therewith between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon) be curbed with concrete according to the specifications therefor contained in Ordinance No. 1140 of the ordinances of said City of San Diego, entitled, "An Ordinance Prescribing Specifications for Sidewalking and Curbing in the City of San Diego, California", approved on the 17th day of June, 1902.

Also that said "D" street, on both sides thereof, from the said east line of California street to the said west line of Atlantic street, including both sides of all intersections of streets between said points (excepting where already sidewalked with concrete, and also excepting such portions of said "D" street and the said intersections of streets therewith between said points required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting the intersection of said "D" street with Atlantic street) be sidewalked with concrete according to the specifications therefor contained in said Ordinance No. 1140 of the ordinances of said City of San Diego, hereinabove particularly identified.

That the contractor or contractors to whom a contract shall be awarded for doing said work shall take and remove from the said "D" street and the said intersections of streets therewith all surplus dirt and material which may result from the doing of said work, including everything brought upon said "D" street and said intersections of streets by said contractor or contractors and not incorporated into the work done upon said "D" street and said intersections of streets therewith.

That all said work shall be done under the direction and to the satisfaction of the Superintendent of Streets of said City and the materials used shall be to the satisfaction of said Superintendent of Streets.

That the work of improvement hereinbefore mentioned, is, in the opinion of said Common Council, of more than local and ordinary public benefit, and the expense of said work is made changeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work or improvement and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property lying and being in the said City of San Diego and included within the exterior boundary lines described as follows, to-wit:

Beginning at a point on the east line of California, street, distant 150 feet from the north line north of "D" street, thence west on a line parallel to and distant 150 feet north from the north line of "D" street to the west line of Atlantic street; thence south along the west line of Atlantic street to a point 150 feet south from the south line of "D" street; thence east on a line parallel to and distant 150 feet from the south line of "D" street to the east line of California street; thence north along the east line of California street to the point or place of beginning, excepting therefrom, all public streets, roads, alleys, avenues and highways.

That the San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in the said City of San Diego, be and it is hereby designated as the newspaper in which this Resolution of Intention shall be published for two days, and the notice of the passage thereof shall be published for six days in the manner and by the persons required by law.

That the Clerk of the said City of San Diego, be and he is hereby directed to post this Resolution of Intention conspicuously for two days on or near the chamber door of the said Common Council, and to cause the same to be published by two insertions in said daily newspaper in the manner required by law.

That the Street Superintendent of the said City of San Diego shall thereupon cause to be conspicuously posted along the line of the said contemplated work, above described, notices of the passage of this Resolution, in the manner and in the form required by law and shall also cause a notice similar in substance to be published for six days in said daily newspaper in the manner required by law.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 29th day of March, 1909, by the following vote, to-wit:

OF INTENTION TO CHANGE THE GRADE OF KALMIA STREET, IN THE CITY

OF SAN DIEGO, CALIFORNIA, FROM THE EAST LINE OF

FRONT STREET TO THE WEST LINE OF

FIRST STREET.

WHEREAS, the owners of a majority of the property affected by the hereinafter proposed changes of grades of the streets hereinafter mentioned in the City of San Diego, California, have petitioned the Common Council of the said City of San Diego to change the grades thereof at the points thereon hereinafter mentioned; and

WHEREAS, the said Common Council hereby finds that said petition contains the names of the owners of a majority of the property to be affected by the said proposed changes of grades, and that it is for the public benefit to make said proposed changes of grades and to establish the grades of said streets as hereinafter set forth; NOW,

THEREFORE, BE IT RESOLVED, that it is the intention of the Common Council of the City of San Diego, California, to change and establish the grades of said streets as follows to-wit:

At the southeast corner of the intersection of Kalmia street with Front street, the grade elevation to remain at 198.00 feet;

At a point on the south line of Kalmia street 100 feet east from the southeast corner of the intersection of Kalmia street with Front street, change the grade elevation from 203.75 feet to 204.25 feet;

At the southwest corner of the intersection of Kalmia street with First street, the grade elevation to remain at 209.50 feet;

And the grade of said Kalmia street between the points thereon hereinbefore mentioned shall have a uniform ascent and descent, and the center line of said Kalmia street shall have an average elevation of the opposite curb grades.

All of said grade elevations to be above the datum line of levels as fixed by

Ordinance No. 3 of the ordinances of the said City of San Diego, entitled, "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, State of California, and Providing for the Manner of Establishing Grades by Ordinance", approved on the 30th day of June, 1886.

And the district to be benefited by said changes of grades and assessed for the damages, costs and expenses thereof is hereby described and declared to be all that real property situate in the City of San Diego, County of San Diego, State of California, included within the exterior boundary lines described as follows, to-wit:

Beginning at a point on the west line of First street fifty feet north of the north west corner of the intersection of First street and Kalmia street, running thence west on a line parallel to and fifty feet north of the north line of Kalmia street to the east line of Front street; thence south on the East line of Front street to a point on the east line of Front street fifty feet south of the south line of Kalmia street, thence east on a line parallel to and distant fifty feet south of the south line of Kalmia street to the west line of First street; thence north on the west line of First street to the place of beginning, excepting therefrom all public streets, roads, alleys, avenues and highways.

The City Clerk of said City is hereby directed to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit: The San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in said City, in every regular issue of said newspaper for said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said City is hereby ordered and directed, within five days after the first publication of this Resolution to cause to be conspicuously posted in the manner and form required by law, within the district hereinabove designated as the district to be benefited by the proposed change of grade, notice of the passage of this Resolution.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 29th day of March, 1909, by the following vote, to-wit:

CONFIRMING THE COMMISSIONERS REPORT AND ASSESSMENT IN THE MATTER OF

OPENING AND EXTENDING 29TH STREET FROM THE SOUTH LINE

OF "N" STREET TO VALLEY PLACE IN THE CITY OF

SAN DIEGO, CALIFORNIA.

WHEREAS, A. G. Stacey, William Medigar and D. L. Shafer, commissioners heretofore appointed by this Common Council to assess the benefits and damages and have general supervision of the work and improvement of opening and extending 29th street from the south line of "N" street to Valley Place, in the City of San Diego, County of San Diego, State of California, under and by virtue of resolutions with respect to the said work and improvement heretofore duly adopted by this Common Council, and each of said Commissioners having duly qualified as such, and given bond as required by law, and having made their assessment of benefits and damages in the matter of opening and extending 29th street, as aforesaid, and having made a written report thereof to this Common Council, and accompanied their report with a plat of the assessment district, showing the land taken or to be taken for the aforesaid work or improvement and the lands assessed, showing the relative location of each district, block, lot or portion of lot, and its dimensions, so far as said commissioners could reasonably ascertain the same. Each block and lot or portion of lot taken or assessed being designated and described in said plat by an appropriate number.

AND, WHEREAS, said Commissioners did on the 15th day of February, 1909, file said report, accompanied by said plat, in the office of the Clerk of the Common Council of the City of San Diego, aforesaid.

AND WHEREAS, said Clerk did give notice of such filing by publication of such notice for ten days, commencing with the 18th day of February, 1909, and continuing each day thereafter to and including the 27th day of February, 1909, in the "San Diego Union and Daily Bee", a daily newspaper published daily, and circulated daily, in the said City of San Diego; and being the newspaper in said city heretofore designated by this Common Council as the newspaper in which all official advertising of the City of San Diego shall be done.

AND, WHEREAS, such notice did require all persons interested to show cause, if any, before this Common Council on or before the 20th day of March, 1909, why such

report should not be confirmed.

AND WHEREAS, no objection or objections has or have been made herein, or filed with the said Clerk in this matter or to said report, plat or assessment, or any or either of them.

AND WHEREAS, this is the first meeting of said Common Council after the day fixed in said notice, or order to show cause, published by said Clerk as aforesaid, as the day on or before which such objections should be filed.

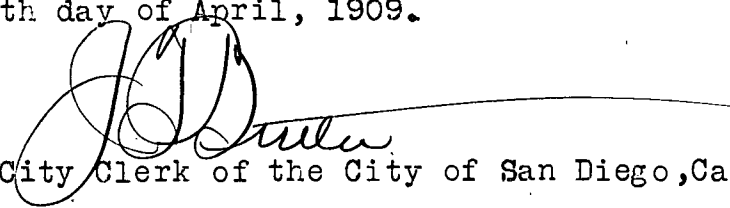

AND WHEREAS, this Common Council has, and does now examine and duly consider aforesaid report, assessment and plat, and does now proceed to pass upon the same.

NOW, THEREFORE, Be it resolved, by the said Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, as follows to-wit:

ORDERING THE WORK OF PAVING THIRD STREET, IN THE CITY OF SAN DIEGO,

CALIFORNIA, FROM THE NORTH LINE OF "B" STREET TO THE SOUTH LINE

OF "J" STREET, WITH ASPHALT MACADAM WEARING SURFACE ON

A CONCRETE BASE AND TO CONSTRUCT CULVERTS

THEREON, AND SIDEWALKS AND CURBS

THEREON.

RESOLVED, by the Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, that the public interest and convenience of said City require that the street work hereinafter described be done, and therefor the said Common Council hereby orders the following street work to be done in said City, to-wit:

That the roadway of Third street, from the north line of B street to the south line of J street, in the City of San Diego, California, including the entire width of said roadway from curb line to curb line and including the roadway of all streets intersecting said Third street between the north line of B street and the south line of J street, from curb line to curb line of said intersecting roadways and along the said intersecting roadways from east line of Third street to the west line of Third street (excepting such portions of the said Third street and the said intersections of streets therewith between said points required by law to be kept in order or repair by any person or company having railroad tracks thereon; and also excepting the intersections of said Third street with C street, D Street, G street and H street) be paved with asphalt macadam wearing surface on a concrete base, according to the drawings and cross-sections therefor hereinafter more particularly identified and according to the specifications and explanatory notes therefor accompanying said drawings and cross-sections, and according to the specifications contained in Ordinance No. 3241 of the Ordinances of said City, entitled, "An Ordinance Providing Specifications for Paving Streets in the City of San Diego, California, with concrete base and Asphalt Macadam Wearing Surface", approved April 13th, 1908.

Provided, however, that as to those parts of said Third street and said intersections of streets therewith to be occupied by the culverts hereinafter provided for, the concrete base of said pavement shall terminate where it joins said culverts as shown by the drawings for said culverts, which drawings are hereinafter more particularly identified and the asphalt surface of said pavement shall be continued over said culverts and beyond the curb lines of said Third street and of said intersections of streets therewith to the extent as shown by, and in the manner and all in accordance with the said drawings for said culverts.

Also, that there be constructed upon said Third street, between said north line of B street and said south line of J street and upon the intersections of streets therewith, between said points, all the culverts with their appurtenances shown by the drawings for culverts hereinafter more particularly identified to be located on said Third street between the points thereon hereinbefore mentioned and on said intersections of streets, therewith each of said culverts with its appurtenances to be located at the place where it is by said drawings shown to be located, and together with its appurtenances to be constructed of the materials, and of the size and shape, and in all respects according to, and in the

manner required by said drawings, including the typical drawings for culverts hereinafter more particularly identified, and in accordance with the general specifications and explanatory notes for culverts and their appurtenances accompanying said drawings, and in accordance with the ordinance referred to in the general specifications accompanying said drawings, to-wit: Ordinance No. 3241 hereinbefore more particularly identified, as said Ordinance is modified by said specifications accompanying said drawings (excepting that such portions of said culverts, or of any of them, or of their appurtenances located in that portion of said Third street or said intersections of streets required by law to be kept in order or repair by any person or company having railroad tracks thereon, shall not be constructed by authority of this resolution or included as a part of the work to be done hereunder.)

The aforesaid drawings and cross-sections, with the specifications and explanatory notes accompanying the same, for said paving, and aforesaid drawings and typical drawings, with the general specifications and explanatory notes accompanying the same, for said culverts and their appurtenances, are contained in that certain document on file in the office of the Clerk of said City, endorsed as follows, to-wit: "Document No. 26387 Filed Jan 18, 1909, J. T. Butler, City Clerk By Allen H. Wright, Deputy, Communication from City Engineer Plans and Specifications for Re-inforced Concrete Culverts in Paving 3rd st., from B to J", and copies of the same are on file in the office of the Engineer of said City, and all the drawings, cross-sections and typical drawings, with the specifications and explanatory notes accompanying the same and contained in said Document No. 26387, are hereby approved and adopted as the drawings, cross-sections and specifications to be followed in connection with the other specifications herein referred to in the construction of said culverts and their appertaining structures, as shown thereby in the paving of said Third street and said intersections of streets therewith, and by reference thereto, all said drawings, cross-sections typical drawings and specifications and explanatory notes accompanying the same, contained in said Document No. 26387 and said Ordinance No. 3241, are incorporated herein and made a part hereof, and said work shall include the grading and preparing the road-bed trenching for culverts and all other things required by said Ordinance No. 3241, and shown by the contents of said Document No. 26387 to be necessary for the construction of said culverts and their appurtenances and the laying of said pavement in accordance therewith.

Also, that said Third street, on both sides thereof, from the said north line of B street to the said south line of J street, including both sides of all intersections of streets between said points (excepting where already curbed with concrete or natural stone and also excepting such portions of the said Third street and the said intersections of streets therewith between said points required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting the intersections of the said Third street with C street, D street, G street and H street) be curbed with Concrete according to the specifications therefor contained in Ordinance No. 1140 of the ordinances of said City of San Diego entitled, "An Ordinance Prescribing Specifications for Sidewalking and Curbing in the City of San Diego, California," approved on the 17th day of June, 1902.

Also that as a part of said work there be torn out and re-constructed the following sidewalks and curbs on said Third street between the points thereon hereinabove stated, to-wit:

- (a) About 12 feet of the curb and the return at the northeast corner of the

intersection of Third street with B street;

(b) Sidewalks and curb in front of Lot K, Block 15 Horton Addition, situated on the west side of Third street, between B street and C street;

(c) That much of the sidewalk and curb at the southwest corner of Third street and the Plaza that is above the official grade of said Third street;

(d) The sidewalk in front of Lot 1, Block 41 Horton's Addition, situated on the west side of Third street, between D and E streets.

All of said sidewalks and curbs to be laid to the official grade of said street and in accordance with the specifications for sidewalking and curbing contained in said Ordinance No. 1140.

That the contractor or contractors to whom a contract shall be awarded for doing said work shall take and remove from the said Third street and the said intersections of streets therewith, all surplus dirt and materials which may result from the doing of said work, including everything brought upon said Third street and said intersections of streets by said contractor or contractors and not incorporated into the work done upon said Third street and said intersections of streets therewith.

That all of said work shall be done under the direction and to the satisfaction of the Superintendent of Streets of said City and the materials used shall be to the satisfaction of said Superintendent of Streets;

The San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in said City of San Diego, is hereby designated as the newspaper in which this Resolution Ordering Work, and the notice of said work inviting sealed proposals for doing the same, shall be published in the manner and form, and by the persons required by law.

The Clerk of the said City of San Diego is hereby directed to post conspicuously for five days on or near the chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said Clerk is hereby directed to publish, for two days in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work, and referring to the specifications posted or on file in the said newspaper, designated as aforesaid for that purpose. Said notice shall require either a certified check, or bond, as prescribed by law, for an amount not less than ten per cent. of the aggregate of the proposal.

Said Clerk of the said City of San Diego is also hereby directed to publish this Resolution Ordering Work, for two days in the manner required by law, in said newspaper hereinbefore designated for that purpose.

Passed and adopted by the Common Council of the said City of San Diego, California, this 5th day of April, 1909, by the following vote, to-wit:

ORDERING THE WORK OF GRADING CONGRESS STREET IN THE CITY OF SAN DIEGO,
CALIFORNIA, FROM THE SOUTHEASTERLY LINE OF AMPUDIA STREET,
TO THE SOUTHEASTERLY LINE OF SMITH
STREET.

RESOLVED, By the Common Council of the City of San Diego, a municipal corporation in the County of San Diego, State of California, that the public interest and convenience of said City require that the street work hereinafter described be done, and therefor the said Common Council hereby orders the following street work to be done in said City, to-wit:

That Congress street in the City of San Diego, California, including the sidewalks thereof, from the southeasterly line of Ampudia street to the southeasterly line of Smith street, including all intersections of streets between said points and the sidewalks of such intersections (excepting such portions of the said Congress street and the said intersections of streets, between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon) be graded to the official grade thereof according to the specifications therefor contained in Ordinance No. 3510 of the Ordinances of the said City of San Diego, entitled, "An Ordinance Prescribing Specifications for the Grading of Streets in the City of San Diego, California", approved on the 1st day of December, 1908.

Also, that as a part of said work, there be constructed upon said Congress street, between the points thereon hereinbefore mentioned, a cement pipe culvert, together with its appertaining structures as shown by the plans, drawings and specifications hereinafter referred to.

A more particular description of the location of said culvert is contained in the plans, drawings and specifications therefor hereinafter referred to.

ORDERING THE WORK OF GRADING THE PUBLIC ROAD ACROSS BLOCKS NOS. 517,

538 AND 544 OLD TOWN, IN THE CITY OF SAN DIEGO, CALIFORNIA,

FROM THE EASTERLY LINE OF WITHERBY STREET TO ITS IN-

TERSECTION WITH THE SOUTHEASTERLY LINE OF

AMPUDIA STREET.

RESOLVED, by the Common Council of the City of San Diego, a municipal corporation
in the County of San Diego, State of California, that the public interest and convenience
of said city require that the street work hereinafter described be done, and therefore the
said Common Council hereby orders the following street work to be done in said City, to-wit:

That the Public Road across Blocks Nos. 517, 538 and 544, Old Town, in the City
of San Diego, California, including the sidewalks thereof, from the easterly line of
Witherby street to its intersection with the southeasterly line of Ampudia street, includ-

ing all intersections of streets between said points and the sidewalks of such intersections (excepting such portions of the said Public Road and the said intersections of streets, between said points, required by law to be kept in order or repair by any person or company, having railroad tracks thereon) be graded to the official grade thereof according to the specifications therefor contained in Ordinance No. 3510 of the ordinances of the said City of San Diego, entitled, "An Ordinance Prescribing Specifications for the Grading of Streets in the City of San Diego, California", approved on the 1st day of December, 1908.

That the contractor or contractors to whom a contract shall be awarded for doing said work shall take and remove from the streets to be graded all surplus dirt and material which may result from the doing of said work.

That all of said work shall be done under the direction and to the satisfaction of the Superintendent of Streets of said City, and the materials used shall be to the satisfaction of said Superintendent of Streets.

The San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in said City of San Diego, is hereby designated as the newspaper in which this Resolution Ordering Work, and the notice of said work, inviting sealed proposals for doing the same, shall be published in the manner and form, and by the persons required by law.

The Clerk of the said City of San Diego is hereby directed to post conspicuously for five days, on or near the chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said Clerk is hereby directed to publish, for two days in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work; and referring to the specifications posted or on file, in the said newspaper, designated as aforesaid for that purpose. Said notice shall require either a certified check or bond, as prescribed by law, for an amount not less than ten per cent. of the aggregate of the proposal.

Said Clerk of the said City of San Diego is also hereby directed to publish this resolution ordering work for two days, in the manner required by law, in said newspaper hereinbefore designated for that purpose.

Passed and adopted by the Common Council of the said City of San Diego, California this 5th day of April, 1909, by the following vote, to-wit:

OF INTENTION TO CHANGE THE GRADE OF THIRD STREET, IN THE CITY OF

SAN DIEGO, CALIFORNIA, FROM THE SOUTH LINE OF "J"

STREET TO THE BAY OF SAN DIEGO, AND OF

STREETS INTERSECTING THEREWITH

BETWEEN SAID POINTS.

WHEREAS, the owners of a majority of the property affected by the hereinafter proposed changes of grades of the streets hereinafter mentioned in the City of San Diego, California, have petitioned the Common Council of the said City of San Diego to change the grades thereof at the points thereon hereinafter mentioned; and

WHEREAS, the said Common Council hereby finds that said petition contains the names of the owners of a majority of the property to be affected by the said proposed changes of grades, and that it is for the public benefit to make said proposed changes of grades and to establish the grades of said streets as hereinafter set forth; NOW, THEREFORE:

BE IT RESOLVED, That it is the intention of the Common Council of the City of San Diego, California, to change and establish the grades of said streets as follows, to-wit:

At a point on the west curb line of Third street, 50 feet north of the north line of "K" street, the grade elevation to remain at 0.66 feet;

At a point on the west curb line of Third street, 15 feet north of the north line of "K" street, change the grade elevation from 0.55 feet to 2.0 feet;

At the northwest corner of the intersection of Third street with "K" street, change the grade elevation from 0.5 feet to 2.0 feet;

At a point on the east curb line of Third street, 25 feet north of the north line of "K" street, the grade elevation to remain at 0.58 feet;

At the northeast corner of the intersection of Third street with "K" street, change the grade elevation from 0.5 feet to 1.5 feet;

At the southwest corner of the intersection of Third street with "K" street, change the grade elevation from 0.5 feet to 2.0 feet;

At a point on the west curb line of Third street, 25 feet south of the south line of "K" street, establish the grade elevation at 2.0 feet;

At the southeast corner of the intersection of Third street with "K" street, change the grade elevation from 0.5 feet to 2.0 feet;

At a point on the east curb line of Third street, 60 feet south of the south line of "K" street establish the grade elevation at 2.0 feet;

And the grade of said Third street between the points thereon hereinbefore mentioned shall have a uniform ascent and descent and the center line of said Third street shall have an average elevation of the opposite curb grades.

As to each street intersecting said Third street between the south line of J

street and the Bay of San Diego, the grade thereof between each point common to both said Third street and such intersecting street and the next grade point now established upon such intersecting street and not common to both such intersecting street and said Third street, shall have a uniform ascent and descent, and the center line of such intersecting street between the said grade points thereof shall have an average elevation of the opposite curb grades.

All of said grade elevations to be above the datum line of levels as fixed by Ordinance No. 3 of the ordinances of the said City of San Diego, entitled, "An Ordinance Establishing a Datum Line for the grading of streets in the City of San Diego, State of California, and Providing for the Manner of Establishing Grades by Ordinance", approved on the 30th day of June, 1886.

And the district to be benefited by said changes of grades and assessed for the damages, costs and expenses thereof is hereby described and declared to be all that real property situate in the City of San Diego, County of San Diego, State of California, and included within the exterior boundary lines, described as follows, to-wit:

Beginning at a point where the east line of Second street is intersected by the northeasterly line of the right of way of the San Diego & Arizona Railway Company; thence south along said east line of Second street to the southwesterly line of said right of way; thence in a southeasterly direction along said southwesterly line of said right of way to the west line of Fourth street; thence north along the west line of Fourth street to the northeasterly line of said right of way; thence in a northwesterly direction along said northeasterly line of said right of way to the point of beginning, excepting therefrom all public streets, roads, alleys, avenues and highways.

The City Clerk of said City is hereby directed to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit: The San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in said City, in every regular issue of said newspaper for said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said City is hereby ordered and directed, within five days after the first publication of this Resolution to cause to be conspicuously posted, in the manner and form required by law, within the district hereinabove designated as the district to be benefited by the proposed change of grade, notice of the passage of this Resolution.

Passed and adopted by the said Common Council of the said City of San Diego, California this 12th day of April, 1909, by the following vote, to-wit:
