

Resolutions-Book #42

RESOLUTION OF INTENTION NO. 31903.

Douglass Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The paving, with a one and one-half inch asphalt concrete wearing surface and a two and one-half inch bituminous base, of the roadway of DOUGLASS STREET, in said City, from curb line to curb line, from the east line of Goldfinch Street to the west line of Eagle Street (excepting the intersection of said Douglass STREET with Falcon Street);

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 161720, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 550, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 25th day of August, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 28th day of July, 1924, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

NOES---None.

ABSENT---None.

JOHN L. BACON,

President of the Common Council of The City of San Diego, California.

I HEREBY CERTIFY that the above and foregoing Resolution of Intention was passed by the Common Council of the said City of San Diego, at the time and by the vote above stated.

RESOLUTION OF INTENTION NO. 31905.
Abbott Street Lighting District No. 1.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following improvement to be made within said City, to-wit:

The furnishing of electric current for the lighting of ABBOTT STREET, in said City of San Diego, between the southwesterly line of West Point Loma Boulevard and the northeasterly line of Newport Avenue, together with the maintenance of the posts, wires, conduits and lamps on said Abbott Street, between said points. Such furnishing of electric current, and such maintenance of appliances to be for the period of one year from and after August 14, 1924.

Said work of improvement shall be done in all respects according to, and at the places shown by, and of the materials provided for in, the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at a point on the northeasterly line of Newport Avenue distant 100 feet southeasterly from the southeasterly line of Abbott Street, thence northeasterly on a line parallel to and distant 100 feet southeasterly from the southeasterly line of Abbott Street to an intersection with the southwesterly line of Brighton Avenue; thence northeasterly to a point on the northeasterly line of Brighton Avenue distant 120 feet southeasterly from the southeasterly line of Abbott Street; thence northeasterly on a line parallel to and distant 120 feet southeasterly from the southeasterly line of Abbott Street to an intersection with the southwesterly line of Ocean Bay Beach; thence northwesterly along the southwesterly line of Ocean Bay Beach to a point distant 100 feet southeasterly from the southeasterly line of Abbott Street; thence northeasterly on a line parallel to and distant 100 feet southeasterly from the southeasterly line of Abbott Street to the southeasterly corner of lot 5, block 102, Ocean Bay Beach; thence northerly along the easterly line of said lot 5 to the northeasterly corner of said lot 5; thence northwesterly along the northeasterly line of said lot 5 to the northerly corner of said lot 5; thence northwesterly to the northeasterly corner of block A, Ocean Bay Beach; thence southwesterly along the northwesterly line of said block A to the westerly corner of said block A; thence southeasterly along the southwesterly line of said block A to a point distant 100 feet northwesterly from the northwesterly line of Abbott Street; thence southwesterly on a line parallel to and distant 100 feet northwesterly from the northwesterly line of Abbott Street to an intersection with the southwesterly line of Ocean Bay Beach; thence northwesterly along the southwesterly line of said Ocean Bay Beach to a point distant 120 feet northwesterly from the northwesterly line of Abbott Street; thence southwesterly on a line parallel to and distant 120 feet northwesterly from the northwesterly line of Abbott Street to an intersection with the northeasterly line of Brighton Avenue; thence southerly to a point on the southwesterly line of Brighton Avenue distant 100 feet northwesterly from the northwesterly line of Abbott Street; thence southwesterly on a line parallel to and distant 100 feet northwesterly from the northwesterly line of Abbott Street to an intersection with the northeasterly line of Santa Monica Avenue; thence southwesterly to a point on the southwesterly line of Santa Monica Avenue distant 128 feet northwesterly from the northwesterly line of Abbott Street; thence southerly along the westerly line of block 80, Ocean Beach, to the southwesterly corner of said block 80; thence southeasterly along the northeasterly line of Newport Avenue to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

It is hereby determined and declared that that certain piece or parcel of land included within the assessment district hereinbefore described, which piece or parcel of land is particularly described as follows:

The northerly thirty (30) feet of the southerly seventy (70) feet of lots Fifteen (15) and Sixteen (16), Block 79, Ocean Beach; belongs to and is the property of The City of San Diego, and that the whole of said piece or parcel of land is in actual public use in the performance of a public function, as and for a public comfort station of said City. It is hereby further determined and declared that said parcel of land shall be omitted from the assessment to be made to cover the costs and expenses of the said work or improvement, and that the total cost and expense of all work done under and in pursuance of this Resolution of Intention shall be assessed on the remaining lots, pieces or parcels of land lying within the limits of the said assessment district, without regard to said omitted piece or parcel of land.

Said Common Council does hereby order that one-fifth of the costs and expenses of said improvement shall be paid out of the Treasury of said City, from the Street Light Fund of said City.

That the proposed improvement is hereby referred to the City Engineer of said City, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;
3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.
4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as Abbott Street Lighting District No. 1. Passed and adopted by the said Common Council of the said City of San Diego, California, this 28th day of July, 1924, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.
 NOES---None.
 ABSENT---None.

JOHN L. BACON,
 President of the Common Council of the City of San Diego, California.

I HEREBY CERTIFY that the above and foregoing Resolution was passed by the Common Council of the said City of San Diego, at the time and by the vote, above stated.

RESOLUTION OF INTENTION NO. 31947.
State Street, Reynard Way, Goldfinch Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The paving, with a two-inch sheet asphalt wearing surface and a four-inch Portland cement concrete base, of the roadway of STATE STREET, in said City, from curb line to curb line, from the northerly line of Kalmia Street to the northerly line of Maple Street, including the roadway of the intersections of said State Street with all cross streets, between said points (excepting those portions of the roadway of the intersection of said State Street with Maple Street, between the curb lines and the property lines, as shown on the plans hereinafter referred to);

Also, as a part of said work, the paving, with one course of Portland cement concrete pavement, of all that portion of the roadway of STATE STREET, in said City, between the northerly line of Maple Street and a line drawn from the point of intersection of the easterly line of State Street produced with a line drawn parallel to and one foot southeasterly from the center line of Reynard Way to the point of intersection of the northerly line of Maple Street with the westerly curb line of State Street; the thickness, width and location of said pavement to be as particularly designated on the plans hereinafter referred to;

Also, as a part of said work, the construction along the said State Street, between the northerly line of Kalmia Street and the southerly line of Maple Street, of cement concrete sidewalks and cement concrete curbing; said sidewalks and curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, as a part of said work, the construction in said State Street, between a point 50 feet north from the north line of Kalmia Street and a point 143 feet north from the north line of Laurel Street, of a six-inch Portland cement concrete sewer main, together with one brick manhole, one dead end and appurtenances, said sewer main connecting with the existing sewer main in said State Street.

Also, as a part of said work, the construction in connection with the sewer main to be constructed as above described, and in connection with the existing sewer main in said State Street, between Kalmia Street and Maple Street, of six (6) sewer laterals of Portland cement concrete sewer pipe, together with connections, fittings and appurtenances, said sewer laterals to be constructed of the dimensions and at the places shown on the plans hereinafter referred to;

Also, as a part of said work, the removal of the existing culvert in the intersection of State Street with Laurel Street;

Also, the paving, with one course of Portland cement concrete pavement, of a portion of the roadway of REYNARD WAY, in said City, between the southerly termination of said Reynard Way in State Street and the north line of Pennsylvania Avenue; the thickness, width and location of said pavement to be as particularly designated on the plans hereinafter referred to;

Also, as a part of said work, the construction on the easterly side of said Reynard Way, contiguous to the pavement above described, between Engineer's Station 39 plus 42.07 and Engineer's Station 51 plus 66.93, as said Engineer's Stations are designated on the plans hereinafter referred to, of Portland cement concrete gutters; also, the construction on the easterly side of said Reynard Way, contiguous to the pavement above described, between the north line of Pennsylvania Avenue and a line 43 feet south from the north line of Pennsylvania Avenue, and between Engineer's Station 34 plus 13.56 and Engineer's Station 39 plus 42.07, as said Engineer's Stations are designated on the plans hereinafter referred to, of Portland cement concrete extensions and additions to the existing gutters;

Also, as a part of said work, the construction on the easterly side of the gutters to be constructed as hereinabove described on said Reynard Way, between Engineer's Station 39 plus 42.07 and Engineer's Station 51 plus 66.93, as said Engineer's Stations are designated on the plans hereinafter referred to, of 1185.92 feet of cement concrete curbing; said curbing to be located at the places shown on the plans hereinafter referred to;

Also, the paving, with one course of Portland cement concrete pavement, of a portion of the roadway of GOLDFINCH STREET, in said City, from the north line of Pennsylvania Avenue to the south line of Sutter Street; the thickness, width and location of said pavement to be as particularly designated on the plans hereinafter referred to;

Also, as a part of said work the construction on the easterly side of said Goldfinch Street, contiguous to the pavement above described, between the north line of Pennsylvania Avenue and the south line of Sutter Street, of Portland cement concrete extensions and additions to the existing gutters;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 162678, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the

rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 435, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Tuesday, the 24th day of September, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 4th day of August, 1924, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 31948.

Monroe Avenue.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The grading of MONROE AVENUE, in said City, for the entire width of said street, from property line to property line, from the east line of Texas Street to the west line of 30th Street (excepting the intersections of said Monroe Avenue with all cross streets, between said points, and also excepting the northerly 14 feet of said Monroe Avenue, between the east line of Hamilton Street and the west line of Oregon Street, and also excepting the southerly 14 feet of said Monroe Avenue, between the east line of Oregon Street and the west line of Idaho Street);

Also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing on both sides of the said Monroe Avenue, between the east line of Texas Street and the west line of 30th Street, including curbing in the returns at the intersections of said Monroe Avenue with all alleys, between said points, and also including sidewalk in the return at the southwest corner of the intersection of said Monroe Avenue with Oregon Street, and also including sidewalk in the return at the southeast corner of the intersection of said Monroe Avenue with Idaho Street (excepting the intersections of said Monroe Avenue with Arizona Street, Hamilton Street, Utah Street and Kansas Street, and also excepting the returns at the northeast, northwest and southeast corners of the intersection of said Monroe Avenue with Oregon Street, and the returns at the northeast, northwest and southwest corners of the intersection of said Monroe Avenue with Idaho Street, and also excepting the north side of said Monroe Avenue, between the east line of Hamilton Street and the west line of Oregon Street, and the south side of said Monroe Avenue, between the east line of Oregon Street and the west line of Idaho Street);

That the said work hereinabove described on Monroe Avenue, between the east line of Texas Street and the west line of Arizona Street, and between the east line of Arizona Street and the west line of Hamilton Street, and between the east line of Idaho Street and the west line of Utah Street, and between the east line of Kansas Street and the west line of 30th Street, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

All of said work shall be done as shown upon and according to the plans, drawings, profiles, typical cross-sections and specifications therefor contained in Document No. 158991, on file in the office of the City Clerk of said City, and copies of which are on

file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, profiles, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, profiles, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. RESOLUTION OF INTENTION NO. 32030.

Market Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The grading, to the official grade thereof, of sixty (60) feet of MARKET STREET, in said City, being thirty (30) feet on each side of the center line thereof, between the easterly line of Pueblo Lot 1347 and the westerly line of 45th Street produced southerly, including sixty (60) feet of all terminations of streets and alleys in said Market Street, between said points; all as particularly shown on the plans hereinafter referred to;

Also, as a part of said work, the construction of one twenty-four inch double-strength cement concrete pipe culvert, 101 feet in length, together with its appurtenances, across the said Market Street, between 39th Street and Quail Street; also, the construction of one twelve-inch double-strength cement concrete pipe culvert, No. 2, 80 feet in length, together with two cement concrete catch-basins, two cement concrete lugs, two twelve-inch double-strength cement concrete connecting pipes, and appurtenances, across the said Market Street, between Quail Street and 40th Street; also, the construction of one eighteen-inch double-strength cement concrete pipe culvert, No. 3, 105 feet in length, together with one cement concrete catch basin, and appurtenances, across the said Market Street, between a line 150 feet east from the east line of 41st Street and a line 210 feet east from the east line of 41st Street; also, the construction of one twelve-inch double-strength cement concrete pipe culvert, No. 3A, 38 feet in length, together with one cement concrete catch-basin and appurtenances, across the said Market Street, on a line 210 feet east from the east line of 41st Street, connecting with the culvert last above described; also, the construction of one thirty-inch double-strength cement concrete pipe culvert, 150 feet in length, together with two cement concrete catch basins, two cement concrete lugs, two twelve-inch double-strength cement concrete connecting pipes, one cement concrete headwall, and appurtenances, across the said Market Street, between a line 1141 feet east from the east line of 41st Street and a line 1269 feet east from the east line of 41st Street; all of said culverts, catch-basins, lugs, headwall and appurtenances to be constructed at the locations, and as particularly designated on the plans hereinafter referred to;

Also, as a part of said work, the construction of 3 feet of cement concrete curbing on each side of the catch-basins to be constructed in Market Street, as above described;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 161076, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine

years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 548, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 8th day of September, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 11th day of August, 1924, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

Also, the construction of a four-inch water main, of Class C cast iron water pipe, 674.5 feet in length, together with connections, fittings, appliances and appurtenances, in NEPTUNE PLACE, in said City, between a point 10 feet southwesterly from the center line of Westbourne Street and a point 10 feet southwesterly from the center line of Bonair Street, connecting with the water mains to be constructed in Westbourne Street, Nautilus Street and Bonair Street, as hereinabove described.

Also, the construction of a water main, of Class C cast iron water pipe, 2446.38 feet in length, together with connections, fittings, appliances and appurtenances, in PLAYA DEL NORTE STREET AND PLAYA DEL SUR STREET, and in the terminations of Playa Del Norte Street and Playa Del Sur Street in La Jolla Boulevard, in said City, connecting with the existing water main in said La Jolla Boulevard; 1933.62 feet of said main to be constructed of four-inch cast iron pipe, and 512.76 feet of said main to be constructed of two-inch cast iron pipe. Also, the construction, in connection with said water main of two (2) six-inch two-way standard cast iron fire hydrants, with their valves, nozzels, fittings, cast iron connecting pipes and appurtenances.

Also, the construction of a six-inch water main, of Class C cast iron water pipe, 1027.35 feet in length, together with connections, fittings, appliances and appurtenances, in VISTA DEL MAR AVENUE, in said City, said water main commencing at the water main to be constructed in Playa Del Sur Street as above described, and extending thence southerly in said Vista Del Mar Avenue and across the intervening streets to a point 10 feet southerly from the center line of Palomar Street.

Also, the construction of a four-inch water main, of Class C cast iron water pipe, 780.66 feet in length, together with connections, fittings, appliances and appurtenances, in GRAVILLA STREET, in said City, connecting with the existing water main in La Jolla Boulevard and with the water main to be constructed in Vista Del Mar Avenue, as hereinabove described.

Also, the construction of a six-inch water main, of Class C cast iron water pipe, 742.39 feet in length, together with connections, fittings, appliances and appurtenances, in KOLMAR STREET, in said City, connecting with the existing water main in La Jolla Boulevard and with the water main to be constructed in Vista Del Mar Avenue, as hereinabove described; also, the construction, in connection with said water main of two (2) six-inch two-way standard cast iron fire hydrants, with their valves, nozzels, fittings, cast iron connecting pipes and appurtenances.

Also, the construction of a four-inch water main, of Class C cast iron water pipe, 704.13 feet in length, together with connections, fittings, appliances and appurtenances, in ROSEMONT STREET, in said City, connecting with the existing water main in La Jolla Boulevard and the water main to be constructed in Vista Del Mar Avenue, as hereinabove described;

Also, the construction of a four-inch water main, of Class C cast iron water pipe, 942.86 feet in length, together with connections, fittings, appliances and appurtenances, in PALOMAR STREET, in said City, connecting with the existing water main in La Jolla Boulevard and the water main to be constructed in Vista Del Mar Avenue, as hereinabove described; also, the construction in connection with said water main of one (1) six-inch two-way standard cast iron fire hydrant, with its valves, nozzels, fittings, cast iron connecting pipe and appurtenances.

Also, the construction of a four-inch water main, of Class C cast iron water pipe, 1420.61 feet in length, together with connections, fittings, appliances and appurtenances, in ELECTRIC AVENUE, and in the termination of Electric Avenue in La Jolla Boulevard, in said City, between Palomar Street and La Jolla Boulevard, connecting with the water main to be constructed in said Palomar Street as above described, and the existing water main in said La Jolla Boulevard.

That the location of said water mains and fire hydrants, and the number, dimensions and location of said connections, fittings, connecting pipes, appliances and appurtenances shall be as particularly shown and designated on the plans hereinafter referred to.

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 161295, and on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 466, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 15th day of September, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 18th day of August, 1924, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 3 2 0 8 1.
 Thorn Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The paving, with a one and one-half inch asphalt concrete wearing surface and a four-inch Portland cement concrete base, of the roadway of THORN STREET, in said City, from curb line to curb line, from the east line of 30th Street to the west line of Gregory Street, including the roadway of the intersections of said Thorn Street with all cross streets and alleys, between said points, and also including the roadway of all terminations of streets and alleys in said Thorn Street, between said points (excepting the intersections of said Thorn Street with Grim Avenue, 31st Street, and Herman Avenue, and also excepting a strip of land 250 feet by 30 feet in the center of said Thorn Street, between 33rd Street and Felton Street, to be used for parking purposes; said strip of land to be curved at each end, each of said curves having a radius of 15 feet);

Also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing along the said Thorn Street, between the east line of 30th Street and the west line of Gregory Street; said sidewalks and curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to; also, the construction of cement concrete curbing around the said excepted strip of land in the center of said Thorn Street, between 33rd Street and Felton Street, to be used for parking purposes, as hereinabove described;

Also, as a part of said work, the construction of a cement concrete addition to the top of the existing catch-basin, lettered "A", located on the northerly side of said Thorn Street, between Grim Avenue and 31st Street; also, the construction of a cement concrete curb inlet, No. 1, together with connection to existing catch-basin "A" on the northerly side of said Thorn Street, between Grim Avenue and 31st Street; also, the construction in connection with said existing catch-basin "B", located on the southerly side of said Thorn Street, between Grim Avenue and 31st Street, of one cement concrete curb inlet, No. 2; also the construction in connection with the existing culvert located in said Thorn Street, between 32nd Street and Bancroft Street, of one cement concrete curb inlet, No. 3; all of said curb inlets to be constructed at the locations shown on the plans hereinafter referred to;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 162304, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvements, and by reference thereto, all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement; said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable

by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 494, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 22d day of September, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 17, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 25th day of August, 1924, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

NOES---None.

RESOLUTION OF INTENTION NO. 3 2 1 2 0.

El Cajon Avenue.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The paving, with a two-inch asphalt concrete wearing surface and a three-inch bituminous base, of the roadway of EL CAJON AVENUE, in said City, from curb line to curb line, from the east line of Park Boulevard to the west line of Hamilton Street, including the roadway of the intersections of said El Cajon Avenue with all cross streets and alleys, between said points, and also including the roadway of all terminations of alleys in said El Cajon Avenue, between said points (excepting a strip of land 300 feet by 40 feet in the center of said El Cajon Avenue, between Park Boulevard and Georgia Street, and also excepting two strips of land 310 feet by 40 feet in the center of said El Cajon Avenue, between Georgia Street and Alabama Street, and also excepting five strips of land 300 feet by 40 feet in the center of said El Cajon Avenue, between Alabama Street and Hamilton Street, used for parking purposes; each of said excepted strips of land being curved at each end, each of said curves having a radius of 20 feet);

Also, the paving, with a one and one-half inch asphalt concrete wearing surface and a four-inch Portland cement concrete base, of the roadway of EL CAJON AVENUE, in said City, from curb line to curb line, from the west line of Hamilton Street to the east line of Boundary Street, including the roadway of the intersections of said El Cajon Avenue with all cross streets, between said points (excepting eight strips of land 300 feet by 40 feet in the center of said El Cajon Avenue, between Hamilton Street and Iowa Street, and also excepting a strip of land 177.75 feet by 40 feet in the center of said El Cajon Avenue, between Iowa Street and Boundary Street, used for parking purposes; each of said excepted strips of land being curved at each end, each of said curves having a radius of 20 feet; and also excepting the intersection of said El Cajon Avenue with 30th Street);

Also, as a part of said work, the removal of 51.42 feet of existing curbing from the returns at the southeast and southwest corners of the intersection of said El Cajon Avenue with Hamilton Street;

Also, as a part of said work, the construction along the said El Cajon Avenue, between the east line of Park Boulevard and the east line of Boundary Street, of cement concrete sidewalks and cement concrete curbing; said sidewalks and curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, as a part of said work, the removal of the existing culverts in the intersection of said El Cajon Avenue with Illinois Street;

Also, as a part of said work, the construction of one Portland cement concrete curb inlet in the return at the southeast corner of the intersection of said El Cajon Avenue with Florida Street; also, the construction of one eighteen-inch double-strength cement concrete pipe culvert, No. 1, 70.5 feet in length, together with appurtenances, commencing at the said curb inlet and extending easterly along the southerly side of said El Cajon Avenue to connect with the existing culvert across said El Cajon Avenue;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 160369, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 531, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 29th day of September, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved

April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 2d day of September, 1924, by the following vote, to-wit:

AYES---Councilmen Heilbron, Held, Stewart and Weitzel.

NOES---None.

ABSENT---Councilman Bruschi.

RESOLUTION OF INTENTION NO. 3 2 1 6 6.

La Jolla Lighting District No. 1.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The furnishing of electric current for the lighting of PROSPECT STREET, in said City, between Girard Avenue and Herschel Avenue; of HERSCHEL AVENUE, in said City, between Prospect Street and Silverado Street; of WALL STREET, between Girard Avenue and a line 10 feet east from the easterly line of Herschel Avenue; and of GIRARD AVENUE, in said City, between Wall Street and Prospect Street; together with the maintenance of the ornamental posts, wires, conduits and lamps on said Prospect Street, Herschel Avenue, Wall Street and Girard Avenue; between the points above mentioned. Such furnishing of electric current and such maintenance of appliances shall be for the period commencing on the 31st day of December, 1924, and ending on the 31st day of December, 1925.

Said work and improvement shall be done in all respects according to, and at the places shown by, and of the materials provided for in, the plans and specifications therefor to be hereafter prepared by the City Engineer of said City, and furnished to this Common Council, as hereinafter set forth.

That the exterior boundaries of the district in said City of San Diego to be benefited by said improvement, and to be assessed to pay the costs and expenses thereof, and to be known as the assessment district, are hereby specified as follows, to-wit:

Beginning at a point on the northwesterly line of Silverado Street distant 140 feet northeasterly from the northeasterly line of Herschel Avenue; thence northwesterly on a line parallel to and distant 140 feet northeasterly from the northwesterly line of Herschel Avenue and the northeasterly line of Herschel Avenue produced northwesterly, to an intersection with the southeasterly line of Prospect Street; thence southwesterly along the southeasterly line of Prospect Street to an intersection with the northeasterly line of Girard Avenue; thence southeasterly along the northeasterly line of Girard Avenue to a point distant 25 feet southeasterly from the southeasterly line of Wall Street; thence northeasterly on a line parallel to and distant 25 feet southeasterly from the southeasterly line of Wall Street to a point distant 140 feet southwesterly from the southwesterly line of Herschel Avenue; thence southeasterly on a line parallel to and distant 140 feet southwesterly from the southwesterly line of Herschel Avenue to the northwesterly line of Silverado Street; thence northeasterly along the northwesterly line of Silverado Street to the point or place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

Said Common Council does hereby order that one-fifth of the costs and expenses of said improvement of furnishing electric current and maintenance of appliances shall be paid out of the Treasury of said City, from the Street Light Fund of said City.

That the proposed improvement is hereby referred to the City Engineer of said city, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;
3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.
4. A proposed assessment of the total amount of the costs and expenses of the

proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as La Jolla Lighting District No. 1.

R E S O L U T I O N N O. 3 2 2 0 1.

Juniper Street, 31st Street, Alley in block 5, Watkins & Biddle's Addition.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The paving, with a one and one-half inch asphalt concrete wearing surface and a four-inch Portland cement concrete base, of the roadway of JUNIPER STREET, in said City, from curb line to curb line, from the easterly line of Twenty-ninth Street to the westerly line of Thirty-second Street, including the roadway of the intersection of said Juniper Street with Thirty-first Street, and also including the roadway of the termination of Dale Street in said Juniper Street (excepting the roadway of said Juniper Street, between the west line of Thirtieth Street produced north and the east line of Fern Street);

Also, as a part of said work, the construction along the said Juniper Street, between the easterly curb line of Twenty-ninth Street and the westerly line of Thirty-second Street (excepting said Juniper Street, between the west line of Thirtieth Street produced north and the east line of Fern Street), of cement concrete sidewalks and cement concrete curbing; said sidewalks and curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, the paving, with a one and one-half inch asphalt concrete wearing surface and a four-inch Portland cement concrete base, of the roadway of THIRTY-FIRST STREET, in said City, from curb line to curb line, from the north line of Ivy Street to the south line of Kalmia Street, including the roadway of said Thirty-first Street leading into all alleys, between said points (excepting the intersection of said Thirty-first Street with Juniper Street);

Also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing along the said Thirty-first Street, between the north line of Ivy Street and the south line of Kalmia Street (excepting the intersection of said Thirty-first Street with Juniper Street); said sidewalks and curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, the grading, to the official grade thereof, of the ALLEY IN BLOCK 5, WATKINS & BIDDLE'S ADDITION, in said City, for the entire width of said alley, from the east line of Fern Street to the west line of Thirty-first Street;

Also, as a part of said work, the paving, with one course of Portland cement concrete pavement, four inches in thickness, of the said ALLEY IN BLOCK 5, WATKINS & BIDDLE'S ADDITION, for the entire width of said alley, from the east line of Fern Street to the west line of Thirty-first Street;

ALSO, as a part of said work, the construction in connection with the existing main sewer in said Alley in Block 5, Watkins & Biddle's Addition, at a point 260 feet east from the east line of Fern Street, of one four-inch Portland cement concrete sewer lateral, together with connections, fittings and appurtenances;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 160329, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 535, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Tuesday, the 14th day of October, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 15th day of September, 1924, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 3 2 2 0 2.

Canon Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The grading of that portion of CANON STREET, in said City, between the westerly line of Akron Street produced northerly and a line 180 feet southeasterly from the southeasterly line of Shafter Street, including those portions of the intersections of said Canon Street with all cross streets, between said points, and also including those portions of all terminations of said streets in said Canon Street, between said points, to the dimensions and as particularly shown and indicated on the plans hereinafter referred to;

Also, as a part of said work, the removal of the existing paving in Canon Street, between the northwesterly line of Rosecrans Street produced southwesterly and a line 50 feet northwesterly from the northwesterly line of Rosecrans Street produced southwesterly; also the removal of the existing paving in the intersection and termination of said Canon Street with Rosecrans Street; all as shown on the plans hereinafter referred to;

Also, as a part of said work, the paving, with one course of Portland cement concrete pavement, four inches in thickness, of the roadway of CANON STREET, between the westerly line of Akron Street produced northerly and a line 180 feet southeasterly from the southeasterly line of Shafter Street; including the roadway of the intersections of said Canon Street with all cross streets, between said points, and also including the roadway of all terminations of streets in said Canon Street, between said points;

Also, as a part of said work, the construction of cement concrete curbing along the said Canon Street, between a point on the northeasterly curb line of Canon Street distant 41.6 feet southeasterly from the southeasterly line of Clove Street and a line distant 180 feet southeasterly from the southeasterly line of Shafter Street; said curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, as a part of said work, the construction in connection with the existing sewer main in said Canon Street, between the southeasterly line of Shafter Street and the southeasterly line of Evergreen Street, of eighteen (18) Portland cement concrete sewer laterals, together with connections, fittings and appurtenances; said sewer laterals to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, as a part of said work, the construction of an earth dike along the easterly side of Akron Street, in said City, said dike extending from the southwesterly curb line of Canon Street to a line 102 feet southerly from the southwesterly curb line of Canon Street, measured on the easterly line of Akron Street; also, the construction of a cement concrete curtain wall, 33 feet in length, across the southwesterly side of the intersection of Canon Street with Akron Street; said dike and curtain wall to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, as a part of said work, the construction in the said Canon Street, between a line 180 feet southeasterly from the southeasterly line of Shafter Street and a line 188 feet southeasterly from the southeasterly line of Shafter Street, of a cement concrete retaining wall and a cement concrete apron and sidewalks, said retaining wall, apron and sidewalks to be constructed of the dimensions and at the location shown on the plans hereinafter referred to;

Also, as a part of said work, the construction across the said Canon Street on a line 180 feet southeasterly from the southeasterly line of Shafter Street, of a galvanized iron pipe guard rail, with galvanized fittings; all as shown on the plans hereinafter referred to;

That the said work hereinabove described along the northeasterly line of Canon Street, between the southeasterly line of Clove Street and the westerly line of New Roseville, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 162290, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That said Common Council hereby finds and determines that said contemplated work and improvement works a greater public benefit to the entire City of San Diego and to all the inhabitants thereof than to the property of the district herein mentioned and described, and therefore said Common Council hereby declares its intention to order that Fifteen Thousand Dollars (\$15,000.00) of the costs and expenses of the said contemplated work and improvement hereinbefore mentioned shall be paid out of the Treasury of said City, and particularly out of the General Fund of said City, and that the remaining portion of the costs and expenses of said contemplated work and improvement shall be made chargeable upon the district hereinafter specifically described.

That the contemplated work or improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and all of the costs and expenses of such work and improvement, excepting the sum of Fifteen Thousand Dollars (\$15,000.00) is made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district specially benefited by said work and improvement, and to be assessed to pay all of the costs and expenses thereof, excepting the said sum of Fifteen Thousand Dollars (\$15,000.00). Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 559, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Tuesday, the 14th day of October, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof,

he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed; and when the work is chargeable upon a district; he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners; and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 15th day of September, 1924, by the following vote, to-wit:

Also, as a part of said work, the paving, with a one and one-half inch asphalt concrete wearing surface and a four-inch Portland cement concrete base, of the roadway of WITHERBY STREET, in said City, from curb line to curb line, from the southwesterly line of Fort Stockton Drive produced northwesterly to the southwesterly line of Guy Street produced northwesterly, including the roadway of the intersections of said Witherby Street with all cross streets and alleys, between said points, and also including the roadway of all terminations of streets and alleys in said Witherby Street, between said points;

Also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing along the said Witherby Street, between the southwesterly line of Fort Stockton Drive produced northwesterly and the southwesterly line of Guy Street produced northwesterly; said sidewalks and curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, as a part of said work, the construction in connection with the existing sewer main in said Witherby Street, between Sunset Boulevard and Guy Street, of nine (9) Portland cement concrete sewer laterals, together with connections, fittings and appurtenances; said sewer laterals to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

That the said work hereinabove described on Witherby Street, between the southwesterly line of Hickory Street and a line 351.95 feet southwesterly from the southwesterly line of Hickory Street produced northwesterly, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

Also, the grading, to the official grade thereof, of that portion of INGLESIDE AVENUE, in said City, between the southeasterly line of Witherby Street and a line 140 feet northerly from the northerly line of Sunset Boulevard, to the dimensions and at the locations shown on the plans hereinafter referred to;

Also, as a part of said work, the paving, with a one and one-half inch asphalt concrete wearing surface and a four-inch Portland cement concrete base, of the roadway of INGLESIDE AVENUE, in said City, from curb line to curb line, from the southeasterly line of Witherby Street to the northerly line of Sunset Boulevard, including the roadway of said Ingleside Avenue leading into all alleys, between said points;

Also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing along the said Ingleside Avenue, between the southeasterly line of Witherby Street and the northerly line of Sunset Boulevard; said sidewalks and curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, as a part of said work, the construction in connection with the existing sewer main in said Ingleside Avenue, at a point 205 feet north from the northerly line of Sunset Boulevard, of one six-inch Portland cement concrete sewer lateral, together with connections, fittings and appurtenances;

Also, the grading, to the official grade thereof, of the ALLEY IN BLOCK 7, MISSION HILLS, in said City, for the entire width of said alley, from the westerly line of Ingleside Avenue to the northerly line of Sunset Boulevard;

Also, the paving, with a four-inch Portland cement concrete pavement, of the said ALLEY IN BLOCK 7, MISSION HILLS, for the entire width of said alley, from the westerly line of Ingleside Avenue to the northerly line of Sunset Boulevard;

Also, as a part of said work, the construction in connection with the existing sewer main in said Alley in block 7, Mission Hills; of four (4) Portland cement concrete sewer laterals, together with connections, fittings and appurtenances; said sewer laterals to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 162933, on

file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement; said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit; and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement; and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 549, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Tuesday, the 14th day of October, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 15th day of September, 1924, by the following vote, to-wit:

DECLARING THE RESULT OF THE SPECIAL ELECTION HELD IN THE CITY OF SAN DIEGO, CALIFORNIA, ON WEDNESDAY, SEPTEMBER 10TH, A. D. 1924.

WHEREAS, A Special Election was held in The City of San Diego, California, on the 10th day of September, A. D. 1924, in pursuance of the provisions of Ordinance No. 9530 of the ordinances of the said City, entitled, "An Ordinance calling a Special Election in The City of San Diego, California, and submitting to the voters thereof propositions for the incurring of a bonded indebtedness," approved on the 27th day of June, 1924; and,

WHEREAS, at said special election the propositions mentioned in said ordinance and hereinafter particularly set forth were actually submitted to the qualified voters of said City; and

WHEREAS, all the various election boards appointed pursuant to the terms and provisions of said Ordinance No. 9530 have made returns of the said election to the City Clerk and to the Common Council, all as required by law; and

WHEREAS, all of said returns have been at the meeting of the Common Council held at this time, which is the Monday following the day of said election, publicly opened and canvassed by the said Common Council, and the ballots cast at said election for and against the incurring of a bonded indebtedness have been duly estimated by the said Common Council, and the result thereof ascertained;

NOW, THEREFORE, the result of said election is, and is hereby declared to be, as follows:

The whole number of ballots cast in said City at said special election on the questions of incurring a bonded indebtedness is Twelve Thousand Nine Hundred Two (12,902).

That on the proposition which reads as follows:

"Proposition I. ALLEN H. WRIGHT

City Clerk of the City of San Diego, California.

BY Clark M. Foote Jr DEPUTY.

RESOLUTION NO. 32253

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:
That the City Planning Commission of the City of San Diego, California, be, and it is hereby authorized and directed to, send a delegate to attend the convention of the League of California Municipalities to be held in Del Monte from October 6th to October 10th, 1924, and incur the necessary expense incident thereto.

RESOLUTION NO. 32254.

Overruling appeals and confirming assessment- La Jolla Boulevard and Coast Boulevard South.

BE IT RESOLVED, by the Common Council of the City of San Diego, as follows:
That the appeal of Gertrude C. Long, filed in the Office of the City Clerk September 22, 1924, under Document No. 164654, from the Superintendent of Streets Assessment No. 606, made to cover the costs and expenses of the work done upon La Jolla Boulevard and Coast Boulevard South, in the City of San Diego, California, under Resolution of Intention No. 30937, adopted by the Common Council March 3, 1924, be, and the said appeal is hereby overruled;

And the Superintendent of Streets assessment No. 606, made to cover the costs and expenses of the work done upon La Jolla Boulevard and Coast Boulevard South, in said City, under Resolution of Intention No. 30937, adopted by the Common Council March 3, 1924, be, and the said assessment is hereby approved and confirmed; and the Superintendent of Streets is hereby authorized to attach his warrant thereto and record and issue the same in the manner and form required by law.

RESOLUTION NO. 32255.
CONFIRMING THE SUPERINTENDENT OF STREETS' ASSESSMENT NO. 605 FOR
WORK UPON FRONT STREET AND DICKINSON STREET, IN THE CITY OF SAN DIEGO,
CALIFORNIA, UNDER RESOLUTION OF INTENTION NO. 30097.

Notice of the time and place fixed for the hearing of appeals in the matter of Assessment No. 605, made by the Superintendent of Streets of said City to cover the cost and expenses of the work done upon FRONT STREET AND DICKINSON STREET, in said City, under Resolution of Intention No. 30097, adopted by the Common Council on the 29th day of October, 1923, having been duly given and made in the manner required by law, and the legal time for filing such appeals and the time fixed for hearing thereon having passed and elapsed, and no appeals in the matter of said assessment having been filed, and the Common Council being satisfied with the correctness of said assessment; NOW THEREFORE,

BE IT RESOLVED, by the Common Council of The City of San Diego, that the said Assessment No. 605 of the said Superintendent of Streets made to cover the cost and expenses of the work done upon FRONT STREET AND DICKINSON STREET, within the limits as described in Resolution of Intention No. 30097, be, and the same is hereby approved and confirmed, and the Superintendent of Streets is hereby authorized to attach his warrant thereto and record the same in manner and form required by law. Said warrant shall bear date of this order.

RESOLUTION OF Award NO. 32256.

28TH STREET, SAMPSON STREET, AND FRANKLIN AVENUE.

RESOLVED, that the Common Council of the City of San Diego, California, having in open session on the 8th day of September, 1924, opened, examined and publicly declared all sealed proposals or bids for the following work to be done and improvement to be made in said City, to-wit:

All the improvement described in Resolution of Intention No. 31781, adopted by the Common Council on July 14, 1924, and on file in the office of the City Clerk of said City, for the grading of 28TH STREET, SAMPSON STREET, AND FRANKLIN AVENUE, in the City of San Diego, California, within the limits and as particularly described in said Resolution of Intention.

RESOLUTION OF INTENTION NO. 3 2 2 6 1.

Hayes Avenue, Johnson Avenue and 10th Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The grading, to the official grade thereof, of HAYES AVENUE, in said City, for the entire width of said street, from property line to property line, from the westerly end of said Hayes Avenue to the west line of Tenth Street, and from the east line of Tenth Street to the west line of University Heights;

Also, as a part of said work, the construction of cement concrete curbing along the said Hayes Avenue, within the limits above mentioned; said curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, the grading of JOHNSON AVENUE, in said City, for the entire width of said street, from property line to property line, from the westerly end of said Johnson Avenue to the west line of Tenth Street, and from the east line of Tenth Street to the west line of University Heights, including the entire width and length of the termination of Boyd Street in said Johnson Avenue;

Also, as a part of said work, the construction of cement concrete curbing along the said Johnson Avenue, within the limits above mentioned; said curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, as a part of said work, the construction of one twelve-inch double-strength cement concrete pipe culvert, 181 feet in length, together with cement concrete headwall, and appurtenances, said culvert commencing in the gutter on the east side of Boyd Street, at the north line of Johnson Avenue, and extending northwesterly in said Boyd Street a distance of 181 feet;

That the said work hereinabove described on Johnson Avenue, between the west line of Boyd Street produced south and the west line of Tenth Street, and between the east line of Tenth Street and the west line of University Heights, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the said work is to be done.

Also, the grading of TENTH STREET, in said City, for the entire width of said street from property line to property line, from the south line of Hayes Avenue produced east to a line 280 feet north from the north line of Johnson Avenue produced east, including the entire width and length of the intersections of all streets with, and the terminations of all streets in, said Tenth Street, between said points;

Also, as a part of said work, the construction of cement concrete curbing along the said Tenth Street, within the limits above mentioned; said curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

That the said work hereinabove described on Tenth Street, between the north line of Hayes Avenue produced east and the north line of Johnson Avenue produced east, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections profiles and specifications therefor contained in Document No. 163149, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 491, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 20th day of October, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the

Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 22d day of September, 1924, by the following vote, to-wit:

Also, as a part of said work, the construction of a six-inch Portland cement concrete sewer main, together with one brick manhole, one dead end and appurtenances, in said Alley in Block 17, La Jolla Park, said sewer main commencing at the existing sewer in said Alley on the division line produced between lots 10 and 11, of said Block 17, and extending northeasterly a distance of 125 feet; also, the construction in connection with said sewer main last above described, of one four-inch Portland cement concrete sewer lateral, together with connections, fittings and appurtenances, said sewer lateral to be constructed at the location shown on the plans hereinafter referred to;

Also, as a part of said work, the construction of cement concrete curbing on each side of the said Alley in Block 17, La Jolla Park, between the northeasterly line of La Jolla Boulevard and a line 15 feet southwesterly from the northeasterly line of La Jolla Boulevard;

Also, the grading, to the official grade thereof, of the ALLEY IN BLOCK 16, LA JOLLA PARK, in said City, for the entire width of said alley, from a line 15 feet northeasterly from the southwesterly line of La Jolla Boulevard to the southwesterly end of said Alley;

Also, the paving, with one course of Portland cement concrete pavement, four inches in thickness, of the said ALLEY IN BLOCK 16, LA JOLLA PARK, for the entire width of said alley, within the limits above mentioned;

Also, as a part of said work, the construction in connection with the existing sewer main in said Alley in block 16, La Jolla Park, of two four-inch Portland cement concrete sewer laterals, together with connections, fittings and appurtenances, said sewer laterals to be constructed at the locations shown on the plans hereinafter referred to;

Also, as a part of said work, the construction of one cement concrete catch-basin in the said Alley in block 16, La Jolla Park, at a point 3 feet northeasterly from the southwesterly end of said alley; also, the construction of one ten-inch double-strength concrete pipe culvert, 171.4 feet in length, together with its appurtenances, commencing at said catch-basin and extending on a public right of way over and across lots 18 and 19 of said block 16, to the existing catch-basin in Coast Boulevard South; said catch-basin and culvert to be constructed at the locations shown on the plans hereinafter referred to;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 163381, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of

such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 545, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 20th day of October, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 22d day of September, 1924, by the following vote, to-wit:

RESOLUTION OF THE CITY OF SAN DIEGO DIRECTING THE CANCELLATION
OF CERTAIN TAXES AND TAX CERTIFICATES AGAINST PROPERTY NOW OWNED
BY THE CITY OF SAN DIEGO.

WHEREAS it appears to the Common Council of the City of San Diego that city taxes have been levied against, and city tax sales and certificates made and issued against the following items of real property situated in the City of San Diego, County of San Diego, State of California, particularly described as follows, to-wit:

Item 1: City taxes for the year 1918, Certificate of Sale 1365, affecting Lot 10, Block 123, La Playa, and delinquent taxes for subsequent years;

Item 2: City taxes for the year 1918, Certificate of Sale 2437 and 2438, affecting Lots 17 and 18, Block 27, Ocean Beach Park, and delinquent taxes for subsequent years;

Item 3: City taxes for the year 1918, Certificate of Sale 2569, affecting the North 20 feet of Lot 1, Block 2, Zschockel's Subdivision, and delinquent taxes for subsequent years;

Item 4: City taxes for the year 1918, Certificates of Sale 1206, 87, 1509, affecting Lot "A", Block 220, Horton's Addition, and delinquent taxes for subsequent years, (Deed Book 831, Page 319, County Recorder's Office).

Item 5: City taxes for the 1923 against Lot 14, Block 3, Loma Terrace, Assessment Roll 1923, Page 3381;

Item 6: City delinquent taxes against Lots 11 and 12, Block 159 of Middletown, as per Assessment Roll, Page 3028 and roll page 283;

Item 7: Delinquent City taxes against the East 75 feet of the south 100 feet, of the West half of the West half of the Northwest quarter of the Northeast quarter of Pueblo Lot 1148, as per Assessment Roll 1923, Page 1776, and subsequent delinquencies;

and, WHEREAS, it appears to this Common Council that the said property described in Item 1 above mentioned consists solely of tidelands in the City of San Diego and in the Bay of San Diego, and whereas all the remaining property above described in Items 2 to 7 inclusive have been acquired by the City of San Diego, subject to said taxes; and

WHEREAS the said last mentioned property is the property of the City of San Diego, by reason whereof the said taxes have merged into the greater title of the City of San Diego, NOW, THEREFORE,

BE IT RESOLVED By the Common Council of the City of San Diego that the City Auditor and Tax Collector is hereby authorized and directed to cancel all the delinquent taxes existing against the said property and each and every parcel thereof;

And the City Clerk of said is hereby authorized and directed to cancel the Certificates of Sale heretofore issued against said property or any part or parcel thereof.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 22d day of September, 1924, by the following vote, to-wit:

Said Common Council does hereby order that one-fifth of the costs and expenses of said improvement shall be assessed upon the district above described.

That the proposed improvement is hereby referred to the City Engineer of said city, and said City Engineer is hereby directed to make and file, with the Clerk of said Common Council, a report, in writing, presenting the following:

1. Plans and specifications for the work required in order to make said improvements;
2. An estimate of the cost of said improvement and of the incidental expenses in connection therewith;
3. A diagram showing the district above referred to, and also the boundaries and dimensions of the respective subdivisions of the land within said district, each of which subdivisions shall be given a separate number in red ink upon said diagram.
4. A proposed assessment of the total amount of the costs and expenses of the proposed improvement upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvement; provided, that whenever any portion or percentage of the cost and expenses of such improvement is ordered to be paid out of the treasury of the municipality, as hereinabove provided, the amount of such portion or percentage shall first be deducted from the total estimated cost and expenses of such improvement, and the assessment upon property, proposed in said report, shall include only the remainder of said estimated costs and expenses. Said assessment shall refer to such subdivisions upon said diagram by the respective red ink numbers thereof, and shall show the names of the owners, if known, otherwise designating them as unknown. No mistake in the name of the owner of any parcel of land shall affect the validity of the assessment thereon.

This proceeding shall be designated as La Jolla Lighting District No. 2.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 29th day of September 1924, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 3 2 3 1 3.

Beech Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The paving, with a one and one-half inch asphalt concrete wearing surface and a two and one-half inch bituminous base, of the roadway of BEECH STREET, in said City, from curb line to curb line, from the east line of 30th Street to a line 155 feet east from the east line of 31st Street produced north, including the roadway of the intersections of said Beech Street with all cross streets, between said points (excepting the intersection of said Beech Street with Fern Street);

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 163724, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain

plat No. 571, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 27th day of October, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 29th day of September, 1924, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 3 2 3 5 1

Fourth Street and Lewis Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The paving, with a one and one-half inch asphalt concrete wearing surface and a four-inch Portland cement concrete base, of the roadway of FOURTH STREET, in said City, from curb line to curb line, between the north line of Washington Street and the south line of Lewis Street.

Also, as a part of said work, the removal of the existing curbing on the south side of Lewis Street, in said City, between the east line of Fourth Street and a point 15 feet east from the east line of Fourth Street, and in the return at the southeast corner of the intersection of said Fourth Street with Lewis Street, and on the east side of said Fourth Street, between the south line of Lewis Street and a point 25 feet south from the south line of Lewis Street; all as shown on the plans hereinafter referred to;

Also, as a part of said work, the construction of new cement concrete curbing on the southerly side of said Lewis Street, between the east line of Fourth Street and a point 15 feet east from the east line of Fourth Street, and in the return at the southeast corner of the intersection of said Fourth Street with Lewis Street, and on the easterly side of said Fourth Street, between the south line of Lewis Street and a point 25 feet south from the south line of Lewis Street; all as shown on the plans hereinafter referred to;

Also, as a part of said work, the removal of a portion of the existing sidewalk in the return at the southeast corner of the intersection of Fourth Street with Lewis Street, as particularly shown on the plans hereinafter referred to;

Also, as a part of said work, the construction of additions to the existing sidewalk on the south side of Lewis Street, between the east line of Fourth Street and a point 15 feet east from the east line of Fourth Street, and also the construction of additions to the existing sidewalk on the east side of Fourth Street, between the south line of Lewis Street and a line 7.5 feet south from the south line of Lewis Street; said additions to be constructed of the dimensions and as particularly shown on the plans hereinafter referred to.

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 163725, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof: Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 570, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 3d day of November, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 17, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 2d day of October, 1924, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

NOES---None.

RESOLUTION NO. 32378.

A RESOLUTION DECLARING AND DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY OF THE CITY OF SAN DIEGO DEMAND THE ACQUISITION, CONSTRUCTION AND COMPLETION OF CERTAIN MUNICIPAL IMPROVEMENTS NECESSARY AND CONVENIENT TO CARRY OUT THE OBJECTS, PURPOSES AND POWERS OF THE MUNICIPALITY, THE COST OF WHICH WILL BE TOO GREAT TO BE PAID OUT OF THE ORDINARY ANNUAL INCOME AND REVENUE OF THE MUNICIPALITY, AND RECITING THE ESTIMATED COST OF THE PROPOSED PUBLIC IMPROVEMENTS.

IT IS RESOLVED, DECLARED AND DETERMINED by the Common Council of The City of San Diego that the public interest and necessity of said City, and of the inhabitants thereof, demand the acquisition, construction and completion by said City of the following municipal improvements, namely:

I.

The acquisition of lands, dam site, reservoir, reservoirsite, rights of way, pipe lines, conduits and water filtering plant for a dam, and the acquisition, construction and completion of a dam, of the arched, gravity section, masonry type, at a point known as El Capitan Dam Site No. 2, located on the San Diego River, in the County of San Diego, State of California, and the acquisition, construction and completion of a pipe line from the El Capitan Dam to the University Heights Reservoir, in The City of San Diego, for the purpose of developing, impounding, conserving, storing and distributing the waters of the San Diego River and its tributaries, for the use of the inhabitants of The City of San Diego; all as

more particularly set forth in that certain report of F. A. Rhodes, Manager of Operation, on file in the office of the City Clerk of said City, marked Document No. 164902, and endorsed: "Report of F. A. Rhodes, Manager of Operation, on additional water supply for The City of San Diego, California." The cost of said improvement is estimated at four million, five hundred thousand dollars (\$4,500,000.00).

IT IS FURTHER RESOLVED, DECLARED AND DETERMINED that the above-described municipal improvements are, and each of them is, necessary and convenient to carry out the objects, purposes and powers of the municipality, and that the cost of said improvements will be too great to be paid out of the ordinary annual income and revenue of the municipality.

RESOLUTION OF INTENTION NO. 3 2 3 8 9.

Alleys in Blocks 16 and 17, La Jolla Park.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The grading, to the official grade thereof, of the ALLEY IN BLOCK 17, LA JOLLA PARK, in said City, for the entire width of said alley, from the southwesterly line of Cuvier Street to a line 15 feet southwesterly from the northeasterly line of La Jolla Boulevard;

Also, as a part of said work, the paving, with one course of Portland cement concrete pavement, four inches in thickness, of the said ALLEY IN BLOCK 17, LA JOLLA PARK, for the entire width of said alley, within the limits above mentioned;

Also, as a part of said work, the construction of a six-inch Portland cement concrete sewer main, together with one brick manhole, one dead end and appurtenances, in said Alley in Block 17, La Jolla Park, said sewer main commencing at the existing sewer in said Alley on the division line produced between lots 10 and 11, of said Block 17, and extending northeasterly a distance of 125 feet; also, the construction in connection with said sewer main last above described, of one four-inch Portland cement concrete sewer lateral, together with connections, fittings and appurtenances, said sewer lateral to be constructed at the location shown on the plans hereinafter referred to;

Also, as a part of said work, the construction of 15 feet of cement concrete curbing in each of the alley returns at the termination of the alley in said block 17, La Jolla Park, in La Jolla Boulevard.

Also, the grading, to the official grade thereof, of the ALLEY IN BLOCK 16, LA JOLLA PARK, in said City, for the entire width of said alley, from a line 15 feet northeasterly from the southwesterly line of La Jolla Boulevard to the southwesterly end of said Alley;

Also, the paving, with one course of Portland cement concrete pavement, four inches in thickness, of the said ALLEY IN BLOCK 16, LA JOLLA PARK, for the entire width of said alley, within the limits above mentioned;

Also, as a part of said work, the construction in connection with the existing sewer main in said Alley in block 16, La Jolla Park, of two four-inch Portland cement concrete sewer laterals, together with connections, fittings and appurtenances, said sewer laterals to be constructed at the locations shown on the plans hereinafter referred to;

Also, as a part of said work, the construction of one cement concrete catch-basin in the said Alley in block 16, La Jolla Park, at a point 3 feet northeasterly from the southwesterly end of said alley; also, the construction of one ten-inch double-strength concrete pipe culvert, 179.96 feet in length, together with its appurtenances, commencing at said catch-basin and extending on a public right of way over and across lots 18 and 19 of said block 16, to the existing catch-basin in Coast Boulevard South; said catch-basin and culvert to be constructed at the locations shown on the plans hereinafter referred to;

Also, as a part of said work, the construction of 15 feet of cement concrete curbing in each of the alley returns at the termination of the alley in said block 16, La Jolla Park, in La Jolla Boulevard.

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 163381, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 545, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 10th day of November, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause

such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 14th day of October, 1924; by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 3 2 3 9 0.

Olivet Lane.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The grading, to the official grade thereof, of OLIVET LANE, in said City, for the entire width of said Lane, from the northeasterly line of Exchange Place to the southwesterly line of Prospect Place;

Also, as a part of said work, the paving, with one course of Portland cement concrete pavement, four inches in thickness, of the said Olivet Lane, for the entire width of said Lane, from the northeasterly line of Exchange Place to the southwesterly line of Prospect Place.

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 163873, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date; and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 547, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 10th day of November, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

RESOLUTION DECLARING PUBLIC NECESSITY FOR SEWER.

BE IT RESOLVED By the Common Council of the City of San Diego, as follows:

That this Common Council now finds and determines that the public interest and necessity require the construction, completion, and maintenance by said City of San Diego of the following public improvement, to-wit:

A main sewer line for the collection, conveyance and disposal of sewage of said city, commencing at the existing sewer pipe line in the southerly termination of 17th Street in said City, running thence southwesterly across Blocks Nos. 180, 138, 132, 92 and the north-easterly half of Block 85, of Mannasse & Shiller's Subdivision, in said city; and along and across the intervening streets to a point in Sigsbee Street; thence southwesterly along said Sigsbee Street to the center of the intersection of Sigsbee Street with Colton Avenue; thence southeasterly in said Colton Avenue to its intersection with Beardsley Street; thence southwesterly in and along said Beardsley Street to a connection with the existing main sewer line of said City at the point of intersection of the center line of said Beardsley Street with the southwesterly line of the Alley in Block 39, in said Addition, produced southeasterly.

BE IT FURTHER RESOLVED and determined that it is the intention of said Common Council to construct said sewer line, and that in order to construct and maintain the same, it is necessary for said city to acquire an easement of right of way over, under and along the following real property, situate in the City of San Diego, County of San Diego, State of California, particularly described as follows, to-wit:

The northwesterly four (4) feet of Lot Nine (9), in Block 138, of Mannasse & Shiller's Subdivision of Pueblo Lot 1157 of the Pueblo Lands of said city according to the map of said Subdivision No. 209, filed in the Office of the County Recorder of San Diego County, California.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 14th day of October 1924, by the following vote, to-wit:

RESOLUTION NO. 32419.

CONFIRMING THE SUPERINTENDENT OF STREETS' ASSESSMENT NO. 615 FOR WORK DONE UPON Polk Avenue IN THE CITY OF SAN DIEGO, CALIFORNIA, UNDER RESOLUTION OF INTENTION NO. 31150.

Notice of the time and place fixed for the hearing of appeals in the matter of Assessment No. 615, made by the Superintendent of Streets of said City to cover the cost and expenses of the work done upon Polk Avenue in said City, under Resolution of Intention No. 31150, adopted by the Common Council on the 31st day of March, 1924, having been duly given and made in the manner required by law, and the legal time for filing such appeals and the time fixed for hearing thereon having passed and elapsed, and no appeals in the matter of said assessment having been filed, and the Common Council being satisfied with the correctness of said assessment; NOW, THEREFORE,

BE IT RESOLVED by the Common Council of The City of San Diego, that the said Assessment NO. 615 of the said Superintendent of Streets made to cover the cost and expenses of the work done upon Polk Avenue within the limits as described in said Resolution of Intention NO. 31150, be, and the same is hereby approved and confirmed; and the Superintendent of Streets is hereby authorized to attach his warrant thereto and record the same in the manner and form required by law. Said warrant shall bear date of this order.

RESOLUTION ORDERING WORK NO. 32420.

Canon Street.

RESOLVED, By the Common Council of The City of San Diego, California, that the public interest and convenience require the work hereinafter described to be done, and therefore the said Common Council hereby orders the following work to be done and improvement to be made in said City, to-wit:

All the street work and improvement described in Resolution of Intention No. 32202, adopted by the Common Council on September 15, 1924, and on file in the office of the City Clerk of said City, for the grading and paving and otherwise improving of CANON STREET, in the City of San Diego, California, within the limits and as particularly described in said Resolution of Intention.

The said Common Council determined that fifteen thousand dollars (\$15,000.00) of the costs and expenses of said work and improvement shall be paid out of the Treasury of said City, and particularly out of the General Fund of said City, and that the remaining portion of the costs and expenses of said work and improvement shall be assessed upon the

district which is more particularly described in said Resolution of Intention.

The said Common Council determined that serial bonds extending over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or more for the expenses of said work and improvement, as provided by the Improvement Act of 1911, and amendments thereto.

For further particulars, reference is hereby made to said Resolution of Intention.

The City Clerk of said City is hereby directed to post conspicuously for five (5) days, on or near the Council chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing the work ordered; and said Clerk is hereby directed to publish twice in The Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by said Common Council a notice inviting such proposals for doing the said work, and referring to the specifications posted or on file.

Passed and adopted by the Common Council of the said City of San Diego, California, this 20th day of October, 1924, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

RESOLUTION OF INTENTION NO. 3 2 416 7.
 MEADE AVENUE

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The grading, to the official grade thereof, of MEADE AVENUE, in said City, for the entire width of said street, from the east line of Idaho Street to the west line of Iowa Street, including the entire width and length of the intersection of said Meade Avenue with Illinois Street, (excepting the intersections of said Meade Avenue with Utah Street, Kansas Street, 30th Street, and Ohio Street, and also excepting the northerly fourteen feet of said Meade Avenue, between the east line of Kansas Street and a line 140 feet east from the east line of Kansas Street, and between the west line of 30th Street and a line 140 feet west from the west line of 30th Street);

Also, as a part of said work, the construction along the said Meade Avenue, between the east curb line of Idaho Street and the west line of Iowa Street, of cement concrete sidewalks and cement concrete curbing; said sidewalks and curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 164490, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement; said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 574, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 24th day of November, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the

Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 27th day of October, 1924, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

RESOLUTION N.O. 3 2 4 7 3.

Appointing Time and Place for Hearing Protests, and Directing Clerk to Give Notice of Said Hearing.

WHEREAS, the City Engineer of the City of San Diego, California, having made and filed on the 17th day of October, 1924, with the Clerk of the Common Council of said City

of San Diego, a report, in writing, as required by Resolution of Intention No. 32166, adopted by said Common Council on the 8th day of September, 1924, and on file in the office of the City Clerk of said City, and said Clerk having presented the said report to said Common Council for consideration, and said report appearing in all particulars to be in the form and substance required by law, NOW THEREFORE,

BE IT RESOLVED, by the Common Council of the City of San Diego, as follows:

That Monday, the 24th day of November, 1924, at 10:00 o'clock in the fore noon of said day, and the Council Chamber on the second floor of the City Hall, situate on the southwest corner of Fifth and G Streets, in said City of San Diego, be, and the same hereby are, appointed as the time and place for hearing protests in relation to the following proposed improvement, to-wit:

The furnishing of electric current for the lighting of PROSPECT STREET, in said City, between Girard Avenue and Herschel Avenue; of HERSCHEL AVENUE, in said City, between Prospect Street and Silverado Street; of WALL STREET, between Girard Avenue and a line 10 feet east from the easterly line of Herschel Avenue; and of GIRARD AVENUE, in said City, between Wall Street and Prospect Street; together with the maintenance of the ornamental posts, wires, conduits and lamps on said Prospect Street, Herschel Avenue, Wall Street and Girard Avenue, between the points above mentioned. Such furnishing of electric current and such maintenance of appliances shall be for the period of one year, commencing on the 31st day of December, 1924, and ending on the 31st day of December, 1925.

All of said work shall be done strictly in accordance with the plans and specifications contained in the report of the City Engineer of said City, being Document No. 165298, on file in the office of the City Clerk of said City.

And said Clerk of said Common Council is hereby directed to cause to be conspicuously posted along all streets and parts of streets and other public places and rights of way owned or held by said City where any work or improvement described in said Resolution of Intention is to be done or made; notices of the passage of said Resolution of Intention and of the filing of said report, in the manner and in the form required by law; and shall also cause a notice similar in substance to be published by two consecutive insertions in The Evening Tribune, a daily newspaper published and circulated in the City of San Diego, said newspaper being hereby designated by said Common Council for that purpose.

And said Clerk is hereby further directed to post and publish the said notice, as above provided, at least ten days before the date set for the hearing of said protests.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 27th day of October, 1924, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 3 2 4 7 4.

Benson Street.

BE IT RESOLVED By the Common Council of The City of San Diego, California, that the public interest and convenience of said City require the opening and extending of the street hereinafter mentioned; and

BE IT FURTHER RESOLVED, that it is the intention of said Common Council to order the following work to be done and improvement to be made in said City, to-wit:

The opening and extending of BENSON STREET, in said City, through Block 46 of Middletown Addition, to a connection with Puterbaugh Street;

That the land which by this Common Council is deemed necessary to be taken therefor, and which this Common Council intends to take therefor, is described as follows:

That portion of Lot 22 of Block 46 of Middletown Addition according to Referee's Map thereof filed in the office of the County Clerk of San Diego County, California, in the case of Roark et al. vs. Forward et al.; described as follows: Beginning at the most easterly corner of said Lot 22; thence northwesterly along the northeasterly line of said lot 22 a distance of 16.73 feet to a point; thence southerly on a straight line to a point on the southeasterly line of said lot 22 distant 23.37 feet southwesterly from the most easterly corner of said lot; thence northeasterly along the southeasterly line of said lot to the place of beginning;

Also, that portion of Lot 23 of said Block 46 of Middletown Addition described as follows: Beginning at the most northerly corner of said Lot 23; thence southwesterly along the northwesterly line of said lot a distance of 23.37 feet to a point; thence southerly on a straight line to a point on the southeasterly line of said lot distant 58.30 feet southwesterly from the most easterly corner of said lot; thence northeasterly along the southeasterly line of said lot to the most easterly corner thereof; thence northwesterly along the northeasterly line of said lot to the place of beginning;

Also, that portion of Lot 24 of said Block 46 of Middletown Addition described as follows: Beginning at the northerly corner of said Lot 24; thence southwesterly along the northwesterly line of said lot a distance of 58.30 feet to a point; thence southerly on a straight line to a point on the southeasterly line of said lot distant 6.77 feet northwesterly from the most southerly corner of said lot; thence northeasterly along the southeasterly line of said lot to the most easterly corner of said lot; thence northwesterly along the northeasterly line of said lot to the place of beginning.

That the exterior boundaries of the district of lands hereby specified, and the exterior boundaries of the district of lands hereby declared to be affected and benefited by said work and improvement; and to be assessed to pay the damages, costs and expenses thereof, are situated in said City of San Diego, and are particularly described as follows, to-wit:

Beginning at a point on the southwesterly line of Puterbaugh Street distant 225 feet southeasterly from the southeasterly line of Fremont Street; thence southwesterly on a line parallel to and distant 225 feet southeasterly from the southeasterly line of Fremont Street; a distance of 100 feet to a point; thence northwesterly on a line parallel to and distant 100 feet southwesterly from the southwesterly line of Puterbaugh Street; thence southwesterly on a line parallel to and distant 100 feet southeasterly from the southeasterly line of Fremont Street; thence southwesterly on a line parallel to and distant 100 feet southeasterly from the southeasterly line of Fremont Street to a point distant 100 feet southwesterly from the southwesterly

line of Guy Street; thence southeasterly on a line parallel to and distant 100 feet southwesterly from the southwesterly line of Guy Street to a point distant 150 feet southeasterly from the southeasterly line of Fremont Street; thence southwesterly on a line parallel to and distant 150 feet southeasterly from the southeasterly line of Fremont Street to the northeasterly line of Linwood Street; thence southeasterly along the northeasterly line of Linwood Street to a point distant 50 feet southeasterly from the southeasterly line of Benson Street; thence northeasterly on a line parallel to and distant 50 feet southeasterly from the southeasterly line of Benson Street to a point distant 100 feet southwesterly from the southwesterly line of Guy Street; thence southeasterly on a line parallel to and distant 100 feet southwesterly from the southwesterly line of Guy Street to the east line of Middletown Addition; thence northerly along the east line of Middletown Addition to an intersection with the southeasterly prolongation of the southwesterly line of Puterbaugh Street; thence northwesterly along said prolongation and along the southwesterly line of Puterbaugh Street to the place of beginning; excepting therefrom all public streets, roads, alleys, avenues, highways and parks.

That THE EVENING TRIBUNE, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be and it is hereby designated as the newspaper in which the Street Superintendent of said City shall cause to be published, in the manner and form required by law, notice of the passage of this Resolution of Intention, and the said Street Superintendent is hereby directed to cause notices of the passage of this resolution to be posted in the manner and form required by law, and to cause a notice similar in substance to be published in said newspaper for a period of ten days in the manner required by law.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 27th day of October, 1924, by the following vote, to-wit:

Also, as a part of said work, the construction along the said Jackdaw Street, within the limits above mentioned, of cement concrete curbing, said curbing to be constructed of the dimensions and at the location shown on the plans hereinafter referred to;

Also, the paving, with a one and one-half inch asphalt concrete wearing surface and a two and one-half inch bituminous base, of the roadway of INGALLS STREET, in said City, from curb line to curb line, from the north line of Douglass Street to the south line of

Lewis Street, (excepting the intersections of said Ingalls Street with all cross streets, between said points);

Also, as a part of said work, the construction along the easterly side of said Ingalls Street, between the north line of Douglass Street and the south line of Washington Street, of cement concrete curbing;

Also, as a part of said work, the construction in connection with the existing sewer main in said Ingalls Street, between the north line of Douglass Street and the south line of Washington Street, of three Portland cement concrete sewer laterals, together with connections, fittings, and appurtenances; said sewer laterals to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, the paving, with a one and one-half inch asphalt concrete wearing surface and a two and one-half inch bituminous base, of the roadway of LARK STREET, in said City, from curb line to curb line, from the north line of Washington Street to the south line of Lewis Street (excepting the intersection of said Lark Street with Fort Stockton Drive);

Also, as a part of said work, the removal of the existing curbing and the construction of new cement concrete curbing along both sides of the said Lark Street, between the north line of Fort Stockton Drive and the south line of Lewis Street; also, the reconstruction of the existing curbing, and the construction of cement concrete sidewalks in the returns at the northeast and northwest corners of the intersection of said Lark Street with Fort Stockton Drive, and at the southeast and southwest corners of the intersection of said Lark Street with Lewis Street; all as particularly shown on the plans hereinafter referred to;

Also, the construction in connection with the existing sewer main in said Lark Street, between Fort Stockton Drive and Lewis Street, of two Portland cement concrete sewer laterals, together with connections, fittings and appurtenances, said sewer laterals to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, the paving, with a one and one-half inch asphalt concrete wearing surface and a two and one-half inch bituminous base, of the roadway of RANDOLPH STREET, in said City, from curb line to curb line, from the south line of Fort Stockton Drive to a line 141 feet south from the south line of Fort Stockton Drive;

Also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing on the westerly side of said Randolph Street, between the south line of Fort Stockton Drive and a line 141 feet south from the south line of Fort Stockton Drive;

Also, as a part of said work, the construction in connection with the existing sewer main in said Randolph Street, at a point 40 feet south from the south line of Fort Stockton Drive, of one six-inch Portland cement concrete sewer lateral, together with connections, fittings and appurtenances;

Also, the paving, with a one and one-half inch asphalt concrete wearing surface and a four-inch Portland cement concrete base, of the roadway of WASHINGTON STREET, in said City, from curb line to curb line, from the west line of Hawk Street produced southerly to the west line of Arnold & Choate's Addition, including the roadway of the intersections of all streets with said Washington Street, between said points (excepting the southerly half of the roadway of said Washington Street, between the west line of Arnold & Choate's Addition and the west line of Lark Street; and also excepting the southerly half of the intersection of said Washington Street with Lark Street, between the west line of Lark Street and a line 30 feet east from the west line of Lark Street); and also excepting that portion of the intersection of Washington Street with Ibis Street, lying southerly from the southerly curb line of said Washington Street;

Also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing along the said Washington Street, within the limits above mentioned, said sidewalks and curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, as a part of said work, the construction of a cement concrete outlet in Washington Street, at the west line of Hawk Street;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 164340, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 567, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 1st day of December, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work

to be done is only upon an entire crossing or intersection, or any part thereof; he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 3d day of November, 1924; by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 3 2 5 1 9.

MYRTLE AVENUE.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The paving, with a one and one-half inch asphalt concrete wearing surface and a four-inch Portland cement concrete base, of the roadway of MYRTLE AVENUE, in said City, from curb line to curb line, from the east line of 30th Street to the east line of Park Villas, including the roadway of the intersections of said Myrtle Avenue with 32nd Street, Bancroft Street, 33rd Street and Felton Street, and also including the roadway of said Myrtle Avenue leading into all alleys, between the said points, (excepting the intersections of said Myrtle Avenue with Ray Street, Grim Avenue, 31st Street and Herman Avenue);

Also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing along the said Myrtle Avenue, between the east line of 30th Street and the east line of Park Villas; said sidewalks and curbing to be constructed of the dimensions and at the locations shown and delineated on the plans hereinafter referred to.

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 165076, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 578, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

RESOLUTION OF INTENTION NO. 32584.

Howard Avenue.

RESOLVED, that it is the intention of the Common Council of The City of San Diego,
California, to order the following work to be done and improvement to be made in said City,
to-wit:

The grading, to the official grade thereof, of HOWARD AVENUE, in said City, for
the entire width of said street, from the east line of 30th Street to a line drawn from
the southeast corner of block 115, University Heights, to the northeast corner of block
158, University Heights (excepting the intersections of said Howard Avenue with all cross
streets, between said points; and also excepting the southerly 14 feet of said Howard Avenue,
between the east line of Illinois Street and a line 140 feet east from the east line of
Illinois Street);

Also, as a part of said work, the construction of cement concrete sidewalks and
cement concrete curbing along both sides of said Howard Avenue, between the east line of
30th Street and a line drawn from the southeast corner of block 115, University Heights,
to the northeast corner of block 158, University Heights, including the curbing in the
returns at the intersections of said Howard Avenue with all alleys, between said points
(excepting the intersections of said Howard Avenue with all cross streets, between said points,
and also excepting the sidewalks and curbing on the south side of said Howard Avenue, be-
tween the east line of Illinois Street and a line 140 feet east from the east line of
Illinois Street; and also excepting the west curb return in the Alley, on the south side
of said Alley, between Illinois Street and Iowa Street);

All of said work shall be done as shown upon and according to the plans, drawings,
typical cross-sections and specifications therefor contained in Document No. 165301, on
file in the office of the City Clerk of said City, and copies of which are on file in the
office of the City Engineer of said City, heretofore approved and adopted by the Common
Council of said City as the plans, drawings, typical cross-sections and specifications to
be followed in making said improvement; and by reference thereto all said plans, drawings,
typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be
issued to represent each assessment of twenty-five dollars or more remaining unpaid after
the full expiration of twenty days from the date of the warrant, to represent the expenses
of said work and improvement, said serial bonds shall extend over a period of nine years
from the second day of January next succeeding the fifteenth day of the next November follow-
ing their date, and an even annual proportion of the principal sum thereof shall be pay-
able by coupon on the second day of January every year after the fifteenth day of the next
November following their date until the whole is paid. Said bonds shall bear interest
at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all
sums unpaid until the whole of said principal and interest are paid. Said bonds shall be
issued and the principal and interest thereof shall be paid under and in pursuance of the
"Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion
of said Common Council of more than local and ordinary public benefit, and the expenses of
such work and improvement are made chargeable upon the district hereinafter described, and
said Common Council does hereby declare said district to be the district benefited by said
work and improvement; and to be assessed to pay the costs and expenses thereof. Said
district is described as follows, to-wit: All that real property in the said City of San
Diego included within the exterior boundary lines of said district, as shown upon that
certain plat No. 579, indicating the exterior boundary lines of such district, which plat
approved by the Common Council, is on file in the office of the City Engineer of said City,
excepting therefrom all public streets, roads, alleys, avenues and highways. Reference
is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 8th day of December, 1924, at 10:00
o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any
and all persons having any objections to the proposed work or improvement may appear before
said Common Council and show cause why said proposed improvement should not be carried out
in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution
of intention to be published twice in the Evening Tribune, a daily newspaper published and
circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this
resolution of intention, cause to be conspicuously posted along the line of said conten-
plated work or improvement, at not more than three hundred feet in distance apart, but
not less than three in all, notices of the passage of this resolution of intention, and
when the work to be done is only upon an entire crossing or intersection, or any part there-
of, he shall cause such notices to be conspicuously posted in front of each quarter block
or irregular block liable to be assessed, and when the work is chargeable upon a district,
he shall cause such notices to be conspicuously posted upon all open streets within such
district at not more than three hundred feet in distance apart on each street so posted;
all in the time, form and manner required by law; and thereupon said Superintendent of
Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit
showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the
Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legis-
lature of the State of California, designated as the "Improvement Act of 1911," approved
April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, Califor-
nia, this 10th day of November, 1924, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

RESOLUTION OF INTENTION NO. 32613.

Alley in block 8, La Jolla Beach, Olivetas Avenue, Sea Lane and Genter Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The grading of the ALLEY IN BLOCK 8, LA JOLLA BEACH, in said City, for the entire width of said alley, from the easterly line of Olivetas Avenue to the westerly line of La Jolla Boulevard (excepting the northerly one foot of said alley, between the east line of Olivetas Avenue and a line 100 feet east from the east line of said Olivetas Avenue);

Also, the paving with one course of Portland cement concrete pavement, four inches in thickness, of the said Alley in block 8, La Jolla Beach, for the entire width of said alley, from the easterly line of Olivetas Avenue to the westerly line of La Jolla Boulevard (excepting the northerly one foot of said alley, between the east line of Olivetas Avenue and a line 100 feet east from the east line of said Olivetas Avenue);

Also, the grading of OLIVETAS AVENUE, in said City, for the entire width of said street, from the north line of Sea Lane to the south line of Marine Street;

Also, the construction of cement concrete sidewalks and cement concrete curbing along both sides of said Olivetas Avenue, between the north line of Sea Lane and the south

curb line of Marine Street, said sidewalks and curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

Also, the grading of SEA LANE, in said City, for the entire width of said street, from the east line of La Jolla Boulevard to the west line of Draper Avenue;

Also, the construction of cement concrete sidewalks and cement concrete curbing on both sides of the said Sea Lane, within the limits above mentioned;

Also, the construction of one ten-inch double-strength cement concrete pipe culvert, 40 feet in length, together with its appurtenances across the said Sea Lane, between La Jolla Boulevard and Draper Avenue, said culvert to be constructed at the location shown on the plans hereinafter referred to:

Also, the grading of GENTER STREET, in said City, for the entire width of said street, from the east line of La Jolla Boulevard to the west line of Draper Avenue;

Also, the construction of cement concrete sidewalks and cement concrete curbing on both sides of said Genter Street, within the limits above mentioned.

That the said work hereinabove described on Genter Street, between the east line of La Jolla Boulevard and the west line of Draper Avenue, shall be done to the modified grade shown and indicated upon the plans, and profiles on file in the office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

All of said work shall be done as shown upon and according to the plans, drawings, profiles, typical cross-sections and specifications therefor contained in Document No. 165661, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, profiles, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, profiles, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 585, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 15th day of December, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 17th day of November, 1924, by the following vote, to-wit:

RESOLUTION NO. 32619.

ADOPTING MAP OF LA JOLLA HERMOSA, AND ACCEPTING THE STREETS, ALLEYS, WAYS AND PLACES THEREIN.

BE IT RESOLVED By the Common Council of The City of San Diego, as follows:

Said Common Council hereby finds that that certain map, entitled, "Map of La Jolla Hermosa, a subdivision of all that portion of Pueblo Lot 1773 of the Pueblo Lands of San Diego, in the City of San Diego, County of San Diego, State of California, according to map thereof made by James Pascoe in 1870, filed in the office of the Recorder for San Diego County, California, lying westerly of the westerly line of the right-of-way of the San Diego Electric Railway and its northwesterly extension, said westerly line and said extension being described as follows: Beginning at a point on the south line of said Pueblo Lot 1773, distant N. 75° 10' E. 240.39 feet from concrete monument at the intersection of the said south line with the east line of the highway known as La Jolla Boulevard, thence N. 28° 15' 19" W. 2665.96 feet, to a point on the north line of said Pueblo Lot 1773, said point being N. 74° 45' 30" E., 293.85 feet from the intersection of the said north line with the center line of the said La Jolla Boulevard, excepting from the above described property that portion thereof lying within the lines of the said La Jolla Boulevard; also excepting therefrom that portion of said Pueblo Lot 1773, if any, heretofore or now lying below the mean high tide line of the Pacific Ocean. Also excepting that portion of said Pueblo Lot 1773 lying westerly of the right of way of the San Diego Electric Railway more particularly described as follows: Beginning at a point on the westerly line of said right-of-way a distance of 1224.94 feet northerly along said westerly line from its intersection with the south line of said Pueblo Lot 1773, thence S. 61° 41' 30" W. 119.88 feet to the easterly line of an alley as shown on this map, thence N. 28° 18' 30" W. along the easterly line of said alley, a distance of 1469.19 feet, more or less, to a point on the north line of said Pueblo Lot 1773; thence easterly along said north line a distance of 124.52 feet more or less to northerly extension of the said westerly line of said right-of-way; thence S. 28° 15' 19" E. to and along said westerly line 1441.02 feet more or less to point of beginning," surveyed in October, 1924, by R. W. Waterman, Licensed Surveyor, is made in the manner and form prescribed by law, and conforms to the surrounding surveys; and that said map and the subdivision of land shown thereon is hereby allowed; and said Common Council hereby accepts on behalf of the public the following streets, ways, places and alleys shown on said map, to-wit: Via Del Norte, Avenida Cortez, Vista de la Mesa, Avenida Cresta, Camino de la Costa, La Canada, Mira Monte, Cortez Place, Costa Place, Mira Monte Place, Alta Way (a lane), the unnamed alleys, and also a public easement or right of way six feet in width in blocks 3 and 12, and six feet in width across lots in block 2, as indicated on said map, for the purpose of constructing or maintaining public utilities, or permitting others to use the same for such purposes, together with the right of ingress or egress for all such purposes along and upon each and every part of said reserved and dedicated property. And said streets, ways, places, alleys and easements and rights of way are hereby declared to be public streets, ways, places, alleys, easements and rights of way, and dedicated to the public use; provided, however, that this resolution is not intended to be and shall not be constructed to be an acceptance or approval by the Common Council of the work done upon La Jolla Boulevard, within the limits bordering upon said La Jolla Hermosa, as laid out by the said map.

The Clerk of said City is hereby authorized and directed to endorse upon said map, as and for the act of this Common Council, that said streets, ways, places, alleys, easements, and rights of way are accepted on behalf of the public, as hereinbefore stated.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 17th day of November, 1924, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

NOES---None.

RESOLUTION NO. 32620.

A RESOLUTION OF THE COMMON COUNCIL OF THE CITY OF SAN DIEGO, CALIFORNIA, RELATING TO THE ISSUANCE OF STREET IMPROVEMENT BONDS PURSUANT TO RESOLUTION OF INTERIION NUMBER 1202, DETERMINING THE AMOUNT OF UNPAID ASSESSMENTS, PRESCRIBING THE DENOMINATIONS OF SUCH BONDS, AND PROVIDING FOR THEIR ISSUANCE.

WHEREAS, pursuant to statute, notice of filing list of unpaid assessments was duly given in the manner and form required by law, that the warrant, assessment and diagram recorded on the 22nd day of September, 1924, for the work and improvement made by The California Construction Company, under that certain contract awarded to it on the 6th day of September, 1923, by the Board of Trustees of the City of East San Diego, California, (now annexed to and a part of The City of San Diego, California, on SWIFT AVENUE, SECOND STREET, PACIFIC AVENUE, WILSON AVENUE, CASTLE STREET, STOREY AVENUE, CHEROKEE AVENUE, THIRD STREET, REED AVENUE, THOMAS AVENUE, REXMORE DRIVE, DALEY AVENUE, FOURTH STREET, SISSON AVENUE, CENTRAL AVENUE, CONKLIN AVENUE, SPOCKTON AVENUE, COPELAND AVENUE, VAN DYKE AVENUE and ORANGE AVENUE, in the said City, and that said warrant, assessment and diagram were returned to the Superintendent of Streets, together with a written statement of all payments received upon the said assessment, and after the full expiration of twenty (20) days from the date of the said warrant, the said Street Superintendent duly made and filed with the City Clerk of the said City of San Diego a complete list of all assessments unpaid upon the said assessment, which list is now on file in the office of the City Clerk of the said City, now, upon evidence shown, this Council determines that the assessments therein mentioned were then unpaid, the total aggregate thereof being the sum of three hundred eighty-two thousand, two hundred eight and 82/100 dollars (\$382,208.82), and that assessments numbered 45, 46, 313, 314, 315, 316, 601, 602, 1242, 1243, 21244, 1245, 1246, 1247, 1248, 1249, 1250, 1251, 1252, 1253, 1351, 1352, 1575, 1577, 1711, 1712, 1713, 1714, 1899, 1900, 1960, 2055, 2056, 2082, 2083, 2689, 2690, 3331, 3332, 3620, 3621, aggregating the sum of four thousand, two hundred eighty-five and 72/100 dollars (\$4,285.72), and no others have since been paid, and that there now remains unpaid the sum of three hundred seventy-seven thousand, nine hundred twenty-three and 10/100 dollars (\$377,923.10), upon the assessments shown upon said list other than those hereinabove last noted as having been paid.

Reference is hereby made to Resolution of Intention Number 1202 of the Board of Trustees of the City of East San Diego (since consolidated with The City of San Diego, California), passed on the 2nd day of August, 1923, for a complete description of the work herein mentioned, and also to the list of unpaid assessments filed as above noted, for the assessments unpaid.

AND WHEREAS, interested persons were notified in the manner required by law to appear before the Common Council of said The City of San Diego, California, in the Council Chamber of the City Hall in the said City, at the hour of ten o'clock A. M. of Monday, the 10th day of November, 1924, and show cause why bonds should not be issued upon the security of the unpaid assessments shown on said Street Superintendent's list; and

WHEREAS, notice was duly given in the manner and form required by law that serial bonds to represent unpaid assessments bearing interest at the rate of seven per cent. (7%) per annum, will be issued hereunder, in the manner provided in the "Improvement Bond Act of 1915," the last installment of which bonds will mature nine (9) years from the 2nd day of July next succeeding ten (10) months from their date.

And all interested persons having appeared before this Common Council and having been given full opportunity to show cause why bonds should not be issued upon the security of the unpaid assessments shown on the said list, and all objections presented having been heard and considered, and said hearing was continued until the hour of 11:00 o'clock A. M., Monday, November 17th, 1924, NOW, THEREFORE,

BE IT RESOLVED, that the Common Council does hereby find and determine that no cause has been shown why bonds should not be issued upon the security of the said unpaid assessments, and does hereby overrule all objections thereto, and does hereby direct the issuance of said bonds; and

BE IT FURTHER RESOLVED, that bonds shall be issued upon the security of said unpaid assessments to said amount of three hundred seventy-seven thousand, nine hundred twenty-three and 10/100 dollars (\$377,923.10).

The said bonds shall be three hundred eighty (380) in number, issued in annual series, known as Series F, and shall be dated November 17th, 1924, and bear interest at the rate of seven per cent. (7%) per annum, and the denominations of the said bonds, with their respective series, numbers and the dates of the respective maturities thereof shall be as follows:

RESOLUTION OF INTENTION NO. 5 2 6 5 6.

Hortensia Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The paving, with a two-inch asphalt concrete wearing surface and a three-inch bituminous base, of the roadway of HORTENSIA STREET, in said City, from curb line to curb line, from the northeasterly line of Hickory Street to the southwesterly line of Fort Stockton Drive, including the roadway of said Hortensia Street leading into all alleys, between said points (excepting the roadway leading into the alley on the northwesterly side of said Hortensia Street, between the said points);

Also, as a part of said work, the construction of cement concrete curbing in the alley returns in the alley terminating in the said Hortensia Street on the southeasterly side thereof, as particularly shown on the plans hereinafter referred to;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 165662, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 590, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 22d day of December, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular

block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 24th day of November, 1924, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

NOES---None.

DECLARING THE RESULT OF THE SPECIAL ELECTION HELD IN THE CITY OF SAN DIEGO, CALIFORNIA, ON TUESDAY, NOVEMBER 18TH, A. D. 1924.

WHEREAS, a Special Election was held in The City of San Diego, California, on the 18th day of November, A. D. 1924, in pursuance of the provisions of Ordinance No. 9664 of the ordinances of the said City, entitled, "An Ordinance calling a Special Election in The City of San Diego, California, and submitting to the voters thereof a proposition for the incurring of a bonded indebtedness," approved on the 3rd day of October, 1924; and

WHEREAS, at said special election the proposition mentioned in said ordinance and hereinafter particularly set forth was actually submitted to the qualified voters of said City; and

WHEREAS, all the various election boards appointed pursuant to the terms and provisions of said Ordinance No. 9664 have made returns of the said election to the City Clerk and to the Common Council, all as required by law; and

WHEREAS, all of said returns have been at the meeting of the Common Council held at this time, which is the Monday following the day of said election, publicly opened and canvassed by the said Common Council, and the ballots cast at said election for and against the incurring of a bonded indebtedness have been duly estimated by the said Common Council, and the result thereof ascertained;

NOW, THEREFORE, the result of said election is, and is hereby declared to be, as follows:

The whole number of ballots cast in said City at said special election on the question of incurring a bonded indebtedness is twenty-four thousand eight hundred twenty-two (24,822).

That on the proposition which reads as follows:

"Proposition I. Shall The City of San Diego incur a bonded indebtedness of \$4,500,000.00 for the acquisition of lands, dam site, reservoir, reservoir site, rights of way, pipe lines, conduits and water filtering plant for a dam, and the acquisition, construction and completion of a dam, of the arched, gravity section, masonry type, at a point known as El Capitan Dam Site No. 2, located on the San Diego River, in the County of San Diego, State of California, and the acquisition, construction and completion of a pipe line from the El Capitan Dam to the University Heights Reservoir, in The City of San Diego, for the purpose of developing, impounding, conserving, storing and distributing the waters of the San Diego River and its tributaries, for the use of the inhabitants of The City of San Diego?"

Also, the construction of a water main, of Class C cast iron water pipe, together with connections, fittings, appliances and appurtenances, in ROSEMONT STREET, in said City, between Vista Del Mar Avenue and La Jolla Boulevard, connecting with the existing water main in La Jolla Boulevard and the water main to be constructed in Vista Del Mar Avenue, as hereinabove described;

Also, the construction of a water main of Class C cast iron water pipe, together with standard cast iron fire hydrant, and connections, fittings, appliances and appurtenances, in PALOMAR STREET, in said City between Electric Avenue and Vista Del Mar Avenue, connecting with the existing water main in La Jolla Boulevard, the water main to be constructed in Vista Del Mar Avenue, as hereinabove described, and the water main to be constructed in Electric Avenue, as hereinafter described.

Also, the construction of a water main of Class C cast iron water pipe, together with connections, fittings, appliances and appurtenances, in ELECTRIC AVENUE, between Palomar Street and La Jolla Boulevard, and in the termination of Electric Avenue in La Jolla Boulevard, connecting with the water main to be constructed in said Palomar Street as above described, and the existing water main in said La Jolla Boulevard.

That the dimensions and locations of said water mains, and the number, dimensions and locations of said fire hydrants, and connections, fittings, appliances and appurtenances, shall be as particularly shown and delineated on the plans hereinafter referred to;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 161295, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent, per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 466, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 29th day of December, 1924, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 1st day of December, 1924, by the following vote, to-wit:

GRANTING PROPERTY OWNERS PERMISSION TO PAVE HILLSIDE DRIVE
BY PRIVATE CONTRACT.

BE IT RESOLVED By the Common Council of The City of San Diego, as follows:

That in accordance with the petition filed under Document No. 166012 in the office of the City Clerk of said City on November 14, 1924, permission is hereby granted to Mrs. E. H. Talbert, Myron and Dorothea Cooper, Harold J. and Charlotte J. Minor, Margaret P. Rice, Margaret R. Robertson, C. W. Humphrey, Grace D. Mitchell and Caroline C. Phelps, to pave HILLSIDE DRIVE, from the south line of La Vista Tract to the north line of Soledad Avenue, in the City of San Diego, California, by private contract; said work to be done in accordance with specifications to be furnished by the City Engineer of said City;

Provided, that as part of said work, said property owners shall construct and install sufficient and proper fences, guards and barriers to safeguard said street, and shall also construct all necessary conduits, drains, pipes, catch-basins and gutters for the proper drainage of said street, between said points.

In case any electric poles or apparatus, or any public service pipes or conduits are encountered in the course of such private improvement, the person making such improvement shall serve notice upon the person, company or corporation owning or controlling such public utilities, to lower, remove or protect the same before such private improvement shall be made.

That all of said work shall be done under the direction and to the satisfaction of the Superintendent of Streets of said City, and all surplus dirt shall be deposited at the places designated by said Superintendent of Streets.

That said work shall be commenced on or before the 10th day of December, 1924, and shall be fully completed on or before the 10th day of March, 1925.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 1st day of December, 1924, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 3 2 7 4 5.
 29th Street and Thorn Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The paving, with a one and one-half inch asphalt concrete wearing surface and a four-inch Portland cement concrete base, of the roadway of 29TH STREET, in said City, from curb line to curb line, from the north line of Thorn Street to the south line of Upas Street;

Also, the paving, with a one and one-half inch asphalt concrete wearing surface and a four-inch Portland cement concrete base, of the roadway of THORN STREET, in said City, from curb line to curb line, from the east line of 28th Street to the west line of 30th Street, including the roadway of the termination of 29th Street in said Thorn Street, and also including the roadway of said Thorn Street leading into all alleys, between the points mentioned (excepting the intersections of said Thorn Street with Granada Avenue and Dale Street);

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 166039, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 592, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 5th day of January, 1925, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 8th day of December, 1924, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

NOES---None.

RESOLUTION OF INTENTION NO. 3 2 7 4 6.

Allen in block 6, Breed & Chase's Subdivision.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The grading, to the official grade thereof, of the ALLEY IN BLOCK 6, BREED & CHASE'S SUBDIVISION, in said City, for the entire width of said alley, from the east line of 24th Street to the west line of 25th Street (excepting the northerly 4 feet of said alley, between a line 6.5 feet westerly from the westerly line of 25th Street and a line 10.5 feet westerly from the westerly line of 25th Street);

Also, the paving, with one course of Portland cement concrete pavement, four inches in thickness, of the said ALLEY IN BLOCK 6, BREED & CHASE'S SUBDIVISION, from the east line of 24th Street to the west line of 25th Street (excepting the northerly 4 feet of said alley, between a line 6.5 feet westerly from the westerly line of 25th Street and a line 10.5 feet westerly from the westerly line of 25th Street);

Also, the construction in connection with the existing sewer main in said Alley, at a point 150 feet east from the east line of 24th Street, of one six-inch Portland cement concrete sewer lateral, together with connections, fittings and appurtenances;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 165839, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said

district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 595, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 5th day of January, 1925, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

RESOLUTION OF INTENTION NO. 3 2 7 4 7.

Sewer in Alabama Street and Myrtle Avenue.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The construction of a six-inch sewer main, of Portland cement concrete sewer pipe, 842 feet in length, together with two Portland cement concrete manholes, two dead ends, and appurtenances, in ALABAMA STREET, in said City, between Upas Street and Dwight Street, at the location particularly shown on the plans hereinafter referred to;

Also, the construction of a six-inch outfall sewer, of Portland cement concrete sewer pipe, 448 feet in length, together with its appurtenances, in MYRTLE AVENUE, in said City, between Florida Street and Alabama Street, connecting with the existing manhole in the intersection of said Myrtle Avenue with Florida Street and the sewer to be constructed in Alabama Street as above described;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 166041, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 597, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 5th day of January, 1925, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before

said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

A RESOLUTION PROPOSING CERTAIN CHARTER AMENDMENTS TO THE PRESENT CHARTER OF THE CITY OF SAN DIEGO, CALIFORNIA.

BE IT RESOLVED By the Common Council of The City of San Diego, as follows:

In pursuance of the provisions of Section Eight of Article Eleven of the Constitution of the State of California, the Common Council of The City of San Diego, being the legislative body of said City, hereby proposes to the qualified electors thereof the following amendments to the present Charter of said City:

PROPOSITION.

Amend Section 3, Chapter VII, Article V of the City Charter, so as to read as follows:

"Section 3. All parks, plazas and squares now open and dedicated to the public use, or which may hereafter be opened or dedicated to the public use, shall be under the exclusive control and management of said Board of Park Commissioners, with power to lay out, regulate and improve the same; provided, however, that that portion of Balboa Park now occupied by or set aside for the use of the Zoological Exhibit shall be under the direction and control of a Board of Zoological Commissioners. Said Board shall consist of nine members, and the membership of said Board shall be composed of those members of the Zoological Society of The City of San Diego who have been chosen by said Society to serve as Directors, and the term of office of said Zoological Commissioners shall be co-existent; provided, however, that for cause the Mayor of The City of San Diego shall have power to remove any or all members of said Board, and shall have power to fill such vacancies by appointment, in the manner provided by the Charter for the appointment of other appointees of the Mayor. In such event such Commissioners so appointed shall hold office until new directors shall have been chosen by regular election of the said Zoological Society; provided, however, that no person shall be eligible to hold office as a member of the Board of Zoological Commissioners unless he shall have been at the time of his election as a member of the Board of Directors of the Zoological Society of The City of San Diego a citizen and elector of The City of San Diego. Said Board of Zoological Commissioners is authorized to appoint a superintendent of the Zoological Exhibit, and such other employees as may be necessary to maintain said exhibit. The number of employees and the compensation of the same shall be fixed by ordinance of the Common Council. All expenditures of city moneys for the maintenance of said exhibit shall be in accordance with the terms and provisions of this Charter and the ordinances of The City of San Diego."

PROPOSITION.

Amend Section 5, Chapter VII, Article V of the City Charter, so as to read as follows:

"Section 5. That the said Common Council shall levy annually in addition to all other taxes provided for in this Charter not less than ten (10) cents, nor more than sixteen (16) cents on each one hundred dollars valuation of property, for the purpose of maintaining and improving said parks, plazas and squares. At least two (2) cents on each one hundred dollars valuation of property of this special tax shall be used by the Board of Zoological Commissioners exclusively for the maintenance in Balboa Park of a Zoological Exhibit."

Passed and adopted by the said Common Council of the said City of San Diego,

California, this 15th day of December, 1924, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

NOES---None.

ABSENT---None.

JOHN L. BACON,
President of the Common Council of the City of San Diego, California.

I HEREBY CERTIFY that the above and foregoing Resolution was passed by the Common Council of the said City of San Diego, at the time and by the vote, above stated.

R E S O L U T I O N N O . 3 2 8 0 6 .

BE IT RESOLVED, by the Common Council of the City of San Diego, as follows:

That Resolution of Intention No. 31706, adopted by the Common Council of The City of San Diego, California, on June 30th, 1924, and all subsequent proceedings under said Resolution of Intention for the improvement of Sixth Street and Date Street, in said City, be, and the same are hereby repealed.

R E S O L U T I O N N O . 3 2 8 0 7 .

Sixth Street and Date Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The grading, to the official grade thereof, of the westerly half of the roadway of SIXTH STREET, in said City, between the north curb line of Ivy Street and the south curb line of Juniper Street; the said grading to be done within the limits, to the extent and as indicated on the plans hereinafter referred to;

Also, the grading, to the official grade thereof, of the westerly 6.33 feet of the roadway of SIXTH STREET, in said City, between the north curb line of Hawthorn Street and the south curb line of Ivy Street, to the extent and as indicated on the plans hereinafter referred to;

Also, as a part of said work, the removal of existing sidewalks and existing curbing along the westerly side of said Sixth Street, between the north curb line of Hawthorn Street and the south curb line of Ivy Street, and between the north curb line of Ivy Street and the south curb line of Juniper Street, to the extent and as indicated on the plans hereinafter referred to;

Also, as a part of said work, the construction along the said Sixth Street, between Hawthorn Street and Juniper Street, of cement concrete sidewalks and cement concrete curbing; said sidewalks and curbing to be constructed of the dimensions, to the extent and as particularly indicated on the plans hereinafter referred to; also, the removal of existing curbing along the west side of said Sixth Street, between Fir Street and Grape Street, to the extent and at the locations particularly indicated on the plans hereinafter referred to; also, the reconstruction of the cement concrete sidewalk and cement concrete curbing in the return at the southwest corner of the termination of Grape Street in Sixth Street and in the return at the northwest corner of the termination of Fir Street in said Sixth Street; said sidewalks and curbing to be constructed of the dimensions to the extent and at the locations particularly indicated on the plans hereinafter referred to;

Also, the paving, with a two-inch asphalt concrete wearing surface and a three-inch bituminous base, of the roadway of SIXTH STREET, in said City, between the westerly curb line of said Sixth Street and the westerly line of Balboa Park, between the center line of Date Street produced easterly and the south line of Upas Street produced easterly, including the roadway of all terminations of streets in said Sixth Street, between said points (excepting such portions of the said Sixth Street and said terminations of streets in said Sixth Street, between said points, already paved); said paving to be done to the width, to the extent and at the location particularly indicated on the plans hereinafter referred to;

Also, as a part of said work, the removal of the existing culvert and catch-basins located in the northerly side of the termination of Juniper Street in said Sixth Street;

Also, the paving, with a two-inch asphalt concrete wearing surface and a three-inch bituminous base, of the roadway of DATE STREET, in said City, between the southerly line of Balboa Park and the southerly curb line of Date Street, and between a line drawn from a point on the center line of Date Street produced easterly which would be intersected by the westerly curb line of Sixth Street produced southerly to a point on the southerly curb line of Date Street which would be intersected by the westerly line of Sixth Street produced northerly, and the westerly curb line of Ninth Street, including the roadway of all terminations of streets in said Date Street, between said points; said paving to be of the width, within the limits, and at the location particularly indicated on the plans hereinafter referred to;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 160200, on file in the Office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 534, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 12th day of January, 1925, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 15th day of December, 1924, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

DECLARING THE PUBLIC NECESSITY FOR OPENING, WIDENING AND EXTENDING PUBLIC STREETS IN THE CITY OF SAN DIEGO.

BE IT RESOLVED, By the Common Council of the City of San Diego, that this Common Council now finds and determines that the public interest and necessity require the opening, extending and widening of ROSECRANS STREET and CONGRESS STREET, across the westerly corner of Block 398 of Old San Diego, in the City of San Diego, California, between the northeasterly line of Congress Street and the southeasterly line of Rosecrans Street, in said City, over, along and across the following described real property, situate in the City of San Diego, County of San Diego, State of California, and particularly described as follows, to-wit:

Beginning at the westerly corner of Block 398, Old San Diego, according to map thereof made by James Pascoe, a copy of which map is filed in the Office of the County Recorder of San Diego County, California; thence northeasterly along the northwesterly line of said Block 398, a distance of 47.05 feet to a point; thence southerly on a direct line to a point on the southwesterly line of said Block 398, distant 63.25 feet southeasterly from the westerly corner of said block 398; thence northwesterly along the southwesterly line of said Block 398, a distance of 63.25 feet to the point or place of beginning, containing 1488 square feet more or less.

BE IT FURTHER RESOLVED AND DETERMINED, that it is the intention of the said Common Council to open, widen and extend said Congress Street and Rosecrans Street over and across the property above described, and that in order to so extend and widen said streets it is necessary for said City to acquire an easement for such widening, opening and extending over, along and across the above described real property, and that it is necessary to acquire said property by condemnation or otherwise for such purposes.

For a particular description of the work reference is hereby made to said Resolution of Intention.

The costs and expenses of said work and improvement are to be assessed upon the district which is more particularly described in said Resolution of Intention.

The said Common Council determined that serial bonds extending over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or more for the expenses of said work and improvement, as provided by the Improvement Act of 1911, and amendments thereto.

For further particulars, reference is hereby made to said Resolution of Intention.

The City Clerk of said City is hereby directed to post conspicuously for five (5) days, on or near the Council chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing the work ordered; and said Clerk is hereby directed to publish twice in The Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by said Common Council a notice inviting such proposals for doing the said work, and referring to the specifications posted or on file.

Passed and adopted by the Common Council of the said City of San Diego, California, this 22d day of December, 1924, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

NOES---None.

ABSENT---None.

JOHN L. BACON,

President of the Common Council of the City of San Diego, California.

I HEREBY CERTIFY that the above and foregoing Resolution Ordering Work was passed by the Common Council of the said City of San Diego, at the time and by the vote above stated.

RESOLUTION OF INTENTION NO. 3 2 8 5 6.

Voltaire Street, Bacon Street, DeFoe Street, West Point
Loma Boulevard.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The paving, with a one and one-half inch asphalt concrete wearing surface and a three-inch bituminous base, of the roadway of VOLTAIRE STREET, in said City, from curb line to curb line, between a line drawn from the north corner of block 96, Ocean Bay Beach, to the intersection of the northeasterly line of Voltaire Street with the northwesterly line of West Point Loma Boulevard, and the southeasterly line of Bolinas Street, including the roadway of the intersections of all streets with and the roadway of all terminations of streets in said Voltaire Street, between said points (excepting such portions of the said Voltaire Street and said intersections and terminations of streets, between said points, already paved); said paving to be done to the dimensions, within the limits and at the locations particularly shown on the plans hereinafter referred to;

Also, as a part of said work, the removal of existing curbing along the said Voltaire Street, within the limits and at the locations shown on the plans hereinafter referred to; also, the construction along the said Voltaire Street, within the limits above mentioned, of cement concrete sidewalks and cement concrete curbing; said sidewalks and curbing to be constructed of the dimensions, within the limits and at the locations shown on the plans hereinafter referred to;

Also, the grading of DE FOE STREET, in said City, for the entire width of said street, from the northeasterly line of Brighton Avenue to the southwesterly line of Voltaire Street, including the entire width and length of the intersections of said De Foe Street with all cross streets and alleys, between said points;

Also, the paving, with a one and one-half inch asphalt concrete wearing surface and a three-inch bituminous base, of the roadway of DE FOE STREET, in said City, from curb line to curb line, from the northeasterly line of Newport Avenue to the southwesterly line of Voltaire Street, including the roadway of the intersections of said De Foe Street with all cross streets and alleys, between said points (excepting the southeasterly half of said De Foe Street and the intersection of said De Foe Street with Santa Monica Avenue, between the center line of Santa Monica Avenue and the northeasterly line of Newport Avenue);

Also, as a part of said work, the construction along the said De Foe Street, between the northeasterly line of Newport Avenue and the southwesterly line of Voltaire Street, of cement concrete sidewalks and cement concrete curbing, said sidewalks and curbing to be constructed of the dimensions, within the limits, and at the locations particularly shown on the plans hereinafter referred to;

That the said work hereinabove described on De Foe Street, between the northeasterly line of Brighton Avenue and the southwesterly line of Long Branch Avenue, shall be done to the modified grade shown and indicated on the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

Also, the paving, with a one and one-half inch asphalt concrete wearing surface and a three-inch bituminous base, of the roadway of BACON STREET, in said City, from curb line to curb line, between the southwesterly curb line of Coronado Avenue produced northwesterly, and the southwesterly line of West Point Loma Boulevard, including the roadway of the intersections of all streets and alleys with, and the roadway of all terminations of streets and alleys in said Bacon Street, within the limits above mentioned (excepting such portions of the said Bacon Street and said intersections and terminations of streets and alleys, between said points, already paved; also excepting the intersection of said Bacon Street with Voltaire Street, which is to be paved as hereinabove described; and also excepting that portion of the roadway of the intersection of said Bacon Street with Coronado Avenue between the northwesterly line of Bacon Street produced and the northwesterly curb line of said Bacon Street produced);

Also, as a part of said work, the removal of existing curbing along the said Bacon Street, within the limits and at the locations particularly shown on the plans hereinafter referred to; also, the construction along the said Bacon Street, within the limits above mentioned, of cement concrete sidewalks and cement concrete curbing; said sidewalks and curbing to be constructed of the dimensions, within the limits, and at the locations shown on the plans hereinafter referred to;

Also, as a part of said work, the construction in connection with the existing main sewer in said Bacon Street, between West Point Loma Boulevard and Brighton Avenue, of seven (7) Portland cement concrete sewer laterals, together with connections, fittings and appurtenances; said sewer laterals to be constructed of the dimensions and at the locations particularly shown on the plans hereinafter referred to;

Also, as a part of said work, the construction in the intersection of said Bacon Street with Brighton Avenue, of one twelve-inch double-strength concrete pipe culvert, 44 feet in length, said culvert to connect with the existing catch-basins in said intersection; also, the construction in connection with the existing catch-basin in the gutter at the easterly corner of the intersection of said Bacon Street with Brighton Avenue, of one cement concrete curb inlet; said culvert and inlet to be constructed at the location particularly shown on the plans hereinafter referred to;

Also, the paving, with a one and one-half inch asphalt concrete wearing surface and a three-inch bituminous base, of the roadway of WEST POINT LOMA BOULEVARD, in said City, from curb line to curb line, between a line drawn North 86° 50' east from a point on the westerly line of West Point Loma Boulevard, 71.9 feet northerly from the southeasterly line of Ocean Bay Beach, and the southeasterly line of lot 41, block 103, Ocean Bay Beach, produced southwesterly, including the roadway of the termination of Bacon Street in said West Point Loma Boulevard;

Also, as a part of said work, the removal of existing curbing along the said West Point Loma Boulevard, within the limits and at the locations particularly shown on the plans hereinafter referred to; also, the construction along the said West Point Loma Boulevard, of cement concrete curbing; said curbing to be constructed of the dimensions, within the limits and at the locations particularly shown on the plans hereinafter referred to;

Also, as a part of said work, the construction in connection with the existing main sewer in said West Point Loma Boulevard, within the limits above mentioned, of three (3) Portland cement concrete sewer laterals together with connections, fittings and appurtenances, said sewer laterals to be constructed of the dimensions and at the locations particularly shown on the plans hereinafter referred to;

All of said work shall be done as shown upon and according to the plans, drawings, profiles, typical cross-sections and specifications therefor contained in Document No. 165075, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, profiles, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, profiles, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement; said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 596, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 19th day of January, 1925, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 22d day of December, 1924, by the following vote, to-wit:

AYES---Councilmen Eruschi, Heilbron, Held, Stewart and Weitzel.

NOES---None.

ABSENT---None.

RESOLUTION NO. 3 2 8 9 7.

BE IT RESOLVED by the Common Council of the City of San Diego, as follows:

That the City Engineer is hereby directed to furnish the Common Council with a diagram of the property affected and benefited by the work and improvement on Front Street, Alley in block 4, Cleveland Heights, and Alley in block 1, Florence Heights Addition, as particularly described in Resolution of Intention No. 31659 and to be assessed to pay the expenses thereof.

RESOLUTION OF INTENTION NO. 3 2 8 9 8.

Sixth Street and Date Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The grading, to the official grade thereof, of the westerly fourteen (14) feet of the roadway of SIXTH STREET, in said City, between the north curb line of Ivy Street and the south curb line of Juniper Street; the said grading to be done within the limits, to the extent, and as particularly indicated on the plans hereinafter referred to;

Also, the grading, to the official grade thereof, of the westerly 6.33 feet of the roadway of SIXTH STREET, in said City, between the north curb line of Hawthorn Street and the south curb line of Ivy Street, the said grading to be done within the limits, to the extent, and as particularly indicated on the plans hereinafter referred to;

Also, as a part of said work, the removal of existing sidewalks and existing curbing along the westerly side of said Sixth Street, between the north curb line of Hawthorn Street and the south curb line of Ivy Street, and between the north curb line of Ivy Street and the south curb line of Juniper Street, to the extent, within the limits, and as particularly indicated on the plans hereinafter referred to;

Also, as a part of said work, the construction along the said Sixth Street, between the north curb line of Hawthorn Street and the south curb line of Juniper Street, of cement concrete sidewalks and cement concrete curbing; said sidewalks and curbing to be constructed of the dimensions, to the extent, and as particularly indicated on the plans hereinafter referred to; also, the removal of existing curbing along the west side of said Sixth Street, between Fir Street and Grape Street, to the extent and at the locations particularly indicated on the plans hereinafter referred to; also, the reconstruction of the cement concrete sidewalk and cement concrete curbing in the return at the southwest corner of the termination of Grape Street in Sixth Street and in the return at the northwest corner of the termination of Fir Street in said Sixth Street; said sidewalks and curbing to be constructed of the dimensions, to the extent and at the locations particularly indicated on the plans hereinafter referred to;

Also, the paving, with a two-inch asphalt concrete wearing surface and a three-inch bituminous base, of the roadway of SIXTH STREET, in said City, between the westerly curb line of Sixth Street and the westerly line of Balboa Park, between the center line of Date Street produced easterly and the south line of Upas Street produced easterly, including the roadway of all terminations of streets in said Sixth Street, between said points (excepting such portions of the said Sixth Street, and said terminations of streets in said Sixth Street, between said points, already paved); said paving to be done to the width, to the extent, within the limits, and at the location particularly indicated on the plans hereinafter referred to;

Also, as a part of said work, the removal of the existing culvert and catch-basin located in the northerly side of the termination of Juniper Street in said Sixth Street;

Also, the paving, with a two-inch asphalt concrete wearing surface and a three-inch bituminous base, of the roadway of DATE STREET, in said City, between the southerly line of Balboa Park and the southerly curb line of Date Street, and between a line drawn from a point on the north curb line of Date Street which would be intersected by the westerly line of Sixth Street produced southerly to a point on the southerly curb line of Date Street which would be intersected by the westerly line of Sixth Street produced northerly, and the easterly curb line of Ninth Street, including the roadway of all terminations of streets in said Date Street, between said points; said paving to be of the width, within the limits, to the extent, and at the location particularly indicated on the plans hereinafter referred to;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 160200, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 534, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

It is hereby determined and declared that that certain piece or parcel of land included within the assessment district hereinbefore mentioned lying east of the easterly line of said Sixth Street, and that piece or parcel of land within the said district lying north of the northerly line of Date Street, are and each of said pieces or parcels of land is the public property of The City of San Diego, lying within a public park of said City, to-wit: Balboa Park, and that the whole of said pieces or parcels of land are and each of them is in actual use in the performance of a public function as and for a public park of said City.

It is hereby further determined and declared that said pieces or parcels of land so in use as a public park of said City shall be omitted from the assessment to be made to cover the costs and expenses of the said work and improvement, and that the total of the costs and expenses of all work done under and in pursuance of this Resolution of Intention shall be assessed upon the remaining lots, pieces or parcels of land lying within the limits of the said assessment district without regard to said omitted pieces or parcels of land.

NOTICE IS HEREBY GIVEN, that on Monday, the 26th day of January, 1925, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed

in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 29th day of December, 1924, by the following vote, to-wit:

Also, as a part of said work, the construction in said Pepita Street, between Buena Street and Exchange Place, and in the termination of Pepita Street in Exchange Place, of a six-inch sewer main, of Portland cement concrete sewer pipe, together with Portland cement concrete manholes, one dead end, seventeen (17) Portland cement concrete sewer laterals, and connections, fittings and appurtenances; said sewer main, manholes and sewer laterals to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to; also, the construction of a six-inch Portland cement concrete outfall sewer; together with one cement concrete cleanout and appurtenances, commencing at the northeasterly end of the sewer main last above described in the termination of Pepita Street in Exchange Place, and extending thence northerly, easterly and northerly in Exchange Place and in the terminations of Mar Avenue and Soledad Avenue in Exchange Place, to a connection with the existing manhole in the termination of Soledad Avenue in said Exchange Place;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications thereof contained in Document No. 166040, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 519, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said Plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 26th day of January, 1925, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when

the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same. All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 29th day of December, 1924, by the following vote, to-wit:
 AYES---Councilmen Heilbron, Held, Stewart and Weitzel.
 NOES---None.
 ABSENT---Councilman Bruschi.

JOHN L. BACON,
 President of the Common Council of The City of San Diego, California.

I HEREBY CERTIFY that the above and foregoing Resolution of Intention was passed by the Common Council of the said City of San Diego, at the time and by the vote above stated.

RESOLUTION OF INTENTION NO. 32970.

Alley in block 1, Nutt's Addition.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The grading, to the official grade thereof, of the ALLEY IN BLOCK 1, NUTT'S ADDITION, in said City, for the entire width of said alley, from the north line of Robinson Avenue to the south line of University Avenue;

Also, the paving, with one course of Portland cement concrete pavement, four inches in thickness, of the said ALLEY IN BLOCK 1, NUTT'S ADDITION, in said City, for the entire width of said alley, from the north line of Robinson Avenue to the south line of University Avenue;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 167479, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 362, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 2d day of February, 1925, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such

notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 5th day of January, 1925, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held and Stewart.

NOES---None.

ABSENT---Councilman Weitzel.

JOHN L. BACON,

President of the Common Council of The City of San Diego, California.

I HEREBY CERTIFY that the above and foregoing Resolution of Intention was passed by the Common Council of the said City of San Diego, at the time and by the vote above stated.

RESOLUTION OF INTENTION NO. 3 2 9 7 1.

Gregory Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The grading, to the official grade thereof, of GREGORY STREET, in said City, for the entire width of said street, from the north line of Redwood Street to the south line of Upas Street, including the entire width and length of the intersection of said Gregory Street with Thorn Street;

Also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing on both sides of said Gregory Street, between the north line of Redwood Street and the south curb line of Upas Street, including the returns at the intersections of said Gregory Street with all cross streets, between said points;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 166493, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 600, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 2d day of February, 1925, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 5th day of January, 1925, by the following vote, to-wit:
 AYES---Councilmen Bruschi, Heilbron, Held, and Stewart.
 NOES---None.
 ABSENT---Councilman Weitzel.

JOHN L. BACON,
 President of the Common Council of The City of San Diego, California.

I HEREBY CERTIFY that the above and foregoing Resolution of Intention was passed by the Common Council of the said City of San Diego, at the time and by the vote above stated.

RESOLUTION OF INTENTION NO. 3 3 0 6 3.

Trias Street and Pine Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The paving, with a two-inch asphalt concrete wearing surface and a three-inch bituminous base, of the roadway of TRIAS STREET, in said City, from curb line to curb line, from the northeasterly line of Fort Stockton Drive to the southwesterly line of Cherry Street, including the roadway of the intersection of said Trias Street with Pine Street, and also including the roadway of said Trias Street leading into all alleys, between said points; also, the paving, with a two-inch asphalt concrete wearing surface and a three-inch bituminous base, of a portion of the roadway of the intersection of Trias Street with Cherry Street, said paving to be done to the dimensions, within the limits, and at the location particularly shown on the plans hereinafter referred to;

Also, as a part of said work, the construction of cement concrete sidewalks and cement concrete curbing along the said Trias Street, between the northeasterly line of Fort Stockton Drive and the northeasterly line of Cherry Street; said sidewalks and curbing to be constructed of the dimensions, within the limits, and at the locations particularly shown on the plans hereinafter referred to;

Also, as a part of said work, the construction in the said Trias Street, between Pine Street and Cherry Street, of a six-inch Portland cement concrete sewer main, together with one Portland cement concrete manhole, one dead end and appurtenances, said sewer main commencing at the intersection of the center line of Cherry Street with the southeasterly line of Trias Street, and extending thence northwesterly a distance of 25 feet; thence extending southwesterly in said Trias Street a distance of 253 feet;

Also, as a part of said work, the construction in connection with the sewer main to be constructed in said Trias Street, as above described, of three (3) Portland cement concrete sewer laterals, together with connections, fittings and appurtenances; said sewer laterals to be constructed of the dimensions and at the locations particularly shown on the plans hereinafter referred to;

Also, the grading of PINE STREET, in said City, for the entire width of said street, from the northwesterly line of Trias Street to the center line of Ampudia Street; also, the grading of the northeasterly 25 feet of PINE STREET, in said City, for the entire width of said street, from the northwesterly line of Ampudia Street to the southeasterly line of Arista Street;

Also, as a part of said work, the paving, with a two-inch asphalt concrete wearing surface and a three-inch bituminous base, of the roadway of PINE STREET, in said City, between the northwesterly line of Trias Street and the center line of Ampudia Street; and between the northwesterly line of Ampudia Street and the southeasterly line of Arista Street; as particularly shown and indicated on the plans hereinafter referred to;

Also, as a part of said work, the construction along the said Pine Street, between the northwesterly line of Trias Street and the southeasterly line of Arista Street, of cement concrete sidewalks and cement concrete curbing; said sidewalks and curbing to be constructed of the dimensions, within the limits, and at the locations particularly shown on the plans hereinafter referred to;

That the said work hereinabove described on Pine Street, between the northwesterly line of Trias Street and the southeasterly line of Arista Street, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the office of the City Clerk of said City and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

All of said work shall be done as shown upon and according to the plans, drawings, profiles, typical cross-sections and specifications therefor contained in Document No. 167029, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, profiles, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, profiles typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 580, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 16th day of February, 1925, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district,

he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 19th day of January, 1925, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

NOES---None.

ABSENT---None.

RESOLUTION OF INTENTION NO. 33066.

Alley in block 206, University Heights.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

The grading, to the official grade thereof, of the ALLEY IN BLOCK 206, UNIVERSITY HEIGHTS, in said City, for the entire width of said alley, from the north line of University Avenue to the south line of Lincoln Avenue;

Also, as a part of said work, the paving, with one course of Portland cement concrete pavement four inches in thickness, of the said ALLEY IN BLOCK 206, UNIVERSITY HEIGHTS, within the limits above mentioned;

Also, as a part of said work, the construction in connection with the existing sewer main in said Alley in block 206, University Heights, within the limits above mentioned, of three Portland cement concrete sewer laterals, together with connections, fittings and appurtenances; said sewer laterals to be constructed of the dimensions and at the locations particularly shown on the plans hereinafter referred to.

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 167930, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed

in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said Bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Santa Monica Avenue.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That SANTA MONICA AVENUE, in said City, for the entire width of said street, between the southeasterly line of De Foe Street and the northwesterly line of Guizot Street, including the entire width and length of the intersections of said Santa Monica Avenue with all cross streets, between said points, be graded;

Also, that Santa Monica Avenue, within the limits above mentioned, including the intersections of said Santa Monica Avenue with all cross streets, between the said points, (excepting the southwesterly half of the roadway of said Santa Monica Avenue, between the southeasterly line of De Foe Street and a point 250 feet southeasterly from the southeasterly line of De Foe Street) be paved with one course of Portland cement concrete pavement, four inches in thickness, in accordance with the plans hereinafter referred to;

Also, that cement concrete sidewalks and cement concrete curbing be constructed along both sides of said Santa Monica Avenue, within the limits above mentioned (excepting the sidewalks on the southwesterly side of said Santa Monica Avenue, between the southeasterly line of De Foe Street and a point 250 feet southeasterly from the southeasterly line of De Foe Street); in accordance with the plans hereinafter referred to;

That the said work hereinabove described on Santa Monica Avenue, between the northwesterly line of Guizot Street and the southeasterly line of Froude Street, shall be done to the modified grade shown and indicated on the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

All of said work shall be done as shown upon and according to the plans, drawings, profiles, typical cross-sections and specifications therefor contained in Document No. 167480, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, profiles, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, profiles, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 509, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 16th day of February, 1925, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 19th day of January, 1925, by the following vote, to-wit:

A RESOLUTION DECLARING AND DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY OF THE CITY OF SAN DIEGO DEMAND THE ACQUISITION, CONSTRUCTION AND COMPLETION OF CERTAIN MUNICIPAL IMPROVEMENTS NECESSARY AND CONVENIENT TO CARRY OUT THE OBJECTS, PURPOSES AND POWERS OF THE MUNICIPALITY, THE COST OF WHICH WILL BE TOO GREAT TO BE PAID OUT OF THE ORDINARY ANNUAL INCOME AND REVENUE OF THE MUNICIPALITY, AND RECITING THE ESTIMATED COST OF THE PROPOSED PUBLIC IMPROVEMENTS.

IT IS RESOLVED, DECLARED AND DETERMINED By the Common Council of The City of San Diego, that the public interest and necessity of said City, and of the inhabitants thereof, demand the acquisition, construction and completion by said City of the following municipal improvements, namely:

I.

The acquisition, construction and completion of improvements, extensions and additions to the San Diego Public Library, namely:

(a) The purchase of a lot, and the construction and completion thereon of a concrete and tile building, to be located in Logan Heights, in The City of San Diego, together with furnishings and equipment for library purposes for said library building; the cost of which is estimated at twenty-five thousand dollars (\$25,000.00);

(b) The construction and completion of a cement and tile building in University Heights, in The City of San Diego, together with furnishings and equipment for library purposes for said library building; the cost of which is estimated at twenty thousand dollars (\$20,000.00);

(c) The purchase of a lot, and the construction and completion thereon of a cement and tile building, to be located in Ocean Beach, in The City of San Diego, together with furnishings and equipment for library purposes for said library building; the cost of which is estimated at fifteen thousand dollars (\$15,000.00);

All as more particularly set forth in those certain drawings and specifications on file in the office of the City Clerk, of The City of San Diego, marked Document No. 168524, and endorsed: "Plans and Specifications three branch libraries."

The whole cost of which acquisition, construction and completion of said improvements, extensions and additions to the San Diego Public Library, is estimated at sixty thousand dollars (\$60,000.00).

IT IS FURTHER RESOLVED, DECLARED AND DETERMINED that the above-described municipal improvement is necessary and convenient to carry out the objects, purposes and powers of the municipality, and that the cost of said improvement will be too great to be paid out of the ordinary annual income and revenue of the municipality.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 26th day of January 1925, by the following vote, to-wit:

The said Common Council determined that serial bonds extending over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, bearing interest at the rate of seven per cent. per annum, shall be issued to represent assessments of twenty-five dollars or more for the expenses of said work and improvement, as provided by the Improvement Act of 1911, and amendments thereto.

For further particulars, reference is hereby made to said Resolution of Intention.

The City Clerk of said City is hereby directed to post conspicuously for five (5) days, on or near the Council chamber door of the said Common Council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing the work ordered; and said Clerk is hereby directed to publish twice in The Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by said Common Council a notice inviting such proposals for doing the said work, and referring to the specifications posted or on file.

Passed and adopted by the Common Council of the said City of San Diego, California, this 26th day of January, 1925, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel.

NOES---None.

ABSENT---None.

HARRY K. WEITZEL.

President Pro Tempore of the Common Council of
the City of San Diego, California.

I HEREBY CERTIFY that the above and foregoing Resolution Ordering Work was passed by the Common Council of the said City of San Diego, at the time and by the vote above stated.

That all of said sewer mains, outfall sewers, settling tanks, manholes, dead ends and appurtenances, shall be constructed in the manner and at the locations particularly indicated on the plans hereinafter referred to;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 167660, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 609, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is

hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Tuesday, the 24th day of February, 1925, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention; and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 26th day of January, 1925, by the following vote, to-wit:

La Jolla Boulevard and Midway Street

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That LA JOLLA BOULEVARD, in said City, between the north line of Bird Rock City by the Sea and the south line of Bird Rock Addition, including the intersections of said La Jolla Boulevard with all cross streets, between said points, and also including all terminations of streets in said La Jolla Boulevard, between said points, be graded in accordance with the plans and specifications hereinafter referred to; that cement concrete sidewalks and cement concrete curbing be constructed along both sides of said La Jolla Boulevard, within the limits above mentioned, in accordance with the plans and specifications hereinafter referred to;

That an eighteen-inch double-strength cement concrete pipe culvert, 72 feet in length, together with cement concrete curb inlet, and appurtenances, be constructed in the intersection of said La Jolla Boulevard with Midway Street, in accordance with the plans and specifications hereinafter referred to;

That the said work hereinabove described on LA JOLLA BOULEVARD, between the north line of Colima Street and the north line of Bird Rock City by the Sea, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

Also, that MIDWAY STREET, in said City, between the easterly line of La Jolla Boulevard and the westerly line of Electric Avenue, be graded in accordance with the plans and specifications hereinafter referred to; that cement concrete sidewalks and cement concrete curbing be constructed along both sides of said Midway Street, within the limits above mentioned, in accordance with the plans and specifications hereinafter referred to;

That the said work hereinabove described on Midway Street, between the easterly line of La Jolla Boulevard and the westerly line of Electric Avenue, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the Office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done. (profiles.)

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 163152, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, profiles, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, profiles, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 572, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Tuesday, the 24th day of February, 1925, at 10:00 o'clock A. M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such

notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 26th day of January, 1925, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 33160

G Street.

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That G STREET, in said City, between the east line of 16th Street and the west line of 25th Street, including the intersections of said G Street with all cross streets, and also including the terminations of all streets in said G Street, between said points (excepting the intersections of said G Street with 18th Street, 20th Street, 22nd Street and 24th Street), be paved with a one and one-half inch asphalt concrete wearing surface and a two and one-half inch bituminous base, in accordance with the plans hereinafter referred to;

That cement concrete curbing be constructed along the said G Street, within the limits above mentioned; said curbing to be constructed of the dimensions and at the locations shown on the plans hereinafter referred to;

That three-quarter inch lead pipe water laterals, fitted with lead flange corporation and service cocks, be constructed in said G Street, within the limits above mentioned, connecting with the existing water main; said water laterals to be constructed of

the dimensions and at the locations shown on the plans hereinafter referred to;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 168132, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat no. 616, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 2d day of March, 1925, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 2d day of February, 1925, by the following vote, to-wit:

RESOLVED, that it is the intention of the Common Council of The City of San Diego, California, to order the following work to be done and improvement to be made in said City, to-wit:

That the ALLEY IN BLOCK 12, LINCOLN PARK, in said City, between the east line of 24th Street and the west line of 25th Street, be graded in accordance with the plans hereinafter referred to;

That said ALLEY IN BLOCK 12, LINCOLN PARK, within the limits above mentioned, be paved with one course of Portland cement concrete pavement, four inches in thickness, in accordance with the plans hereinafter referred to;

All of said work shall be done as shown upon and according to the plans, drawings, typical cross-sections and specifications therefor contained in Document No. 168131, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration to twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be

payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 518, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 2d day of March, 1925, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 2d day of February, 1925, by the following vote, to-wit:

RESOLUTION NO. 33170
RESOLUTION AFFECTING LOCAL ASSESSMENT OF CERTAIN REAL PROPERTY
IN THE TERRITORY FORMERLY EAST SAN DIEGO

BE IT RESOLVED, By the Common Council of the City of San Diego, as follows:

That in connection with the order and determination heretofore made by this Council on the 26th day of January 1925, by resolution number 33138, determining the amount of unpaid assessments and ordering the issuance of bonds in the matter of the improvement of El Cajon Avenue and other streets, commonly known as District Number 69 in the East San Diego Territory, as described in Resolution of Intention No. 1221 passed by the Board of Trustees of East San Diego, September 20th, 1923, said Council hereby finds that lots numbered 1 to 6 inclusive in Block 1, lots 1 to 17 inclusive in Block 2 and lots 1 to 18 inclusive in Block 3 of Windsor Square were acquired by the San Diego High School District April 11th, 1924 and that lot 15 of Hector Square was acquired by the said High School District April 25th, 1924. The Council further finds that jurisdiction was acquired for the improvement herein involved on the 9th day of October, 1923, Prior to said dates, the said lots were held in private ownership and were not excepted from the assessment district established in the said proceeding. Further the Council finds that none of the said lots above enumerated were on the 1st day of December, 1924, the same being the date of the recording of the assessment hereinabove mentioned, in use in the performance of any public function.

This action is taken in order that there may be placed of record the reasons for the determination of this Council heretofore made with reference to said matters in the resolution hereinbefore mentioned, and to authorize the City Auditor to place said property upon his assessment rolls for assessment for local street improvements under said Resolution of Intention.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 2d day of February 1925, by the following vote, to-wit:

AYES---Councilmen Bruschi, Heilbron, Held, Stewart and Weitzel
NOES---None
ABSENT---None

JOHN L. BACON

RESOLUTION OF INTENTION NO. 33216

20th Street

RESOLVED, that it is the intention of the Common Council of The City of San Diego California, to order the following work to be done and improvement to be made in said City, to-wit:

That 20TH STREET in said City, between the north line of N Street and the north curb line of B Street, including the intersections of said 20th Street with all cross streets, between said points (excepting those portions of the said 20th Street and said intersections of streets between said points, already paved; also, excepting those portions of said 20th Street, between said points, occupied by existing gutters), be paved with a one and one-half inch Warrenite bitulithic wearing surface and a two and one-half inch bituminous base, in accordance with the plans hereinafter referred to;

That the existing concrete gutters on the east side of said 20th Street, between a point 7.67 feet north of the south line of L Street and a point 100.00 feet south from the south line of L Street, be surfaced with a one and one-half inch Warrenite wearing surface.

That cement concrete sidewalks and cement concrete curbing be constructed along the said 20th Street, within the limits above mentioned; said sidewalks and curbing to be constructed of the dimensions and at the locations particularly indicated on the plans hereinafter referred to;

That a six-inch Portland cement concrete sewer main 150 feet in length, together with dead end and appurtenances, be constructed in said 20th Street, and in the intersection of said 20th Street with B Street, between the center line of the said intersection and a line 150 feet south from the center line of said intersection;

That a six-inch Portland cement concrete sewer main, 280.5 feet in length, together with two cement concrete manholes, one dead end and appurtenances, be constructed in B STREET, in said City, and in the intersection of said B Street with 20th Street, between the east line of 20th Street and a point 280.5 feet west from the east line of said 20th Street, connecting with the sewer to be constructed in 20th Street, as above described;

That Portland cement concrete sewer laterals, together with connections, fittings and appurtenances, be constructed in said 20th Street, between the north line of N Street and the north curb line of B Street, connecting with the existing sewer main and the sewer main to be constructed in said 20th Street, as above described; the number, dimensions and locations of said laterals to be as particularly indicated on the plans hereinafter referred to;

That three-quarter inch lead pipe water laterals, fitted with lead flange corporation and service cocks, be constructed in said 20th Street, within the limits last above mentioned, connecting with the existing water main in said 20th Street; the number, dimensions and locations of said water laterals to be as particularly indicated on the plans hereinafter referred to;

That a cement concrete wingwall be constructed on the westerly side of said 20th Street, at the north line of Imperial Avenue in accordance with the plans hereinafter referred to;

That the tree now located in the sidewalk on the west side of said 20th Street, 20 feet south from the south line of B Street, be removed;

That the said work hereinabove described on 20th Street, between the north line of E Street and a point 100 feet north from the north line of C Street, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

Reference is hereby made to the Warrenite License Agreement of Warren Brothers Company of Boston, Massachusetts, dated July 10th, 1923, and on file in the office of the City Clerk of The City of San Diego, under Document No. 152433.

All of said work shall be done as shown upon and according to the plans, drawings, profiles, typical cross-sections and specifications therefor contained in Document No. 167658, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, profiles, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, profiles, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 581, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday, the 9th day of March, 1925, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 9th day of February 1925, by the following vote, to-wit:

That a six-inch Portland cement concrete sewer main, 125 feet in length, together with one Portland cement concrete manhole and appurtenances, be constructed in said Pringle Street, between the center line of the intersection of said Pringle Street with Guy Street and a point 125 feet southwesterly from the center line of said intersection, connecting with the existing sewer main in said Pringle Street, in accordance with the plans hereinafter referred to;

That Portland cement concrete sewer laterals, together with connections, fittings and appurtenances, be constructed in the said Pringle Street, between the easterly line of Portala Place and the northeasterly line of Titus Street, connecting with the existing sewer main; the number, dimensions and locations of said sewer laterals to be as particularly indicated on the plans hereinafter referred to;

That TITUS STREET, in said City, between a point 76.28 feet northwesterly from the northwesterly line of Pringle Street produced southwesterly, and the northwesterly line of Keating Street, including the termination of Pringle Street in said Titus Street, be graded in accordance with the plans hereinafter referred to;

That said Titus Street, between the southeasterly line of Pringle Street produced southwesterly and a point 76.28 feet northwesterly from the northwesterly line of Pringle Street produced southwesterly, including the termination of Pringle Street in said Titus Street, be paved with a five-inch Portland cement concrete pavement, in accordance with the plans hereinafter referred to;

That cement concrete sidewalks and cement concrete curbing be constructed in said Titus Street, within the limits above mentioned, in accordance with the plans hereinafter referred to;

That McNEALY STREET, in said City, between the southwesterly line of Titus Street and the northeasterly curb line of California Street, including the intersections of said McNealy Street with all cross streets, between said points, be graded in accordance with the plans hereinafter referred to;

That said McNealy Street, between the southwesterly line of Titus Street and the northeasterly curb line of California Street, including the intersections of said McNealy Street with all cross streets, between said points, be paved with a five-inch Portland cement concrete pavement, in accordance with the plans hereinafter referred to;

That cement concrete sidewalks and cement concrete curbing be constructed along the said McNealy Street, within the limits above mentioned, in accordance with the plans hereinafter referred to;

That said work hereinabove described on McNealy Street, between the northeasterly line of California Street and the northeasterly line of Middletown Addition, shall be done to the modified grade shown and indicated upon the plans and profiles on file in the office of the City Clerk of said City, and hereinafter referred to; and reference is hereby made to said plans and profiles for the description of the grade at which the work is to be done.

That KETTNER BOULEVARD, in said City, between the southeasterly line of McNealy Street and the northwesterly line of Pierce Street, including the intersection of said Kettner Boulevard with McKee Street, be paved with a five-inch Portland cement concrete pavement, in accordance with the plans hereinafter referred to;

That cement concrete sidewalks and cement concrete curbing be constructed along the said Kettner Boulevard, within the limits above mentioned, in accordance with the plans hereinafter referred to;

That Portland cement concrete sewer laterals, together with connections, fittings and appurtenances, be constructed in said Kettner Boulevard, within the limits above mentioned, connecting with the existing sewer main; the number, dimensions and locations of said sewer laterals to be as particularly indicated on the plans hereinafter referred to;

That the existing culvert located across said Kettner Boulevard on a line 47 feet northwesterly from the northwesterly line of Pierce Street, together with two existing head walls, be removed, and that a thirty-inch double-strength cement pipe culvert, 83 feet in length, be constructed in place thereof;

That a six-inch Portland cement concrete sewer main, 200 feet in length, together with one cement concrete manhole, two dead ends and appurtenances, be constructed in GUY STREET, and in the intersection of said Guy Street with Pringle Street, between the southeasterly line of Pringle Street and a point 200 feet northwesterly from the southeasterly line of Pringle Street, in accordance with the plans hereinafter referred to;

All of said work shall be done as shown upon and according to the plans, drawings, profiles, typical cross-sections and specifications therefor contained in Document No. 167277, on file in the office of the City Clerk of said City, and copies of which are on file in the office of the City Engineer of said City, heretofore approved and adopted by the Common Council of said City as the plans, drawings, profiles, typical cross-sections and specifications to be followed in making said improvement; and by reference thereto all said plans, drawings, profiles, typical cross-sections and specifications are incorporated herein and made a part hereof.

The said Common Council hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of twenty days from the date of the warrant, to represent the expenses of said work and improvement, said serial bonds shall extend over a period of nine years from the second day of January next succeeding the fifteenth day of the next November following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date until the whole is paid. Said bonds shall bear interest at the rate of seven per cent. per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the "Improvement Act of 1911," and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Common Council of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Common Council does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the said

City of San Diego included within the exterior boundary lines of said district, as shown upon that certain plat No. 587, indicating the exterior boundary lines of such district, which plat, approved by the Common Council, is on file in the office of the City Engineer of said City; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said plat for a particular description of such district.

NOTICE IS HEREBY GIVEN, that on Monday the 9th day of March, 1925, at 10:00 o'clock A.M., in the Council Chamber of the City Hall of said The City of San Diego, any and all persons having any objections to the proposed work or improvement may appear before said Common Council and show cause why said proposed improvement should not be carried out in accordance with this resolution.

That the Clerk of said City be, and he is hereby directed to cause this resolution of intention to be published twice in the Evening Tribune, a daily newspaper published and circulated in said City, and hereby designated for that purpose by the Common Council.

That the Street Superintendent of said City shall, after the adoption of this resolution of intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this resolution of intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the City Clerk of said City, an affidavit showing the posting of said notices of improvement.

The Common Council does not deem it advisable that the Clerk mail copies of the Notice of Improvement to owners or reputed owners, and he is not required to mail the same.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 9th day of February 1925, by the following vote, to-wit:

RESOLUTION OF INTENTION NO. 3 3 2 2 1.

Cerro Gordo Avenue.

BE IT RESOLVED By the Common Council of The City of San Diego, that the public interest and convenience of said City require the closing up of a portion of the street hereinafter mentioned; and

BE IT FURTHER RESOLVED, that it is the intention of said Common Council to order the closing of that portion of CERRO GORDO AVENUE, in the City of San Diego, California, described as follows:

The east fifteen (15) feet of CERRO GORDO AVENUE in Pacific View Homestead Lots, according to Map No. 85, on file in the office of the County Recorder of San Diego County, California.

That it is not deemed necessary that any land be taken therefor.

That the exterior boundaries of the district of lands in said City to be affected by said work and improvement, and to be assessed to pay the damages, costs and expenses thereof, are described as follows:

Beginning at a point on the north line of Pacific View Homestead Lots, distant 50 feet east from the east line of Cerro Gordo Avenue; thence southerly on a line parallel to and distant 50 feet east from the east line of Cerro Gordo Avenue, to the south line of Pacific View Homestead Lots; thence westerly along the south line of Pacific View Homestead Lots to the east line of Cerro Gordo Avenue; thence northerly along the east line of Cerro Gordo Avenue to the north line of Pacific View Homestead Lots; thence easterly along the north line of Pacific View Homestead Lots to the place of beginning; excepting therefrom all public streets, roads, alleys, avenues and highways.

That THE EVENING TRIBUNE, a daily newspaper published and circulated, and of general circulation, in the said City of San Diego, be, and it is hereby designated as the newspaper in which the Street Superintendent of said City shall cause to be published, in the manner and form required by law, notice of the passage of this Resolution of Intention, and the said Street Superintendent is hereby directed to cause notices of the passage of this resolution to be posted in the manner and form required by law, and to cause a notice similiar in substance to be published in said newspaper for a period of ten days in the manner required by law.

Passed and adopted by the said Common Council of the said City of San Diego, California, this 9th day of February, 1925, by the following vote, to-wit:

A RESOLUTION DECLARING AND DETERMINING THAT THE PUBLIC INTEREST AND NECESSITY OF THE CITY OF SAN DIEGO DEMAND THE ACQUISITION, CONSTRUCTION AND COMPLETION OF CERTAIN MUNICIPAL IMPROVEMENTS NECESSARY AND CONVENIENT TO CARRY OUT THE OBJECTS, PURPOSES AND POWERS OF THE MUNICIPALITY, THE COST OF WHICH WILL BE TOO GREAT TO BE PAID OUT OF THE ORDINARY ANNUAL INCOME AND REVENUE OF THE MUNICIPALITY, AND RECITING THE ESTIMATED COST OF THE PROPOSED PUBLIC IMPROVEMENTS.

IT IS RESOLVED, DECLARED AND DETERMINED By the Common Council of The City of San Diego, that the public interest and necessity of said City, and of the inhabitants thereof, demand the acquisition, construction and completion by said City of the following municipal improvements, namely:

I.

The improvement of Balboa Park and Mission Park, in The City of San Diego, California, by

(a) The acquisition, construction and completion of the permanent pavement of the following roads or boulevards located in said Balboa Park, to-wit:

- The east half of Sixth Street, from Upas Street from Upas Street to Date Street;
- The north half of Date Street, from Sixth Street to Ninth Street;
- The south half of Upas Street, from Park Boulevard to Vermont Street;
- The west half of 28th Street, from Upas Street to Nutmeg Street;
- The west half of 28th Street, from Beech Street to Cedar Street;
- The north half of Russ Boulevard, from 11th Street to 16th Street;
- The extension of Arizona Street to Pershing Drive;
- The widening of Pershing Drive, from Upas Street to 18th Street;
- Alameda Drive, from Orchard to Park Boulevard.

The cost of which is estimated at one hundred twenty-seven thousand, two hundred sixty-seven dollars (\$127,267.00).

(b) The acquisition, construction and completion of the permanent pavement of the following roads or boulevards located in said Mission Park, to-wit:

- Washington Street, through said Mission Park;
- Randolph Street, through said Mission Park;

The cost of which is estimated at two thousand seven hundred thirty-three dollars (\$2733.00).

All as more particularly set forth in those certain estimates and drawings on file in the office of the City Clerk of The City of San Diego, marked Document No. 169100, and endorsed: "Plan and estimates for improvement of roads and boulevards in Balboa Park and Mission Park."

The whole cost of which acquisition, construction and completion of said improvement is estimated at one hundred thirty thousand dollars (\$130,000.00).

IT IS FURTHER RESOLVED, DECLARED AND DETERMINED that the above-described municipal improvement is necessary and convenient to carry out the objects, purposes and powers of the municipality, and that the cost of said improvement will be too great to be paid out of the ordinary annual income and revenue of the municipality.

A RESOLUTION DIRECTING THE SUBMISSION TO THE ELECTORS OF THE CITY OF SAN DIEGO AT THE PRIMARY ELECTION CALLED FOR TUESDAY, MARCH 24TH, 1925, OF PROPOSITIONS GRANTING TO THE UNITED STATES CERTAIN TIDE LANDS AND SUBMERGED LANDS IN THE BAY OF SAN DIEGO, AND CERTAIN LANDS IN BALBOA PARK, ALL LYING WITHIN THE BOUNDARIES OF THE CITY OF SAN DIEGO.

FOR THAT WHEREAS, pursuant to the terms, and for the purposes and upon the conditions set forth in Chapter 700 of the Statutes and Amendments to the Codes of California for the year 1911, and being an Act, entitled, "An Act conveying certain tide lands and lands lying under inland navigable waters situate in the Bay of San Diego to The City of

San Diego in furtherance of navigation and commerce and the fisheries, and providing for the government, management and control thereof," approved May 1, 1911, and amendments thereto, there has been granted and conveyed to The City of San Diego, a municipal corporation in the County of San Diego, State of California, all the lands situate on The City of San Diego side of the Bay of San Diego, lying and being between the line of mean high tide and the pierhead line in said Bay of San Diego, as the same has been or may hereafter be established by the Federal Government, and between the prolongation into the Bay of San Diego to the pierhead line of the boundary line between The City of San Diego and National City, and the prolongation into the Bay of San Diego to the pierhead line of the northerly line of the United States Military Reservation on Point Loma; and

WHEREAS, The City of San Diego has heretofore conveyed to the United States certain tide lands to be used as a site for an emergency fleet plant, repair station, ship yards, dry dock station, or similar purposes; and

WHEREAS, the United States is desirous of reconveying to said The City of San Diego certain of said tide lands in exchange for certain other tide lands adjacent to the site heretofore conveyed to the United States for an emergency fleet plant, repair station, ship yards and dry dock station; and

WHEREAS, it is the opinion of this Common Council that said exchange will be of benefit to The City of San Diego and the inhabitants thereof; and

WHEREAS, it is the desire of this Common Council, on behalf of said City and its inhabitants, to transfer, grant, convey and donate to the United States for public purposes of the United States, that certain parcel or portion of the tide lands of the Bay of San Diego more particularly described as follows:

Beginning at Station 300 on the United States Bulkhead line, as established in 1918; thence south $40^{\circ} 38' 36''$ east along said bulkhead line, a distance of 899.38 feet to the southwest corner of that tract of land conveyed by The City of San Diego to the United States of America for a dry dock station or similar purposes, by deed dated September 3rd, 1919; thence north $16^{\circ} 00'$ east along the westerly line of said tract, a distance of 709.93 feet to a point; thence due west 781.49 feet to the point or place of beginning; and

WHEREAS, pursuant to the terms of Chapter 250 of the Statutes and Amendments to the Codes of California for the year 1913, being an Act, entitled, "An Act authorizing and empowering any municipal corporation to which tide lands and submerged lands situated within the limits thereof have been granted by the State of California to grant portions of such lands to the United States for public purposes, and validating and confirming grants of such lands made by such municipal corporations to the United States," approved May 28, 1913, said The City of San Diego is authorized and empowered to grant to the United States for public purposes of the United States the tide lands hereinbefore described; provided, however, that no such grant shall be made unless authorized and empowered by a vote of a majority of the electors of such municipal corporation voting upon the proposition of making such grant at an election therein, at which such proposition shall have been submitted; and

WHEREAS, it is the desire and intention of said Common Council to secure the authorization and approval of the electors of said The City of San Diego of such grant at an election held within said City at which the proposition of making said grant of said tide lands by said City to the United States shall be submitted; and

WHEREAS, The City of San Diego has heretofore conveyed to the United States a certain portion of Balboa Park, to be used as a site for a Naval Hospital; and

WHEREAS, the United States is desirous of securing additional lands in said Balboa Park upon which to construct additional buildings to be used in connection with said Naval Hospital; and

WHEREAS, it is the opinion of this Common Council that the construction of such additional buildings will be of benefit to The City of San Diego and the inhabitants thereof; and

WHEREAS, it is the desire of this Common Council, on behalf of said City and its inhabitants, to transfer, grant, convey and donate to the United States for public purposes of the United States, that certain parcel or portion of land in Balboa Park, in The City of San Diego, County of San Diego, State of California, described as follows, to-wit:

Beginning at the southwest corner of that certain tract of land conveyed to the United States of America by The City of San Diego, by deed dated September 3rd, 1919; thence south $89^{\circ} 58' 20''$ east along the south line of said tract a distance of 555 feet to the southeast corner thereof; thence south $0^{\circ} 01' 40''$ west, 90 feet to a point; thence south $39^{\circ} 25' 13''$ west, 169.23 feet to a point; thence south $19^{\circ} 57' 27''$ west, 190.44 feet to a point; thence south $7^{\circ} 22' 46''$ west 122.56 feet to a point; thence southwesterly along the arc of a circle having a radius of 90 feet, tangent to the last described course, a distance of 191.27 feet to a point; thence north $50^{\circ} 51' 12''$ west 284.80 feet to a point; thence north $0^{\circ} 01' 40''$ east, 400.00 feet to the point or place of beginning;

AND WHEREAS, it is necessary under the law, before any land dedicated for public park purposes be conveyed by said City that a majority of the electors of such municipal corporation approve such conveyance at an election held within said City; and

WHEREAS, it is the desire and intention of said Common Council to secure the authorization and approval of the electors of said The City of San Diego of such grant at an election held within said City at which the proposition of making said grant of said lands in Balboa Park by said City to the United States shall be submitted; and

WHEREAS, a Primary Election has been ordered, called and proclaimed to be held in said The City of San Diego on Tuesday, the 24th day of March, A. D. 1925; and

WHEREAS, it is the desire of said Common Council of said City to submit to the electors of said City at said election to be held on Tuesday, the 24th day of March, A. D. 1925, the propositions of granting to the United States the lands hereinbefore described, NOW, THEREFORE,

BE IT RESOLVED By the Common Council of The City of San Diego, as follows:

That there shall be and is hereby submitted to the qualified electors of said The City of San Diego, at an election ordered, called and proclaimed for Tuesday, the 24th day of March, A. D. 1925, the following propositions, namely:

PROPOSITION ONE.

Shall The City of San Diego grant to the United States, for public purposes of the United States, certain tide lands and submerged lands situated within the boundaries of said The City of San Diego granted to said City by the State of California under and pursuant to the terms of that certain Act of the Legislature of the State of California, entitled, "An Act conveying certain tide lands and lands lying under inland navigable waters situate in the Bay of San Diego to The City of San Diego in furtherance of navigation and commerce and the fisheries, and providing for the government, management and control thereof," approved May 1, 1911, which lands sought to be conveyed to the United States are more particularly described as follows:

Beginning at Station 300 on the United States Bulkhead Line as established in 1918; thence south $40^{\circ} 38' 36''$ east along said bulkhead line, a distance of 899.38 feet to the southwest corner of that tract of land conveyed by The City of San Diego to the United States of America for a dry dock station or similar purposes, by deed dated September 3rd,

1919; thence north 16° 00' east, along the westerly line of said tract, a distance of 709.93 feet to a point; thence due west 781.49 feet to the point or place of beginning; said lands to be used exclusively by the United States Navy Department in connection with its emergency fleet plant, repair station, ship yards and dry dock station, and to be granted to the United States in exchange for certain tide lands heretofore conveyed to the United States by The City of San Diego?

This proposition shall be presented and printed upon the ballot hereinafter in this resolution provided for as follows:

"Shall The City of San Diego grant to the United States of America certain tide lands to be used exclusively by the United States Navy Department as a site for an emergency fleet plant, repair station, ship yards and dry dock station, in exchange for certain tide lands to be reconveyed to The City of San Diego by the United States of America?"

PROPOSITION TWO.

Shall The City of San Diego grant to the United States, for public purposes of the United States, certain lands in Balboa Park, in The City of San Diego, County of San Diego, State of California, which lands sought to be conveyed to the United States are more particularly described as follows:

Beginning at the southwest corner of that certain tract of land conveyed to the United States of America by The City of San Diego, by deed dated September 3rd, 1919; thence south 89° 58' 20" east along the south line of said tract a distance of 555 feet to the southeast corner thereof; thence south 0° 01' 40" west, 90 feet to a point; thence south 39° 25' 13" west, 169.23 feet to a point; thence south 19° 58' 27" west, 190.44 feet to a point; thence south 7° 22' 46" west 122.56 feet to a point; thence southwesterly along the arc of a circle having a radius of 90 feet, tangent to the last described course, a distance of 191.27 feet to a point; thence north 50° 51' 12" west 284.80 feet to a point; thence north 0° 01' 40" east, 400 feet to the point or place of beginning; said lands to be used exclusively by the United States Navy Department as a site for a Naval Hospital?

This proposition shall be presented and printed upon the Ballot hereinafter in this resolution provided for as follows:

"Shall The City of San Diego grant to the United States of America certain lands in Balboa Park, to be used exclusively by the United States Navy Department as a site for a Naval Hospital?"

The manner of voting for or against said propositions shall be as follows:

The ballot provided shall be so printed as to state the said propositions set out above, in manner and form following:
