and many others...

CREATE YOUR BADGES EASILY AND ON-DEMAND

PROFESSIONAL APPEARANCE

Your badges are printed in high resolution on a quality plastic card. Moreover, the online template library offers professional-looking designs to choose from.

ON-DEMAND PRINTING

Get rid of sub-contractors deadlines. Print on demand based on your requirements and immediately replace any lost or stolen card.

FAST ISSUANCE

Issue up to 95 badges per hour, single or multiple runs. Your employees, members or students instantly receive their card.

YOUR PERSONALIZED BADGE IN 3 EASY STEPS

Badgy is a user-friendly solution: both the card designer software and the card printer (managed like a standard office printer) are easy to use.
1
Download a card template from the badge library on www.badgy.com

2
With Evolis Badge Studio® card designer software, personalize the template by adding your logos, backgrounds, photos, texts and barcodes

3
Print your card... in less than a minute!

With the badgy 200 solution, you can automatically import information from your databases.
