# HP LaserJet P2035 Printer series P2035 • P2035n \$249.00 \$299.99-\$75.00

Get a low purchase price and a great value in a reliable, high-quality black-and-white laser printer.

> Enjoy fast print speeds, professional-quality output, and flexible connectivity options with the easy-to-use, value-packed HP LaserJet P2035 Printer series.

# Productivity at a great price

Get your documents and get back to work quickly with print speeds of up to 30 pages per minute (ppm) on letter size paper. Time To Completion for a typical office print job can be nearly two times faster with the Instant-on Technology built into this printer.<sup>1</sup>

Quickly connect the printer to your computer with the Hi-Speed USB 2.0 port. Share the printer and efficiently utilize resources with built-in Ethernet/Fast Ethernet networking on the P2035n model.

Easily print a variety of black-and-white documents—including index cards and prescription-size forms—with support for a range of media sizes and types.

# High-quality output and design

Print professional office documents with up to 600 by 600 dpi thanks to Resolution Enhancement technology (REt). And because HP print cartridges and paper are designed together, you can depend on consistently excellent print quality.

Save valuable desktop space and still enjoy convenient access to the printer with its sleek, space-saving design. Reduce operation noise with the printer's unique Quiet mode.<sup>2</sup>

# Radically simple operation

Enjoy at-a-glance printer and supplies status and easily navigate printer functions with the simple control panel.

Maintain your printer more effectively and avoid unexpected down time. With HP SureSupply and intelligence built into the cartridge, you'll receive alerts when supplies are low, enabling convenient supplies shopping and ordering.<sup>3</sup> Manage 2 to 20 HP inkjet and LaserJet devices, control color costs, and reorder Original HP supplies with HP Easy Printer Care Software.<sup>4</sup>

<sup>&</sup>lt;sup>1</sup> Instant on Technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so your print job is done sooner. An InfoTrends study shows the typical office print job is three to five pages long:

www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf. Time To Completion of a typical office print job tested on HP and select competing products. Actual results may vary.

<sup>&</sup>lt;sup>2</sup> When Quiet mode is selected, the printer operates at half speed.

<sup>&</sup>lt;sup>3</sup> HP SureSupply program features and availability may vary by country. For more information, visit <u>www.hp.com/learn/suresupply</u>.

<sup>&</sup>lt;sup>4</sup> In addition to supporting most HP LaserJets, HP Easy Printer Care Software now supports a wide variety of inkjet devices, including HP Officejet Pros, HP Officejets, HP Photosmarts, and HP Deskjets. Please access the compatible printer list at <u>www.hp.com/go/epc</u> for details.

# HP LaserJet P2035 Printer series

- 1 150-sheet output bin

# TECH 2000, INC.

HP LaserJet P2035 Printer shown

# Easy to use and maintain, this printer is also easy on the environment.

#### Improves your printing experience

Produce a broad range of business documents with the right look and feel. The multipurpose tray supports a variety of print media, including different types, sizes, and weights of paper, envelopes, labels, overhead transparencies, postcards, card stock, and more. Replenish the paper tray less often with the 50-sheet multipurpose tray and 250-sheet standard input tray, for a 300-sheet total input capacity.

The all-in-one print cartridge is designed for simplicity and reliability, incorporating the toner, engaging mechanism, and imaging drum in one supply—so you refresh the printer every time an Original HP cartridge is installed.

Quickly and accurately process complex print jobs without the cost of buying additional memory using the host-based print driver, a 266 MHz processor, and 16 MB of memory.

# Environmentally responsible

Reduce your energy use. Instant-on Technology in HP LaserJet devices provides up to 50 percent energy savings over traditional fusing while providing a first-page-out in seconds. HP estimates that Instant-on Technology has reduced emissions by 5.25 million tons of CO<sub>2</sub> to date—the equivalent of removing 1.1 million cars from the road for one year.<sup>5</sup>

Cut paper consumption and save money with manual two-sided printing. Save even more paper with N-up printing, which allows you to place multiple document pages on a single printed page.

Recycle cartridges through HP Planet Partners. This industry-leading program gives companies around the world an easy and environmentally conscious way to return hardware and print supplies for recycling after use.<sup>6</sup>

# Get the most out of your printer with HP accessories, supplies, and services.

J7951G

Upgrade the P2035n and share among multiple users with the HP Jetdirect ew2400 External Wireless Print Server.

#### **HP** Support Services

#### The cost of printer downtime

For many organizations, the ability to print anything, anytime, anywhere at affordable costs is important to business operations. Because HP LaserJet printers are central to business success, HP provides high-quality services beyond the standard warranty.

#### **Benefits**

- Reduce printing infrastructure costs
- Maximize uptime
- Expert technical phone support
- Predictable, consistent service delivery across multiple locations
- Choose, depending on your location:
- Next Day Exchange Service—a unit is shipped to you overnight; you send the damaged unit back
- Return Service—take unit into depot
- Next Day Onsite Service—technician-delivered onsite service the next business day after the service call.

These options are available as **HP Care Pack Services** or **HP Contractual Services**. **HP Managed Print Services** provide everything from devices and toner cartridges, to installation, management, maintenance, and support.

# HP LASERJET P2050 PRINTER SERIES P2055d • P2055dn \$349.99-\$75.00 \$399.99

# TECH 2000, INC.

# Reduce your environmental impact and still get the print speeds and ease of use you require.

- Use less energy with intelligent features like Instant-on Technology.
- Conserve resources by reducing paper use and recycling empty cartridges.
- Make a difference by using simple tools to optimize your energy, paper, and supplies use.

HP's Design for the Environment initiative is driving improvements at every stage in the product lifecycle helping reduce the amount of energy, paper, packaging, and materials used at HP and by our customers. Through smart design, we can reduce the environmental impact of our products, and of our customers.

#### Reduce energy consumption

Be ready to print in seconds. Instant-on Technology in the HP LaserJet P2050 Printer series provides up to 50 percent energy savings over traditional fusing technology while also enabling print jobs to begin quickly.<sup>1</sup>

The printer is ENERGY STAR<sup>®</sup> qualified, which means you can help protect the environment without sacrificing features or performance. In addition, you'll save money by reducing energy costs.

#### Save resources

The printer's convenient auto-duplex feature preserves the resources needed to make paper and reduces your paper costs. The printer also supports 100 percent recycled paper. Use N-up printing to place multiple document pages on a single printed page perfect for handouts and proof printing.

HP helps you recycle your print cartridges and hardware—it's easy and free with the HP Planet Partners program.<sup>2</sup> All HP print cartridges and hardware returned to HP through Planet Partners are recycled to recover raw materials or energy. HP never refills or resells print cartridges, and never sends them to a landfill.

#### Minimize your carbon footprint

The HP Eco Solutions Print Console allows you to manage your printer's energy and paper-saving preferences right from your computer's desktop. Plus, get access to information about reducing your carbon footprint, recycling print cartridges though HP Planet Partners, and more. For a free download, visit www.hp.com/go/printconsole.

#### Compact, fast, and easy to use

Save valuable desktop space and enjoy convenient access to the printer with its sleek, space saving design. Reduce operation noise with the printer's Quiet mode.<sup>3</sup> Get your documents and get back to work quickly with print speeds of up to 35 pages per minute (ppm), letter.

Efficiently utilize printing resources with fast, high speed connections via built-in Gigabit networking on the P2055dn model.

Safeguard your business with security capabilities that help protect devices and critical information on your network. Prevent unauthorized access with management features like 802.1X authentication and password protection (P2055dn model only).

Enjoy at-a-glance printer and supplies status and easily navigate printer functions with the intuitive 2 by 6 inch LCD control panel.

Maintain your printer more effectively and avoid unexpected down time. With intelligence built into the print cartridge, you'll receive alerts when supplies are low and should be reordered.

#### Get the most out of your printer with HP accessories, supplies, and services.

Upgrade the printer and share among multiple users with the HP Jetdirect ew2400 External Wireless Print Server.

HP's print cartridges and toner are specifically designed to deliver consistent quality and reliable, trouble-free printing.

#### **HP** Services

Because downtime can have serious business consequences, HP provides high-quality services that extend beyond the standard warranty and help you avoid unbudgeted repair costs. Benefits include reduced printing and infrastructure costs, maximized uptime, expert technical phone support, and predictable, consistent service delivery even across multiple locations.

Recommended services:

- Next Day Onsite Service: HP-employed service engineer or authorized support provider delivers service the next day after your call has been logged
- Next Day Exchange Service: The printer is replaced the day after it goes down with door-to-door pick-up and delivery

These services and additional coverage options can be purchased as:

- HP Care Pack Services: easy-to-buy, easy-to-use support packages
- HP Contractual Services: a comprehensive portfolio for maintaining maximum IT availability

HP also offers **HP Managed Print Services**: scalable assessment, procurement, implementation, management, maintenance, support, and workflow services.

LASERJET ENTERPRISE P3010 PRINTER SERIES

P3015d • P3015n • P3015dn • P3015x !!! \$599.99 \$899.99 \$999.99

This reliable, high-performance, networked<sup>1</sup> laser printer is ideal for businesses that need to print high volumes and confidential documents on a variety of media types.

- Get print speeds up to 42 ppm and a fast first page out. Quickly process complex files.
- Secure all confidential and business-critical data. Ensure only authorized individuals have access by entering a private PIN at the 10-key pad.
- Extend capabilities with a memory slot and optional paper trays. Add HP or partner solutions via two internal accessory ports, an EIO slot, and a hardware integration pocket.
- Count on easy printer operation with features like walk-up USB printing.

TECH 2000. INC.

#### HP performance and durability

Enjoy print speeds up to 42 pages per minute (ppm), letter and a first page out in as fast as 7.5 seconds. Instant-on Technology provides up to a 50 percent faster warm-up time from low-power mode,<sup>2</sup> and up to 50 percent energy savings over competitive laser products.<sup>3</sup>

Quickly process and share large, complex files with a 540 MHz processor, up to 640 MB expandable memory, and gigabit networking. Help prevent unauthorized network admission with 802.1X, which provides device authentication prior to admission.<sup>1</sup>

All-in-one Original HP print cartridges with built-in intelligence deliver reliable, consistently outstanding results, page after page, cartridge after cartridge. Get more out of each cartridge with the optional high capacity toner cartridge.<sup>4</sup>

# Advanced security features

The printer includes a built-in hardware integration pocket (HIP) so you can connect and house your HP and partner security card swipe and authentication devices. Help secure data using IPsec with encryption accelerator assist, along with support for IPv4 and IPv6 protocols.<sup>1</sup> Retrieve confidential print jobs by entering your PIN using the 10 number key pad.

Store data more securely by adding the optional HP High-Performance Secure EIO Hard Disk. Its advanced security features protect sensitive data at rest on your HP printer—all without impacting device performance.<sup>4</sup>

#### Flexibility to expand

Extend your printer's capabilities to meet your business needs with an open EIO slot and two internal accessory ports. Plus, add up to 512 MB memory.

Improve productivity with a maximum input capacity of up to 1,600 sheets.<sup>1</sup> Easily print on different types and sizes of media—including labels, envelopes, transparencies, and card stock—with adjustable paper trays. The printer supports letter and legal sizes from all trays. Choose the optional 500-sheet paper tray for added flexibility.<sup>4</sup>

# **ecohighlights**

- 2 250-sheet top output bin
- 3 One-door access to the easyto-install print cartridge
- 4 100-sheet multipurpose tray handles a variety of special papers
- 5 Two 500-sheet input trays for a 1,100-sheet total input capacity
- 6 Hardware integration pocket for connecting optional HP and partner solutions
- 7 Host USB 2.0 port for walk-up USB printing<sup>5</sup>
- 8 HP Jetdirect 10/100/1000 Ethernet embedded print server
- 9 128 MB memory expandable to 640 MB, and a 540 MHz processor
- 10 Two internal accessory ports for connecting HP or partner solutions
- 11 One open EIO slot
- 12 Hi-Speed USB 2.0 port for direct connection to printer
- 13 100-sheet straight-through path supports special papers
- 14 Built-in automatic two-sided printing

# Series at a glance

#### <sup>5</sup> Compatible with most USB 2.0 certified, 128 MB to 2 GB NAND Flash Memory Devices.

#### HP LaserJet Enterprise P3015x Printer shown

# TECH 2000. INC. After 25 years of CONTINUOUS INNOVATION and reliable, professional-quality printing, HP LaserJet remains the brand businesses count on.

#### Easy to use and manage

Use the printer's front-panel host USB 2.0 port to get convenient, walk-up USB printing that supports common PDF, PRN, and PS file extensions. Reduce calls to IT with features like the four-line LCD control panel and the Show-Me-How menu. Easy-to-use, advanced, larger controls visually walk users through procedures, setup, and troubleshooting.

Increase your manageability even further-use the two internal accessory ports to add any of a full portfolio of innovative HP Certified Partner solutions that integrate easily into your existing infrastructure (for more information, visit www.hp.com/go/gsc).

Easily set up and manage your print fleet with industry-leading HP Web Jetadmin and the HP Universal Print Driver. These solutions allow you to install, configure, monitor, troubleshoot, and manage your printing devices from anywhere on the network.<sup>6</sup>

Enjoy hassle-free recycling-cartridges returned via HP Planet Partners are recycled responsibly. HP provides free postage for returning HP print cartridges, the ability to request pickup for used computer equipment, the flexibility to recycle many types of technology products, and more.7

#### Get the most out of your printer with HP accessories, supplies, and services.

#### 500-sheet Input Tray/Feeder

Improve productivity by increasing total input capacity to up to 1,600 sheets. Print on a range of paper types in sizes from 4.1 by 5.8 in to 8.5 by 14 in, while decreasing time spent loading paper.

CE530A

#### **HP** Services

Because downtime can have serious business consequences, HP provides high-quality services that extend beyond the standard warranty and help you avoid unbudgeted repair costs. Benefits include reduced printing and infrastructure costs, maximized uptime, expert technical phone support, and predictable, consistent service deliveryeven across multiple locations.

Recommended services:

- Installation Service with Network Setup: expert assembly of HP accessories, hardware verification, network configuration, and basic administrator familiarization
- Next Day Onsite Service: HP-employed service engineer or authorized support provider delivers service the next day after your call has been logged
- Next Day Exchange Service: The printer is replaced the day after it goes down with door-to-door pick-up and delivery

These services and additional coverage options can be purchased as:

• HP Care Pack Services: easy-to-buy, easy-to-use support packages HP Contractual Services: a comprehensive portfolio for maintaining maximum IT availability

HP also offers HP Managed Print Services: scalable assessment, procurement, implementation, management, maintenance, support, and workflow services

For more information visit: www.hp.com/go/printservices.

Exact speed varies depending on the system configuration, software application, and document complexity.

10 HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

12 Average cartridge yield 6,000 pages. Declared yield value in accordance with ISO/IEC 19752. Actual yields vary considerably based on images printed and other factors. For more information,

visit www.hp.co itsupplies

13 Values subject to change. Power numbers are the highest values measured using all standard voltages. See www.hp.com/support for current information.

Measured according to ISO 7779 and declared in accordance with ISO 9296; values are subject to change. For current information, see www.hp.com/support. Configuration tested: HP LaserJet P3015dn printing 14 simplex on A4 paper. HP SureSupply alerts you when your print cartridge is running low and helps you purchase online or locally through HP or a participating retailer. Only available with Original HP supplies;

15 Internet access required

# HP LaserJet P4014n Printer \$699.99

# Get reliable, fast, and affordable black-and-white printing for your workgroup.

#### Robust productivity

With print speeds of up to 45 pages per minute (ppm) and a 540 MHz processor, the HP LaserJet P4014n Printer will help your workgroup operate at peak efficiency. Get consistent results and optimal performance with the printer's latest advancements in toner technology. Legendary HP reliability means worry-free printing that stands up to the demands of your office environment.

Start fast and finish sooner. Time To Completion (TTC) of a typical office print job can be nearly twice as fast with Instant-on Technology.<sup>1</sup>

# Expandable features

Improve performance and increase storage capacity with an optional EIO hard disk. The printer also supports optional Jetdirect and third-party solutions via the EIO slot and Host USB 2.0-like ports. Get reliable, efficient sharing, even for your large workgroup, with Gigabit networking.

Experience fewer interruptions and streamline workflows with optional paper handling accessories, including an additional 500-sheet or 1,500-sheet input tray, an automatic duplexer for two-sided printing, an envelope feeder, and output options such as a 5-bin mailbox, stacker, or stapler/stacker. Print on a variety of media types and sizes to produce the output that meets your specific business needs.

#### Easy to use

Operate and maintain your printer without assistance from IT. Printer configuration and troubleshooting is a snap with **Show-Me-How** features on the control panel.

Avoid interruptions and increase productivity. HP Easy Printer Care software lets you monitor and maintain up to 15 HP LaserJet printers and MFPs simultaneously.<sup>2</sup> Use a single driver—the HP Universal Print Driver communicates directly with each HP device on your network and customizes the user interface to show available features.<sup>3</sup>

<sup>&</sup>lt;sup>1</sup> Instant-on Technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so your print job is done sooner. An InfoTrends study shows the typical office print job is three to five pages long: <u>www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf</u>. Time To Completion of a typical office print job tested on HP and select competing products. Actual results may vary.

<sup>&</sup>lt;sup>2</sup> Easy Printer Care Software is free and may be downloaded at <u>www.hp.com/go/easyprintercare</u>, where you can also find a detailed printer-compatibility matrix.

<sup>&</sup>lt;sup>3</sup> To download the free HP Universal Print Driver Series for Windows, visit www.hp.com/go/upd.

- 16 Optional duplexer for automatic two-sided printing
- 17 Optional printer stand enables printer mobility

optional duplexer

# <u>TECH 2000, INC.</u>

# Minimize your impact with an environmentally conscious printer.

#### Saves resources

Be ready to print in seconds: Instant-on Technology in HP LaserJet devices provides up to 50 percent energy savings over traditional fusing while providing a first page-out in seconds—nearly twice as fast as competitive products without this technology. The use of Instant-on Technology has reduced emissions by 4.1 million tons of Co<sub>2</sub> to date—the equivalent of removing 870,000 cars from the road for one year.<sup>4</sup> Cut paper consumption in half and save money with optional automatic two-sided printing.

Recycle cartridges with HP Planet Partners. This industry-leading program gives companies around the world an easy and environmentally conscious way to return hardware and print supplies for recycling after use.

# Get the most out of your printer with HP accessories, supplies, and services.

#### CB524A

Make business mailing simple and efficient with the HP LaserJet 75-sheet Envelope Feeder.

Enjoy hassle-free, unattended printing with HP LaserJet 500-sheet

Find your printed output quickly and easily with the HP LaserJet 500-sheet

#### CB522A

**CB520A** 

Stapler/Stacker.

5-Bin Mailbox

# HP Support Services

#### Minimize the cost of downtime

Because printer downtime can have serious business consequences, HP provides high-quality services that extend beyond the standard warranty and help you avoid unbudgeted repair costs.

**Benefits** include reduced printing and infrastructure costs, maximized uptime, expert technical phone support and delivery services, and predictable and consistent service delivery across multiple locations. Choose:

- Installation Service with Network Configuration: expert assembly of HP accessories, hardware verification, network configuration, and basic administrator familiarization
- Same Day Onsite Service: technician arrives at your site within four hours after service call is received, if this time falls within the coverage window
- Next Day Onsite Service: technician-delivered onsite service the next business day after the service call

Any of the above options can be purchased as:

- HP Care Pack Services: easy-to-buy, easy-to-use support packages
- HP Contractual Services: a comprehensive portfolio for maintaining maximum IT availability

HP also offers **Managed Print Services:** a solution scalable from imaging and printing devices and toner cartridges, to installation, management, maintenance, and support

# HP LaserJet P4015 Printer series P4015n • P4015tn • P4015x \$1,199.99 \$1,299.99 1,579.99

Improve workgroup security and productivity with a high-performance black-and-white printer.

# Secure, reliable printing

Accomplish more with a robust printer you can count on—the HP LaserJet P4015 Printer series.

In addition to supporting standard security protocols and optional third-party security solutions, the printer includes industry-leading security capabilities. Get fast, secure performance across your network with advanced IPSec encryption, prevent unauthorized access with management features like 802.1X authentication and password protection, and guard sensitive information with support for private printing. Just press the Folder button to view your stored jobs, enter a PIN, and print your documents.

# High speeds and performance

Enhanced HP toner enables print speeds of up to 52 pages per minute (ppm), letter. Time To Completion (TTC) of a typical office print job can be nearly twice as fast with Instant-on Technology.<sup>1</sup>

Save time and improve productivity—the 540 MHz processor handles complex documents quickly. Get reliable, efficient sharing, even for your large workgroup, with Gigabit networking.

# Flexible and expandable

Upgrade your printer as business needs evolve with a host of optional paper handling and finishing accessories, including additional 500-sheet or 1,500-sheet input trays, an automatic duplexer for two-sided printing, an envelope feeder, a 5-bin mailbox, a stacker, or a stapler/stacker. Print on a variety of media types and sizes for output that meets your specific business needs.

Improve performance and increase storage capacity with an optional EIO hard disk. The printer also supports optional Jetdirect and third-party solutions via the EIO slot and Host USB 2.0-like ports.

#### Easy to manage

Simplify fleet management tasks and reduce IT costs with HP Web Jetadmin.<sup>2</sup> Use a single driver—the HP Universal Print Driver communicates directly with each HP device on your network and customizes the user interface to show available features.<sup>3</sup>

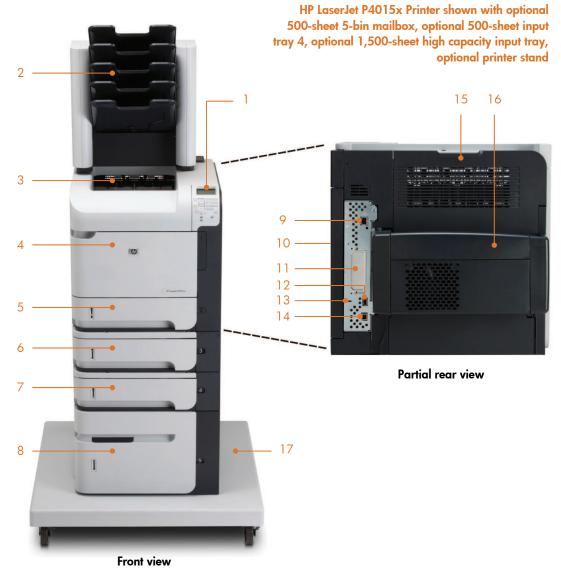

<sup>&</sup>lt;sup>1</sup> Instant-on Technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so your print job is done sooner. An InfoTrends study shows the typical office print job is three to five pages long: www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf. Time To Completion of a typical office print job tested on HP and select competing products. Actual results may vary.

<sup>&</sup>lt;sup>2</sup> Find more information and download HP Web Jetadmin free at <del>www.hp.com/go/webjetadmin</del>.

<sup>&</sup>lt;sup>3</sup> To download the free HP Universal Print Driver Series for Windows, visit www.hp.com/go/upd.

# HP LaserJet P4015 Printer series

- Control panel simultaneously displays up to four lines of text and animated graphics and features a built-in 10-key pad
- 2 Optional 500-sheet 5-bin mailbox with sorting capability
- 3 500-sheet top output bin
- 4 Adjustable 100-sheet multipurpose input tray 1 for special media
- 5 500-sheet input tray 2
- 6 500-sheet input tray 3
- 7 Optional 500-sheet input tray 4
- 8 Optional 1,500-sheet high capacity input tray
- 9 HP Jetdirect Gigabit Ethernet embedded print server with IPSec
- 10 A powerful 540 MHz processor and 128 MB of standard printing memory, expandable up to 640 MB
- 11 EIO expansion slot supports an optional parallel card, hard disk, or Jetdirect print server
- 12 One external and two internal Host USB 2.0-like ports for third-party connections
- 13 Security lock slot
- 14 Hi-Speed USB 2.0 port for direct connection to printer
- 15 100-sheet rear output bin
- 16 Duplexer for automatic two-sided printing
- 17 Optional printer stand enables printer mobility

Enjoy hassle-free, unattended printing

with HP LaserJet 500-sheet Stapler/Stacker.

#### **HP** Support Services

#### Minimize the cost of downtime

Because printer downtime can have serious business consequences, HP provides high-quality services that extend beyond the standard warranty and help you avoid unbudgeted repair costs.

**Benefits** include reduced printing and infrastructure costs, maximized uptime, expert technical phone support and delivery services, and predictable and consistent service delivery across multiple locations.

Choose:

- Installation Service with Network Configuration: expert assembly of HP accessories, hardware verification, network configuration, and basic administrator familiarization
- Same Day Onsite Service: technician arrives at your site within four hours after service call is received, if this time falls within the coverage window
- Next Day Onsite Service: technician-delivered onsite service the next business day after the service call

Any of the above options can be purchased as:

- HP Care Pack Services: easy-to-buy, easy-to-use support packages
- HP Contractual Services: a comprehensive portfolio for maintaining maximum IT availability

HP also offers **Managed Print Services:** a solution scalable from imaging and printing devices and toner cartridges, to installation, management, maintenance, and support

# HP LaserJet P4515 Printer series P4515n • P4515tn • P4515x \$1,599.99 \$184.99 \$2,129.99

# Enhance workgroup productivity with HP's fastest single-function black-and-white printer.

# Lightning-fast performer

Experience legendary reliability and consistent print quality at incredible speeds of up to 62 pages per minute (ppm)—the latest advancements in HP toner technology make it possible. Start fast and finish sooner: Time To Completion (TTC) of a typical office print job can be nearly twice as fast with Instant-on Technology.<sup>1</sup> Built-in Gigabit networking lets you share the printer across large workgroups with ease.

# Secure, robust productivity

In addition to supporting standard security protocols and optional third-party security solutions, the printer includes industry-leading security capabilities. Get fast, secure performance across your network with advanced IPSec encryption, prevent unauthorized access with management features like 802.1X authentication and password protection, and guard sensitive information with support for private printing. Just press the **Folder** button to view your stored jobs, enter a PIN, and print your documents.

# Flexible and expandable

Upgrade your printer as business needs change. This versatile printer accommodates a variety of media types and sizes, and lets you expand paper handling and finishing capabilities with an optional two-sided printing accessory, additional 500-sheet or 1,500-sheet input trays, an envelope feeder, a 5-bin mailbox, stacker, or stapler/stacker accessory. You can also select either regular or high-capacity print cartridges to meet your specific business needs.

Improve performance and increase storage capacity with an optional EIO hard disk. The printer also supports optional Jetdirect and third-party solutions via the EIO slot and Host USB 2.0-like ports.

# Hassle-free management

Simplify fleet management tasks and reduce IT costs with HP Web Jetadmin.<sup>2</sup> This powerful tool makes it easy to install, monitor, secure, and troubleshoot a wide range of network-connected peripherals from an intuitive browser interface. Use a single driver—the HP Universal Print Driver communicates directly with each HP device on your network and customizes the user interface to show the available features.<sup>3</sup>

<sup>&</sup>lt;sup>1</sup> Instant-on Technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so your print job is done sooner. <sup>7</sup> HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. <sup>8</sup> Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs.

9 Average continuous black cartridge yield 10,000 standard pages. Declared yield value in accordance with ISO/IEC 19752. Actual yields vary considerably based on images printed and other factors. For more information, visit

om/ao/le www.hp.com/go/learnaboutsupplies.
 <sup>10</sup> Measured per ISO 7779 and declared per ISO 9296; values subject to change. For current information see www.hp.com/support. Configuration tested: LaserJet P4515x.
 <sup>11</sup> Values subject to change. See www.hp.com/support for current information. Power numbers are the highest values measured using all standard voltages.

hp

Designed to deliver efficiency and versatility, this ultra-powerful, wide-format tabloid laser printer is flexible and easily manageable to meet the needs of business workteams.

# Power-packed performance

- Work quickly and efficiently. The HP LaserJet 5200 series printer boosts the productivity of your employees with fast print speeds up to 35 pages per minute (ppm) letter. Instant-on Technology delivers a quick first page.
- **Enjoy fast, worry-free printing.** Complex print jobs are a snap for this printer, with a 460 MHz processor and expandable memory options—up to 512 MB RAM.
- Rely on easy, industry-leading networking. Increase the
  efficiency of your workteams, who won't even know they
  are sharing the printer. HP Jetdirect print servers deliver
  high performance, broad compatibility, and proven
  reliability. Add the printer to your network via the
  HP Jetdirect Fast Ethernet embedded print server, or
  connect directly to your computer with the parallel or
  Hi-Speed USB 2.0 port.<sup>1</sup>
- Expect outstanding black-and-white output. HP LaserJet print cartridge technology produces clear, sharp text characters, smooth grayscales, and deep blacks. When you need the highest resolution possible, HP ProRes 1200 provides 1200 by 1200 dpi (dots per inch) at full engine speed.

# Versatility and expandability

- Increase your options with Compact Flash support. Use the two dedicated Compact Flash slots to enable third-party solutions and take advantage of more font choices, barcode printing, secure check printing, PDF direct printing, job accounting, intelligent e-forms, and SAP/ERP solutions.
- **Easily produce specialized materials.** The printer's tabloid capabilities expand your printable area, making it perfectly suited for marketing proofs, architectural plans, or financial ledgers and spreadsheets.

- **Boost performance.** The printer is designed to meet your needs today and tomorrow, with an open EIO slot that allows you to add productivity-enhancing options, such as IPv6/IPsec Gigabit networking or the HP high-performance EIO hard disk.
- Accommodate your workteam with flexible paper handling. The printer handles a wide range of paper sizes, types, and weights, including envelopes, labels, transparencies, letterhead, prepunched paper, colored paper, rough paper, and card stock. An optional 500sheet input tray<sup>1</sup> expands the printer's maximum input capacity to 850 sheets, meaning fewer interruptions to your work. An optional two-sided printing unit lets you print more efficiently.<sup>1</sup>

#### Effortless management

- **Rest easy with intuitive printer management tools.** Spend more time on your job and less on your printer, with HP Web Jetadmin peripheral management software. With HP Easy Printer Care Software, you can monitor the status of up to 15 printers and their supplies. Both HP Easy Printer Care and HP Web Jetadmin provide the ability to consolidate your supplies ordering via HP SureSupply<sup>2</sup> with the click of a button. HP backs you up with HP Instant Support online and HP Software Update.
- Experience the simplicity of HP LaserJet print cartridge design. With the genuine HP LaserJet print cartridge with HP Smart printing technology,<sup>3</sup> the printer delivers HP's legendary quality and reliability. The HP all-in-one print cartridge incorporates HP toner and the imaging drum in one supply. Print cartridge installation and replacement is easy and convenient.

HP printing and imaging systems help you create powerful, professional communications easily. HP printers, supplies, accessories, and services are designed to work together and are invented to meet your business needs.

<sup>&</sup>lt;sup>1</sup> Standard and available features vary according to model. For more information, see "Series at a glance" on page 2.

<sup>&</sup>lt;sup>2</sup> For more information, visit www.hp.com/go/SureSupply.

<sup>&</sup>lt;sup>3</sup> Using genuine HP supplies ensures availability of all HP printing features.

# <u>T</u>ECH 2000, INC.

Create professional, wide-format documents. With HP Smart printing technology, the printer's supplies are engineered to provide consistently sharp black-and-white text and graphics.

#### Setting the standard for laser printing

When you think of fast, reliable laser printing for your business, you think HP. The HP LaserJet 5200 series printer is the new benchmark for the printing industry.

Capitalizing on our legendary imaging heritage, this workteam printer sets the standard for dependable printing, fast print speeds, advanced networking features,<sup>4</sup> and brilliant print quality—enabling your office to operate at peak efficiency. For best-in-class quality, reliability, and performance, HP is the only choice.

#### Intelligent, flexible printing

Designed with workteams of 2 to 10 users in mind, the printer is simple to install, use, and maintain.

- Virtually eliminate printer downtime when you use genuine HP print cartridges with Smart printing technology, which enables status monitoring, proactive alert messages, on-line supplies ordering, and consistent print quality.<sup>5</sup>
- Get complete, timely information about the printer and print jobs. Designed for quick and easy troubleshooting and configuration, the intuitive control panel displays up to two lines of text. The control panel's "Show Me How" feature allows you to print a hard copy of self help topics such as loading paper, clearing jams, supported paper, loading special media, two-sided printing, and where to find more help.
- The new Wake Time feature improves printer availability. Once you enter the date and time in the control panel, the printer can be automatically configured to wake up from sleep mode so that it is ready to work when you are.

#### HP printer management tools

- View printer and supplies status, perform simple troubleshooting, and manage printing functions for an individual printer from your computer, rather than the printer control panel, with the print driver Services tab (for end users) or with the HP Embedded Web Server (for IT professionals).
- Install, configure, update, and remotely manage groups of printers from a single access point with HP Web Jetadmin (for IT professionals) or HP Easy Printer Care Software (for end users and office managers). HP Easy Printer Care allows you to manage up to 15 networked printers and consolidate all your supplies orders into a single order, which can be placed via the HP SureSupply ordering site. HP Easy Printer Care Software and HP Web Jetadmin are available as free downloads from www.hp.com.
- The HP Universal Print Driver Series for Windows lets you employ one print driver that gives end-users basic access to most HP printers via HP PCL 5 or HP postscript emulation driver versions. IT administrators can use HP Managed Printer Lists and Managed Print Policies to improve control, increase security, and manage printing more effectively. (The HP Universal Print Driver Series for Windows is available as a free download from www.hp.com/qo/upd.)

#### Award-winning HP support

HP's expert knowledge can help you make the most of your printer and ensure your equipment is running at peak efficiency. Start with a one-year, return-to-HP limited warranty, backed by free telephone support from the awardwinning HP Customer Care. To further guarantee trouble-free operation and maximize your printer's potential, consider upgrading with service and support options such as installation, network installation, and post-warranty support.

#### Accessories

500-sheet input tray

Expand the input capacity of the HP LaserJet 5200 printer to a maximum of 850 sheets, by installing the optional 500-sheet tray 3 (standard on 5200tn and 5200dtn models).

Automatic two-sided printing unit

Print professional documents and save time with the automatic two-sided printing unit (standard on the 5200dtn model).

HP Jetdirect internal print server

Increase efficiency and security by installing the HP Jetdirect 635n IPv6/IPsec and Gigabit Ethernet internal print server in the available EIO slot.

HP Jetdirect wireless external print server

Enable wireless connectivity with the HP Jetdirect ew2400 802.11b wireless and Fast Ethernet external print server connected via the Hi-Speed USB port.

HP high-performance EIO hard disk

Maximize the printer's flexibility by installing the HP highperformance EIO hard disk.

Additional memory

Get up to 512 MB RAM via one DIMM slot.

<sup>&</sup>lt;sup>4</sup> Standard and available features vary according to model. For more information, see "Series at a glance" on page 2.

<sup>&</sup>lt;sup>5</sup> Using genuine HP supplies ensures availability of all HP printing features.

# Experience high-performance, high-volume 11 by 17 black-and-white printing in a versatile office printer.

#### Extensive versatility

- Minimize user intervention and maximize flexibility. With a 100-sheet multipurpose tray, two 500-sheet input trays, an optional 2,000-sheet input tray, and an extensive selection of output accessories, the HP LaserJet 9040/9050 series printer meets your high-volume needs.
- Take advantage of advanced finishing options. With the optional 2,000-sheet 8-bin mailbox, assign each bin to an individual, workgroup, or department, to enable easy job retrieval. The mailbox features a sorter/collator, a stacker, and a job separator for fast, simple document customizations. Employ an optional 3,000-sheet stacker, 3,000-sheet stapler/stacker, or a 1,000-sheet multifunction finisher for booklets to enable efficient document production.
- Automatically produce professional two-sided documents. Routinely printing documents on both sides virtually doubles your input capacity and makes paperwork more manageable.<sup>1</sup>
- Expand your connectivity options as your needs grow. Two open EIO slots provide high-performance solutions. Add the optional hard disk or HP Jetdirect wireless Ethernet networking and increase your productivity.
- Increase your printing options. Adjustable paper trays allow edge-to-edge printing on custom media up to 12.3 by 18.5 inches and provide a variety of media simultaneously to meet your specialized needs. The 100-sheet multipurpose tray supports custom heavy custom media up to 58 lb (216 g/m<sup>2</sup>) and all trays support media up to 53 lb (200 g/m<sup>2</sup>) to offer the utmost in versatility.

#### Cost-effective

- Manage your business more efficiently with integrated solutions. Optional HP and third-party software provide integrated solutions for businesses, including form, check, and barcode printing, to help your business run smoothly.
- Save valuable time and cut costs. Optional installation and configuration services, maintenance kits, and extended warranty options make the printer worry-free.

• Enjoy effortless network management. Use HP Web Jetadmin for remote installation, configuration, and proactive management of your network peripherals. The HP Embedded Web Server performs remote diagnostics, sends e-mail alerts, provides job tracking and accounting information, to save you time and money.<sup>2</sup>

#### Highly reliable

- Get fast, professional printing and a quick first page out. The HP LaserJet 9050 series printer delivers speeds of up to 50 pages per minute (ppm) and the HP LaserJet 9040 series printer offers up to 40 ppm. Both printer series deliver a first page out in less than 8 seconds for most office documents. Industry-leading professional print quality and HP Smart printing technology<sup>3</sup> let you print multiple originals with consistently great-looking results.
- **Receive automatic supplies alerts.** Each print cartridge features HP Smart printing technology<sup>3</sup> that works with your printer to provide supplies information for simple maintenance and maximum uptime. When you receive an alert that a cartridge is low or out, you can enjoy convenient, online ordering with HP SureSupply.
- Print office documents with ease. Networked models yield fast file throughput for all your document production needs with an HP Jetdirect Fast Ethernet embedded print server for easy networking. All printers feature a quick, 533 MHz processor speed and expandable memory up to 512 MB, to gracefully handle your most complex documents.
- Enable simple and secure printing. The intuitive 10-key LCD control panel delivers effortless printer interaction. Use the Private Job feature to release confidential documents from the control panel. The Proof and Hold feature lets you review one copy of a multiple-copy print job and then use the control panel to release remaining copies.

HP printing and imaging systems help you create powerful, professional communications easily. HP printers, supplies, accessories, and services are designed to work together and are invented to meet your business needs.

<sup>&</sup>lt;sup>1</sup> Automatic two-sided printing comes standard with HP LaserJet 9040dn and 9050dn printers.

<sup>&</sup>lt;sup>2</sup> These features available only with an HP Jetdirect print server, standard with HP LaserJet 9040n, 9040dn, 9050n, and 9050dn printers.

<sup>&</sup>lt;sup>3</sup> Using genuine HP supplies ensures availability of all HP printing features.

- 2 Control panel with 10-key number pad simultaneously displays up to four lines of text and animated graphics
- 3 100-sheet multipurpose tray handles heavy custom media up to 58 lb or 216 g/m<sup>2</sup>
- 4 Adjustable 500-sheet input trays 2 and 3
- 5 Optional 2,000-sheet input tray 4 delivers high-volume printing
- 6 Enjoy the legendary quality and reliability of HP LaserJet printing with the HP LaserJet C8543X Print Cartridge— HP's Smart printing technology<sup>4</sup> and advanced microfine toner formula makes sharp, professional printing easy, reliable and cost-effective
- 7 Optional 2,000-sheet 8-bin mailbox enables automatic document sorting for individuals and departments
- 8 HP Jetdirect Fast Ethernet embedded print server enables networking
- 9 128 MB total memory and a powerful 533 MHz processor perform complex tasks quickly
- 10 Bidirectional IEEE 1284-B compliant parallel port

# Series at a glance

#### HP LaserJet 9040

- 40 ppm
- Two 500-sheet input trays for 1,000-sheet capacity
- 64 MB memory
- Two empty EIO slots

#### HP LaserJet 9040n

- Base model plus:
- 100-sheet multipurpose tray for 1,100-sheet capacity
- HP Jetdirect Fast Ethernet embedded print server
- 128 MB total memory

#### HP LaserJet 9040dn

- Base model plus:
- Automatic two-sided printing unit
- 100-sheet multipurpose tray for 1,100-sheet capacity
- HP Jetdirect Fast Ethernet embedded print server
   128 MB total memory

#### HP LaserJet 9050n

- 50 ppm
- 100-sheet multipurpose tray and two 500-sheet input trays for 1,100-sheet capacity
- HP Jetdirect Fast Ethernet embedded print server
- 128 MB total memory
- Two empty EIO slots

<sup>4</sup> Using genuine HP supplies ensures availability of all HP printing features.

HP LaserJet 9050dn printer with optional 2,000-sheet 8-bin mailbox and optional 2,000-sheet input tray shown

#### HP LaserJet 9050dn

- Base model plus:
- Automatic two-sided printing unit

# Deliver documents across your extended work environment.

# Distributed printing

The HP LaserJet 9040/9050 series printer has the power and versatility to deliver intelligent distributed printing to any organization. Integrated business solutions from HP and key partners provide unsurpassed compatibility in most business environments—even those with multiple hardware and software platforms. Effectively and efficiently route monthly statements, invoices, purchase orders, and large reports and reduce or eliminate costs and distribution time associated with centralized printing. Intelligent print distribution delivers business advantages:

- Faster, more convenient access to information
- Confidentiality
- Local control over documents
- Improved utilization of network printers
- Reduced costs

# Speed and performance

Designed to process documents quickly, the HP LaserJet 9040/9050 series printer features technology that lets you take advantage of the powerful print engine. The 533 MHz processor, RIP-once technology, and HP FastRes 1200 printing technology render print jobs efficiently at full engine speed—50 ppm with the HP LaserJet 9050 series printer and 40 ppm with the HP LaserJet 9040 series printer.

The quick HP Jetdirect Fast Ethernet embedded print server eliminates information flow bottle-necks from the network to your printer. HP Jetdirect-connected printers offer easy remote management: HP Embedded Web Server enables one-to-one network printer management while HP Web Jetadmin helps network administrators manage fleets of peripherals.

# Mobile printing solutions

HP is the industry leader for mobile and wireless printing solutions. Enjoy the ultimate in printing flexibility and freedom with HP Jetdirect wireless Ethernet print servers and the HP Mobile Print Driver for Windows®, a common driver for basic printing to nearly any HP printer.

#### Financing, service and support

With HP's flexible acquisition, maintenance and service options, you can integrate the HP LaserJet 9050 series printer into your environment in the way that makes the most sense for your business.

The HP LaserJet 9040/9050 series printer includes a one-year, next business day onsite warranty, backed by award-winning HP Customer Care and HP Instant Support Professional Edition.

HP Managed Office Services for Imaging and Printing can manage your entire printing infrastructure including hardware, supplies, support, services, software, consulting, integration, and project management. HP Pay per use for Imaging and Printing Solutions deliver a scalable standard and custom service options tailored to meet your specific needs: HP provides everything you need for reliable printing, including site assessment and design for optimized print productivity coupled with unsurpassed repair and maintenance support.

# Advanced paper handling options

2,000-sheet 8-bin mailbox Each mailbox bin can be assigned to an individual, workgroup, or department for easy job retrieval. The mailbox is also equipped with a sorter/collator, stacker, and job separator.

**Stacker** Stacks up to 3,000 sheets of paper with job offset.

**Stapler/stacker** Provides 3,000-sheet stacker capabilities as well as multiposition stapling for up to 50 sheets of paper per job.

Multifunction finisher

Provides 1,000 sheets of stacking capacity, stapling for up to 50 sheets of paper per job, plus folding and saddle stitching for booklets of up to 10 sheets of paper.
