AMUSEMENT BUSINESS, the weekly trade paper for the mass entertainment industry will keep you up-to-date on the world of live entertainment throughout the U.S. and Canada

Every issue contains:

TALENT TRAFFIC—Who's touring—when and where. So you and your promotion people—at home and on the road—can plan suitable and profitable tie-ins.

BOXSCORE—Accurate reports of attendance and grosses at dozens of concerts each week. Successful tours mean extra record sales—and lots of them. You'll find out who's drawing the sellout crowds.

TALENT—We cover the grass roots as well as the concrete caverns; fairs, stadiums, arenas, clubs—we're always on the lookout for new and exciting talent. And, reporting to you on it—talent which could make big money for you and your company in the years ahead. It's up to you to discover it—and get there first!

And there's so much else you'll find useful in every issue—news on fairs, auditoriums, arenas, promotions. AB now publishes charts of the top 25 pop singles and top 25 country singles—just as they appear in the corresponding issue of Billboard.

To sum it all up, AMUSEMENT BUSINESS will save you time, make you money and keep you on top of all that's happening and all that's likely to happen in your field. Saturday night live. For 59 years.

The Grand Ole Opry® is almost as old as country music itself. And every bit as lively.

Since 1925, the Grand Ole Opry has been on the air showcasing country music's best-loved performers for over 30 million people across the country each week.

But that's not its only audience.

The Opry® is broadcast live, from the Grand Ole Opry House in Nashville, Tenn., before a capacity crowd of 4,400 enthusiastic audience members from just about every state in the nation and many foreign

countries at each show.

In fact, through all those years, the Opry has never missed a Saturday night broadcast.

It's the living soul of America from the ground up presented live each week. It's the longest running show in the country.

COUNTRY IS BIG IN DULUTH

Most of our show-goers tell us they're real big on country music. That's why your show can be SRO in the Duluth Arena (8000 seats) or the Duluth Auditorium (2400 seats). Dolly's been here. So has Conway. Merle. Marty. Charlie. Kenny. Loretta. George. Alabama. The Oaks. Statlers. Gatlins. And other boot-wearin' legends. So come on up to where it was country before country wasn't cool.

Interest in New U.S. Savings Bonds is growing daily at Allstate in Northbrook.

Tom Davis
Claims

"I'm participating in the payroll deduction plan so I can put something away for my children and their educational expenses. It's a disciplined way for me to save for these future needs."

Beulah Cheeks
Personnel

"To me, participating in our payroll deduction plan for savings bonds is a way to invest in our country. It's a convenient way to save and I can depend on the stable return for my investment."

Diane Estevez
Employment Center

"Buying U.S. Savings Bonds through payroll deduction is a good way to save money, simply because it is a forced savings plan. You never get to see the money so you won't spend it. I'm purchasing U.S. Savings Bonds as a savings plan for my expected children."

Paul Crawford
Auditing

"I have a little girl that will need money for college some day. I think that the payroll savings plan and the high-interest yields on Series EE bonds will help me prepare for when that day arrives."

Lloyd Brown
Media Relations

"My family has been investing in savings bonds for three generations. To me, bonds are a tradition and a good way to put away a few dollars each month without missing it from your check."

Nancy Van Demerkt
Corporate Relations

"The payroll savings plan is a convenient way for me to invest money. Savings bonds are just another way to save for my future. And, if I have some unplanned expenses, I can always use my bonds."

Ever wonder why your company runs a United Way campaign?

Companies have helped the United Way raise funds for as long as there has been a United Way. And for a lot of good reasons.

They've learned that most of the money raised stays right in their own hometown, helping to meet local human needs.

And they've learned that, thanks to company campaigns and employee volunteers, the United Way doesn't need an enormous staff of its own. That means most of the money will go to help those who need it. That's why United Way is the most effective way to help.

But most of all, your company asks you to support the United Way for the same reason you'd want to yourself. They want to help all they can.

United Way

Thanks to you, it works. for ALL OF US.
