

27 Pin Female Plug of Locomotive MU Control Connector

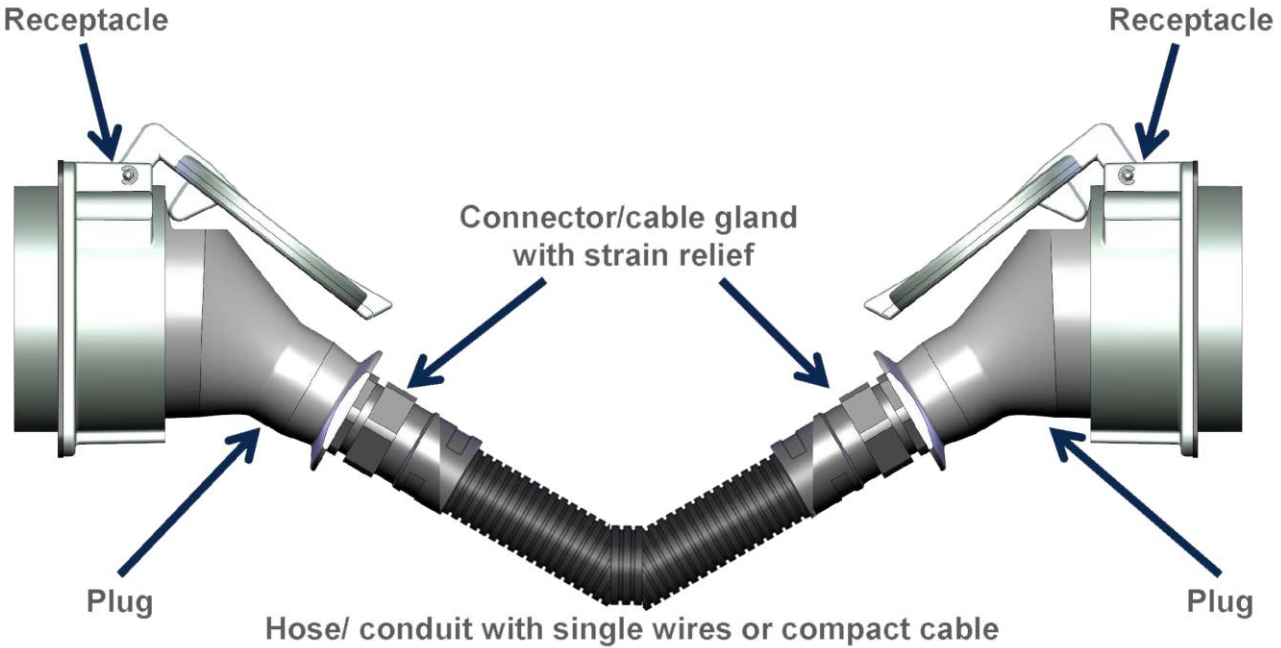

Part Name:	27 Pin Female Receptacle – Jumper Assembly
Part Number:	WPS-1022
EMD Equal Part Number:	8195548
Part Application:	As a jumper between contactors of 2 locomotives electrical sections
Alloy:	Combination of Rubber, Aluminum Alloy, Copper and Plastic Fiber
Type of Coating:	Silver Plated
Thickness of Coating:	15Micron
Composite of Insulator (Spool):	Armed Resin (Polymer)
Composite of Insulating Brackets:	Polymeric Fiber
Material of Mounting Head:	Rubber
Applied Welding:	Silver Soldering
Utilization:	On EMD and GE Locomotive s
Warranty Period:	12 Months

This part is being provided without connection's harness. Parts List and Parts Numbers are as shown:

Part Number	WPS P/N	Description	QTY/Unit
8195545	WPS-1023	HEAD – Jumper – 27Pole	1
8195544	WPS-1024	INSERT- Back, Fiberglass, 27 Pole	1
8195540	WPS-1025	SPACER – Tube	2
8195541	WPS-1026	FERRULE – Jumper Housing	1
8195542	WPS-1027	CONTACT – Female, No.14 Wire	26
8259563	WPS-1028	CONTACT – Female, No.12 Wire	1
8195543	WPS-1029	HOUSING – Jumper Head	1

This table shows the quantity per each head (housing). For complete control jumper, you must duplicate the mentioned numbers.

5

EMD Part Number for complete Jumper Control is 8195548.
