Sandy Ridge Address: 89868 472nd Avenue, Atkinson, Nebraska 68713

Fellow Cattlemen,

On behalf of the entire Wulf Cattle team, welcome to the 31st Annual Wulf Cattle Opportunity Sale and the first to be held at Sandy Ridge Ranch! We are excited to host this year's event at our Atkinson, Nebraska ranch located in North Central Nebraska, on the Eastern edge of the Sandhills just south of the South Dakota border. The ranch is located in Holt County which is one of the largest cattle producing counties in the nation. Come early and spend some time to see our operation and look at our sale offering in the environment where they have been bred, born and developed.

The Genetics division of our company continues to make our breeding decisions based on the end product that comes out of our feedlots. We continue to breed for efficient cattle that demand a premium from the packer as well as the consumer. Our carcass trends, over the past several years, show that we continue to increase quality grades, while lowering yield grades and maintaining consistently large Rib Eye Areas. Without the improvement of genetics and a huge amount of data collection and evaluation, this feat would not be possible.

We were honored to exhibit the Grand Champion Lim-Flex[®] and Limousin Pens at the 2019 National Western Stock Show. The first time ever that a pen of red Lim-Flex have been sorted to the top and it's been awhile since a pen of red purebreds has won the banner. These awards were special to us because these bulls are the cutting edge of our genetic progress. This group of bulls sell as Lots 2-10.

This year's sale is once again packed with herd sires and brood cow prospects to fit the needs of a diverse group of cattlemen from across the Continent. We have bulls ranging from big, growthy yearlings to the more mature, rugged, coming two year olds. The yearling heifers selling are direct from our replacement group and will be ready to breed in your program later this spring. We are offering the best of our Limousin, Lim-Flex[®] and Angus genetics to fill your specific genetic needs. If you have questions about what genetics would best fit your program, please give me a call anytime.

Regards,
Casey Fanta

Sweetgrass Veterinary Services

118 S. Main St. • Dimock, S.D. 57331 • (605) 299-4255

Sweetgrass Veterinary Services and I are eager to welcome everyone to Sandy Ridge Ranch for the 2019 Wulf Cattle Opportunity Sale! This past year has been full of big, positive changes for us. We have a brand-new veterinary practice but the same great, compassionate crew. We are blessed to continue our partnership with Wulf Cattle into the future and assist with the animal health preparation that goes into this event. Our crew congratulates Wulf Cattle on their outstanding performance at the NWSS this year and is proud to be associated with this award-winning beef cattle program.

Several days were spent performing breeding soundness exams which included evaluation of semen motility and morphology, scrotal measurements, hip heights, and visual examination of hoof and leg conformation. To reduce stress and times through the chute, yearling bulls were also carcass ultrasounded by CUP Lab certified tech Jeff Schoenfelder at the time of the breeding exam.

All sale animals have received vaccinations for IBR, BVD, PI3, BRSV, Lepto, Vibrio, Clostridial diseases and poured to control external and internal parasites. In addition, heifers have also received their Brucellosis vaccination. Magnets are given for the prevention of hardware disease. Wulf Cattle tests all breeding stock for John's Disease and has a zero tolerance for test positives. These animals and their offspring are removed from their breeding herd to insure the future health of your herd.

We will be readily available on sale day and can be reached by email at vets@sweetgrassvets.com or at (605) 656-1334 anytime. We will be issuing electronic official health papers for lots sold outside of Nebraska the day of the sale. To assist us in this process, please provide your email and the physical address of where the cattle will be delivered to when you sign up for a bidder number. You may also find it convenient to download the MyVetLINK app to see your health documents as they are created. In good practice, we do encourage a 3-week quarantine period before contact with your herd to allow them to get over the high-risk time after the stress of transportation and to work with your local veterinarian to prepare your bull for breeding by repeating a fertility test prior to pasture turn out.

Warm Regards & Safe Travels,
Erik Holum DVM

Dear Friends and Fellow Cattlemen,

Here in the upper Midwest, where our operations are, it has been a good old fashion winter, plenty of snow and cold. It is a tough way to get it, but we should start the spring with plenty of moisture.

The cattle and beef markets can be considered ho-hum or fairly robust, depending how we view it. Relative to markets we saw in 2014 and 2015, it seems sluggish. When we dig deeper into the dynamics we have a lot to be thankful for. The demand for total meat protein (beef, pork, and poultry) in America is very good! Americans consume about 20 pounds more per capita of all three proteins combined than they did just four years ago. On top of that we are exporting another 41 pounds per capita of all meats combined. Given our record amounts of protein, beef prices are strong. Beef at retail is selling at very high levels over pork and poultry. Thanks to our robust economy, Americans are eating beef! Keeping meat exports rolling will be paramount moving forward.

We continue to keep all of our feedyards running full of fed cattle with Wulf Cattle Genetics. Continuing to grow our numbers, we will market over 90,000 fed cattle this year. Our supply has grown both in our BeefBuilder™ program (Breeding to Feeding™) along with increased growth in calves purchased from commercial ranch suppliers. We continue to procure Limousin cross cattle that are Verified Natural, GAP, and NHTC from our bull customers. Our working relationship with Feedlot Health has proven to be a great asset to us and our feeder calf suppliers. Getting health, feedyard performance, and carcass data collected, analyzed and shared with you is continually getting better. The Feedlot Health Management Service, along with Troy Drake (Herdtrax), will be at our sale. I encourage you to meet them and visit about the benefits of capturing, understanding, and utilizing your herd's ranch and feedlot production data to make future production decisions.

March of 2018 we hosted our 30th annual, and last sale in Morris, MN. This year and going forward, our annual Opportunity Sale will happen at our beautiful Sandy Ridge Ranch in Atkinson, NE. We began moving our registered cows to Sandy Ridge in 2013. Since then, it is where all of our genetic production happens. As hard as it was to leave Minnesota, we believe this will be much better! Better for the bulls, and better for our customers.

We look forward to seeing you at our ranch in Atkinson, NE. Come view all the sale cattle, be sure to take in our seminar the evening of March 18th and our sale on the 19th. Travel safe, and we'll see you soon!

Kind Regards,
Jerry Wulf & the Wulf Cattle Team

Monday, March 18 • Seminar & Open Panel Discussion

4:30 p.m. supper followed by seminar at 6 p.m.

“Data Driven Decisions”

Welcome comments: **Wulf Cattle Team**
Presenters: **Dr. Sandi Parr,**
Feedlot Health Management Services,
Mark Anderson, Exec. Director, NALF

Many of you may have noticed the ranch carcass data reports have a new format this year. Dr. Sandi Parr will go through a sample report and discuss how producers can use these reports as they make future genetic selection decisions for their herd. Mark Anderson will provide updates on a variety of topics that tie directly into Dr. Parr's topic. The topics to be discussed by Mark Anderson are as follows: the role Limousin genetics play in the industry, genetic trends, and an update regarding the IGS EPD's. Please plan to attend this seminar as we continue to provide each and every producer with more tools to make “Data Driven Decisions”.

Directions to Sandy Ridge Ranch

- From Stuart, Nebraska—North on 469th Avenue 14 miles to 894 Rd. Turn east 2.5 miles and north 4 miles.
- From Naper, Nebraska—South on 470th Avenue 12.7 miles to 894 Rd. Turn east 2.5 miles and north 4 miles.
- From Butte, Nebraska—1 mile west of Butte, turn south onto Highway 11 6.1 miles. First right after the Niobrara River, turn west onto 899 Rd. 10.9 miles.
- From Atkinson, Nebraska—North on Highway 11 7.9 miles. Continue straight onto 476 Avenue 14.5 miles. Turn west onto 899 Rd. 2.9 miles.

2019 Wulf Cattle Indexes

A method to simplify your bull selection and help you find the correct herd sires for your operation.

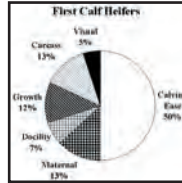

The indexes presented here can simplify your bull selection and help best match herd sires to your operation. Single-trait selection is not wise, rather, cattle with a balance of traits that match your production needs provide the greatest profit potential. Therefore, indexes were developed to combine traits of economic importance. Each index combines 19 different measurements grouped into six economically important categories.

- Breeding first-calf heifers
- Producing calves for the mainstream market using terminal sires
- Producing calves for the mainstream market while keeping replacement heifers

First Calf Heifers

This index score sires according to their usefulness on first calf heifers. While calving ease is the major driver in this index, a balance among the other traits is required to score high.

- Calving Ease** = Birth Weight EPD, Calving Ease Direct EPD, Actual Birth Weight
- Maternal** = Scrotal EPD, Milk EPD, Calving Ease Maternal EPD, Actual Scrotal
- Duality** = Dociity EPD
- Growth** = Weaning Weight EPD, Yearling Weight EPD, Carcass Weight EPD, Actual WW, Actual YW
- Carcass** = Ribeye EPD relative to Carcass Wt EPD, Yield Grade EPD, Marbling EPD, Ultrasound ribeye to YW, Ultrasound marbling (Muscling and marbling are given greater or lesser importance depending on the index - see individual index descriptions).
- Visual** = Wulf's visual score

The icons listed below appear directly adjacent to each sale lot to serve as a quick reference to the corresponding Wulf Cattle Index.

* Indexes on all yearling bulls are based on EPDs only. They will be recalculated in March to include actual yearling data and visual scores. The updated indexes will be published on the Supplement Sheet and available one week prior to the sale at www.WulfCattle.com

2019 Spring Bull Retirement

Get paid a premium to retire your herd sire this spring! Make arrangements to bring your used herd bull one of two locations on Thursday, March 14, 2019 from 12 noon to 5 PM at Clark Feeders, Clark, S.D. or The Depot, McLaughlin, S.D. There will be a certified scale at each location. The bulls must meet all USDA withdrawals for any animal health products they have been given. All breeds are welcome, **except dairy breeds, Longhorns and Corrientes.**

American foods will pay Wulf Cattle for the bulls. Wulf Cattle will issue a certificate of credit for the full value plus the Wulf Cattle premiums listed below. The credit can be used as a sale credit at Wulf's 2019

Opportunity Sale which will be held at Sandy Ridge Ranch, Tuesday, March 19, 2019.

Wulfs will add an additional premium to the value of the retired bull.

**1-4 bulls = \$200 per bull
5-9 bulls = \$250 per bull
10+ bulls = \$300 per bull**

**** Call us starting March 11, for a bull price estimate at (320)392-5802 or email wulf@wulfcattle.com. Contact us with any questions and let us know if you are bringing in your bulls.**

2019 Spring Bull Retirement

Get paid a premium to retire your herd sire this spring! Make arrangements to bring your used herd bull one of two locations on Thursday, March 14, 2019 from 12 noon to 5 PM at Clark Feeders, Clark, S.D. or The Depot, McLaughlin, S.D. There will be a certified scale at each location. The bulls must meet all USDA withdrawals for any animal health products they have been given. All breeds are welcome, **except dairy breeds, Longhorns and Corrientes.**

American foods will pay Wulf Cattle for the bulls. Wulf Cattle will issue a certificate of credit for the full value plus the Wulf Cattle premiums listed below. The credit can be used as a sale credit at Wulf's 2019

Opportunity Sale which will be held at Sandy Ridge Ranch, Tuesday, March 19, 2019.

Wulfs will add an additional premium to the value of the retired bull.

- 1-4 bulls = \$200 per bull
- 5-9 bulls = \$250 per bull
- 10+ bulls = \$300 per bull

**** Call us starting March 11, for a bull price estimate at (320)392-5802 or email wulf@wulfcattle.com. Contact us with any questions and let us know if you are bringing in your bulls.**

Wulfs Bronc A500F • Sells as Lot 179

- A member of the first crop of Baldrige Bronc calves that we have offered
- Tremendous spread from BW to YW
- Reminiscent of sires we have used whose offspring grow quickly & then develop into moderate framed adults that make great brood cows

Call Superior Productions at 800-431-4452 and pre-register for your buyer's number.

We hope you can join us sale day. However, we know there will be some scheduling conflicts and distance limitations. In these cases, we have arranged for you to be able to participate in the sale on an absentee basis.

If possible, you can come by and evaluate the animals prior to sale day. If distance is a problem, we can also provide you with a DVD of all the cattle for home viewing. All of the lots in the sale will be available for viewing online prior to sale day at Superior Livestock as well.

Customers tell us that the video does a good job of showing conformation, structural correctness, and how the cattle travel, etc. Our sale book, with complete data on each animal, is very helpful. Please feel free to call us with questions.

HERE'S HOW IT WORKS

Please call Superior Productions at 800-431-4452 and pre-register for your buyer's number. A registration form needs to be filled out and returned to Superior Productions with a signature. This registration form is also available on the website at www.SuperiorLivestock.com under the Regis-

ter for a Buyer Number/Superior Productions tab where it can be printed, completed and either faxed or mailed in. Upon receipt of this information Superior will call you with a buyer's number and the bid line number that you will use on sale day to place bids over the phone.

The sale will be broadcast on the internet at www.SuperiorLivestock.com. Simply go to the website and in the brown Production Auctions box on the Home page, click on the Wulf sale link. From there, users can view the Wulf video catalog and also bid online, provided they have registered. Regardless of internet connection, you will be able to view and listen to the same video feed as seen on the satellite. The bidding process is the same—follow the auction on the internet and call the bid line number to place your bids. Your computer must have Flash Media Player installed to view the auction.

Bidders making purchases via internet at www.SuperiorClickToBid.com will be contacted by Wulf Cattle after the sale to settle payment and shipping arrangements.

Watch & bid online for FREE at DV Auction

Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service!

Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab.
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction—a DV representative will notify you once you have been approved.
3. Tune in for the sale and make your purchases! After the sale, contact the sale manager or owner to arrange transportation and payment. High speed internet is required for successful bidding. Be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

PROXY BIDDING: If you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

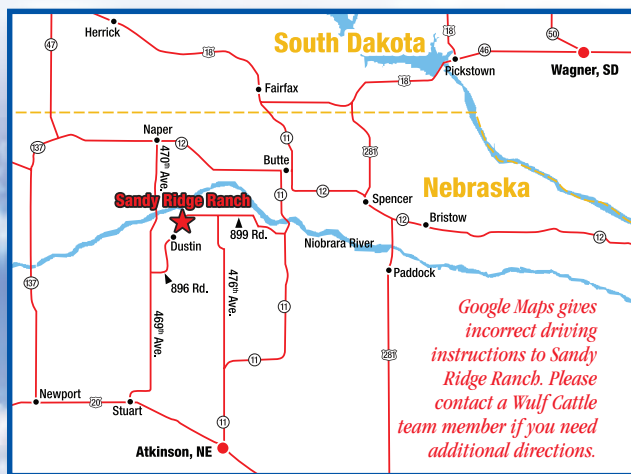

Having troubles? During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.
