

# Part Number Changes

## For I/O Terminal Block Kits

### Yaskawa JUSP, CBK, SBK, and JZSP

**From – Combined cable and terminal block kits (one part number)**

**To – Separate cable and terminal block part numbers\***

- All replacement part numbers are the equivalent of their predecessors in terms of form, fit, and function
- All replacement part numbers will come packaged individually instead of together
- Updated drawings may be created upon request
