Buyer Specific Additional Terms and Conditions

1. **Scope of supply (Bid price to include all cost components) :** Only supply of Goods

Special Terms and Conditions for e-Bidding

1. The following terms and conditions shall be applicable to the e-Bidding to be conducted by the Buyers on GeM platform, in addition to laid down General Terms and Conditions for Sale/Purchase in GeM (Government e-Marketplace) already agreed by the Buyer and, the Seller who wish to participate in the e-Bidding. In case of any discrepancy/conflict in terms and conditions in the aforesaid, ibid special terms and conditions for reverse auction shall have precedence over the terms/conditions given in any other document.
2. The e-Bidding module of GeM is a tool provided to the Buyer(s) for organizing bidding from GeM Sellers of the particular product category for a pre-defined requirement i.e. quantity, technical parameters for Goods/ Services of the particular product category required for single consignee. Prior to organizing e-Bidding, the Buyer shall judiciously search and shortlist lowest priced item among the items offered on GeM using filters such as quantity, technical parameters, warranty period, consignee location etc as per the requirement.
3. The technical parameters and warranty of the lowest priced item identified by the Buyer shall be base parameters (technical parameters and warranty) of the item for conducting e-Bidding for the required Goods/Services. Nevertheless, the Buyer organizing a particular e-Bidding shall also have option to stipulate additional parameters along with these base parameters.
4. The price of the aforesaid lowest priced item shall be reference price for the e-Bidding. Unless some additional parameter(s) along with identified base parameters are stipulated by the Buyer, the Seller(s) participating in the e-Bidding shall not be allowed to quote a price higher than the reference price.
5. The e-Bidding will be designed and conducted by the Buyer(s) for which they will stipulate requirements such as Quantity, Delivery period, Performance Bank Guarantee required etc, Time/date for start and end of bid submission and also for opening of bids and bid validity period, consignee details, EMD, terms of delivery etc. The payment terms will be as per the General Terms and Conditions for sale/purchase of the particular product category of GeM. The Buyer may appropriately incorporate suitable provisions for Performance Bank Guarantee (PBG), if required as part of bidding document and hence contract.
6. The e-Bidding invitation notice shall be published on GEM, stipulating the last date for bid submission/opening of bids giving at least clear 7 days time for after the publication. Any change in this regard will be intimated to eligible bidders through e-mail/GeM. The invitation for bidding in e-Bidding shall be extended to all the Sellers of the particular product category. The e-Bidding invitation shall be extended to all the Sellers on GeM who get themselves registered as Seller and/or offer Goods/services for the particular product category on GeM, 2 hours prior to start time of e-Bidding. The decision of the Buyer/GeM regarding technical/commercial acceptability of the individual Seller to be invited for e-Bidding shall be final. Upon being invited for e-Bidding, the Seller shall have discretion to

- participate in the same.
7. The Seller participating in the e-bidding shall offer one of their product(s) listed against the specified product category on GeM. The bid submitted under e-Bidding shall remain valid for 15 days from the e-Bidding date (till 24.00 Hrs IST) which can be further extended for 15 days with mutual consent, for acceptance by the Buyer. He will also give conformance for the technical parameters and commercial conditions of the e-bidding. The individual Sellers shall ensure that the products offered in e-Bidding remain available on GeM during the bid validity period. The individual Seller participating in e-bidding shall offer package price for the total quantity required at consignee location.
 8. The e-bidding shall be single stage bidding with bid opening to be conducted by the Buyer on GeM on scheduled date and time. The Buyer reserves the right to postpone/cancel the e-bidding and intimation thereof will be sent by e-mail/GeM to the Sellers/bidders. Any amendment/corrigendum to the e-bid invitation issued by the Buyer will be made online and shall be uploaded on the GeM. The participation by the GeM Seller as bidder in e-bidding shall be construed as his compliance for all the technical as well as commercial parameters as outlined in the e-bidding and accordingly the contract with the lowest acceptable bidder shall be entered by the Buyer. After e-bidding, the lowest acceptable bid shall be decided on the basis of lowest total bid price for the total tendered requirement.
 9. The Buyer reserves the right to accept/reject any bid including the lowest bid received through e-bid and/or annul the e-bidding process, without assigning any reasons.
 10. The participating bidders in the e-Bidding shall be required to submit bid(s) in adherence of the Information Technology Act, 2000 read along with amendment thereof, duly digitally signed issued to their respective authorised representative who participate in e-Bidding on their behalf.
 11. The participating bidders shall not disclose details of their bids or other details of their e-bids to other bidders or indulge in any anti-competitive behaviour including price manipulation in violation of Competition Act, 2002.
 12. The Buyer/GeM will not be held responsible for consequential damages such as no internet connection, no power supply, system problems, loss of electronic information, power interruption etc.

[This Bid is also governed by the General Terms and Conditions](#)
